#### ITEM 8.01 OTHER EVENTS

On February 13, 2019, our Board of Directors authorized a new share repurchase program in the amount of \$100.0 million. The new authorization follows the completion of the \$100.0 million repurchase program previously authorized by the Company's Board of Directors in July 2018, under which the Company repurchased and retired approximately 2.6 million shares during 2018.

Under the Company's newly authorized \$100.0 million share repurchase program, repurchases of the Company's shares may be made in the open market, in privately negotiated transactions, or otherwise. The timing and amount of repurchases, if any, will be determined by the Company's management at its discretion and be based on a variety of factors such as the market price of the Company's common stock, corporate and contractual requirements, prevailing market and economic conditions and legal requirements. The share repurchase program may be modified, suspended or discontinued at any time. The Company intends to retire any shares repurchased.
