SUBJECT TO COMPLETION, DATED May 3, 2005

PROSPECTUS

OFFER TO EXCHANGE

\$350,000,000

Meritage Homes Corporation

6¹/₄% Senior Notes due 2015

**which have been registered under the Securities Act and
guaranteed fully and unconditionally by all of our existing
subsidiaries (other than our two mortgage broker subsidiaries)
for any and all of the outstanding Meritage Homes Corporation
unregistered 6¹/₄% Senior Notes due 2015**

**THE EXCHANGE OFFER AND WITHDRAWAL RIGHTS WILL EXPIRE AT 5:00 P.M.,
NEW YORK CITY TIME, ON _____, 2005, UNLESS EXTENDED.**

We are offering to exchange up to \$350 million aggregate principal amount of our 6¹/₄% senior notes due 2015 (the "exchange notes"), which have been registered under the Securities Act of 1933, as amended, for the identical aggregate principal amount of our outstanding unregistered 6¹/₄% senior notes due 2015 (the "outstanding notes"). The aggregate principal amount of the outstanding notes, and therefore, the aggregate principal amount of exchange notes which would be issued if all the outstanding notes were exchanged, is \$350 million. The terms of the exchange notes will be identical with the terms of the outstanding notes, except that the issuance of the exchange notes is being registered under the Securities Act of 1933, and therefore the exchange notes will not be subject to the restrictions on transfer which apply to the outstanding notes.

The notes are our unsecured senior obligations. The notes rank equally with all of our other unsecured senior indebtedness.

Prior to the exchange offer, there has been no public market for the exchange notes. We do not currently intend to list the exchange notes on a securities exchange or seek approval for quotation of the exchange notes on an automated quotation system. Therefore, it is unlikely that an active trading market for the exchange notes will develop.

The exchange agent for the exchange offer is Wells Fargo Bank, National Association.

See "Risk Factors," which begin on page 13, for a discussion of certain factors that should be considered in evaluating the exchange offer.

Neither the Securities and Exchange Commission nor any state securities commission approved or disapproved of these securities or passed upon the adequacy or accuracy of this prospectus. Any representation to the contrary is a criminal offense.

The date of this prospectus is _____, 2005.

This information is available without charge to security holders upon written or oral request. You may request a copy of this information, at no cost, by calling us or by writing to us at our principal executive offices in Arizona at the following address: Meritage Homes Corporation, 8501 East Princess Drive, Suite 290, Scottsdale, Arizona 85255, Attention: Investor Relations. Our telephone number is (480) 609-3330. **In order to obtain timely delivery, you must make your request no later than five business days before the expiration of the exchange offer.** The exchange offer will expire on _____, 2005, unless extended.

Our obligations under the Exchange Act to file periodic reports and other information with the SEC may be suspended, under certain circumstances, if our common stock and exchange notes are each held by fewer than 300 holders of record at the beginning of any fiscal year and are not listed on a national securities exchange. We have agreed that, whether or not we are required to do so by the rules and regulations of the SEC, for so long as any of the exchange notes remain outstanding we will furnish to the holders of the exchange notes, and if required by the Exchange Act, file with the SEC, all annual, quarterly and current reports that we are or would be required to file with the SEC pursuant to Section 13(a) or 15(d) of the Exchange Act. In addition, we have agreed that, as long as any of the outstanding notes remain outstanding, we will make the information required by Rule 144A(d)(4) under the Securities Act available to any prospective purchaser of outstanding notes or beneficial owner of outstanding notes in connection with a sale of them.

No person has been authorized to give any information or to make any representations, other than those contained in this prospectus. If given or made, that information or those representations may not be relied upon as having been authorized by us. This prospectus does not constitute an offer to or solicitation of any person in any jurisdiction in which such an offer or solicitation would be unlawful.

NON-GAAP FINANCIAL MEASURES

EBITDA, as presented in this prospectus, is a supplemental measure of our performance that is not required by, or presented in accordance with, accounting principles generally accepted in the United States of America ("GAAP"). It is not a measurement of our financial performance under GAAP and should not be considered as an alternative to net earnings or any other performance measures derived in

accordance with GAAP or as alternatives to cash flows from operating activities as measures of our liquidity. We define EBITDA as net earnings before interest expense, interest amortized to cost of sales, income taxes, depreciation and amortization. EBITDA is presented because it is used by management to analyze and compare Meritage with other homebuilding companies on the basis of operating performance and we believe it is a financial measure widely used by investors and analysts in the homebuilding industry. In addition, in evaluating this non-GAAP measure, you should be aware that in the future we will incur expenses such as those used in calculating EBITDA. In addition, our presentation of this measure should not be construed as an inference that our future results will be unaffected by unusual or nonrecurring items. Our EBITDA measure has limitations as an analytical tool, and you should not consider it in isolation, or as a substitute for analysis of our results as reported under GAAP. Some of these limitations are:

- it does not reflect our cash expenditures, or future requirements, for capital expenditures or contractual commitments,
- it does not reflect changes in, or cash requirements for, our working capital needs,
- it does not reflect the significant interest expense, or the cash requirements necessary to service interest or principal payments, on our debt,
- it does not reflect any cash income taxes we may be required to pay,
- although depreciation and amortization are non-cash charges, the assets being depreciated and amortized will often have to be replaced in the future, and this measure does not reflect any cash requirements for such replacements,
- it is not adjusted for all non-cash income or expense items that are reflected in our statements of cash flows, and
- other companies in our industry may calculate this measure differently than we do, which limits its usefulness as a comparative measure.

Because of these limitations, our EBITDA measure should not be considered a measure of discretionary cash available to us to invest in the growth of our business or as a measure of cash that will be available to us to meet our obligations. You should compensate for these limitations by relying primarily on our GAAP results and using our EBITDA measure supplementally. See our consolidated financial statements and the related notes incorporated by reference in this prospectus.

MARKET DATA

Market data and other statistical information used throughout this prospectus are based on independent industry publications, government publications, reports by market research firms or other published independent sources. Some data are also based on our good faith estimates, which are derived from our review of internal surveys, as well as the independent sources listed above.

PROSPECTUS SUMMARY

The following summary highlights selected information contained elsewhere in this prospectus and may not contain all of the information that is important to you. For a more complete understanding of this exchange offer, we encourage you to read this entire document (including the documents incorporated herein by reference) and the documents to which we have referred you. Unless otherwise indicated in this prospectus, the terms "Meritage," the "Company," "we," "our" and "us" refer to Meritage Homes Corporation and its subsidiaries and predecessors as a combined entity. All EBITDA, operating data and other operating ratios are unaudited.

The Company

We are a leading designer and builder of single-family homes in the fast-growing Southern and Western United States, based on the number of home closings. We focus on providing a broad range of first-time, move-up and luxury homes to our targeted customer base. We and our predecessors have operated in Arizona since 1985, in Texas since 1987, in Northern California since 1989 and in Nevada since 1993. In 2004, we entered the Inland Empire market of Southern California with our acquisition of Citation Homes of Southern California and began start-up operations in the Denver, Colorado and Orlando, Florida markets. In February 2005, we expanded our Florida operations by acquiring the Fort Myers/Naples-based operations of Colonial Homes.

We believe that the relatively strong population, job and income growth as well as the favorable migration characteristics of our markets will continue to provide significant growth opportunities for us. According to U.S. Housing Markets, a leading real estate and homebuilding publication of the Meyers Group, six of our twelve markets, Los Angeles, California, Phoenix/ Scottsdale, Arizona, Dallas/ Ft. Worth and Houston, Texas, Las Vegas, Nevada and Orlando, Florida, are among or part of the top 10 national housing markets based on annual single-family housing permits issued in 2003, with Dallas/ Ft. Worth, Houston, Phoenix/ Scottsdale and Los Angeles comprising four of the top six single-family housing markets.

At December 31, 2004, we were actively selling homes in 139 communities, with base prices ranging from approximately \$96,000 to \$927,000. We develop a design and marketing concept tailored to each community, which includes determination of the size, style and price range of homes, street layout, size and layout of individual lots and overall community design. The home designs offered in a particular community also depend upon factors such as the housing generally available in the area, the consumer demands of a particular market and our lot costs for the project.

We seek to minimize land risk by purchasing a significant portion of our property after full entitlements that will allow us to construct homes have been obtained and typically begin development or construction immediately after close. We acquire land primarily through rolling option contracts, allowing us to purchase individual lots as our building needs dictate. These arrangements allow us to control lot inventory typically on a non-recourse basis without incurring the risks of land ownership or financial commitments other than relatively small non-refundable deposits. Recently, we have begun to purchase larger tracts of land through joint ventures. In some cases these joint ventures purchase undeveloped land and develop the land themselves. At December 31, 2004, we owned or had options to acquire approximately 39,000 housing lots, of which approximately 89% were under rolling option and land purchase contracts. We believe that the lots we own or have the right to acquire represent approximately a five and one half year supply.

Recent Developments

In March 2005 we completed a series of refinancing transactions that we believe will enhance our liquidity and, in the long term, result in significant cash interest savings to the Company. On March 2, 2005, we completed the sale of 1,035,000 shares of our common stock in a registered public offering resulting in net proceeds to the Company of approximately \$69.5 million. On March 10, 2005, we

completed the private placement of \$350 million in aggregate principal amount of 6¹/₄% senior notes due 2015, which we are offering to exchange for registered notes of identical principal amounts and substantially similar terms. We used the proceeds from these transactions to repurchase pursuant to a tender offer and consent solicitation approximately \$276.8 million of our outstanding 9³/₄% senior notes due 2011. In connection with this tender offer and repurchase, we will report in the first quarter of fiscal 2005 a one-time charge of approximately \$19.4 million for premiums, commissions and expenses associated with the tender offer and the write-off of offering costs associated with the 9³/₄% senior notes due 2011, net of the accretion of existing note premiums on the 9³/₄% senior notes due 2011 and federal and state income taxes.

Issuance of the Outstanding Notes

We sold the outstanding \$350 million aggregate principal amount of senior notes due 2015 to UBS Securities LLC, Citigroup Global Markets Inc. and J.P. Morgan Securities Inc., as initial purchasers, on March 10, 2005 pursuant to a purchase agreement dated February 24, 2005, between the initial purchasers and us. The initial purchasers subsequently resold the outstanding notes in reliance on Rule 144A and Regulation S under the Securities Act. We and the initial purchasers also entered into a registration rights agreement pursuant to which we agreed to offer to exchange the outstanding notes for exchange notes registered under the Securities Act and also granted holders of the outstanding notes rights under some circumstances to have resales of outstanding notes registered under the Securities Act. The exchange offer is intended to satisfy certain of our obligations under the registration rights agreement. See "The Exchange Offer — Purposes and Effects."

The outstanding notes were issued under an indenture dated as of March 10, 2005, between Meritage Homes Corporation, its subsidiary guarantors and Wells Fargo Bank, National Association, as trustee. The exchange notes are also being issued under this indenture and will be entitled to the benefits of this indenture. The form and terms of the exchange notes will be identical in all material respects with the form and terms of the outstanding notes, except that (1) the exchange notes will have been registered under the Securities Act and, therefore, will not bear legends describing restrictions on transfer, and (2) holders of exchange notes will not be, and upon the completion of the exchange offer, holders of outstanding notes will no longer be, entitled to certain rights under the registration rights agreement intended for the holders of unregistered securities. The exchange offer will be deemed completed upon the delivery by us to the exchange agent under the indenture of exchange notes in the same aggregate principal amount as the aggregate principal amount of outstanding notes that are validly tendered and not withdrawn by holders of outstanding notes in response to the exchange offer. See "The Exchange Offer — Termination of Certain Rights" and "— Procedures for Tendering" and "Description of the Exchange Notes."

The proceeds we received from the issuance of the outstanding notes were used to repurchase approximately \$276.8 million of our outstanding 9³/₄% senior notes due 2011 plus tender offer consideration and consent payments totaling approximately \$32.9 million pursuant to an offer to purchase and consent solicitation. We used the remaining proceeds to repay a portion of our unsecured credit facility. We will receive no proceeds from completion of the exchange offer.

The Exchange Offer

The Exchange Offer	We are offering to exchange \$350 million aggregate principal amount of our 6 ¹ / ₄ % senior registered notes due 2015 for the identical aggregate principal amount of our outstanding unregistered 6 ¹ / ₄ % senior notes due 2015. At the date of this prospectus, \$350 million principal amount of outstanding notes are outstanding. See “The Exchange Offer — Terms of the Exchange Offer.”
Expiration of the Exchange Offer	5:00 p.m., New York, time, on 2005, unless the exchange offer is extended (the day on which the exchange offer expires being the expiration date). See “The Exchange Offer — Expiration Date; Extension; Termination; Amendments.”
Conditions of the Exchange Offer	The exchange offer is not conditioned upon any minimum principal amount of outstanding notes being tendered for exchange. However, the exchange offer is subject to certain customary conditions, which we may waive. See “The Exchange Offer — Conditions of the Exchange Offer.”
Accrued Interest on the Outstanding Notes	The exchange notes will bear interest at the rate of 6 ¹ / ₄ % per annum from and including their date of issuance. When the first interest payment is made with regard to the exchange notes, we will also pay interest on the outstanding notes which are exchanged, from the date they were issued or the most recent interest date on which interest had been paid (if applicable) to, but not including, the day the exchange notes are issued. Interest on the outstanding notes which are exchanged will cease to accrue on the day prior to the day on which the exchange notes are issued. The interest rate on the outstanding notes may increase under certain circumstances if we are not in compliance with our obligations under the registration rights agreement. See “Description of the Exchange Notes.”
Procedures for Tendering the Outstanding Notes	A holder of outstanding notes who wishes to accept the exchange offer must complete, sign and date a letter of transmittal, or a facsimile of one, in accordance with the instructions contained under the “The Exchange Offer — Procedures for Tendering” and in the letter of transmittal, and deliver the letter of transmittal, or facsimile, together with the outstanding notes and any other required documentation to the exchange agent at the address set forth in “The Exchange Offer — Exchange Agent.” Outstanding notes may be delivered physically or by confirmation of book-entry delivery of the outstanding notes to the exchange agent’s account at The Depository Trust Company. By executing a letter of transmittal, a holder will represent to us that, among other things, the person acquiring the outstanding notes will be doing so in the ordinary course of the person’s business, whether or not the person is the holder, that neither the holder nor any other person is engaged in, or intends to engage in, or has an arrangement or understanding with any person to participate in, the distribution of the exchange notes and that neither the holder nor any such other person is an “affiliate,” as defined under

Rule 405 of the Securities Act, of ours. Each broker or dealer that receives exchange notes for its own account in exchange for outstanding notes which were acquired by the broker or dealer as a result of market-making activities or other trade activities, must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. See “The Exchange Offer — Procedures for Tendering.”

Guaranteed Delivery Procedures

Eligible holders of outstanding notes who wish to tender their outstanding notes and (1) whose outstanding notes are not immediately available or (2) who cannot deliver their outstanding notes or any other documents required by the letter of transmittal to the exchange agent prior to the expiration date (or complete the procedure for book-entry transfer on a timely basis), may tender their outstanding notes according to the guaranteed delivery procedures described in the letter of transmittal. See “The Exchange Offer — Guaranteed Delivery Procedures.”

Acceptance of the Outstanding Notes and Delivery of the Exchange Notes

Upon satisfaction or waiver of all conditions to the exchange offer, we will accept any and all outstanding notes that are properly tendered in response to the exchange offer prior to 5:00 p.m., New York Time, on the expiration date. The exchange notes issued pursuant to the exchange offer will be delivered promptly after expiration of the exchange offer. See “The Exchange Offer — Procedures for Tendering.”

Withdrawal Rights

Tenders of outstanding notes may be withdrawn at any time prior to 5:00 p.m., New York Time, on the expiration date. See “The Exchange Offer — Withdrawal of Tenders.”

The Exchange Agent

Wells Fargo Bank, National Association is the exchange agent. The address and telephone number of the exchange agent are set forth in “The Exchange Offer — Exchange Agent.”

Fees and Expenses

We will bear all expenses incident to our consummation of the exchange offer and compliance with the registration rights agreement. We will also pay any transfer taxes which are applicable to the exchange offer (but not transfer taxes due to transfers of outstanding notes or exchange notes by the holder). See “The Exchange Offer — Fees and Expenses.”

Resales of the Exchange Notes

Based on interpretations by the staff of the SEC set forth in no-action letters issued to persons unrelated to us, we believe exchange notes issued pursuant to the exchange offer in exchange for outstanding notes may be offered for resale, resold and otherwise transferred by the holder (other than (1) a broker-dealer who purchased the outstanding notes directly from us for resale pursuant to Rule 144A under the Securities Act or another exemption under the Securities Act or (2) a person that is an affiliate of ours, as that term is defined in Rule 405 under the Securities Act), without registration or the need to deliver a prospectus under the Securities Act, provided that the holder is acquiring the exchange notes in the ordinary course of business and is not participating, and has no arrangement or understand-

ing with any person to participate, in a distribution of the exchange notes. Each broker-dealer that receives exchange notes for its own account in exchange for outstanding notes which outstanding notes were acquired by the broker as a result of market-making or other trading activities, must acknowledge that it will deliver a prospectus in connection with any resale of the exchange notes. See “The Exchange Offer — Purposes and Effects.”

Federal Income Tax Consequences

The exchange offer will not be treated as a taxable event for United States federal income tax purposes. See “United States Federal Income Tax Considerations.”

The Exchange Notes

The exchange notes will evidence the same debt as the outstanding notes and will be entitled to the benefits of the indenture under which both the outstanding notes were, and the exchange notes will be, issued. The following summary is not intended to be complete. For a more detailed description of the notes, see “Description of the Exchange Notes.”

Issuer

Meritage Homes Corporation.

Securities Offered

\$350 million aggregate principal amount of 6¹/₄% senior notes due 2015 that have been registered under the Securities Act. The form and terms of the exchange notes are identical in all material respects to the form and terms of the outstanding notes for which they may be exchanged pursuant to the exchange offer, except for certain transfer restrictions and registration rights relating to the outstanding notes and except for certain provisions providing for an increase in the interest rate on the outstanding notes under circumstances relating to the exchange offer. Unless the context otherwise requires, the outstanding notes and the exchange notes are sometimes referred to in this prospectus as the “notes.”

Maturity Date

March 15, 2015.

Interest

The notes will accrue interest from the date of their issuance at the rate of 6¹/₄% per year. Interest on the exchange notes will be payable semi-annually in arrears on each March 15 and September 15 commencing on September 15, 2005.

In connection with the issuance of the outstanding notes on March 10, 2005, we and the guarantors agreed to:

- file a registration statement to enable holders of the notes to exchange the notes for registered notes within 75 days of the original issue date of the outstanding notes, or by May 24, 2005;
- use our respective reasonable best efforts to cause the registration statement to become effective under the Securities Act within 150 days following the original issue date of the outstanding notes, or by August 7, 2005; and

- use our respective reasonable best efforts to complete the exchange offer within 180 days after the original issue date of the outstanding notes, or by September 6, 2005.

If we do not comply with these obligations (a “registration default”), we will be required to pay liquidated damages to the holders of the notes in the form of higher interest rates. Upon the occurrence of a registration default, the interest rate borne by the notes will be increased by 0.25% per annum and will continue to increase by 0.25% each 90 day period that the liquidated damages continue to accrue, up to a maximum of 1.00% per annum. After we cure the registration default, the accrual of liquidated damages will stop and the interest rate will revert to the original rate.

Optional Redemption

We may redeem the notes, in whole or in part, at any time on or after March 15, 2010, at a redemption price equal to the principal amount plus a premium declining ratably to par, plus accrued and unpaid interest.

In addition, at any time prior to March 15, 2008, we may redeem up to 35% of the aggregate principal amount of the notes issued under the indenture with the net cash proceeds of one or more qualified equity offerings at a redemption price equal to 106.250% of the principal amount thereof, plus accrued and unpaid interest, *provided* that:

- at least 65% of the aggregate principal amount of the notes issued under the indenture remains outstanding immediately after the occurrence of such redemption; and
- such redemption occurs within 90 days of the date of the closing of any such equity offering.

Change of Control

If we experience a change of control and a rating decline, we may be required to offer to purchase the notes offered by this prospectus and the outstanding notes at a purchase price equal to 101% of the principal amount, plus accrued and unpaid interest.

Ranking and Guarantees

The notes are our senior unsecured obligations. All of our existing subsidiaries (other than our two mortgage broker subsidiaries) and certain of our future subsidiaries guarantee the notes on a senior unsecured basis.

The notes rank equally with all of our and our guarantors’ existing and future senior unsecured debt.

The notes rank senior to all of our and our guarantors’ debt that is expressly subordinated to the notes, but are effectively subordinated to all of our and our guarantors’ senior secured indebtedness to the extent of the value of the assets securing that indebtedness.

Restrictive Covenants

The indenture governing the notes contains covenants that, among other things, limit our ability and the ability of our subsidiaries to:

- incur additional indebtedness or liens;

- pay dividends or make other distributions or repurchase or redeem our stock;
- make investments;
- sell assets;
- enter into agreements restricting our subsidiaries' ability to pay dividends;
- enter into transactions with affiliates; and
- consolidate, merge or sell all or substantially all of our assets.

These covenants are subject to important exceptions and qualifications, which are described under the heading "Description of the Exchange Notes" in this prospectus.

Covenant Suspension

At any time when the notes are rated investment grade by both Moody's and S&P and no default or event of default has occurred and is continuing under the indenture, we and our subsidiaries will not be subject to many of the foregoing covenants. See "Description of the Notes — Suspension Period."

Absence of a Public Market

The exchange notes will be a new issue of securities and there is currently no established market for them. Accordingly, there can be no assurance as to the development or liquidity of any market for the notes or, if issued, the exchange notes. The outstanding notes are eligible for trading in The Portal Market.

Use of Proceeds

We will receive no proceeds from the exchange of the exchange notes for the outstanding notes pursuant to the exchange offer. The proceeds we received from the issuance of the outstanding notes were used to repurchase approximately \$276.8 million of our outstanding 9³/₄% senior notes due 2011 plus tender offer consideration and consent payments totaling approximately \$32.9 million pursuant to an offer to purchase and consent solicitation. We used the remaining proceeds to repay a portion of our unsecured credit facility. See "Use of Proceeds."

Trustee

Wells Fargo Bank, National Association.

Risk Factors

You should consider carefully the information set forth in the section of this prospectus entitled "Risk Factors" beginning on page 13 and all the other information provided to you in this prospectus in deciding whether to invest in the notes.

- (1) Historically, the construction costs and related debt associated with model homes which are owned and leased to us by others that we use to market our communities were not included in our balance sheet. In January 2005 we determined that the costs and related debt associated with these models are required to be included as assets and liabilities, respectively, on our balance sheet and that the lease payments needed to be recharacterized as interest and that such interest should be capitalized and allocated to cost of sales. As a result, we restated our Quarterly Reports on Form 10-Q for the quarters ended June 30, 2004 and September 30, 2004. We have determined that the effect on our year-end financial statements for 2003 and prior and the quarter ended March 31, 2004 is immaterial.
- (2) Interest incurred is the amount of interest paid and accrued (whether expensed or capitalized) during such period, including debt-related fees and amortization of deferred financing costs.
- (3) EBITDA represents net earnings before interest expense, interest amortized to cost of sales, income taxes, depreciation and amortization. EBITDA is a non-GAAP financial measure. A non-GAAP financial measure is a numerical measure of a registrant's historical or future financial performance, financial position or cash flows that excludes amounts, or is subject to adjustments that have the effect of excluding amounts, that are included in the most directly comparable measure calculated and presented in accordance with GAAP in the statement of earnings, balance sheet, or statement of cash flows (or equivalent statements) of the issuer; or includes amounts, or is subject to adjustments that have the effect of including amounts, that are excluded from the most directly comparable measure so calculated and presented. In this regard, GAAP refers to generally accepted accounting principles in the United States. We have provided below a reconciliation of this non-GAAP financial measure to the most directly comparable GAAP financial measure.

EBITDA is presented here because it is used by management to analyze and compare Meritage with other homebuilding companies on the basis of operating performance and we believe it is a financial measure widely used by investors and analysts in the homebuilding industry. EBITDA as presented may not be comparable to similarly titled measures reported by other companies because not all companies calculate EBITDA in an identical manner and, therefore, it is not necessarily an accurate means of comparison between companies. EBITDA is not intended to represent cash flows for the period or funds available for management's discretionary use nor has it been presented as an alternative to operating income or earnings or as an indicator of operating performance and it should not be considered in isolation or as a substitute for measures of performance prepared in accordance with generally accepted accounting principles in the United States of America.

The reconciliation of EBITDA to net earnings for each of the respective periods shown is as follows:

EBITDA	<u>\$ 270,219</u>	<u>\$ 182,283</u>	<u>\$ 139,583</u>

- (4) EBITDA margin is calculated by dividing EBITDA by total closing revenue.
- (5) For purposes of computing the ratio of earnings to fixed charges, "earnings" consist of income before income taxes plus fixed charges less capitalized interest. "Fixed charges" consist of interest expense including amortization of deferred debt expense, one-half of rent expense, which is deemed to be representative of an interest factor, and capitalized interest.
- (6) EBITDA and operating ratios are unaudited.

RISK FACTORS

You should consider carefully the information set forth in this section along with all the other information provided to you or incorporated by reference in this prospectus in deciding whether to invest in the notes.

Risks Associated with the Exchange Notes

Our substantial level of indebtedness could adversely affect our financial condition and prevent us from fulfilling our obligations on the notes.

As of February 28, 2005, we had \$564.25 million of indebtedness. In addition, subject to restrictions in the indenture governing the notes, the indenture for our 7% senior notes due 2014 and our senior unsecured credit facility, we may incur additional indebtedness. The high level of our indebtedness could have important consequences to you, including the following:

- our ability to obtain additional financing for working capital, capital expenditures, acquisitions or general corporate purposes may be impaired;
- we must use a substantial portion of our cash flow from operations to pay interest and principal on the notes and other indebtedness, which will reduce the funds available to us for other purposes such as capital expenditures;
- we have a higher level of indebtedness than some of our competitors, which may put us at a competitive disadvantage and reduce our flexibility in planning for, or responding to, changing conditions in our industry, including increased competition; and
- we are more vulnerable to economic downturns and adverse developments in our business.

We expect to obtain the money to pay our expenses and to pay the interest on the notes, the scheduled principal payments prior to maturity and interest on our senior unsecured credit facility and other debt from cash flow from our operations. Our annual debt service requirements for our existing senior notes (including the exchange notes offered hereby) is approximately \$31 million. Because the notes carry a fixed rate of interest, we are not subject to interest rate risk for these obligations.

We cannot be certain that our cash flow will be sufficient to allow us to pay principal and interest on our debt, including the notes, and meet our other obligations. If we do not have sufficient funds, we may be required to refinance all or part of our existing debt, including the notes, sell assets or borrow more money. We cannot guarantee that we will be able to do so on terms acceptable to us, if at all. In addition, the terms of existing or future debt agreements, including our senior unsecured credit facility and the indenture, may restrict us from pursuing any of these alternatives.

The indenture governing the notes offered hereby, the indenture governing our 7% senior notes due 2014 and our senior unsecured credit facility impose significant operating and financial restrictions, which may prevent us from capitalizing on business opportunities and taking some corporate actions.

The indenture governing the notes offered hereby, the indenture governing our 7% senior notes due 2014 and our senior unsecured credit facility impose significant operating and financial restrictions on us. These restrictions limit the ability of us and our subsidiaries, among other things, to:

- incur additional indebtedness or liens;
- pay dividends or make other distributions;
- repurchase our stock;
- make investments;

- sell assets;
- enter into agreements restricting our subsidiaries' ability to pay dividends;
- enter into transactions with affiliates; and
- consolidate, merge or sell all or substantially all of our assets.

In addition, the indenture governing our 7% senior notes due 2014 requires us to maintain a minimum consolidated tangible net worth and our senior unsecured credit facility requires us to maintain other specified financial ratios. We cannot assure you that these covenants will not adversely affect our ability to finance our future operations or capital needs or to pursue available business opportunities. A breach of any of these covenants or our inability to maintain the required financial ratios could result in a default in respect of the related indebtedness. If a default occurs, the relevant lenders could elect to declare the indebtedness, together with accrued interest and other fees, to be immediately due and payable.

We may not be able to satisfy our obligations to holders of the notes upon a change of control triggering event.

Upon the occurrence of a "change of control triggering event," as defined in the indenture, each holder of the notes offered by this offering memorandum and the outstanding notes will have the right to require us to purchase the notes at a price equal to 101% of the principal amount, together with any accrued interest and liquidated damages, if any, to the date of purchase. Our failure to purchase, or give notice of purchase of, the notes would be a default under our other debt agreements. In addition, a change of control triggering event may constitute an event of default under our senior unsecured credit facility. A default under our senior unsecured credit facility could result in an event of default under the indenture if the lenders accelerate the debt under our credit facility.

If a change of control triggering event occurs, we may not have enough assets to satisfy all obligations under our debt agreements. In order to satisfy our obligations we could seek to refinance the indebtedness under these agreements or obtain a waiver from the lenders or you as a holder of the notes. We cannot assure you that we would be able to obtain a waiver or refinance our indebtedness on terms acceptable to us, if at all.

There is uncertainty about the meaning of the phrase "all or substantially all" under applicable laws in connection with determining whether a change of control has occurred.

One of the events that triggers our obligation to repurchase the notes upon a change in control triggering event is the sale of all or substantially all of our assets. The phrase "all or substantially all" as used in the indenture varies according to the facts and circumstances of the subject transaction, has no clearly established meaning under the law that governs the indenture and is subject to judicial interpretation. In certain circumstances, there may be a degree of uncertainty in ascertaining whether a particular transaction would involve a disposition of "all or substantially all" of our assets, and therefore, it may be unclear as to whether a change of control has occurred and whether you have the right to require us to repurchase the notes.

We could enter into transactions that would not constitute a change of control giving rise to an obligation to repurchase the notes, but that could increase the amount of our indebtedness outstanding.

The indenture governing the notes offered hereby, the indenture governing our 7% senior notes due 2014 and the agreement for our senior unsecured credit facility impose significant restrictions on our ability to incur additional indebtedness or liens, make investments, and sell assets, among others. In addition, the indenture governing the notes offered hereby imposes obligations on us to offer to repurchase the notes if we enter into a transaction that constitutes a change of control and we experience a rating decline.

Nevertheless, we could, in the future, enter into transactions such as acquisitions, refinancings or other recapitalizations or highly leveraged transactions that would not constitute a change of control giving rise to an obligation by us to repurchase the notes (or we could enter into transactions that would constitute a change of control, but that are not coupled with a rating decline), but that could increase the amount of indebtedness outstanding. Such transactions could affect our capital structure or credit ratings or otherwise affect the holders of the notes.

The guarantees may be voided under specific legal circumstances.

The notes are guaranteed by all of our existing subsidiaries (other than our two mortgage broker subsidiaries) and certain future subsidiaries. The guarantees may be subject to review under U.S. federal bankruptcy law and comparable provisions of state fraudulent conveyance laws if a bankruptcy or reorganization case or lawsuit is commenced by or on behalf of our or one of a guarantor's unpaid creditors. Under these laws, if a court were to find in such a bankruptcy or reorganization case or lawsuit that, at the time any guarantor issued a guarantee of the notes:

- it issued the guarantee to delay, hinder or defraud present or future creditors; or
- it received less than reasonably equivalent value or fair consideration for issuing the guarantee at the time it issued the guarantee and:
 - it was insolvent or rendered insolvent by reason of issuing the guarantee; or
 - it was engaged, or about to engage, in a business or transaction for which its remaining unencumbered assets constituted unreasonably small capital to carry on its business; or
 - it intended to incur, or believed that it would incur, debts beyond its ability to pay as they mature;

then the court could void the obligations under the guarantee, subordinate the guarantee of the notes to that guarantor's other debt or take other action detrimental to holders of the notes and the guarantees of the notes.

The measures of insolvency for purposes of fraudulent transfer laws vary depending upon the law of the jurisdiction that is being applied in any proceeding to determine whether a fraudulent transfer had occurred. Generally, however, a person would be considered insolvent if, at the time it incurred the debt:

- the present fair saleable value of its assets was less than the amount that would be required to pay its probable liability on its existing debts, including contingent liabilities, as they become absolute and mature; or
- it could not pay its debts as they become due.

We cannot be sure as to the standard that a court would use to determine whether or not a guarantor was solvent at the relevant time, or, regardless of the standard that the court uses, that the issuance of the guarantees would not be voided or the guarantees would not be subordinated to the guarantors' other debt. If such a case were to occur, the guarantee could also be subject to the claim that, since the guarantee was incurred for our benefit, and only indirectly for the benefit of the guarantor, the obligations of the applicable guarantor were incurred for less than fair consideration.

Based upon financial and other information currently available to us, we believe that the debt evidenced by the guarantees is being incurred for proper purposes and in good faith. We believe that the guarantors:

- were solvent after issuing the guarantees;

- will have sufficient capital for carrying on the business we intend to conduct after this offering is completed; and
- will be able to service their debts as they come due.

There is no established trading market for the exchange notes and you may not be able to sell the notes quickly or at the price that you paid.

We expect that there will be a limited trading market for the exchange notes, if any. Although the exchange notes will be registered, we do not intend to list the exchange notes on any securities exchange or to arrange for quotation on any automated dealer quotation system. The initial purchasers have advised us that they intend to make a market in the exchange notes, but they are not obligated to do so. The initial purchasers may discontinue any market making in the exchange notes at any time, in their sole discretion. As a result, we cannot assure you as to the liquidity of any trading market for the exchange notes.

We also cannot assure you that you will be able to sell your exchange notes at a particular time or that the prices that you receive when you sell will be favorable. We also cannot assure you as to the level of liquidity of the trading market for the exchange notes or, in the case of any holders of notes that do not exchange them, the trading market for the notes following the offer to exchange the notes for exchange notes. Future trading prices of the outstanding notes and exchange notes will depend on many factors, including:

- our operating performance and financial condition;
- our ability to complete the offer to exchange the notes for the exchange notes;
- the interest of securities dealers in making a market; and
- the market for similar securities.

Historically, the market for non-investment grade debt has been subject to disruptions that have caused volatility in prices. It is possible that the market for the outstanding notes and, if issued, the exchange notes will be subject to disruptions. Any disruptions may have a negative effect on noteholders, regardless of our prospects and financial performance.

There may be adverse consequences to holders of outstanding notes that do not tender their outstanding notes pursuant to the exchange offer.

If you fail to properly exchange your outstanding notes for exchange notes, you will continue to hold outstanding notes subject to transfer restrictions, and the liquidity of the trading market for any untendered outstanding notes may be substantially limited.

We will only issue exchange notes in exchange for outstanding notes that you timely and properly tender. You should allow sufficient time to ensure timely delivery of the outstanding notes, and you should carefully follow the instructions on how to tender your outstanding notes set forth under the “The Exchange Offer — Procedures for Tendering” and in the letter of transmittal that accompanies this prospectus. Neither we nor the exchange agent are required to notify you of any defects or irregularities relating to your tender of notes.

The holders of outstanding notes that do not exchange them pursuant to this exchange offer will continue to be subject to restrictions on the transfer of the outstanding notes because the issuance of the outstanding notes was not registered under the Securities Act or registered or qualified under any state securities laws. We do not currently anticipate that, except in certain limited circumstances, we will register the outstanding notes under the Securities Act. To the extent that we exchange outstanding notes as a result of this exchange offer, the ability to trade untendered outstanding notes may be adversely affected.

Risks Related to Our Acquisition of Colonial Homes

The integration of Colonial Homes may present challenges.

In February 2005, we completed the acquisition of substantially all of the homebuilding assets of Colonial Homes of Fort Myers/Naples, Florida. The integration of Colonial Homes into our operations following the acquisition will involve a number of risks. In particular, the combined companies may experience attrition among management and personnel. The integration process could also disrupt the activities of our current businesses. The combination of the two companies will require, among other things, coordination of management, administrative and other functions. Failure to overcome these challenges or any other problems encountered in connection with the acquisition of Colonial Homes could cause our financial condition, results of operations and competitive position to decline.

We may not achieve the anticipated benefits from the acquisition.

Our integration of the Colonial Homes acquisition assumes certain synergies and other benefits. We cannot assure you that unforeseen factors will not offset the intended benefits of the acquisition in whole or in part.

Colonial Homes is engaged in the construction and sale of condominiums.

In connection with our acquisition of Colonial, we will be involved in the construction and sale of multi-story condominium homes. Prior to this acquisition, our business has involved only the construction and sale of single-family homes. The construction and sale of condominium homes involves different construction processes and subcontractors and, to a degree, different customers. In addition, condominium homes typically involve more extensive sales and warranty regulations. Although we now employ most of the Colonial Homes employees that were involved with the Colonial business (including condominium construction and sales), we have no prior experience in the condominium business. We cannot assure you that we will be successful going forward with this aspect of the Colonial business. In addition, we are exploring expanding into condominium construction and sales in other markets in which we operate and we could face similar challenges and risks with such an endeavor.

Risks Relating to Meritage

Increases in interest rates and the unavailability of mortgage financing can adversely affect housing demand.

In general, housing demand is adversely affected by increases in interest rates and housing costs and the unavailability of mortgage financing. Most of our buyers finance their home purchases through third-party lenders providing mortgage financing. If mortgage interest rates increase and, consequently, the ability of prospective buyers to finance home purchases is adversely affected, home sales, gross margins and cash flow may also be adversely affected and the impact may be material. Interest rates are currently near historically low levels, however, it is impossible to predict future increases or decreases in market interest rates. In addition, homebuilding activities depend upon the availability and costs of mortgage financing for buyers of homes owned by potential customers, as those customers (move-up buyers) often need to sell their residences before they purchase our homes. Any reduction of financing availability could adversely affect home sales.

We may continue to consider growth or expansion of our operations which could have a material adverse effect on our cash flows or profitability.

We may continue to consider growth or expansion of our operations in our current markets or in other areas of the country. Our expansion into new or existing markets could have a material adverse effect on our cash flows or profitability. The magnitude, timing and nature of any future expansion will depend on a

number of factors, including suitable acquisition candidates, the negotiation of acceptable terms, our financial capabilities and general economic and business conditions. New acquisitions may result in the incurrence of additional debt, some of which could be secured, and therefore, structurally senior to the notes. Acquisitions also involve numerous risks, including difficulties in the assimilation of the acquired company's operations, the incurrence of unanticipated liabilities or expenses, the diversion of management's attention from other business concerns, risks of entering markets in which we have limited or no direct experience, and the potential loss of key employees of the acquired company.

We depend on the continued availability and satisfactory performance of our subcontractors which, if unavailable, could have a material adverse effect on our business.

We conduct our construction operations only as a general contractor. Virtually all architectural and construction work is performed by unaffiliated third-party subcontractors. As a consequence, we depend on the continued availability of and satisfactory performance by these subcontractors for the design and construction of our homes. We cannot assure you that there will be sufficient availability of and satisfactory performance by these unaffiliated third-party subcontractors. In addition, inadequate subcontractor resources could have a material adverse effect on our business.

We are dependent on the services of certain key employees and the loss of their services could harm our business.

Our success largely depends on the continuing services of certain key employees, including our Co-Chief Executive Officers, Steven J. Hilton and John R. Landon, and our continued development depends on our ability to attract and retain qualified personnel. We have employment agreements with Messrs. Hilton and Landon, but we do not have employment agreements with certain other key employees. We believe that Steven J. Hilton and John R. Landon each possess valuable industry knowledge and experience and leadership abilities that would be difficult in the short term to replicate. The loss of key employees could harm our operations and business plans.

Our limited geographic diversification could adversely affect us if the homebuilding industry in our current markets should decline.

We have operations in Texas, Arizona, California, Nevada, Colorado and Florida. Our limited geographic diversification could adversely impact us if the homebuilding business in our current markets should decline, since there may not be a balancing opportunity in a stronger market in other geographic regions.

We face reduced coverages and increased costs of insurance.

Recently, lawsuits have been filed against builders asserting claims of personal injury and property damage caused by the presence of mold in residential dwellings. Some of these lawsuits have resulted in substantial monetary judgments or settlements. We believe that we have maintained adequate insurance coverage to insure against these types of claims for homes completed before October 1, 2003. Insurance carriers have begun excluding claims arising from the presence of mold from policies for many builders and, as of October 1, 2003, our insurance policy began excluding mold coverage. If our retentions are not sufficient to protect against these types of claims or if we are unable to obtain adequate insurance coverage, a material adverse effect on our business, financial condition and results of operations could result if we are exposed to claims arising from the presence of mold in the homes that we sell.

Our business and operating results could be adversely affected by natural disasters.

We have significant homebuilding operations in Texas, California and Florida. Some of our markets in Texas and Florida occasionally experience severe weather conditions, such as tornadoes or hurricanes.

California has experienced a significant number of earthquakes, flooding, landslides and other natural disasters in recent years. We do not insure against some of these risks. These occurrences could damage or destroy some of our homes under construction or our building lots, which may result in losses that exceed our insurance coverage. We could also suffer significant construction delays or substantial fluctuations in the pricing or availability of building materials. Any of these events could cause a decrease in our revenue, cash flow and earnings.

Our future operating results may be adversely impacted by high inflation.

We, like other homebuilders, may be adversely affected during periods of high inflation, mainly because of higher land and construction costs. Also, higher mortgage interest rates may significantly affect the affordability of mortgage financing to prospective buyers. Inflation also increases our cost of financing, materials and labor and could cause our financial results or growth to decline, which could impact the value of the notes and the cash flow available to service the notes. We attempt to pass cost increases on to our customers through higher sales prices. To date, inflation has not had a material adverse effect on our results of operations; however, inflation could impact our future operating results.

We are subject to construction defect and home warranty claims arising in the ordinary course of business which could lead to additional reserves or expenses that may adversely affect our business.

Construction defect and home warranty claims are common in the homebuilding industry and can be costly. While we maintain product liability insurance and generally require our subcontractors and design professionals to indemnify us for liabilities arising from their work, we cannot assure you that these insurance rights and indemnities will be adequate to cover all construction defect and warranty claims for which we may be liable. For example, we may be responsible for applicable self-insured retentions, which have increased recently, and certain claims may not be covered by insurance or may exceed applicable coverage limits.

We recently reported that we had identified a material weakness in our system of internal controls and that as of December 31, 2004 our internal control over financial reporting was not effective.

We recently completed an evaluation of our internal controls over financial reporting in order to allow management to assess and report on, and our independent registered public accounting firm to audit and attest to management's assessment and the effectiveness of our internal controls over financial reporting, as required by the Sarbanes-Oxley Act of 2002 and rules and regulations of the SEC, which we refer to as Section 404. As a result of this evaluation, we determined that our accounting for our model lease program constituted a material weakness under Section 404 and Auditing Standard No. 2 of the Public Company Accounting Oversight Board. We have made the appropriate adjustments to our financial statements. As a result, investors could lose confidence in our reported financial information and the price of our securities could drop significantly.

As a participant in the homebuilding industry we are subject to its fluctuating cycles and other risks that can negatively affect the demand for, cost of, and pricing of our homes.

The homebuilding industry is cyclical and is significantly affected by changes in economic and other conditions, such as employment levels, availability of financing, interest rates and consumer confidence. These factors can negatively affect the demand for and cost of our homes. We are also subject to various risks, many of which are outside of our control, including delays in construction schedules, cost overruns, changes in governmental regulations (such as no- or slow-growth initiatives), increases in real estate taxes and other local government fees and raw materials and labor costs.

We are also subject to the potential for significant variability and fluctuations in the cost and availability of real estate. Although historically we have generally developed parcels ranging from 100 to

300 lots, in order to achieve and maintain an adequate inventory of lots, we are beginning to purchase larger parcels, in some cases with a joint venture partner. Write-downs of our real estate could occur if market conditions deteriorate and these write-downs could be material in amount. Write-downs may also occur if we purchase land at higher prices during stronger economic periods and the value of that land subsequently declines during slower economic periods.

We experience fluctuations and variability in our operating results on a quarterly basis and, as a result, our historical performance may not be a meaningful indicator of future results.

We historically have experienced, and expect to continue to experience, variability in home sales and net earnings on a quarterly basis. As a result of such variability, our historical performance may not be a meaningful indicator of future results. Fluctuations in our results could cause the value of the notes to decline. Factors that contribute to this variability include:

- timing of home deliveries and land sales;
- our ability to acquire additional land or options for additional land on acceptable terms;
- conditions of the real estate market in areas where we operate and of the general economy;
- the cyclical nature of the homebuilding industry, changes in prevailing interest rates and the availability of mortgage financing;
- costs and availability of materials and labor; and
- delays in construction schedules due to strikes, adverse weather, acts of God, reduced subcontractor availability and governmental restrictions.

If we are unable to successfully compete in the highly competitive homebuilding industry, our financial results and growth could suffer.

The homebuilding industry is highly competitive. We compete for sales in each of our markets with national, regional and local developers and homebuilders, existing home resales and, to a lesser extent, condominiums and available rental housing. If we are unable to successfully compete, our financial results and growth could suffer and the value of, or our ability to service, the notes could be adversely affected. Some of our competitors have significantly greater financial resources or lower costs than we do. Competition among both small and large residential homebuilders is based on a number of interrelated factors, including location, reputation, amenities, design, quality and price. Competition is expected to continue and become more intense, and there may be new entrants in the markets in which we currently operate and in markets we may enter in the future.

We are subject to extensive government regulation that could cause us to incur significant liabilities or restrict our business activities.

Regulatory requirements could cause us to incur significant liabilities and costs and could restrict our business activities. We are subject to local, state and federal statutes and rules regulating certain development matters, as well as building and site design. We are subject to various fees and charges of government authorities designed to defray the cost of providing certain governmental services and improvements. We may be subject to additional costs and delays or may be precluded entirely from building projects because of “no-growth” or “slow-growth” initiatives, building permit ordinances, building moratoriums, or similar government regulations that could be imposed in the future due to health, safety, welfare, or environmental concerns. We must also obtain licenses, permits and approvals from government agencies to engage in certain activities, the granting or receipt of which are beyond our control, and could cause delays in our homebuilding projects.

We are also subject to a variety of local, state and federal statutes, ordinances, rules and regulations concerning the protection of health and the environment. Environmental laws or permit restrictions may result in project delays, may cause substantial compliance and other costs and may prohibit or severely restrict development in certain environmentally sensitive regions or geographic areas. Environmental regulations can also have an adverse impact on the availability and price of certain raw materials, such as lumber.

Beginning in late 2003, we established relationships with title insurance companies in three states where we do business, pursuant to which one of our subsidiaries receives a portion of the fees and premiums on title insurance purchased by certain of our homebuyers and reinsures a portion of the policy risk. The California Insurance Commissioner and regulators in other states are investigating these types of arrangements. We are in the process of terminating those arrangements that have not been expressly approved by a state regulator. In total, these arrangements contributed approximately \$600,000 to our fiscal 2004 pre-tax earnings. Depending on the outcome of these investigations, we could be subject to fines or sanctions which could harm our operating results or reputation.

Acts of war may seriously harm our business.

Acts of war or any outbreak or escalation of hostilities between the United States and any foreign power, including the conflict in Iraq, may cause disruption to the economy, our company, our employees and our customers, which could impact our revenue, cost and expenses and financial condition.

USE OF PROCEEDS

We will receive no proceeds from the exchange of the exchange notes for the outstanding notes pursuant to the exchange offer. The proceeds we received from the issuance of the outstanding notes were used to repurchase approximately \$276.8 million of our outstanding 9³/₄% senior notes due 2011 plus tender offer consideration and consent payments totaling approximately \$32.9 million in the aggregate pursuant to a offer to purchase and consent solicitation. We used the remaining proceeds to repay a portion of our unsecured credit facility.

CAPITALIZATION

The following table sets forth our cash and capitalization on an actual and as adjusted basis as of February 28, 2005. As adjusted data takes into account the issuance of the outstanding notes on March 10, 2005, the repurchase of \$276.8 million our outstanding 9³/₄% senior notes due 2011 pursuant to a concurrent tender offer and the payment of related fees and expenses and the issuance of 1,035,000 shares of our common stock and the payment of related fees, commissions and other costs. You should read this table together with the other financial information and related notes appearing elsewhere or incorporated by reference in this prospectus.

- (1) Historically, the construction costs and related debt associated with model homes which are owned and leased to us by others that we use to market our communities were not included in our balance

sheets. In January 2005 we determined that the costs associated with these models and the related debt are required to be included as assets and liabilities, respectively, on our balance sheet and that the lease payments needed to be recharacterized as interest and that such interest should be capitalized and allocated to cost of sales. As a result, we restated our Quarterly Reports on Form 10-Q for the quarters ended June 30, 2004 and September 30, 2004. We have determined that the effect on our year-end financial statements for 2003 and prior and the quarter ended March 31, 2004 is immaterial.

- (2) 2001 earnings include a \$383 loss related to the net effect of early extinguishments of long-term debt. Previously this amount, net of the tax effect of \$149 was reported as an extraordinary item. We have reclassified this loss as general and administrative expense and income tax benefit, respectively, to conform to the requirements of SFAS 145, which was effective for fiscal years beginning after May 15, 2002.
- (3) 2000-2001 amounts have been adjusted to reflect a 2-for-1 stock split in the form of a stock dividend that occurred in April 2002 and all amounts have been adjusted to reflect a 2-for-1 stock split in the form of a stock dividend that occurred in January 2005.
- (4) Interest incurred is the amount of interest paid and accrued (whether expensed or capitalized) during such period, including debt-related fees and amortization of deferred financing costs.
- (5) EBITDA represents net earnings before interest expense, interest amortized to cost of sales, income taxes, depreciation and amortization. EBITDA is a non-GAAP financial measure. A non-GAAP financial measure is a numerical measure of a registrant's historical or future financial performance, financial position or cash flows that excludes amounts, or is subject to adjustments that have the effect of excluding amounts, that are included in the most directly comparable measure calculated and presented in accordance with GAAP in the statement of earnings, balance sheet, or statement of cash flows (or equivalent statements) of the issuer; or includes amounts, or is subject to adjustments that have the effect of including amounts, that are excluded from the most directly comparable measure so calculated and presented. In this regard, GAAP refers to generally accepted accounting principles in the United States. We have provided below a reconciliation of this non-GAAP financial measure to the most directly comparable GAAP financial measure.

EBITDA is presented here because it is used by management to analyze and compare Meritage with other homebuilding companies on the basis of operating performance and we believe it is a financial measure widely used by investors and analysts in the homebuilding industry. EBITDA as presented may not be comparable to similarly titled measures reported by other companies because not all companies calculate EBITDA in an identical manner and, therefore, it is not necessarily an accurate means of comparison between companies. EBITDA is not intended to represent cash flows for the period or funds available for management's discretionary use nor has it been presented as an alternative to operating income or earnings or as an indicator of operating performance and it should not be considered in isolation or as a substitute for measures of performance prepared in accordance with generally accepted accounting principles in the United States of America. The reconciliation of EBITDA to net earnings for each of the respective periods shown is as follows:

	Years Ended December 31,				
	2004	2003	2002 (Unaudited) (Dollars in thousands)	2001	2000
Net earnings	\$ 138,968	\$ 94,406	\$ 69,937	\$ 50,659	\$ 35,762
Plus:					
Income taxes	85,790	57,054	43,607	32,295	21,000
Interest	32,228	22,287	19,259	13,303	9,179
Depreciation and amortization	13,233	8,536	6,780	5,741	3,407
EBITDA	<u>\$ 270,219</u>	<u>\$ 182,283</u>	<u>\$ 139,583</u>	<u>\$ 101,998</u>	<u>\$ 69,348</u>

- (6) EBITDA margin is calculated by dividing EBITDA by total closing revenue.
- (7) For purposes of computing the ratio of earnings to fixed charges, "earnings" consist of income before income taxes plus fixed charges less capitalized interest. "Fixed charges" consist of interest expense including amortization of deferred debt expense, one-half of rent expense, which is deemed to be representative of an interest factor, and capitalized interest.
- (8) EBITDA, operating data and operating ratios are unaudited.

DESCRIPTION OF CERTAIN INDEBTEDNESS

The following is a summary of certain of our and our subsidiaries' indebtedness.

Senior Unsecured Credit Facility

We have a credit agreement which provides for a \$400 million senior unsecured revolving credit facility. Guaranty Bank is the administrative agent for the facility, which matures in May 2007, subject to extension provisions.

At February 28, 2005, there was a balance of approximately \$89.5 million outstanding under our senior unsecured revolving credit facility and approximately \$60.1 million was outstanding in letters of credit that collateralize our obligations under various land purchase and other contracts. After considering our most restrictive bank covenants, our borrowing availability under the bank credit facility was approximately \$222.2 million at February 28, 2005, as determined by borrowing base limitations defined by our agreement with the lending banks.

The interest rate on this credit facility is based upon either the agent bank's quoted base rate or the eurodollar rate, plus an applicable margin that is determined by the level of a predefined financial leverage ratio. In addition, we incur commitment fees on the unused portion of the revolver that range from 0.275% to 0.50% per annum. The interest rate for outstanding balances under the bank credit facility at February 28, 2005 was at LIBOR (approximately 2.916%) plus two percent or at prime (5.5%).

This credit facility contains certain financial and other covenants, including covenants:

- requiring us to maintain tangible net worth of at least \$225 million plus 50% of net income earned since January 1, 2004 plus 75% of the aggregate net increase in tangible net worth resulting from the sale of capital stock and other equity interests (as defined);
- prohibiting our ratio of indebtedness (including accrued expenses) to tangible net worth from being greater than 2.25 to 1;
- requiring us to maintain a ratio of EBITDA (including interest amortized to cost of sales) to interest incurred (as defined) of at least 2.0 to 1;
- prohibiting the net book value of our land and lots where construction of a home has not commenced to exceed 125% of tangible net worth and prohibiting the net book value of our raw land where grading or infrastructure improvements have not begun to exceed 20% of tangible net worth;
- limiting the number of unsold housing units and model units that we may have in our inventory at the end of any fiscal quarter as follows:
 - (i) unsold homes cannot exceed 25% of the number of home closings within the four fiscal quarters ending on such date; and
 - (ii) model homes cannot exceed 10% of the number of home closings within the four fiscal quarters ending on such date; and

- prohibiting us from entering into any sale and leaseback transaction, excluding the sale and leaseback of model homes and prohibiting us from creating or incurring any off-balance sheet liability. For purposes of our credit facility, off-balance sheet liabilities include:
 - (i) certain liabilities arising under asset securitization transactions;
 - (ii) monetary obligations under synthetic leases, tax retention or off-balance sheet lease transactions that upon the application of any debtor relief law to us would be characterized as indebtedness;
 - (iii) any other monetary obligation with respect to any transaction which upon the application of any debtor relief law to us would be characterized as indebtedness or which is the functional equivalent of or takes the place of borrowing but which does not constitute a liability on our consolidated balance sheet.

Notwithstanding the above, our credit facility specifically provides that liabilities (i) under rolling options and similar contracts for the acquisition of real property and (ii) arising under model home leases shall not be deemed off-balance sheet liabilities.

7% Senior Notes due 2014

In April 2004, we issued \$130 million in principal amount of our 7% senior notes due 2014.

The indenture for our 7% senior notes due 2014 requires us to comply with a number of covenants that restrict certain transactions, including covenants:

- limiting the amount of additional indebtedness we can incur unless after giving effect to such additional indebtedness, either (i) our fixed charge coverage ratio would be at least 2.0 to 1.0 or (ii) our ratio of consolidated debt to consolidated tangible net worth would be less than 3.0 to 1.0, provided, however, this limitation does not apply to most types of inter-company indebtedness, purchase money indebtedness up to \$15 million, non-recourse indebtedness and other indebtedness up to \$15 million;
- generally limiting the amount of dividends, redemptions of equity interests and certain investments we can make to \$10 million plus (i) 50% of our net income since May 30, 2001 plus (ii) 100% of the net cash proceeds from the sale of qualified equity interests, plus other items and subject to other exceptions;
- requiring us to maintain tangible net worth of at least \$60 million;
- limiting our ability to incur or create certain liens; and
- placing limitations on the sale of assets, mergers and consolidations and transactions with affiliates.

Other Debt

Substantially all of our other debt at December 31, 2004 consists of obligations recorded in connection with model home construction costs and related debt which are owned and leased to us by others but which are included in our balance sheet. Interest (lease payments) on those borrowings is at a rate of LIBOR plus 4.25% per annum and is payable monthly. Principal payments are generally deemed made when the model home is sold to a third party or the lease is terminated.

DESCRIPTION OF THE EXCHANGE NOTES

As used below in this “Description of the Exchange Notes” section, the “**Issuer**” means Meritage Homes Corporation, a Maryland corporation, and its successors, but not any of its subsidiaries. The Issuer will issue the exchange notes described in this prospectus under the indenture, dated as of March 10, 2005, among the Issuer, the Guarantors and Wells Fargo Bank, National Association, as trustee. The terms of the exchange notes include those set forth in the indenture and those made part of the indenture by reference to the Trust Indenture Act. You may obtain a copy of the indenture from the Issuer at its address set forth elsewhere in this prospectus.

The following is a summary of the material terms and provisions of the exchange notes. As used in this “Description of the Exchange Notes,” the terms “Notes” and “notes” mean the series of the Issuer’s senior debt securities issued under the indenture designated as its 6¹/₄% Senior Notes due 2015, in each case except as otherwise expressly provided or as the context otherwise requires. The following summary does not purport to be a complete description of the Notes and is subject to the detailed provisions of the indenture. You can find definitions of certain terms used in this description under the heading “— Certain Definitions.”

Principal, Maturity and Interest

The Notes will mature on March 15, 2015. The Notes will bear interest at the rate shown on the cover page of this prospectus, payable on March 15 and September 15 of each year, commencing on September 15, 2005, to holders of record at the close of business on March 1 or September 1, as the case may be, immediately preceding the relevant interest payment date. Interest on the Notes will be computed on the basis of a 360-day year of twelve 30-day months.

The Notes will be issued in registered form, without coupons, and in denominations of \$1,000 and integral multiples of \$1,000.

The Issuer may issue an unlimited amount of Notes having identical terms and conditions to the Notes being issued in this offering (**Additional Notes**), subject to compliance with the “Limitations on Additional Indebtedness” covenant described below. Any Additional Notes will be part of the same issue as the Notes being issued in this offering and will vote on all matters as one class with the Notes being issued in this offering, including, without limitation, waivers, amendments, redemptions and offers to purchase. For purposes of the “Description of the Notes,” except for the covenant described under “— Certain Covenants — Limitations on Additional Indebtedness,” references to the Notes include Additional Notes, if any.

Methods of Receiving Payments on the Notes

If a holder has given wire transfer instructions to the Issuer at least ten business days prior to the applicable payment date, the Issuer will make all payments on such holder’s Notes in accordance with those instructions. Otherwise, payments on the Notes will be made at the office or agency of the paying agent and registrar for the Notes within the City and State of New York unless the Issuer elects to make interest payments by check mailed to the holders at their addresses set forth in the register of holders.

Ranking

The Notes will be general unsecured obligations of the Issuer. The Notes will rank senior in right of payment to all future obligations of the Issuer that are, by their terms, expressly subordinated in right of payment to the Notes and *pari passu* in right of payment with all existing and future unsecured obligations of the Issuer that are not so subordinated. Each note guarantee will be a general unsecured obligation of the Guarantor thereof and will rank senior in right of payment to all future obligations of such Guarantor that are, by their terms, expressly subordinated in right of payment to such note guarantee and *pari passu* in right of payment with all existing and future unsecured obligations of such Guarantor that are not so subordinated.

The Notes and each note guarantee will be effectively subordinated to secured Indebtedness of the Issuer and the applicable Guarantor to the extent of the value of the assets securing such Indebtedness. Although the indenture contains limitations on the amount of additional secured Indebtedness that the Issuer and the Restricted Subsidiaries may incur, under certain circumstances, the amount of this Indebtedness could be substantial. See “— Certain Covenants — Limitations on Additional Indebtedness” and “— Limitations on Liens.”

The Notes will also be effectively subordinated to all existing and future obligations, including Indebtedness, of any Unrestricted Subsidiaries. Claims of creditors of Unrestricted Subsidiaries, including trade creditors, will generally have priority as to the assets of these Subsidiaries over the claims of the Issuer and the holders of the Issuer’s Indebtedness, including the Notes.

Note Guarantees

The Issuer’s obligations under the Notes and the indenture will be jointly and severally guaranteed by each Restricted Subsidiary.

Not all of our Subsidiaries will guarantee the Notes. Unrestricted Subsidiaries will not be Guarantors. In the event of a bankruptcy, liquidation or reorganization of any of these non-guarantor Subsidiaries, these non-guarantor Subsidiaries will pay the holders of their debts and their trade creditors before they will be able to distribute any of their assets to us.

As of the date of this prospectus, all of our Subsidiaries, other than MTH Mortgage, LLC and Texas Home Mortgage Corporation, which conduct our mortgage broker business, will be “Restricted Subsidiaries,” and all of our Restricted Subsidiaries will be Guarantors. However, under the circumstances described below under the subheading “— Certain Covenants — Limitations on Designation of Unrestricted Subsidiaries,” the Issuer will be permitted to designate some of our other Subsidiaries as “Unrestricted Subsidiaries.” The effect of designating a Subsidiary as an “Unrestricted Subsidiary” will be:

- an Unrestricted Subsidiary will not be subject to many of the restrictive covenants in the indenture;
- a Subsidiary that has previously been a Guarantor and that is designated an Unrestricted Subsidiary will be released from its note guarantee; and
- the assets, income, cash flow and other financial results of an Unrestricted Subsidiary will not be consolidated with those of the Issuer for purposes of calculating compliance with the restrictive covenants contained in the indenture.

The obligations of each Guarantor under its note guarantee will be limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor (including, without limitation, any guarantees under the Credit Facilities permitted under clause (1) of “— Certain Covenants — Limitations on Additional Indebtedness”) and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its note guarantee or pursuant to its contribution obligations under the indenture, result in the obligations of such Guarantor under its note guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law. Each Guarantor that makes a payment for distribution under its note guarantee is entitled to a contribution from each other Guarantor in a *pro rata* amount based on adjusted net assets of each Guarantor.

In the event of a sale or other disposition of all of the assets of any Guarantor, by way of merger, consolidation or otherwise, or a sale or other disposition of all of the Equity Interests of any Guarantor then held by the Issuer and the Restricted Subsidiaries, then that Guarantor will be released and relieved of any obligations under its note guarantee; *provided that* the Net Available Proceeds of such sale or other disposition shall be applied in accordance with the applicable provisions of the indenture, to the extent required thereby. See “— Certain Covenants — Limitations on Asset Sales.” In addition, the indenture will provide that any Guarantor that is designated as an Unrestricted Subsidiary or that otherwise ceases to be a Guarantor, in each case in accordance with the provisions of the indenture, will be released from its

note guarantee upon effectiveness of such designation or when it first ceases to be a Restricted Subsidiary, as the case may be.

Optional Redemption

Except as set forth below, the Notes may not be redeemed prior to March 15, 2010. At any time on or after March 15, 2010, the Issuer, at its option, may redeem the Notes, in whole or in part, at the redemption prices (expressed as percentages of principal amount) set forth below, together with accrued and unpaid interest thereon, if any, to the redemption date, if redeemed during the 12-month period beginning March 15 of the years indicated:

Year	Optional Redemption Price
2010	103.125%
2011	102.083%
2012	101.042%
2013 and thereafter	100.000%

At any time prior to March 15, 2008, the Issuer may redeem up to 35% of the aggregate principal amount of the Notes with the net cash proceeds of one or more Qualified Equity Offerings at a redemption price equal to 106.250% of the principal amount of the Notes to be redeemed, plus accrued and unpaid interest thereon, if any, to the date of redemption; *provided* that (1) at least 65% of the aggregate principal amount of Notes issued under the indenture remains outstanding immediately after the occurrence of such redemption and (2) the redemption occurs within 90 days of the date of the closing of any such Qualified Equity Offering.

The Issuer may acquire Notes by means other than a redemption, whether pursuant to an issuer tender offer, open market purchase or otherwise, so long as the acquisition does not otherwise violate the terms of the indenture.

Selection and Notice of Redemption

In the event that less than all of the Notes are to be redeemed at any time pursuant to an optional redemption, selection of the Notes for redemption will be made by the trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not then listed on a national security exchange, on a *pro rata* basis, by lot or by such method as the trustee shall deem fair and appropriate; *provided, however*, that no Notes of a principal amount of \$1,000 or less shall be redeemed in part. In addition, if a partial redemption is made pursuant to the provisions described in the second paragraph under “— Optional Redemption,” selection of the Notes or portions thereof for redemption shall be made by the trustee only on a *pro rata* basis or on as nearly a *pro rata* basis as is practicable (subject to the procedures of The Depository Trust Company), unless that method is otherwise prohibited.

Notice of redemption will be mailed by first-class mail at least 30 but not more than 60 days before the date of redemption to each holder of Notes to be redeemed at its registered address. If any Note is to be redeemed in part only, the notice of redemption that relates to that Note will state the portion of the principal amount of the Note to be redeemed. A new Note in a principal amount equal to the unredeemed portion of the Note will be issued in the name of the holder of the Note upon cancellation of the original Note. On and after the date of redemption, interest will cease to accrue on Notes or portions thereof called for redemption so long as the Issuer has deposited with the paying agent for the Notes funds in satisfaction of the redemption price (including accrued and unpaid interest on the Notes to be redeemed) pursuant to the indenture.

Change of Control

Upon the occurrence of a Change of Control Triggering Event, each holder will have the right to require that the Issuer purchase that holder's Notes for a cash price (the "**Change of Control Purchase Price**") equal to 101% of the principal amount of the Notes to be purchased, plus accrued and unpaid interest thereon, if any, to the date of purchase.

Within 30 days following a Change of Control Triggering Event, the Issuer will mail, or caused to be mailed, to the holders a notice:

(1) describing the transaction or transactions that constitute the Change of Control;

(2) offering to purchase, pursuant to the procedures required by the indenture and described in the notice, on a date specified in the notice (which shall be a business day not earlier than 30 days nor later than 60 days from the date the notice is mailed) and for the Change of Control Purchase Price, all Notes properly tendered by such holder pursuant to such change of control offer; and

(3) describing the procedures that holders must follow to accept the change of control offer. The change of control offer is required to remain open for at least 20 business days or for such longer period as is required by law.

The Issuer will publicly announce the results of the change of control offer on or as soon as practicable after the date of purchase.

If a change of control offer is made, there can be no assurance that the Issuer will have available funds sufficient to pay for all or any of the Notes that might be delivered by holders seeking to accept the change of control offer. In addition, we cannot assure you that in the event of a Change of Control Triggering Event the Issuer will be able to obtain the consents necessary to consummate a change of control offer from the lenders under agreements governing outstanding Indebtedness which may prohibit the offer.

The provisions described above that require us to make a change of control offer following a Change of Control Triggering Event will be applicable regardless of whether any other provisions of the indenture are applicable. Except as described above with respect to a Change of Control Triggering Event, the indenture does not contain provisions that permit the holders of the Notes to require that the Issuer purchase or redeem the Notes in the event of a takeover, recapitalization or similar transaction.

The Issuer's obligation to make a change of control offer will be satisfied if a third party makes the change of control offer in the manner and at the times and otherwise in compliance with the requirements applicable to a change of control offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the change of control offer.

A "Change of Control" includes certain sales of all or substantially all of the assets of the Issuer and the Restricted Subsidiaries. The phrase "all or substantially all" as used in the indenture (including as set forth under "— Certain Covenants — Limitations on Mergers, Consolidations, Etc." below) varies according to the facts and circumstances of the subject transaction, has no clearly established meaning under New York law (which governs the indenture) and is subject to judicial interpretation. Accordingly, in certain circumstances there may be a degree of uncertainty in ascertaining whether a particular transaction would involve a disposition of "all or substantially all" of the assets of the Issuer, and therefore it may be unclear as to whether a Change of Control has occurred and whether the holders have the right to require the Issuer to purchase Notes.

The Issuer will comply with applicable tender offer rules, including the requirements of Rule 14e-1 under the Exchange Act and any other applicable laws and regulations in connection with the purchase of Notes pursuant to a change of control offer. To the extent that the provisions of any securities laws or regulations conflict with the "Change of Control" provisions of the indenture, the Issuer shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the "Change of Control" provisions of the indenture by virtue of this compliance.

Suspension Period

During a Suspension Period, the provisions of the indenture described under “Change of Control” and the “Limitation on Additional Indebtedness,” “Limitation on Restricted Payments,” “Limitation on Dividend and Other Restrictions Affecting Restricted Subsidiaries,” “Limitations on Transactions with Affiliates,” “Limitations on Asset Sales,” “Limitations on Designation of Unrestricted Subsidiaries,” and “Conduct of Business” covenants (collectively, the “**Suspendable Covenants**”) will not apply. All other covenants and provisions of the indenture will apply at all times so long as any Notes remain outstanding.

“**Suspension Period**” means the period (a) beginning on the date that:

- (1) the Notes have Investment Grade Ratings by both Rating Agencies; *provided* that, prior to the assignment of the Investment Grade Ratings, the Issuer has advised the Rating Agencies that the Suspendable Covenants will not apply during the Suspension Period;
- (2) no Default has occurred and is continuing; and
- (3) the Issuer has delivered an officers’ certificate to the Trustee certifying that the conditions set forth in clauses (1) and (2) above are satisfied;

and (b) ending on the date (the “**Reversion Date**”) that either Rating Agency ceases to have Investment Grade Ratings on the Notes.

On the Reversion Date, all Indebtedness incurred during the Suspension Period will be classified to have been incurred pursuant to the Ratio Exception or one of the clauses set forth in the definition of Permitted Indebtedness (to the extent such Indebtedness would be permitted to be incurred thereunder as of the Reversion Date and after giving effect to Indebtedness incurred prior to the Suspension Period and outstanding on the Reversion Date). To the extent any Indebtedness would not so be permitted to be incurred pursuant to the Ratio Exception or any of the clauses set forth in the definition of Permitted Indebtedness, such Indebtedness will be deemed to have been outstanding on the Issue Date, so that it is classified as Permitted Indebtedness under clause (3) of the definition of Permitted Indebtedness and permitted to be refinanced under clause (11) of the definition of Permitted Indebtedness.

For purposes of calculating the amount available to be made as Restricted Payments under clause (3) of the first paragraph of the “Limitation on Restricted Payments” covenant, calculations under that clause will be made with reference to the Measurement Date as set forth in that clause. Accordingly, Restricted Payments made during the Suspension Period will reduce the amount available to be made as Restricted Payments under clause (3) and the items specified in subclauses (a) through (c) of clause (3) that occur during the Suspension Period will increase the amount available to be made as Restricted Payments under clause (3). Any Restricted Payments made during the Suspension Period that are of the type described in clause (4) under the second paragraph of the “Limitations on Restricted Payments” covenants shall reduce the amounts permitted to be incurred under such clause (4) on the Reversion Date.

For purposes of the “Limitation on Asset Sales” covenant, on the Reversion Date, the Net Proceeds Offer Amount will be reset to zero.

Certain Covenants

The indenture will contain, among others, the following covenants:

Limitations on additional indebtedness

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, incur any Indebtedness; *provided* that the Issuer or any Restricted Subsidiary may incur additional Indebtedness (including Acquired Indebtedness) if no Default shall have occurred and be continuing at the time of or as a consequence of the incurrence of the Indebtedness and if, after giving effect thereto, either (a) the Consolidated Fixed Charge Coverage Ratio would be at least 2.00 to 1.00 or (b) the ratio of Consolidated

Indebtedness to Consolidated Tangible Net Worth would be less than 3.00 to 1.00 (either (a) or (b), the “**Ratio Exception**”).

Notwithstanding the above, so long as no Default shall have occurred and be continuing at the time of or as a consequence of the incurrence of the following Indebtedness, each of the following shall be permitted (the “**Permitted Indebtedness**”):

(1) Indebtedness of the Issuer and any Restricted Subsidiary under the Credit Facilities in an aggregate amount at any time outstanding (whether incurred under the Ratio Exception or as Permitted Indebtedness) not to exceed the greater of (x) \$600.0 million and (y) the amount of the Borrowing Base as of the date of such incurrence;

(2) the Notes and the note guarantees issued on the Issue Date;

(3) Indebtedness of the Issuer and the Restricted Subsidiaries to the extent outstanding on the Issue Date (other than Indebtedness referred to in clauses (1) and (2) above, and after giving effect to the intended use of proceeds of the Notes);

(4) Indebtedness of the Issuer and the Restricted Subsidiaries under Hedging Obligations; *provided* that (a) such Hedging Obligations relate to payment obligations on Indebtedness otherwise permitted to be incurred by this covenant, and (b) the notional principal amount of such Hedging Obligations at the time incurred does not exceed the principal amount of the Indebtedness to which such Hedging Obligations relate;

(5) Indebtedness of the Issuer owed to a Restricted Subsidiary and Indebtedness of any Restricted Subsidiary owed to the Issuer or any other Restricted Subsidiary; *provided, however*, that (a) any Indebtedness of the Issuer owed to a Restricted Subsidiary is unsecured and subordinated, pursuant to a written agreement, to the Issuer’s obligation, under the indenture and the Notes and (b) upon any such Restricted Subsidiary ceasing to be a Restricted Subsidiary or such Indebtedness being owed to any person other than the Issuer or a Restricted Subsidiary, the Issuer or such Restricted Subsidiary, as applicable, shall be deemed to have incurred Indebtedness not permitted by this clause (5);

(6) Indebtedness in respect of bid, performance or surety bonds issued for the account of the Issuer or any Restricted Subsidiary in the ordinary course of business, including guarantees or obligations of the Issuer or any Restricted Subsidiary with respect to letters of credit supporting such bid, performance or surety obligations (in each case other than for an obligation for money borrowed);

(7) Purchase Money Indebtedness incurred by the Issuer or any Restricted Subsidiary;

(8) Non-Recourse Indebtedness of the Issuer or any Restricted Subsidiary incurred for the acquisition, development and/or improvement of real property and secured by Liens only on such real property;

(9) Indebtedness arising from the honoring by a bank or other financial institution of a check, draft or similar instrument inadvertently (except in the case of daylight overdrafts) drawn against insufficient funds in the ordinary course of business; *provided, however*, that such Indebtedness is extinguished within five business days of incurrence;

(10) Indebtedness arising in connection with endorsement of instruments for deposit in the ordinary course of business;

(11) Refinancing Indebtedness with respect to Indebtedness incurred pursuant to the Ratio Exception or clause (2) or (3) above;

(12) Indebtedness of the Issuer or any Restricted Subsidiary in an aggregate amount not to exceed \$25.0 million at any time outstanding;

(13) obligations for, pledge of assets in respect of, and guarantees of, bond financings of political subdivisions or enterprises thereof in the ordinary course of business; and

(14) Indebtedness of mortgage lending Subsidiaries under warehouse lines of credit, repurchase agreements and Indebtedness secured by mortgage loans and related assets of mortgage lending Subsidiaries in the ordinary course of a mortgage lending business.

For purposes of determining compliance with this covenant, in the event that an item of Indebtedness meets the criteria of more than one of the categories of Permitted Indebtedness described in clauses (1) through (14) above or is entitled to be incurred pursuant to the Ratio Exception, the Issuer shall, in its sole discretion, classify such item of Indebtedness and may divide and classify such Indebtedness in more than one of the types of Indebtedness described, except that Indebtedness outstanding under the Credit Facilities on the Issue Date shall be deemed to have been incurred under clause (1) above.

Limitations on Restricted Payments

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, make any Restricted Payment if at the time of such Restricted Payment:

(1) a Default shall have occurred and be continuing or shall occur as a consequence thereof;

(2) the Issuer cannot incur \$1.00 of additional Indebtedness pursuant to the Ratio Exception; or

(3) the amount of such Restricted Payment, when added to the aggregate amount of all other Restricted Payments made after the Measurement Date (other than Restricted Payments made pursuant to clause (2), (3) or (5) of the next paragraph), exceeds the sum (the “**Restricted Payments Basket**”) of (without duplication):

(a) 50% of Consolidated Net Income for the period (taken as one accounting period) commencing on the first day of the first full fiscal quarter commencing after the Measurement Date to and including the last day of the fiscal quarter ended immediately prior to the date of such calculation for which consolidated financial statements are available (or, if such Consolidated Net Income shall be a deficit, minus 100% of such aggregate deficit), *plus*

(b) 100% of the aggregate net cash proceeds or the fair market value of any assets to be used in a Permitted Business (other than securities) received by the Issuer either (x) as contributions to the common equity of the Issuer after the Measurement Date or (y) from the issuance and sale of Qualified Equity Interests after the Measurement Date, other than to the extent any such proceeds are used to redeem Notes in accordance with the second paragraph under “— Optional Redemption,” *plus*

(c) the aggregate amount by which Indebtedness of the Issuer or any Restricted Subsidiary is reduced on the Issuer’s balance sheet upon the conversion or exchange (other than by a Subsidiary of the Issuer) subsequent to the Measurement Date into Qualified Equity Interests (less the amount of any cash, or the fair value of assets, distributed by the Issuer or any Restricted Subsidiary upon such conversion or exchange), *plus*

(d) in the case of the disposition or repayment of or return on any Investment that was treated as a Restricted Payment made after the Measurement Date, an amount (to the extent not included in the computation of Consolidated Net Income) equal to the lesser of (i) the return of capital with respect to such Investment and (ii) the amount of such Investment that was treated as a Restricted Payment, in either case, less the cost of the disposition of such Investment and net of taxes, *plus*

(e) upon a redesignation of an Unrestricted Subsidiary as a Restricted Subsidiary, the lesser of (i) the fair market value of the Issuer’s proportionate interest in such Subsidiary immediately following such redesignation, and (ii) the aggregate amount of the Issuer’s Investments in such Subsidiary to the extent such Investments reduced the amount available for subsequent

Restricted Payments under this clause (3) and were not previously repaid or otherwise reduced, *plus*

(f) \$25.0 million.

The foregoing provisions will not prohibit:

(1) the payment by the Issuer or any Restricted Subsidiary of any dividend within 60 days after the date of declaration thereof, if on the date of declaration the payment would have complied with the provisions of the indenture;

(2) so long as no Default shall have occurred and be continuing at the time of or as a consequence of such redemption, the redemption of any Equity Interests of the Issuer or any Restricted Subsidiary in exchange for, or out of the proceeds of the substantially concurrent issuance and sale of, Qualified Equity Interests;

(3) so long as no Default shall have occurred and be continuing at the time of or as a consequence of such redemption, the redemption of Subordinated Indebtedness of the Issuer or any Restricted Subsidiary (a) in exchange for, or out of the proceeds of the substantially concurrent issuance and sale of, Qualified Equity Interests or (b) in exchange for, or out of the proceeds of the substantially concurrent incurrence of, Refinancing Indebtedness permitted to be incurred under the "Limitations on Additional Indebtedness" covenant and the other terms of the indenture;

(4) so long as no Default shall have occurred and be continuing at the time of or as a consequence of such redemption, the redemption of Equity Interests of the Issuer held by officers, directors or employees or former officers, directors or employees (or their transferees, estates or beneficiaries under their estates), upon their death, disability, retirement, severance or termination of employment or service; *provided* that the aggregate cash consideration paid for all such redemptions shall not exceed \$2.0 million during any calendar year (with unused amounts in any calendar year being carried over to succeeding calendar years subject to a maximum of \$4.0 million in any calendar year); or

(5) repurchases of Equity Interests deemed to occur upon the exercise of stock options if the Equity Interests represents a portion of the exercise price thereof; *provided* that no issuance and sale of Qualified Equity Interests pursuant to clause (2) or (3) above shall increase the Restricted Payments Basket, except to the extent the proceeds thereof exceed the amounts used to effect the transactions described therein.

Limitations on dividend and other restrictions affecting restricted subsidiaries

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, create or otherwise cause or permit to exist or become effective any consensual encumbrance or consensual restriction on the ability of any Restricted Subsidiary to:

- (a) pay dividends or make any other distributions on or in respect of its Equity Interests;
- (b) make loans or advances or pay any Indebtedness or other obligation owed to the Issuer or any other Restricted Subsidiary; or
- (c) transfer any of its assets to the Issuer or any other Restricted Subsidiary; except for:
 - (1) encumbrances or restrictions existing under or by reason of applicable law;
 - (2) encumbrances or restrictions existing under the indenture, the Notes and the note guarantees;
 - (3) non-assignment provisions of any contract or any lease entered into in the ordinary course of business;

(4) encumbrances or restrictions existing under agreements existing on the date of the indenture (including, without limitation, the Credit Facilities) as in effect on that date or on any Reversion Date as in effect on that date;

(5) restrictions on the transfer of assets subject to any Lien permitted under the indenture imposed by the holder of such Lien;

(6) restrictions on the transfer of assets imposed under any agreement to sell such assets permitted under the indenture to any person pending the closing of such sale;

(7) any instrument governing Acquired Indebtedness, which encumbrance or restriction is not applicable to any person, or the assets of any person, other than the person or the assets so acquired;

(8) encumbrances or restrictions arising in connection with Refinancing Indebtedness; *provided, however*, that any such encumbrances and restrictions are not materially more restrictive with respect to any Restricted Subsidiary than those in effect on the Issue Date with respect to that Restricted Subsidiary pursuant to the agreements creating or evidencing the Indebtedness being refinanced;

(9) customary provisions in leases, partnership agreements, limited liability company organizational governance documents, joint venture agreements and other similar agreements entered into in the ordinary course of business that restrict the transfer of leasehold interests or ownership interests in such partnership, limited liability company, joint venture or similar person;

(10) Purchase Money Indebtedness incurred in compliance with the covenant described under “— Limitations on Additional Indebtedness” that impose restrictions of the nature described in clause (c) above on the assets acquired; and

(11) any encumbrances or restrictions imposed by any amendments or refinancings of the contracts, instruments or obligations referred to in clauses (1) through (10) above; *provided* that such amendments or refinancings are, in the good faith judgment of the Issuer’s board of directors, no more materially restrictive with respect to such encumbrances and restrictions than those prior to such amendment or refinancing.

Limitations on transactions with affiliates

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, in one transaction or a series of related transactions, sell, lease, transfer or otherwise dispose of any of its assets to, or purchase any assets from, or enter into any contract, agreement, understanding, loan, advance or guarantee with, or for the benefit of, any Affiliate involving aggregate consideration in excess of \$60,000 (an “**Affiliate Transaction**”), unless:

(1) such Affiliate Transaction is on terms that are no less favorable to the Issuer or the relevant Restricted Subsidiary than those that may have been obtained in a comparable transaction at such time on an arm’s-length basis by the Issuer or that Restricted Subsidiary from a person that is not an Affiliate of the Issuer or that Restricted Subsidiary; and

(2) the Issuer delivers to the trustee:

(a) with respect to any Affiliate Transaction involving aggregate value of \$5.0 million or more, an officers’ certificate certifying that such Affiliate Transaction complies with clause (1) above;

(b) with respect to any Affiliate Transaction involving aggregate value in excess of \$10.0 million, an officers’ certificate certifying that such Affiliate Transaction complies with clause (1) above and a secretary’s certificate which sets forth and authenticates a resolution that has been adopted by the Independent Directors approving such Affiliate Transaction; and

(c) with respect to any Affiliate Transaction involving aggregate value of \$25.0 million or more, the certificates described in the preceding clause (b) and (x) a written opinion as to the fairness of such Affiliate Transaction to the Issuer or such Restricted Subsidiary from a financial point of view or (y) a written appraisal supporting the value of such Affiliate Transaction, in either case, issued by an Independent Financial Advisor.

The foregoing restrictions shall not apply to:

- (1) transactions exclusively between or among (a) the Issuer and one or more Restricted Subsidiaries or (b) Restricted Subsidiaries; *provided*, in each case, that no Affiliate of the Issuer (other than another Restricted Subsidiary) owns Equity Interests of any such Restricted Subsidiary;
- (2) reasonable director, officer, employee and consultant compensation (including bonuses) and other benefits (including retirement, health, stock and other benefit plans) and indemnification arrangements;
- (3) loans and advances permitted by clause (3) of the definition of "Permitted Investments";
- (4) any agreement as in effect as of the Issue Date or any extension, amendment or modification thereto (so long as any such extension, amendment or modification satisfies the requirements set forth in clause (1) of the first paragraph of this covenant) or any transaction contemplated thereby;
- (5) Restricted Payments of the type described in clause (1), (2) or (4) of the definition of "Restricted Payment" and which are made in accordance with the covenant described under "— Limitations on Restricted Payments"; or
- (6) sales of Qualified Equity Interests for cash by the Issuer to an Affiliate.

Limitations on liens

The Issuer shall not, and shall not permit any Restricted Subsidiary to, directly or indirectly, create, incur, assume or permit or suffer to exist any Lien of any nature whatsoever against (other than Permitted Liens) any assets of the Issuer or any Restricted Subsidiary (including Equity Interests of a Restricted Subsidiary), whether owned at the Issue Date or thereafter acquired, or any proceeds therefrom, or assign or otherwise convey any right to receive income or profits therefrom, which Lien secures Indebtedness or trade payables, unless contemporaneously therewith:

- (1) in the case of any Lien securing an obligation that ranks *pari passu* with the Notes or a note guarantee, effective provision is made to secure the Notes or such note guarantee, as the case may be, at least equally and ratably with or prior to such obligation with a Lien on the same collateral; and
- (2) in the case of any Lien securing an obligation that is subordinated in right of payment to the Notes or a note guarantee, effective provision is made to secure the Notes or such note guarantee, as the case may be, with a Lien on the same collateral that is prior to the Lien securing such subordinated obligation,

in each case, for so long as such obligation is secured by such Lien.

Limitations on asset sales

The Issuer will not, and will not permit any Restricted Subsidiary to, directly or indirectly, consummate any Asset Sale unless:

- (1) the Issuer or such Restricted Subsidiary receives consideration at the time of such Asset Sale at least equal to the fair market value of the assets included in such Asset Sale; and
- (2) at least 75% of the total consideration received in such Asset Sale or series of related Asset Sales consists of cash or Cash Equivalents.

For purposes of clause (2), the following shall be deemed to be cash:

(a) the amount (without duplication) of any Indebtedness (other than Subordinated Indebtedness) of the Issuer or such Restricted Subsidiary that is expressly assumed by the transferee in such Asset Sale and with respect to which the Issuer or such Restricted Subsidiary, as the case may be, is unconditionally released by the holder of such Indebtedness,

(b) the amount of any obligations received from such transferee that are within 30 days converted by the Issuer or such Restricted Subsidiary to cash (to the extent of the cash actually so received), and

(c) the fair market value of any assets (other than securities, unless such securities represent Equity Interests in an entity engaged solely in a Permitted Business, such entity becomes a Restricted Subsidiary and the Issuer or a Restricted Subsidiary acquires voting and management control of such entity) received by the Issuer or any Restricted Subsidiary to be used by it in the Permitted Business.

If at any time any non-cash consideration received by the Issuer or any Restricted Subsidiary of the Issuer, as the case may be, in connection with any Asset Sale is repaid or converted into or sold or otherwise disposed of for cash (other than interest received with respect to any such non-cash consideration), then the date of such repayment, conversion or disposition shall be deemed to constitute the date of an Asset Sale hereunder and the Net Available Proceeds thereof shall be applied in accordance with this covenant.

If the Issuer or any Restricted Subsidiary engages in an Asset Sale, the Issuer or such Restricted Subsidiary shall, no later than one year following the consummation thereof, apply all or any of the Net Available Proceeds therefrom to:

(1) repay any Indebtedness under the Credit Facilities;

(2) repay any Indebtedness which was secured by the assets sold in such Asset Sale; and/or

(3) invest all or any part of the Net Available Proceeds thereof in the purchase of assets (other than securities, unless such securities represent Equity Interests in an entity engaged solely in a Permitted Business, such entity becomes a Restricted Subsidiary and the Issuer or a Restricted Subsidiary acquires voting and management control of such entity) to be used by the Issuer or any Restricted Subsidiary in the Permitted Business.

The amount of Net Available Proceeds not applied or invested as provided in this paragraph will constitute "**Excess Proceeds.**"

When the aggregate amount of Excess Proceeds equals or exceeds \$25.0 million, the Issuer will be required to make an offer to purchase from all holders and, if applicable, redeem (or make an offer to do so) any Pari Passu Indebtedness of the Issuer the provisions of which require the Issuer to redeem such Indebtedness with the proceeds from any Asset Sales (or offer to do so), in an aggregate principal amount of Notes and such Pari Passu Indebtedness equal to the amount of such Excess Proceeds as follows:

(1) the Issuer will (a) make an offer to purchase (a "**Net Proceeds Offer**") to all holders in accordance with the procedures set forth in the indenture, and (b) redeem (or make an offer to do so) any such other Pari Passu Indebtedness, pro rata in proportion to the respective principal amounts of the Notes and such other Indebtedness required to be redeemed, the maximum principal amount of Notes and Pari Passu Indebtedness that may be redeemed out of the amount (the "**Payment Amount**") of such Excess Proceeds;

(2) the offer price for the Notes will be payable in cash in an amount equal to 100% of the principal amount of the Notes tendered pursuant to a Net Proceeds Offer, plus accrued and unpaid interest thereon, if any, to the date such Net Proceeds Offer is consummated (the "**Offered Price**"), in accordance with the procedures set forth in the indenture and the redemption price for such Pari

Passu Indebtedness (the “**Pari Passu Indebtedness Price**”) shall be as set forth in the related documentation governing such Indebtedness;

(3) if the aggregate Offered Price of Notes validly tendered and not withdrawn by holders thereof exceeds the *pro rata* portion of the Payment Amount allocable to the Notes, Notes to be purchased will be selected on a *pro rata* basis; and

(4) upon completion of such Net Proceeds Offer in accordance with the foregoing provisions, the amount of Excess Proceeds with respect to which such Net Proceeds Offer was made shall be deemed to be zero.

To the extent that the sum of the aggregate Offered Price of Notes tendered pursuant to a Net Proceeds Offer and the aggregate Pari Passu Indebtedness Price paid to the holders of such Pari Passu Indebtedness is less than the Payment Amount relating thereto, the Issuer may use such shortfall or a portion thereof, for general corporate purposes, subject to the provisions of the indenture.

In the event of the transfer of substantially all (but not all) of the assets of the Issuer and the Restricted Subsidiaries as an entirety to a person in a transaction covered by and effected in accordance with the covenant described under “— Limitations on Mergers, Consolidations, Etc.,” the successor corporation shall be deemed to have sold for cash at fair market value the assets of the Issuer and the Restricted Subsidiaries not so transferred for purposes of this covenant, and shall comply with the provisions of this covenant with respect to such deemed sale as if it were an Asset Sale (with such fair market value being deemed to be Net Available Proceeds for such purpose).

The Issuer will comply with applicable tender offer rules, including the requirements of Rule 14e-1 under the Exchange Act and any other applicable laws and regulations in connection with the purchase of Notes pursuant to a Net Proceeds Offer. To the extent that the provisions of any securities laws or regulations conflict with the “Limitations on Asset Sales” provisions of the indenture, the Issuer shall comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the “Limitations on Asset Sales” provisions of the indenture by virtue of this compliance.

Limitations on designation of unrestricted subsidiaries

The Issuer may designate any Subsidiary of the Issuer as an “Unrestricted Subsidiary” under the indenture (a “**Designation**”) only if:

(1) no Default shall have occurred and be continuing at the time of or after giving effect to such designation; and

(2) the Issuer would be permitted to make, at the time of such designation, (a) a Permitted Investment or (b) an Investment pursuant to the first paragraph of “— Limitations on Restricted Payments” above, in either case, in an amount (the “**Designation Amount**”) equal to the fair market value of the Issuer’s proportionate interest in such Subsidiary on such date.

No Subsidiary shall be Designated as an “Unrestricted Subsidiary” unless such Subsidiary:

(1) has no Indebtedness other than Permitted Unrestricted Subsidiary Debt;

(2) is not party to any agreement, contract, arrangement or understanding with the Issuer or any Restricted Subsidiary unless the terms of the agreement, contract, arrangement or understanding are no less favorable to the Issuer or the Restricted Subsidiary than those that might be obtained at the time from persons who are not Affiliates of the Issuer or such Restricted Subsidiary;

(3) is a person with respect to which neither the Issuer nor any Restricted Subsidiary has any direct or indirect obligation (a) to subscribe for additional Equity Interests or (b) to maintain or preserve the person’s financial condition or to cause the person to achieve any specified levels of operating results; and

(4) has not guaranteed or otherwise directly or indirectly provided credit support for any Indebtedness of the Issuer or any Restricted Subsidiary, except for any guarantee given solely to support the pledge by the Issuer or any Restricted Subsidiary of the Equity Interests of such Unrestricted Subsidiary, which guarantee is not recourse to the Issuer or any Restricted Subsidiary, and except to the extent the amount thereof constitutes a Restricted Payment permitted pursuant to the covenant described under “— Limitations on Restricted Payments.”

If, at any time, any Unrestricted Subsidiary fails to meet the preceding requirements as an Unrestricted Subsidiary, it shall thereafter cease to be an Unrestricted Subsidiary for purposes of the indenture and any indebtedness of the Subsidiary and any Liens on assets of such Subsidiary shall be deemed to be incurred by a Restricted Subsidiary as of the date and, if the Indebtedness is not permitted to be incurred under the covenant described under “— Limitations on Additional Indebtedness” or the Lien is not permitted under the covenant described under “— Limitations on Liens,” the Issuer shall be in default of the applicable covenant.

As of this prospectus, the Issuer has designated MTH Mortgage, LLC and Texas Home Mortgage Company as Unrestricted Subsidiaries.

The Issuer may redesignate an Unrestricted Subsidiary as a Restricted Subsidiary only if:

- (1) no Default shall have occurred and be continuing at the time of and after giving effect to such redesignation; and
- (2) all Liens, Indebtedness and Investments of such Unrestricted Subsidiary outstanding immediately following such redesignation would, if incurred or made at such time, have been permitted to be incurred or made for all purposes of the indenture.

All designations and redesignations must be evidenced by resolutions of the board of directors of the Issuer, delivered to the Trustee certifying compliance with the foregoing provisions.

Limitations on mergers, consolidations, etc.

The Issuer will not, directly or indirectly, in a single transaction or a series of related transactions, (a) consolidate or merge with or into (other than a merger that satisfies the requirements of clause (1) below with a Wholly-Owned Restricted Subsidiary solely for the purpose of changing the Issuer’s jurisdiction of incorporation to another State of the United States), or sell, lease, transfer, convey or otherwise dispose of or assign all or substantially all of the assets of the Issuer or the Issuer and the Restricted Subsidiaries (taken as a whole) or (b) adopt a plan of liquidation unless, in either case:

(1) either:

(a) the Issuer will be the surviving or continuing person; or

(b) the person formed by or surviving such consolidation or merger or to which such sale, lease, conveyance or other disposition shall be made (or, in the case of a plan of liquidation, any person to which assets are transferred) (collectively, the “**Successor**”) is a corporation or limited liability company organized and existing under the laws of any State of the United States of America or the District of Columbia, and the Successor expressly assumes, by supplemental indenture in form and substance satisfactory to the trustee, all of the obligations of the Issuer under the Notes, the indenture and the Registration Rights Agreement; *provided* that at any time the Successor is a limited liability company, there shall be a co-issuer of the Notes that is a corporation;

(2) immediately after giving effect to such transaction and the assumption of the obligations as set forth in clause (1)(b) above and the incurrence of any Indebtedness to be incurred in connection therewith, no Default shall have occurred and be continuing; and

(3) if such transaction or series of related transactions occurs other than during a Suspension Period, immediately after and giving effect to such transaction and the assumption of the obligations

set forth in clause (1)(b) above and the incurrence of any Indebtedness to be incurred in connection therewith, and the use of any net proceeds therefrom on a pro forma basis, (a) the Consolidated Net Worth of the Issuer or the Successor, as the case may be, would be at least equal to the Consolidated Net Worth of the Issuer immediately prior to such transaction and (b) the Issuer or the Successor, as the case may be, could incur \$1.00 of additional Indebtedness pursuant to the Ratio Exception.

For purposes of this covenant, any Indebtedness of the Successor which was not Indebtedness of the Issuer immediately prior to the transaction shall be deemed to have been incurred in connection with such transaction.

Except as provided under the caption “—Note Guarantees,” no Guarantor may consolidate with or merge with or into (whether or not such Guarantor is the surviving person) another person, whether or not affiliated with such Guarantor, unless:

(1) either:

(a) such Guarantor will be the surviving or continuing person; or

(b) the person formed by or surviving any such consolidation or merger assumes, by supplemental indenture in form and substance satisfactory to the trustee, all of the obligations of such Guarantor under the note guarantee of such Guarantor, the indenture and the Registration Rights Agreement; and

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the assets of one or more Restricted Subsidiaries, the Equity Interests of which constitute all or substantially all of the assets of the Issuer, will be deemed to be the transfer of all or substantially all of the assets of the Issuer.

Upon any consolidation, combination or merger of the Issuer or a Guarantor, or any transfer of all or substantially all of the assets of the Issuer in accordance with the foregoing, in which the Issuer or such Guarantor is not the continuing obligor under the Notes or its note guarantee, the surviving entity formed by such consolidation or into which the Issuer or such Guarantor is merged or to which the conveyance, lease or transfer is made will succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor under the indenture, the Notes and the note guarantees with the same effect as if such surviving entity had been named therein as the Issuer or such Guarantor and, except in the case of a conveyance, transfer or lease, the Issuer or such Guarantor, as the case may be, will be released from the obligation to pay the principal of and interest on the Notes or in respect of its note guarantee, as the case may be, and all of the Issuer’s or such Guarantor’s other obligations and covenants under the Notes, the indenture and its note guarantee, if applicable.

Notwithstanding the foregoing, any Restricted Subsidiary may merge into the Issuer or another Restricted Subsidiary.

Additional note guarantees

If, after the Issue Date, (a) the Issuer or any Restricted Subsidiary shall acquire or create another Subsidiary (other than (i) a Subsidiary that has been designated an Unrestricted Subsidiary or (ii) during a Suspension Period, a Subsidiary exclusively engaged in mortgage origination, title or insurance businesses) or (b) any Unrestricted Subsidiary is redesignated a Restricted Subsidiary, then, in each such case, the Issuer shall cause such Restricted Subsidiary to:

(1) execute and deliver to the trustee (a) a supplemental indenture in form and substance satisfactory to the trustee pursuant to which such Restricted Subsidiary shall unconditionally guarantee all of the Issuer’s obligations under the Notes and the indenture and (b) a notation of guarantee in respect of its note guarantee; and

(2) deliver to the trustee one or more opinions of counsel that such supplemental indenture (a) has been duly authorized, executed and delivered by such Restricted Subsidiary and (b) constitutes a valid and legally binding obligation of such Restricted Subsidiary in accordance with its terms.

Conduct of business

The Issuer will not, and will not permit any Restricted Subsidiary to, engage in any business other than the Permitted Business.

Reports

Whether or not required by the SEC, so long as any Notes are outstanding, the Issuer will furnish to the holders of Notes, within the time periods specified in the SEC's rules and regulations (including any grace periods or extensions permitted by the SEC):

(1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Issuer were required to file these Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by the Issuer's independent registered public accounting firm; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Issuer were required to file these reports.

In addition, whether or not required by the SEC, the Issuer will file a copy of all of the information and reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the SEC's rules and regulations (unless the SEC will not accept the filing) and make the information available to securities analysts and prospective investors upon request. The Issuer and the Guarantors have agreed that, for so long as any Notes remain outstanding, the Issuer will furnish to the holders and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Events of Default

Each of the following is an "Event of Default":

(1) failure by the Issuer to pay interest on any of the Notes when it becomes due and payable and the continuance of any such failure for 30 days;

(2) failure by the Issuer to pay the principal on any of the Notes when it becomes due and payable, whether at stated maturity, upon redemption, upon purchase, upon acceleration or otherwise;

(3) failure by the Issuer to comply with any of its agreements or covenants described above under "— Certain Covenants — Limitations on Mergers, Consolidations, Etc.," or, except in a Suspension Period, in respect of its obligations to make a change of control offer as described above under "— Change of Control";

(4) failure by the Issuer to comply with any other agreement or covenant in the indenture and continuance of this failure for 30 days after notice of the failure has been given to the Issuer by the trustee or by the holders of at least 25% of the aggregate principal amount of the Notes then outstanding;

(5) default under any mortgage, indenture or other instrument or agreement under which there may be issued or by which there may be secured or evidenced Indebtedness of the Issuer or any

Restricted Subsidiary, whether such Indebtedness now exists or is incurred after the Issue Date, which default:

- (a) is caused by a failure to pay when due principal on such Indebtedness within the applicable express grace period,
- (b) results in the acceleration of such Indebtedness prior to its express final maturity or
- (c) results in the commencement of judicial proceedings to foreclose upon, or to exercise remedies under applicable law or applicable security documents to take ownership of, the assets securing such Indebtedness, and

in each case, the principal amount of such Indebtedness, together with any other Indebtedness with respect to which an event described in clause (a), (b) or (c) has occurred and is continuing, aggregates \$10.0 million or more;

(6) one or more judgments or orders that exceed \$10.0 million in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against the Issuer or any Restricted Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days of being entered;

(7) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any bankruptcy law:

- (a) commences a voluntary case,
- (b) consents to the entry of an order for relief against it in an involuntary case,
- (c) consents to the appointment of a custodian of it or for all or substantially all of its assets, or
- (d) makes a general assignment for the benefit of its creditors;

(8) a court of competent jurisdiction enters an order or decree under any bankruptcy law that:

- (a) is for relief against the Issuer or any Significant Subsidiary as debtor in an involuntary case,
- (b) appoints a custodian of the Issuer or any Significant Subsidiary or a custodian for all or substantially all of the assets of the Issuer or any Significant Subsidiary, or
- (c) orders the liquidation of the Issuer or any Significant Subsidiary,

and the order or decree remains unstayed and in effect for 60 days; or

(9) any note guarantee of any Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such note guarantee and the indenture) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability under its note guarantee (other than by reason of release of a Guarantor from its note guarantee in accordance with the terms of the indenture and the note guarantee).

If an Event of Default (other than an Event of Default specified in clause (7) or (8) above with respect to the Issuer), shall have occurred and be continuing under the indenture, the trustee, by written notice to the Issuer, or the holders of at least 25% in aggregate principal amount of the Notes then outstanding by written notice to the Issuer and the trustee, may declare all amounts owing under the Notes to be due and payable immediately. Upon such declaration of acceleration, the aggregate principal of and accrued and unpaid interest on the outstanding Notes shall immediately become due and payable; *provided, however*, that after such acceleration, but before a judgment or decree based on acceleration, the holders of a majority in aggregate principal amount of such outstanding Notes may, under certain circumstances, rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal and interest, have been cured or waived as provided in the indenture. If an Event of

Default specified in clause (7) or (8) with respect to the Issuer occurs, all outstanding Notes shall become due and payable without any further action or notice.

The trustee shall, within 30 days after the occurrence of any Default with respect to the Notes, give the holders notice of all uncured Defaults thereunder known to it; *provided, however*, except in the case of an Event of Default in payment with respect to the Notes or a Default in complying with “— Certain Covenants — Limitations on Mergers, Consolidations, Etc.,” the trustee shall be protected in withholding such notice if and so long as a committee of its trust officers in good faith determines that the withholding of such notice is in the interest of the holders.

No holder will have any right to institute any proceeding with respect to the indenture or for any remedy thereunder, unless the trustee:

- (1) has failed to act for a period of 60 days after receiving written notice of a continuing Event of Default by such holder and a request to act by holders of at least 25% in aggregate principal amount of Notes outstanding;
- (2) has been offered indemnity satisfactory to it in its reasonable judgment; and
- (3) has not received from the holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request.

However, such limitations do not apply to a suit instituted by a holder of any Note for enforcement of payment of the principal of or interest on such Note on or after the due date therefor (after giving effect to the grace period specified in clause (1) of the first paragraph of this “—Events of Default” section).

The Issuer is required to deliver to the trustee annually a statement regarding compliance with the indenture and, upon any officer of the Issuer becoming aware of any Default, a statement specifying such Default and what action the Issuer is taking or proposes to take with respect thereto.

Legal Defeasance and Covenant Defeasance

The Issuer may, at its option and at any time, elect to have its obligations and the obligations of the Guarantors discharged with respect to the outstanding Notes. Legal defeasance means that the Issuer and the Guarantors shall be deemed to have paid and discharged the entire indebtedness represented by the Notes and the note guarantees, and the indenture shall cease to be of further effect as to all outstanding Notes and note guarantees, except as to

- (1) rights of holders to receive payments in respect of the principal of and interest on the Notes when such payments are due from the trust funds referred to below,
- (2) the Issuer’s obligations with respect to the Notes concerning issuing temporary Notes, registration of Notes, mutilated, destroyed, lost or stolen Notes, and the maintenance of an office or agency for payment and money for security payments held in trust,
- (3) the rights, powers, trust, duties, and immunities of the trustee, and the Issuer’s obligation in connection therewith, and
- (4) the legal defeasance provisions of the indenture.

In addition, the Issuer may, at its option and at any time, elect to have its obligations and the obligations of the Guarantors released with respect to most of the covenants under the indenture, except as described otherwise in the indenture, and thereafter any omission to comply with such obligations shall not constitute a Default. In the event covenant defeasance occurs, certain Events of Default (not including non-payment and, solely for a period of 91 days following the deposit referred to in clause (1) of the next paragraph, bankruptcy, receivership, rehabilitation and insolvency events) will no longer apply. Covenant defeasance will not be effective until such bankruptcy, receivership, rehabilitation and insolvency events no longer apply. The Issuer may exercise its legal defeasance option regardless of whether it previously exercised covenant defeasance.

In order to exercise either legal defeasance or covenant defeasance:

(1) the Issuer must irrevocably deposit with the trustee, in trust, for the benefit of the holders, U.S. legal tender, U.S. Government obligations or a combination thereof, in such amounts as will be sufficient (without reinvestment) in the opinion of a nationally recognized firm of independent public accountants selected by the Issuer, to pay the principal of and interest on the Notes on the stated date for payment or on the redemption date of the principal or installment of principal of or interest on the Notes, and the trustee must have a valid, perfected, exclusive security interest in such trust,

(2) in the case of legal defeasance, the Issuer shall have delivered to the trustee an opinion of counsel in the United States reasonably acceptable to the trustee confirming that:

- (a) the Issuer has received from, or there has been published by the Internal Revenue Service, a ruling, or
- (b) since the date of the indenture, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon this opinion of counsel shall confirm that, the holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the legal defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such legal defeasance had not occurred,

(3) in the case of covenant defeasance, the Issuer shall have delivered to the trustee an opinion of counsel in the United States reasonably acceptable to the trustee confirming that the holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such covenant defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the covenant defeasance had not occurred,

(4) no Default shall have occurred and be continuing on the date of such deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowing),

(5) the legal defeasance or covenant defeasance shall not result in a breach or violation of, or constitute a default under the indenture or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound,

(6) the Issuer shall have delivered to the trustee an officers' certificate stating that the deposit was not made by it with the intent of preferring the holders over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others, and

(7) the Issuer shall have delivered to the trustee an officers' certificate and an opinion of counsel, each stating that the conditions provided for in, in the case of the officers' certificate, clauses (1) through (6) and, in the case of the opinion of counsel, clauses (1) (with respect to the validity and perfection of the security interest), (2) and/or (3) and (5) of this paragraph have been complied with.

If the funds deposited with the trustee to effect covenant defeasance are insufficient to pay the principal of and interest on the Notes when due, then our obligations and the obligations of Guarantors under the indenture will be revived and no such defeasance will be deemed to have occurred.

Satisfaction and Discharge

The indenture will be discharged and will cease to be of further effect (except as to rights of registration of transfer or exchange of Notes which shall survive until all Notes have been canceled) as to all outstanding Notes when either

- (1) all the Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in

trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from this trust) have been delivered to the trustee for cancellation, or

(2) (a) all Notes not delivered to the trustee for cancellation otherwise have become due and payable or have been called for redemption pursuant to the provisions described under “—Optional Redemption,” and the Issuer has irrevocably deposited or caused to be deposited with the trustee trust funds in trust in an amount of money sufficient to pay and discharge the entire Indebtedness (including all principal and accrued interest) on the Notes not theretofore delivered to the trustee for cancellation,

(b) the Issuer has paid all sums payable by it under the indenture,

(c) the Issuer has delivered irrevocable instructions to the trustee to apply the deposited money toward the payment of the Notes at maturity or on the date of redemption, as the case may be, and

(d) the trustee, for the benefit of the holders, has a valid, perfected, exclusive security interest in this trust.

In addition, the Issuer must deliver an officers’ certificate and an opinion of counsel (as to legal matters) stating that all conditions precedent to satisfaction and discharge have been complied with.

Transfer and Exchange

A holder will be able to register the transfer of or exchange notes only in accordance with the provisions of the indenture. The registrar may require a holder, among other things, to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the indenture. Without the prior consent of the Issuer, the registrar is not required (1) to register the transfer of or exchange any Note selected for redemption, (2) to register the transfer of or exchange any Note for a period of 15 days before a selection of Notes to be redeemed or (3) to register the transfer or exchange of a Note between a record date and the next succeeding interest payment date.

The Notes will be issued in registered form and the registered holder will be treated as the owner of such Note for all purposes.

Amendment, Supplement and Waiver

Subject to certain exceptions, the indenture or the Notes may be amended with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the holders of at least a majority in principal amount of the Notes then outstanding, and any existing Default under, or compliance with any provision of, the indenture may be waived (other than any continuing Default in the payment of the principal or interest on the Notes) with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the holders of a majority in principal amount of the Notes then outstanding; *provided that*:

(a) no such amendment may, without the consent of the holders of two-thirds in aggregate principal amount of Notes then outstanding, amend the obligation of the Issuer under the heading “— Change of Control” or the related definitions that could adversely affect the rights of any holder; and

(b) without the consent of each holder affected, the Issuer and the trustee may not:

(1) change the maturity of any Note;

(2) reduce the amount, extend the due date or otherwise affect the terms of any scheduled payment of interest on or principal of the Notes;

- (3) reduce any premium payable upon optional redemption of the Notes, change the date on which any Notes are subject to redemption or otherwise alter the provisions with respect to the redemption of the Notes;
- (4) make any Note payable in money or currency other than that stated in the Notes;
- (5) modify or change any provision of the indenture or the related definitions to affect the ranking of the Notes or any note guarantee in a manner that adversely affects the holders;
- (6) reduce the percentage of holders necessary to consent to an amendment or waiver to the indenture or the Notes;
- (7) impair the rights of holders to receive payments of principal of or interest on the Notes;
- (8) release any Guarantor from any of its obligations under its note guarantee or the indenture, except as permitted by the indenture; or
- (9) make any change in these amendment and waiver provisions.

Notwithstanding the foregoing, the Issuer and the trustee may amend the indenture, the note guarantees or the Notes without the consent of any holder, to cure any ambiguity, defect or inconsistency, to provide for uncertificated Notes in addition to or in place of certificated Notes, to provide for the assumption of the Issuer's obligations to the holders in the case of a merger or acquisition, to release any Guarantor from any of its obligations under its note guarantee or the indenture (to the extent permitted by the indenture), to make any change that does not materially adversely affect the rights of any holder or, in the case of the indenture, to maintain the qualification of the indenture under the Trust Indenture Act.

No Personal Liability of Directors, Officers, Employees and Stockholders

No director, officer, employee, incorporator or stockholder of the Issuer will have any liability for any obligations of the Issuer under the Notes or the indenture or of any Guarantor under its note guarantee or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes and the note guarantees.

Concerning the Trustee

Wells Fargo Bank, National Association is the trustee under the indenture and has been appointed by the Issuer as registrar and paying agent with regard to the Notes. The indenture contains certain limitations on the rights of the trustee, should it become a creditor of the Issuer, to obtain payment of claims in certain cases, or to realize on certain assets received in respect of any such claim as security or otherwise. The trustee will be permitted to engage in other transactions; however, if it acquires any conflicting interest (as defined in the indenture), it must eliminate such conflict or resign.

The holders of a majority in principal amount of the then outstanding Notes will have the right to direct the time, method and place of conducting any proceeding for exercising any remedy available to the trustee, subject to certain exceptions. The indenture provides that, in case an Event of Default occurs and is not cured, the trustee will be required, in the exercise of its power, to use the degree of care of a prudent person in similar circumstances in the conduct of his or her own affairs. Subject to such provisions, the trustee will be under no obligation to exercise any of its rights or powers under the indenture at the request of any holder, unless such holder shall have offered to the trustee security and indemnity satisfactory to the trustee.

Wells Fargo Bank Arizona, National Association, an affiliate of Wells Fargo Bank, National Association, is a lender under our senior unsecured credit facility.

Governing Law

The indenture, the Notes and the note guarantees are governed by, and construed in accordance with, the laws of the State of New York.

Certain Definitions

Set forth below is a summary of certain of the defined terms used in the indenture. Reference is made to the indenture for the full definition of all such terms.

“Acquired Indebtedness” means (1) with respect to any person that becomes a Restricted Subsidiary after the Issue Date, Indebtedness of such person and its Subsidiaries existing at the time such person becomes a Restricted Subsidiary that was not incurred in connection with, or in contemplation of, such person becoming a Restricted Subsidiary and (2) with respect to the Issuer or any Restricted Subsidiary, any Indebtedness of a person (other than the Issuer or a Restricted Subsidiary) existing at the time such person is merged with or into the Issuer or a Restricted Subsidiary, or Indebtedness expressly assumed by the Issuer or any Restricted Subsidiary in connection with the acquisition of an asset or assets from another person, which Indebtedness was not, in any case, incurred by such other person in connection with, or in contemplation of, such merger or acquisition.

“Affiliate” of any person means any other person which directly or indirectly controls or is controlled by, or is under direct or indirect common control with, the referent person. For purposes of the covenant described under “—Certain Covenants—Limitations on Transactions with Affiliates,” Affiliates shall be deemed to include, with respect to any person, any other person (1) which beneficially owns or holds, directly or indirectly, 10% or more of any class of the voting stock of the referent person, (2) of which 10% or more of the voting stock is beneficially owned or held, directly or indirectly, by the referenced person or (3) with respect to an individual, any immediate family member of such person. For purposes of this definition, **“control”** of a person shall mean the power to direct the management and policies of such person, directly or indirectly, whether through the ownership of voting securities, by contract or otherwise.

“Asset Acquisition” means

(1) an Investment by the Issuer or any Restricted Subsidiary of the Issuer in any other person if, as a result of such Investment, such person shall become a Restricted Subsidiary of the Issuer, or shall be merged with or into the Issuer or any Restricted Subsidiary of the Issuer, or

(2) the acquisition by the Issuer or any Restricted Subsidiary of the Issuer of all or substantially all of the assets of any other person or any division or line of business of any other person.

“Asset Sale” means any sale, issuance, conveyance, transfer, lease, assignment or other disposition by the Issuer or any Restricted Subsidiary to any person other than the Issuer or any Restricted Subsidiary (including by means of a Sale and Leaseback Transaction or a merger or consolidation), in one transaction or a series of related transactions, of any assets (including Equity Interests) of the Issuer or any of its Restricted Subsidiaries other than in the ordinary course of business. For purposes of this definition, the term **“Asset Sale”** shall not include:

(1) transfers of cash or Cash Equivalents;

(2) transfers of assets (including Equity Interests) that are governed by, and made in accordance with, the provisions described under “— Certain Covenants — Limitations on Mergers, Consolidations, Etc.”;

(3) Permitted Investments and Restricted Payments permitted under the covenant described under “— Certain Covenants — Limitations on Restricted Payments”;

(4) the creation or realization of any Permitted Lien;

(5) transactions in the ordinary course of business, including, without limitation, sales (directly or indirectly), dedications and other donations to governmental authorities, leases and sales and

leasebacks of (A) homes, improved land and unimproved land and (B) real estate (including related amenities and improvements);

(6) dispositions of mortgage loans and related assets and mortgage-backed securities in the ordinary course of a mortgage lending business; and

(7) any transfer or series of related transfers that, but for this clause, would be Asset Sales, if after giving effect to such transfers, the aggregate fair market value of the assets transferred in such transaction or any such series of related transactions does not exceed \$1.0 million.

Book-Entry, Delivery and Form of Notes

The exchange notes will be represented by one or more global notes in definitive form. The global notes will be deposited with, or on behalf of, the Depository Trust Company (“DTC”) and registered in the name of Cede & Co., as nominee of DTC (such nominee being referred to herein as the **“Global Note Holder”**). DTC will maintain the Notes in denominations of \$1,000 and integral multiples thereof through its book-entry facilities.

DTC has advised the Company as follows:

DTC is a limited-purpose trust company that was created to hold securities for its participating organizations, including the Euroclear System and Clearstream Banking, Société Anonyme, Luxembourg (collectively, the **“Participants”** or the **“Depository’s Participants”**), and to facilitate the clearance and settlement of transactions in these securities between Participants through electronic book-entry changes in accounts of its Participants. The Depository’s Participants include securities brokers and dealers (including the initial purchasers), banks and trust companies, clearing corporations and certain other organizations. Access to DTC’s system is also available to other entities such as banks, brokers, dealers and trust

companies (collectively, the “**Indirect Participants**” or the “**Depository’s Indirect Participants**”) that clear through or maintain a custodial relationship with a Participant, either directly or indirectly. Persons who are not Participants may beneficially own securities held by or on behalf of DTC only through the Depository’s Participants or the Depository’s Indirect Participants. Pursuant to procedures established by DTC, ownership of the Notes will be shown on, and the transfer of ownership thereof will be effected only through, records maintained by DTC (with respect to the interests of the Depository’s Participants) and the records of the Depository’s Participants (with respect to the interests of the Depository’s Indirect Participants).

The laws of some states require that certain persons take physical delivery in definitive form of securities that they own. Consequently, the ability to transfer the Notes will be limited to such extent.

So long as the Global Note Holder is the registered owner of any Notes, the Global Note Holder will be considered the sole holder of outstanding Notes represented by such global notes under the indenture. Except as provided below, owners of Notes will not be entitled to have Notes registered in their names and will not be considered the owners or holders thereof under the indenture for any purpose, including with respect to the giving of any directions, instructions, or approvals to the trustee thereunder. None of the Issuer, the Guarantors or the trustee will have any responsibility or liability for any aspect of the records relating to or payments made on account of Notes by DTC, or for maintaining, supervising or reviewing any records of DTC relating to such Notes.

Payments in respect of the principal of, premium, if any, and interest on any Notes registered in the name of a Global Note Holder on the applicable record date will be payable by the trustee to or at the direction of such Global Note Holder in its capacity as the registered holder under the indenture. Under the terms of the indenture, the Issuer and the trustee may treat the persons in whose names any Notes, including the global notes, are registered as the owners thereof for the purpose of receiving such payments and for any and all other purposes whatsoever. Consequently, neither the Issuer nor the trustee has or will have any responsibility or liability for the payment of such amounts to beneficial owners of Notes (including principal, premium, if any, and interest). The Issuer believes, however, that it is currently the policy of DTC to immediately credit the accounts of the relevant Participants with such payments, in amounts proportionate to their respective beneficial interests in the relevant security as shown on the records of DTC. Payments by the Depository’s Participants and the Depository’s Indirect Participants to the beneficial owners of Notes will be governed by standing instructions and customary practice and will be the responsibility of the Depository’s Participants or the Depository’s Indirect Participants.

If an Event of Default occurs, any person having a beneficial interest in the global notes may, through the Depository’s Participants or the Depository’s Indirect Participants upon request to the trustee and confirmation of such beneficial interest by the Depository or its Participants or Indirect Participants, exchange such beneficial interest for notes in definitive form. Upon any such issuance, the trustee is required to register such Notes in the name of and cause the same to be delivered to, such person or persons (or the nominee of any thereof).

Neither the Issuer nor the trustee will be liable for any delay by the Global Note Holder or DTC in identifying the beneficial owners of notes and the Issuer and the trustee may conclusively rely on, and will be protected in relying on, instructions from the Global Note Holder or DTC for all purposes.

THE EXCHANGE OFFER

Purposes and Effects

We issued the outstanding notes on March 10, 2005 to the initial purchasers, who resold the outstanding notes to “qualified institutional buyers” (as defined in Rule 144A under the Securities Act) and certain non-U.S. persons in accordance with Regulation S of the Securities Act. In connection with the sale of the outstanding notes, we and the initial purchasers entered into the registration rights agreement pursuant to which we agreed to file with the SEC a registration statement with respect to an offer to exchange the outstanding notes with the exchange notes within 75 days after the outstanding notes were issued. In addition, we agreed to use our reasonable best efforts to cause the registration statement to become effective under the Securities Act within 150 days after the outstanding notes were issued and to issue the exchange notes pursuant to the exchange offer. A copy of the registration rights agreement has been filed as an exhibit to the registration statement of which this prospectus is a part.

The exchange offer is being made pursuant to the registration rights agreement. Holders of outstanding notes who do not tender their outstanding notes or whose outstanding notes are tendered but not accepted would have to rely on exemptions from registration requirements under the securities laws, including the Securities Act, if they wish to sell their outstanding notes.

Based on interpretations by the staff of the SEC set forth in no-action letters issued to persons unrelated to us, we believe the exchange notes issued pursuant to the exchange offer in exchange for outstanding notes may be offered for sale, sold and otherwise transferred by any holder (other than a person that is an “affiliate” of ours within the meaning of Rule 405 under the Securities Act and except as set forth in the next paragraph) without registration or the delivery of a prospectus under the Securities Act, provided the holder acquires the exchange notes in the ordinary course of the holder’s business and the holder is not participating and does not intend to participate, and has no arrangement or understanding with any person to participate, in the distribution of the exchange notes.

If a person were to participate in the exchange offer for the purpose of distributing securities in a manner not permitted by the SEC’s interpretation, (1) the position of the staff of the SEC enunciated in the no-action letters would not be applicable to the person and (2) the person would be required to comply with the registration and prospectus delivery requirements of the Securities Act in connection with a sale of the exchange notes with any such resale transaction effected by it covered by an effective registration statement containing the selling securityholder information required by Item 507 or 508 of the SEC’s Regulation S-K.

Each broker-dealer that receives exchange notes for its own account in exchange for outstanding notes which the broker-dealer acquired as a result of market-making activities or other trading activities, must acknowledge that it will deliver a prospectus in connection with any sale of those exchange notes.

The exchange offer is not being made to, nor will we accept surrenders for exchange from, holders of exchange notes with addresses in any jurisdiction in which the exchange offer or the issuance of exchange notes pursuant to it would violate applicable securities or blue sky laws. Prior to the exchange offer, however, we will register or qualify, or cooperate with the holders of the outstanding notes and their respective counsel in connection with the registration or qualification of, the exchange notes for offer and sale under the securities or blue sky laws of such jurisdictions as are necessary to permit consummation of the exchange offer and do anything else which is necessary or advisable to enable the offer and issuance of the exchange notes in those jurisdictions.

Terms of the Exchange Offer

Upon the terms and subject to the conditions set forth in this prospectus and in the accompanying letter of transmittal, we will issue exchange notes in exchange for all outstanding notes which are validly tendered prior to 5:00 p.m., New York City time, on the expiration date (as defined below) and not withdrawn. The principal amount of the exchange notes issued in the exchange will be the same as the

principal amount of the outstanding notes for which they are exchanged. Holders may tender some or all of their outstanding notes in response to the exchange offer.

However, outstanding notes may be tendered only in multiples of \$1,000. See “Description of the Exchange Notes.”

The form and terms of the exchange notes will be the same in all material respects as the form and terms of the outstanding notes, except that (1) the exchange notes will be registered under the Securities Act and hence will not bear legends regarding restrictions on transfer and (2) because the exchange notes will be registered, holders of exchange notes will not be, and upon the consummation of the exchange offer, except under limited circumstances, holders of outstanding notes will no longer be, entitled to rights under the registration rights agreement intended for holders of unregistered securities.

Outstanding notes which are not tendered for exchange or are tendered but not accepted in the exchange offer will remain outstanding and be entitled to the benefits of the indenture, but will not be entitled to any registration rights under the registration rights agreement.

We will be deemed to accept all the outstanding notes which are validly tendered and not withdrawn when we give oral or written notice to that effect to the exchange agent. The exchange agent will act as agent for the tendering holders for the purpose of receiving exchange notes from us.

If any tendered outstanding notes are not accepted for exchange because of an invalid tender or otherwise, certificates for those outstanding notes will be returned, without expense, to the tendering holder promptly after the expiration date.

Holders who tender outstanding notes in response to the exchange offer will not be required to pay brokerage commissions or fees or, except as described in the instructions in the letter of transmittal, transfer taxes. We will pay all charges and expenses, other than certain taxes described below, in connection with the exchange offer. See “— Fees and Expenses.”

Expiration Date; Extension; Termination; Amendments

The exchange offer will expire at 5:00 p.m., New York time, _____, 2005, the “expiration date” unless we extend it by notice to the exchange agent. The expiration date will be at least 20 business days after commencement of the exchange offer in accordance with Rule 14e-1(a) under the Exchange Act. We reserve the right to extend the exchange offer at our discretion. If we extend the exchange offer, the term “expiration date” will mean the time and date on which the exchange offer as extended will expire. We will notify the exchange agent of any extension by oral or written notice and will make a public announcement of any extension, not later than 9:00 a.m., New York City time, on the business day after the previously scheduled expiration date. We may terminate the exchange offer by written notice to the exchange agent if any of the conditions described below under “— Conditions of the Exchange Offer” is not satisfied. If the exchange offer is amended in a manner that we determine to constitute a material change, we will promptly disclose the amendment in a prospectus supplement that will be distributed to the registered holders.

Interest on Exchange Notes

The exchange notes will bear interest at 6/4% per year from and including March 10, 2005. Interest on the exchange notes will be payable twice a year, on March 15 and September 15, beginning September 15, 2005. In order to avoid duplicative payment of interest, all interest accrued on outstanding notes that are accepted for exchange before September 15, 2005 will be superseded by the interest that is deemed to have accrued on the exchange notes from March 10, 2005 through the date of exchange.

Termination of Certain Rights

The registration rights agreement provides that, with certain exceptions, if: (1) the exchange offer registration statement has not been filed with the SEC on or prior to the 75th calendar day following the

date of original issue of the outstanding notes; (2) the exchange offer registration statement has not been declared effective on or prior to the 150th calendar day following the date of original issue of the outstanding notes, or (3) the exchange offer is not consummated on or prior to the 180th day following the date of original issue of the outstanding notes (each event referred to in clauses (1) through (3) above being a "registration default"), the interest rate borne by the outstanding notes will be increased by 0.25% per annum upon the occurrence of a registration default. This rate will continue to increase by 0.25% each 90 day period that the liquidated damages (as defined below) continue to accrue under any such circumstance. However, the maximum total increase in the interest rate will in no event exceed one percent (1.0%) per year. We refer to this increase in the interest rate on the notes as "liquidated damages." Such interest is payable in addition to any other interest payable from time to time with respect to the outstanding notes and the exchange notes in cash on each interest payment date to the holders of record for such interest payment date. After the cure of registration defaults, the accrual of liquidated damages will stop and the interest rate will revert to the original rate.

Holders of exchange notes will not be and, upon consummation of the exchange offer, holders of outstanding notes will no longer be, entitled to rights under the registration rights agreement intended for holders of outstanding notes which are restricted as to transferability, except as otherwise provided in the registration rights agreement. The exchange offer will be deemed consummated when we deliver to the exchange agent exchange notes in the same aggregate principal amount as that of the outstanding notes which are validly tendered and not withdrawn.

In the event that:

- any changes in law or the applicable interpretations of the SEC do not permit us to effect the exchange offer;
- the exchange offer is not consummated within 180 days after the original issue date of the outstanding notes;
- any holder notifies us that it is prohibited by law or applicable interpretations of the SEC from participating in the exchange offer;
- in the case of any holder that participates in the exchange offer, such holder does not receive freely transferable notes on the date of the exchange (other than due solely to the status of such holder as an affiliate of the Issuer);
- the initial purchasers of the outstanding notes so request with respect to notes that have, or are reasonably likely to be determined to have, the status of unsold allotments in an initial distribution; or
- or any holder of notes that is not entitled to participate in the exchange offer so requests

then, the Issuer and the Guarantors shall as promptly as practicable, but in no event later than 45 days after the occurrence of any of the above shelf registration statement triggering events, file with the SEC a shelf registration statement covering resales of the outstanding notes by holders who satisfy certain conditions relating to the provision of information in connection with the shelf registration statement.

Procedures for Tendering

Only a holder of outstanding notes may tender outstanding notes in response to the exchange offer. To tender outstanding notes, the holder must either:

- follow DTC's Automated Tender Offer Program procedures, or
- do the following:
 - complete, sign and date the letter of transmittal, or a facsimile of one;
 - have the signatures guaranteed if required by the letter of transmittal; and

- mail or otherwise deliver the transmittal or facsimile of one, together with the outstanding notes (unless the tender is being effected using the procedure for book-entry transfer described below) and any other required documents, to the exchange agent prior to 5:00 p.m., New York City time, on the expiration date.

The exchange agent will seek to establish an account with respect to the outstanding notes at the depository for purposes of the exchange offer within two business days after the date of this prospectus. Any financial institution that is a participant in the depository's system may make book-entry delivery of outstanding notes by causing the depository to transfer them into the exchange agent's account at the depository in accordance with the depository's procedures for transfer. However, although a holder may effect delivery of outstanding notes through book-entry transfer at the depository, it must also follow the depository's Automated Tender Offer Program procedures, submit to the exchange agent the letter of transmittal or facsimile thereof, with any required signature guarantees and any other required documents, on or before the expiration date, or follow the guaranteed delivery procedures described below.

LETTERS OF TRANSMITTAL AND OUTSTANDING NOTES MUST BE SENT TO THE EXCHANGE AGENT. DELIVERY OF A DOCUMENT TO DTC DOES NOT CONSTITUTE DELIVERY TO THE EXCHANGE AGENT.

A tender of outstanding notes by a holder will constitute an agreement by the holder to transfer the outstanding notes to us in exchange for exchange notes on the terms and subject to the conditions set forth in this prospectus and in the letter of transmittal.

The method of delivering outstanding notes and the letter of transmittal and any other required documents to the exchange agent is at the election and risk of the holder. It is recommended that holders use overnight or hand delivery services. In all cases, sufficient time should be allowed to assure delivery to the exchange agent before the expiration time. No letter of transmittal or outstanding notes should be sent to us. Holders may ask their brokers, dealers, commercial banks, trust companies or nominees to assist them in effecting tenders.

If you are the beneficial owner of outstanding notes that are registered in the name of a broker-dealer, commercial bank, trust company, or other nominee and you wish to tender, you should contact the registered holder promptly and instruct such holder on your behalf. Holders who intend to tender outstanding notes through DTC's Automated Tender Offer Program procedures need not submit a letter of transmittal.

Signatures on letters of transmittal or a notice of withdrawal, as the case may be, must be guaranteed by an eligible institution unless the outstanding notes are being tendered for the account of an eligible institution. An eligible institution is a bank, broker, dealer, credit union, savings association or other entity which is a member in good standing of the Securities Transfer Agents Medallion Program.

If the letter of transmittal or any outstanding notes or bond powers are signed by trustees, executors, administrators, guardians, attorneys-in-fact, officers of corporations or others acting in a fiduciary or representative capacity, they should so indicate when signing, and we may require that evidence satisfactory to us of their authority to sign be submitted with the letter of transmittal.

The depository has confirmed that any financial institution that is a participant in DTC's system may use DTC's Automated Tender Offer Program procedures to tender outstanding notes. All questions as to the validity, form, eligibility (including time of receipt) and acceptance and withdrawal of tendered outstanding notes will be determined by us in our sole discretion, and that determination will be final and binding. We reserve the right to reject any outstanding notes which are not properly tendered or the acceptance of which we believe might be unlawful. We also reserve the right to waive any defects, irregularities or conditions of tender as to particular outstanding notes, without being required to waive the same defects, irregularities or conditions as to other outstanding notes. Our interpretation of the terms and conditions of the exchange offer (including the instructions in the letter of transmittal) will be final and binding on all parties. Unless waived, any defects or irregularities in connection with tenders of outstanding notes must be cured by the expiration date, or by such later time as we may determine. Although we

intend to request the exchange agent to notify holders of defects or irregularities with respect to tenders of outstanding notes, neither we, the exchange agent nor any other person will incur any liability for failure to give such notification. Tenders of outstanding notes will not be deemed to have been made until all defects and irregularities have been cured or waived. Any outstanding notes received by the exchange agent that are not properly tendered and as to which the defects or irregularities have not been cured or waived will be returned by the exchange agent to the tendering holders, unless otherwise provided in the letter of transmittal, as soon as practicable following the expiration date.

We have the right (subject to limitations contained in the indenture) (1) to purchase or make offers for any outstanding notes that remain outstanding after the expiration date and (2) to the extent permitted by applicable law, to purchase outstanding notes in privately negotiated transactions or otherwise. The terms of any such purchases or offers could differ from the terms of the exchange offer.

By tendering, a holder will be representing to us, among other things, that: (1) it or the person who will acquire the exchange notes being issued as a result of the exchange offer (whether or not that is the holder) will be acquiring them in the ordinary course of that person's business, (2) neither the holder nor any such other person has an arrangement or understanding with any person to participate in a distribution of the exchange notes, (3) it is not a broker-dealer that owns outstanding notes acquired directly from us or an affiliate of ours, (4) it is not an "affiliate" of the company (as defined in Rule 405 under the Securities Act) or any of the guarantors, and (5) it is not acting on behalf of any other person who could not truthfully make the representation described in this paragraph. In addition, if the holder is a broker-dealer that will receive exchange notes for its own account in exchange for outstanding notes that were acquired as result of market-making activities or other trading activities, the holder will, by tendering, acknowledge that it will comply with the prospectus delivery requirements of the Securities Act in connection with any resale of those exchange notes.

Conditions of the Exchange Offer

Notwithstanding any other term of the exchange offer, we will not be required to accept for exchange, or exchange securities for, any outstanding notes, if:

- (a) any action or proceeding is instituted or threatened in any court or by or before any governmental agency which might materially impair our or the guarantors' ability to proceed with the exchange offer or any material adverse development has occurred in any existing action or proceeding with respect to us or any of the guarantors that would impair our or their ability to proceed;
- (b) the exchange offer would violate any law or interpretation by the staff of the SEC; or
- (c) any governmental approval has not been obtained, which approval we deem necessary for the consummation of the exchange offer.

If any of the conditions are not satisfied, we may (1) refuse to accept any outstanding notes and return all tendered outstanding notes to the tendering holders, (2) extend the exchange offer and retain all outstanding notes tendered prior to the expiration of the exchange offer, subject, however, to the rights of holders to withdraw such outstanding notes (see "— Withdrawal of Tenders"), (3) waive such unsatisfied conditions with respect to the exchange offer and accept all properly tendered outstanding notes which have not been withdrawn, (4) terminate the exchange offer, or (5) amend the exchange offer.

Guaranteed Delivery Procedures

Holders who wish to tender their outstanding notes and (1) whose outstanding notes are not immediately available, or (2) who cannot deliver their outstanding notes or any other required documents

to the exchange agent or cannot complete the procedure for book-entry transfer prior to the expiration date, may effect a tender if:

(a) The tender is made through an eligible institution;

(b) Prior to the expiration date, the exchange agent receives from the eligible institution a properly completed and duly executed notice of guaranteed delivery (by facsimile transmission, mail or hand) setting forth the name and address of the eligible holder, the certificate number(s) of the outstanding notes (if available) and the principal amount of outstanding notes tendered, together with a duly executed letter of transmittal (or a facsimile of one), stating that the tender is being made by that notice of guaranteed delivery and guaranteeing that, within three business days after the expiration date, the certificate(s) representing the outstanding notes (or confirmation of a book-entry transfer into the exchange agent's account at DTC) and any other documents required by the letter of transmittal will be delivered to the exchange agent; and

(c) The certificate(s) representing all the tendered outstanding notes (or confirmation of a book-entry transfer into the exchange agent's account at DTC) and all other documents required by the letter of transmittal are received by the exchange agent within three business days after the expiration date.

Upon the request to the exchange agent, a form of notice of guaranteed delivery will be sent to holders who wish to use the guaranteed delivery procedures described above.

Withdrawal of Tenders

Except as otherwise described below, tenders of outstanding notes may be withdrawn at any time prior to 5:00 p.m., New York City time, on the expiration date.

To withdraw a tender of outstanding notes, a written or facsimile transmission notice of withdrawal must be received by the exchange agent prior to 5:00 p.m., New York City time, on the expiration date. Any notice of withdrawal must (i) specify the name of the person who deposited the outstanding notes to be withdrawn, (ii) identify the outstanding notes to be withdrawn (including the certificate numbers and principal amounts of the outstanding notes), (iii) be signed by the depositor in the same manner as the signature on the letter of transmittal by which the outstanding notes were tendered (including any required signature guarantees) or be accompanied by documents of transfer sufficient to have the trustee register the transfer of the outstanding notes into the name of the person who withdraws the tender, and (iv) specify the name in which the withdrawn outstanding notes are to be registered, if different from that of the depositor. All questions as to the validity, form and eligibility (including time of receipt) of withdrawal notices will be determined by us in our sole discretion, and that determination will be final and binding on all parties. Any outstanding notes which are withdrawn will be deemed not to have been validly tendered for purposes of the exchange offer, and no exchange notes will be issued with respect to those outstanding notes unless they are validly re-tendered. Any outstanding notes which have been tendered but which are not accepted for exchange or which are withdrawn will be returned to the holder without cost to the holder promptly after withdrawal, rejection of tender or termination of the exchange offer. Properly withdrawn outstanding notes may be re-tendered at any time prior to the expiration date in accordance with the procedures described above under "— Procedures for Tendering."

Fees and Expenses

We will bear the expenses of soliciting tenders pursuant to the exchange offer. The principal solicitation of tenders is being made by mail. However, solicitations also may be made by telecopy, telephone or in person by officers and regular employees of ours and our affiliates.

We have not retained any dealer-manager in connection with the exchange offer and will not make any payments to brokers, dealers or others for soliciting acceptances of the exchange offer. We will, however, pay the exchange agent reasonable and customary fees for its services and reimburse it for its reasonable out-of-pocket expenses in connection with the exchange offer. We may also reimburse

brokerage houses and other custodians, nominees and fiduciaries for the reasonable out-of-pocket expenses they incur in forwarding copies of this prospectus, letters of transmittal and related documents to the beneficial owners of the outstanding notes and in handling or forwarding tenders for exchange. We will pay the other expenses incurred in connection with the exchange offer, including fees and expenses of the trustee, accounting and legal fees and printing costs.

We will pay all transfer taxes, if any, applicable to the exchange of outstanding notes for exchange notes pursuant to the exchange offer. If, however, certificates representing exchange notes or outstanding notes for principal amounts which are not tendered or accepted for exchange are to be delivered to, or are to be issued in the name of, a person other than the registered holder of the outstanding notes tendered, or if tendered outstanding notes are registered in the name of a person other than the person who signs the letter of transmittal, or if a transfer tax is imposed for any other reason, other than the exchange of outstanding notes for exchange notes pursuant to the exchange offer, the tendering holder must pay the transfer taxes (whether imposed on the registered holder or any other person). Unless satisfactory evidence of payment of transfer taxes or exemption from the need to pay them is submitted with the letter of transmittal, the amount of the transfer taxes will be billed directly to the tendering holder. We may refuse to issue exchange notes in exchange for outstanding notes, or to return certificates evidencing outstanding notes which are not exchanged, until we receive evidence satisfactory to us that any transfer taxes payable by the holder have been paid.

Consequences of Failure to Exchange Outstanding Notes

If a holder does not exchange outstanding notes for exchange notes in response to the exchange offer, the outstanding notes will continue to be subject to the restrictions on transfer described in the legend on the certificate evidencing the outstanding notes, and will not have the benefit of any agreement by us to register outstanding notes under the Securities Act. In general, notes may not be offered or sold, unless the sale is registered under the Securities Act, or unless the offer and sale are exempt from, or not subject to, the Securities Act or any applicable state securities laws.

Participation in the exchange offer is voluntary and holders should carefully consider whether to accept the exchange offer and tender their outstanding notes. Holders of outstanding notes are urged to consult their financial and tax advisors in making their own decisions on what action to take.

Accounting Treatment

The exchange notes will be recorded in our accounting records at the same carrying value as the outstanding notes on the date of the exchange. Accordingly, we will not recognize any gain or loss for accounting purposes as a result of the exchange offer. We will amortize the expenses of the exchange offer over the term of the exchange notes.

UNITED STATES FEDERAL INCOME TAX CONSIDERATIONS

The following discussion addresses material United States federal income tax considerations applicable to the holder that exchanges outstanding notes for exchange notes. This discussion is based on the provisions of the Internal Revenue Code of 1986, as amended (the "Code"), the applicable treasury regulations promulgated or proposed under the Code, judicial authority and current administrative rulings and practice. All of these authorities may change without notice, possibly on a retroactive basis. This summary deals only with holders that will hold exchange notes as capital assets within the meaning of Section 1221 of the Code. It does not address tax considerations applicable to investors that may be subject to special tax rules, such as banks and other financial institutions, tax-exempt organizations, insurance companies, partnerships, expatriates, traders or dealers in securities or currencies, custodians, nominees or similar financial intermediaries holding exchange notes for others, persons that hold outstanding notes or will hold exchange notes as a position in a hedging transaction, straddle or conversion transaction for tax purposes or persons subject to the alternative minimum tax. This summary does not discuss the tax consequences of any conversion of currency into or out of the United States dollar as such a conversion relates to the purchase, ownership or disposition of the notes. Meritage has not sought any ruling from the Internal Revenue Service (IRS) nor sought an opinion of counsel with respect to the statements made and the conclusions reached in the following summary. There can be no assurance that the IRS will agree with such statements and conclusions.

HOLDERS OF OUTSTANDING NOTES SHOULD CONSULT THEIR OWN TAX ADVISORS WITH RESPECT TO THE APPLICATION OF THE UNITED STATES FEDERAL INCOME TAX LAWS TO THEIR PARTICULAR SITUATIONS AS WELL AS ANY TAX CONSEQUENCES ARISING UNDER THE LAWS OF ANY STATE, LOCAL OR FOREIGN TAXING JURISDICTION OR UNDER ANY APPLICABLE TAX TREATY AS TO HOW THEIR PARTICULAR TAX SITUATION MIGHT BE AFFECTED BY THE EXCHANGE OF THE OUTSTANDING NOTES FOR THE EXCHANGE NOTES AND THE HOLDING AND DISPOSITION OF THEIR EXCHANGE NOTES.

United States Holders

For purposes of this discussion, a United States holder is the beneficial owner of an exchange note that, for United States federal income tax purposes, is:

- an individual citizen or resident of the United States;
- a corporation or other entity taxable as a corporation created or organized under the laws of the United States or any state thereof or the District of Columbia;
- an estate, the income of which is subject to United States federal income taxation regardless of its source; or
- a trust, if (i) one or more United States persons (as defined in Section 7701(a)(30) of the Code) have the authority to control all substantial decisions of the trust and a court within the United States is able to exercise primary supervision over the administration of the trust or (ii) it has a valid election in effect to be treated as a United States Person.

A non-United States holder is a beneficial owner of an exchange note who is a nonresident alien or a corporation, trust or estate that is not a United States holder. If a partnership holds exchange notes, the tax treatment of a partner will generally depend on the status of the partner and on the activities of the partnership. Partners of partnerships holding notes should consult their tax advisors.

Exchange of Notes

The exchange of outstanding notes for exchange notes pursuant to the exchange offer will not constitute a significant modification of the terms of the notes and thus will not constitute a taxable event for United States holders. Consequently, United States holders will not recognize gain or loss upon the

receipt of exchange notes in exchange for outstanding notes in the exchange offer, United States holders' bases in the exchange notes received in the exchange offer will be the same as their bases in the corresponding outstanding notes immediately before the exchange, and United States holders' holding periods in the exchange notes will include their holding periods in the outstanding notes.

Payment of Interest

Stated interest on an exchange note generally will be includible in the income of a United States holder as ordinary income at the time such interest is received or accrued, in accordance with the holder's method of accounting for United States federal income tax purposes.

Market Discount

United States holders should be aware that the resale of an exchange note may be affected by the market discount rules of the Code. Under these rules, a subsequent purchaser of an exchange note acquiring the note at a market discount generally would be required to include as ordinary income a portion of the gain realized upon the disposition or retirement of the note to the extent of the market discount that has accrued while the debt instrument was held by the purchaser. A purchase at a market discount includes the purchase of a note after its original issuance at a price less than the note's stated redemption price at maturity. The amount of market discount, if any, will generally equal the excess of:

- the sum of the issue price of the note and the aggregate amount of the discount includible in the gross income of all United States holders, over
- the purchase price.

Gain recognized on the disposition, including a redemption, by a United States holder of an exchange note that has accrued market discount will be treated as ordinary income, and not capital gain, to the extent of the accrued market discount, but only if the amount of market discount exceeds a statutorily-defined de minimis amount. Under the de minimis exception, there is no market discount on a note if the excess of the stated redemption price at maturity of the note over the holder's tax basis in the note is less than 0.25% of the stated redemption price at maturity multiplied by the number of complete years after the acquisition date to the note's date of maturity. Unless the holder elects otherwise, as described below, the accrued market discount would be the amount calculated by multiplying the market discount by a fraction:

- the numerator of which is the number of days the obligation has been held by the holder; and
- the denominator of which is the number of days after the holder's acquisition of the obligation up to and including its maturity date.

A United States holder of an exchange note acquired at market discount will be deemed to have realized an amount equal to the fair market value of the note if the holder disposes of the note in specified transactions other than a sale, exchange or involuntary conversion, even though the transaction is otherwise non-taxable (for example, a gift). The United States holder will be required to recognize as ordinary income any accrued market discount to the extent of the deemed gain. A holder of an exchange note acquired at a market discount also may be required to defer the deduction of all or a portion of the interest on any indebtedness incurred or maintained to purchase or carry the note until it is disposed of in a taxable transaction.

A United States holder of an exchange note acquired at market discount may elect to include the market discount in income as it accrues. This election would apply to all market discount obligations acquired by the electing United States holder on or after the first day of the first taxable year to which the election applies. The election may be revoked only with the consent of the IRS. If a United States holder of a note elects to include market discount in income currently, the rules discussed above with respect to ordinary income recognition resulting from sales and certain other dispositions and to deferral of interest deductions would not apply.

Amortizable Bond Premium

An exchange note purchased for more than its principal amount generally will be considered to have been purchased at a premium. The bond premium is generally equal to the excess, if any, of the tax basis of the note over the amount payable at maturity of the note or, if a smaller premium would result, on an earlier call date of the note. A note holder may elect to amortize the bond premium on a constant yield basis, in which case amortizable bond premium is allocated to payments of interest and treated as an offset to interest income. A holder that elects to amortize premium must reduce the holder's tax basis in the note by the amount of the aggregate deductions, or interest offsets, allowable for the amortization of premium. If an election to amortize bond premium is not made, a note holder must include the full amount of each interest payment in income in accordance with the note holder's regular method of tax accounting, and the note holder will generally receive a tax benefit from the bond premium only upon computing the note holder's gain or loss upon the sale or other disposition or payment of the principal amount of the note.

Sale, Exchange, Redemption or Other Taxable Disposition of Notes

Upon the sale, exchange, redemption or other taxable disposition of an exchange note, a United States holder generally will recognize capital gain or loss equal to the difference between:

- the amount of cash proceeds and the fair market value of any property received on the sale, exchange, redemption or other taxable disposition, except to the extent such amount is attributable to accrued interest income, which is taxable as ordinary income (as described above under "Interest"); and
- such holder's adjusted tax basis in the note.

A United States holder's adjusted tax basis in a note generally will equal the cost of the note to such holder less any amortized bond premium and any principal payments received by such holder plus any market discount previously included in income. Such capital gain or loss will be long-term if the United States holder's holding period is more than one year and will be short-term if the holding period is one year or less. Long-term capital gains recognized by individuals are generally taxed at a current maximum federal tax rate of 15%.

Information Reporting and Backup Withholding

In general, information reporting requirements will apply to certain noncorporate United States holders with respect to payments of principal, premium and interest on a note, and to payments of the proceeds of the sale of a note. The receipt of such payments may be subject to "backup withholding" at a current rate of 28% (to be determined after 2010). Backup withholding generally applies only if the holder:

- fails to furnish his or her Social Security or other taxpayer identification number within a reasonable time after the request for it;
- furnishes an incorrect taxpayer identification number;
- is notified by the IRS that he or she has failed to report properly interest, dividends or original issue discount; or
- fails, under specified circumstances, to provide a certified statement, signed under penalties of perjury, that the taxpayer identification number provided is the correct number and that he or she is not subject to backup withholding.

Any amounts withheld under the backup withholding rules from a payment to a United States holder will be allowed as a credit against such holder's United States federal income tax and may entitle the holder to a refund, provided that the required information is timely furnished to the IRS.

Non-United States Holders

Exchange of Notes

The exchange of outstanding notes for exchange notes pursuant to the exchange offer will not constitute a significant modification of the terms of the notes and thus will not constitute a taxable event for non-United States holders. Consequently, non-United States holders will not recognize gain or loss upon the receipt of exchange notes in exchange for outstanding notes in the exchange offer, non-United States holders' bases in the exchange notes received in the exchange offer will be the same as their bases in the corresponding outstanding notes immediately before the exchange, and non-United States holders' holding periods in the exchange notes will include their holding periods in the outstanding notes.

Payment of Interest

Interest income of a non-United States holder that is not effectively connected with a United States trade or business may be subject to a withholding tax at a 30% rate or any lower rate that may be prescribed by an income tax treaty between the United States and the holder's country of residence. However, such interest will qualify for the portfolio interest exemption and, therefore, will not be subject to United States federal income tax or withholding tax if the non-United States holder:

- does not actually or constructively own 10% or more of the combined voting power of all classes of stock of Meritage entitled to vote, and
- is not a controlled foreign corporation related to Meritage, actually or constructively through stock ownership under section 864(d)(4) of the Code,

and either:

- provides to Meritage or its agent an appropriate W-8 series form or a suitable substitute form signed under penalties of perjury that includes its name and address and certifies as to the holder's non-United States status, and Meritage does not have actual knowledge or reason to know that the holder is a United States person, or
- Meritage does not have actual knowledge or reason to know that the holder is a United States person and Meritage receives (i) a withholding certificate from an intermediary payee (such as a withholding foreign partnership, qualified intermediary or U.S. branch of a non-United States bank or of a non-United States insurance company), and such intermediary obtains appropriate certification with respect to the holder's non-United States status and, if required, provides a copy of such certification to Meritage or (ii) if the payee is a securities clearing organization, bank or other financial institution that holds securities for its customers in the ordinary course, a statement signed under penalties of perjury that the institution has received a withholding certificate from the beneficial owner (or that it has received a similar statement from another financial institution), listing the name and address of the beneficial owner and attaching a copy of the beneficial owner's withholding certificate.

A non-United States holder which does not qualify for the "portfolio interest exemption" may nevertheless be entitled to an exemption from, or reduction on the rate of, the United States withholding tax on the interest and discount if such holder:

- resides in a jurisdiction which has a favorable income tax treaty with the United States,
- satisfies the conditions for the application of such treaty, and
- provides to Meritage or its agent the appropriate Form W-8 or a suitable substitute form.

Except to the extent that an applicable treaty otherwise provides, a non-United States holder generally will be taxed in the same manner as a United States holder with respect to interest if the interest is effectively connected with a United States trade or business of the non-United States holder. Effectively connected interest received by a corporate non-United States holder may also, under certain

circumstances, be subject to an additional branch profits tax at a 30% rate or, if applicable, a lower treaty rate. Even though such effectively connected interest is subject to income tax, and may be subject to the branch profits tax, it is not subject to withholding if the non-United States holder delivers an appropriate and properly executed W-8 series Form to Meritage or its agent.

Sale, Exchange, Redemption or Other Taxable Dispositions of Notes

A non-United States holder of an exchange note will generally not be subject to United States withholding tax on any gain realized on the sale, exchange, redemption or other taxable dispositions of an exchange note, other than gain attributable to accrued interest. Such gain also will generally not be subject to United States federal income tax unless:

- the gain is effectively connected with a United States trade or business of the non-United States holder (in which case such gain generally would be taxable in the same manner as effectively connected interest (as described above) unless an applicable tax treaty provides otherwise), or
- in the case of a non-United States holder who is an individual, the holder is present in the United States for a period or periods aggregating at least 183 days (as such days are calculated in accordance with the Code) during the current taxable year of the disposition and certain other conditions are met (in which case such gain, net of certain U.S. source losses, may be subject to tax at a 30% rate).

The amount of gain realized upon the sale, exchange, or redemption of a note may include amounts attributable to accrued interest. Gain attributable to accrued interest will be taxable, if at all, as described above under “— Non-United States Holders — Interest.”

Information Reporting and Backup Withholding

In general, payments of interest made by Meritage and other payors to a non-United States holder will not be subject to backup withholding and information reporting, provided that the non-United States holder certifies its non-United States holder status under penalties of perjury or otherwise establishes an exemption. In general, payments of principal or the proceeds from the sale of exchange notes effected at a United States office of a broker are subject to both United States backup withholding and information reporting. However, a holder will not be subject to backup withholding and information reporting on such a payment provided that:

- the broker does not have actual knowledge or reason to know that the holder is a United States person and the holder has furnished to the broker:
 - † an appropriate W-8 series form or an acceptable substitute form upon which the holder certifies, under penalties of perjury, that the holder is a non-United States person, or
 - † other documentation upon which it may rely to treat the payment as made to a non-United States person in accordance with U.S. Treasury regulations, or
- the holder otherwise establishes an exemption.

In general, payments of principal or the proceeds from the sale of exchange notes effected at a foreign office of a broker will not be subject to information reporting or backup withholding. However, such payments will be subject to information reporting, but not backup withholding, if the holder fails to provide the documentation described above or otherwise establish an exemption and the broker is:

- a United States person,
- a controlled foreign corporation for United States tax purposes,
- a foreign person 50% or more of whose gross income is effectively connected with the conduct of a United States trade or business for a specified three-year period, or

- a foreign partnership, if at any time during its tax year:

- † one or more of its partners are United States persons, who in the aggregate hold more than 50% of the income or capital interest in the partnership, or

- † such foreign partnership is engaged in the conduct of a United States trade or business.

Applicable Treasury regulations contain a number of other provisions affecting United States withholding taxes and reporting requirements including special rules for payments made to nonqualified intermediaries, flow-through entities and United States branches. Prospective investors should consult their tax advisors regarding the effect of these regulations.

PLAN OF DISTRIBUTION

Each broker-dealer that receives exchange notes for its own account pursuant to the exchange offer must acknowledge that it will deliver a prospectus in connection with any resale of such exchange notes. The prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with sales of exchange notes received in exchange for outstanding notes which were acquired as a result of market-making activities or other trading activities. We have agreed that, starting on the expiration date and ending on the close of business on the date that is 180 days after the expiration date, we will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale.

We will not receive any proceeds from any sale of exchange notes by broker-dealers. Exchange notes received by broker-dealers for their own account pursuant to the exchange offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the exchange notes or a combination of those methods of resale, at prices which may or may not be based upon market prices prevailing at the time of the sale. Any such sale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from the selling broker-dealer and/or the purchasers of the exchange notes. Any broker-dealer that sells exchange notes that were received by it for its own account pursuant to the exchange offer and any broker or dealer that participates in a distribution of such exchange notes may be deemed to be an "underwriter" within the meaning of the Securities Act and any profit from sale of the exchange notes and any commissions or concessions received by any such persons may be deemed to be underwriting compensation. The letter of transmittal states that a broker-dealer will not, by delivering a prospectus, be deemed to admit that it is an "underwriter" within the meaning of the Securities Act.

We have agreed to pay all expenses incident to the exchange offer other than commissions or concessions of any brokers or dealers and will indemnify the holders of the outstanding notes and the exchange notes (including any broker-dealers) against certain liabilities, including liabilities under the Securities Act.

LEGAL MATTERS

The validity of the exchange notes and the related guarantees has been passed upon for Meritage by Snell & Wilmer L.L.P., Phoenix, Arizona.

PART II
INFORMATION NOT REQUIRED IN PROSPECTUS

Item 20. *Indemnification of Directors and Officers*

Meritage Homes Corporation

Under the provisions of the Maryland General Corporation Law, a corporation's articles may, with certain exceptions, include any provision expanding or limiting the liability of its directors and officers to the corporation or its stockholders for money damages, but may not include any provision that restricts or limits the liability of its directors or officers to the corporation or its stockholders to the extent that (i) it is proved that the person actually received an improper benefit or profit in money, property, or services for the amount of the benefit or profit in money, property, or services actually received; or (ii) a judgment or other final adjudication adverse to the person is entered in a proceeding based on a finding in the proceeding that the person's action, or failure to act, was the result of active and deliberate dishonesty and was material to the cause of action adjudicated in the proceeding. Meritage's charter contains a provision limiting the personal liability of officers and directors to Meritage and its stockholders to the fullest extent permitted under Maryland law.

In addition, the provisions of the Maryland General Corporation Law permit a corporation to indemnify its present and former directors and officers, among others, against liability incurred, unless it is established that (i) the act or omission of the director or officer was material to the matter giving rise to the proceeding and was committed in bad faith or was the result of active and deliberate dishonesty, or (ii) the director or officer actually received an improper personal benefit in money, property, or services, or (iii) in the case of any criminal proceeding, the director or officer had reasonable cause to believe that the act or omission was unlawful. Meritage's charter provides that it will indemnify its directors, officers and others so designated by the board of directors to the full extent permitted under Maryland law.

Subsidiary Guarantors

Arizona Corporate Guarantors

Arizona Revised Statutes ("ARS") § 10-851 allows a corporation, in certain circumstances, to indemnify its directors against costs and expenses (including attorneys' fees) reasonably incurred in connection with threatened, pending or completed civil, criminal, administrative or investigative actions, suits or proceedings, in which such persons were or are parties, or are threatened to be made parties, by reason of the fact that they were or are directors of the corporation, if such persons acted in good faith and either (i) in a manner they reasonably believed to be in the best interests of the corporation (if acting in an official capacity), or (ii) in a manner they reasonably believed was at least not opposed to the corporation's best interests (in all other cases). A corporation may indemnify its directors with respect to any criminal action or proceeding if, in addition to the above conditions being met, the individual had no reasonable cause to believe his or her conduct was unlawful. Directors may not be indemnified under ARS § 10-851 in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation or in connection with any other proceeding charging improper financial benefit to the director in which the director was adjudged liable on the basis that financial benefit was improperly received by the director. In addition, under ARS § 10-202, a corporation's articles of incorporation may indemnify a director for conduct for which broader indemnification has been made permissible or mandatory under other ARS provisions.

ARS § 10-202 provides that the articles of incorporation may set forth a provision eliminating or limiting the liability of a director to the corporation or its shareholders for money damages, and permitting or making obligatory indemnification of a director, for liability for any action taken or any failure to take any action as a director, except liability for any of the following: (a) the amount of a financial benefit received by a director to which the director is not entitled; (b) an intentional infliction of harm on the

corporation or the shareholders; (c) unlawful distributions; and (d) an intentional violation of criminal law.

ARS § 10-852 provides for mandatory indemnification in certain situations such that, unless limited by its articles of incorporation, a corporation shall indemnify a director who was the prevailing party, on the merits or otherwise, in the defense of any proceeding to which the director was a party because the director is or was a director of the corporation against reasonable expenses incurred by the director in connection with the proceeding.

ARS § 10-856 provides that a corporation may indemnify its officers against costs and expenses (including attorneys' fees) reasonably incurred in connection with threatened, pending or completed civil, criminal, administrative or investigative actions, suits or proceedings, in which such persons were or are parties, or are threatened to be made parties because the individual is or was an officer of the corporation to the same extent as a director. If the individual is an officer but not a director (or is both but is made a party to the proceeding solely because of an act or omission as an officer), a corporation may indemnify and advance expenses to the further extent as may be provided by the articles of incorporation, the bylaws, a resolution of the board of directors, or contract except for (i) liability in connection with a proceeding by or in the right of the corporation other than for reasonable expenses incurred in connection with the proceeding, or (ii) liability arising out of conduct that constitutes (a) receipt by the officer of a financial benefit to which the officer is not entitled, (b) an intentional infliction of harm on the corporation or the shareholders, or (c) an intentional violation of criminal law. An officer of a corporation who is not a director is entitled to mandatory indemnification as a prevailing party under ARS § 10-852.

ARS § 10-850 defines a director as including an individual who is or was a director of a corporation or an individual while a director of a corporation is or was serving at the corporation's request as a director, officer, partner, trustee, employee or agent of another corporation, partnership, joint venture or other entity.

The articles of incorporation of Monterey Homes Arizona, Inc., Monterey Homes Construction, Inc., MTH-Texas GP, Inc. and MTH-Texas LP, Inc., each of which is an Arizona corporation, provide that the liability of a director or former director to the corporation or its shareholders shall be eliminated to the fullest extent permitted by Arizona law.

The articles of incorporation of Meritage Homes of Arizona, Inc., Meritage Homes Construction, Inc., MTH-Texas GP II, Inc., MTH-Texas LP II, Inc., MTH-Homes Nevada, Inc., Meritage Homes of Colorado, Inc. and Meritage Homes of Florida, Inc., each of which is an Arizona corporation, provide that the liability of a director or former director to the corporation or its stockholders shall be eliminated to the fullest extent permitted by Arizona law. In addition, the articles of incorporation of each of these corporations provide that the corporation shall indemnify any and all of its existing and former directors and officers to the fullest extent permitted by Arizona law.

California Corporate Guarantors

Section 317 of the California General Corporation Law (the "CGCL") allows a corporation, in certain circumstances, to indemnify its directors and officers against certain expenses (including attorneys' fees), judgments, fines, settlements and other amounts actually and reasonably incurred in connection with threatened, pending or completed civil, criminal, administrative or investigative actions, suits or proceedings (other than an action by or in the right of the corporation), in which such persons were or are parties, or are threatened to be made parties, by reason of the fact that they were or are directors or officers of the corporation, if such persons acted in good faith and in a manner they reasonably believed to be in the best interests of the corporation, and with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. In addition, a corporation is, in certain circumstances, permitted to indemnify its directors and officers against certain expenses incurred in connection with the defense or settlement of a threatened, pending or completed action by or in the right of the corporation, and against amounts paid in settlement of any such action, if such persons acted in

good faith and in a manner they believed to be in the best interests of the corporation and its shareholders, provided that the specified court approval is obtained.

Section 204(a)(10) of the CGCL allows a corporation to include a provision in its articles of incorporation eliminating or limiting the personal liability of a director for monetary damages in an action brought by or in the right of the corporation for breach of the director's duty to the corporation, except for the liability of a director resulting from (i) acts or omissions involving intentional misconduct or a knowing and culpable violation of law, (ii) any transaction from which a director derived an improper personal benefit, (iii) acts or omissions that a director believes to be contrary to the best interests of the corporation or its shareholders or that involve the absence of good faith, (iv) acts or omissions showing a reckless disregard for the director's duty to the corporation or its shareholders, (v) acts or omissions constituting an unexcused pattern of inattention to the director's duty, (vi) liability under California law relating to transactions between corporations and directors or corporations having interrelated directors, or (vi) the making of an illegal distribution or loan to shareholders.

The articles of incorporation of Meritage Homes of California, Inc. and California Urban Builders, Inc., each of which is a California corporation, provide that the liability of directors for monetary damages shall be eliminated to the fullest extent permissible under California law and that the corporation is authorized to provide indemnification of its officers and directors through bylaw provisions, agreements with officers and directors, vote of shareholders or disinterested directors or otherwise, in excess of the indemnification otherwise permitted by Section 317 of the CGCL, subject only to the applicable limits set forth in Section 204 of the CGCL. The bylaws of Meritage Homes of California, Inc. and California Urban Builders, Inc. provide that the corporation shall indemnify each of its directors and officers to the maximum extent and in the manner permitted by the CGCL.

Item 22. Undertakings

The undersigned registrants hereby undertake:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act of 1933;

(ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in this registration statement; and

(iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in the registration statement;

provided, however, that the undertakings set forth in paragraphs (i) and (ii) do not apply if the registration statement is on Form S-3, Form S-8 or Form F-3, and the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934 that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for purposes of determining any liability under the Securities Act of 1933, each filing of the registrant's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities

offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(5) To respond to requests for information that is incorporated by reference into the prospectus pursuant to Item 4, 10(b), 11, or 13 of this form, within one business day of receipt of such request, and to send the incorporated documents by first class mail or other equally prompt means. This includes information contained in documents filed subsequent to the effective date of the registration statement through the date of responding to the request.

(6) To supply by means of a post-effective amendment all information concerning a transaction, and the company being acquired involved therein, that was not the subject of and included in this registration statement when it became effective.

Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission, such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question of whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the registrant has duly caused this registration statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Scottsdale, State of Arizona, on May 3, 2005.

BYLAWS
OF
CALIFORNIA URBAN BUILDERS, INC.

ARTICLE I
OFFICES

Section 1.1 Principal Executive Office.

The Board of Directors shall fix the location of the principal executive office of the corporation at any place within or outside the State of California and may change said principal office from one location to another. If the principal executive office is located outside California and the corporation has one or more business offices in California, then the Board of Directors shall fix and designate a principal business office in California.

Section 1.2 Other Offices.

Branch or subordinate offices may at any time be established by the Board of Directors at any place or places where the corporation is qualified to do business.

ARTICLE II
MEETINGS OF SHAREHOLDERS

Section 2.1 Place of Meetings.

All meetings of shareholders shall be held either at the principal executive office or at any other place within or without the State of California which may be designated either by the Board of Directors or by the written consent of a majority of the shareholders entitled to vote thereat as determined pursuant to Section 6.1 of these Bylaws given either before or after the meeting.

Section 2.2 Annual Meetings.

The annual meetings of shareholders shall be held on such day and at such hour as may be fixed by the Board of Directors. At such meeting, Directors shall be elected, and any other proper business may be transacted.

Section 2.3 Special Meetings.

Special meetings of the shareholders may be called at any time by the Board of Directors, the Chairman of the Board, the President, or by the holders of shares entitled to cast not less than ten percent (10%) of the votes at the meeting. Notice of such special meeting shall be given in

the same manner as for the annual meeting of shareholders. Notices of any special meetings shall specify in addition to the place, date and hour of such meeting, the general nature of the business to be transacted thereat.

Section 2.4 Notice of Meetings or Reports.

Written notice of each meeting of shareholders shall be given not less than ten (10) days nor more than sixty (60) days before the date of the meeting to each shareholder entitled to vote thereat. Such notice shall be given either personally or by mail or other means of written communication, addressed or delivered to each shareholder entitled to vote at such meeting at the address of such shareholder appearing on the books of the corporation or given by him to the corporation for the purpose of such notice. If no such address appears or is given, notice shall be given either personally or by mail or other means of written communication addressed to the shareholder at the place where the principal executive office of the corporation is located, or by publication at least once in a newspaper of general circulation in the county in which said office is located. The notice shall be deemed to have been given at the time when delivered personally or deposited in the mail or sent by other means of written communication.

The same procedure for the giving of notice shall apply to the giving of any report to shareholders.

All such notices shall state the place, the date and the hour of such meeting, and shall state such matters, if any, as may be expressly required by the California Corporations Code.

Upon request by any person or persons entitled to call a special meeting, the Chairman of the Board, President, Vice President or Secretary shall within twenty (20) days after receipt of the request cause notice to be given to the shareholders entitled to vote that a special meeting will be held at a time requested by the person or persons calling the meeting, but not less than thirty-five (35) nor more than sixty (60) days after receipt of the request.

All other notices shall be sent by the Secretary or an Assistant Secretary, or if there be no such officer, or in the case of his neglect or refusal to act, by any other officer, or by persons calling the meeting.

Section 2.5 Adjourned Meetings and Notice Thereof.

Any shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of a majority of the shares, represented either in person or by proxy, but in the absence of a quorum, no other business may be transacted at such meeting, except as provided in Section 2.7 of these Bylaws.

When a shareholders' meeting is adjourned to another time or place, notice of the adjourned meeting need not be given if the time and place thereof are announced at the meeting at which the adjournment is taken; except that if the adjournment is for more than forty-five (45) days or if after the adjournment a new record date is fixed for the adjourned meeting, notice of the adjourned meeting shall be given to each shareholder of record entitled to vote thereat.

At the adjourned meeting, the corporation may transact any business which might have been transacted at the original meeting.

Section 2.6 Voting.

Except as otherwise provided in the Articles of Incorporation and subject to Section 6.1 of these Bylaws, each outstanding share, regardless of class, shall be entitled to one vote on each matter submitted to a vote of shareholders. Vote may be viva voce or by ballot; provided, however, that elections for directors must be by ballot upon demand made by a shareholder at the meeting and before the voting begins.

Every shareholder entitled to vote at any election for Directors may cumulate his, her or its votes and give one candidate a number of votes equal to the number of directors to be elected, multiplied by the number of votes to which his shares are entitled, or to distribute his, her or its votes on the same principle among as many candidates as he thinks fit, provided that no shareholder shall be entitled to cumulate votes unless such candidate or candidates names have been placed in nomination prior to the voting and the shareholder has given notice at the meeting, prior to the voting, of the shareholder's intention to cumulate the shareholder's votes. If any one shareholder has given such notice, all shareholders may cumulate their votes for candidates in nomination. The candidates receiving the highest number of votes of the shares entitled to be voted for them, up to the number of directors to be elected by such shares, shall be elected.

Any holder of shares entitled to vote on any matter may vote part of the shares in favor of the proposal and refrain from voting the remaining shares or vote them against the proposal, other than elections to office, but, if the shareholder fails to specify the number of shares such shareholder is voting affirmatively, it shall be conclusively presumed that the shareholder's approving vote is with respect to all shares said shareholder is entitled to vote.

Section 2.7 Quorum.

A majority of the shares entitled to vote, represented in person or by proxy, shall constitute a quorum at any meeting of shareholders. If a quorum is present, the affirmative vote of a majority of the shares represented at the meeting and entitled to vote on any matter shall be the act of the shareholders, unless otherwise required by the Articles of Incorporation or the California Corporations Code.

The shareholders present at a duly called or held meeting at which a quorum is present may continue to do business until adjournment, notwithstanding the withdrawal of enough shareholders to leave less than a quorum, if any action taken (other than adjournment) is approved by at least a majority of the shares required to constitute a quorum.

Section 2.8 Consent of Absentees.

The transactions of any meeting of shareholders, if not duly called and noticed, and wherever held, shall be as valid as though had at a meeting duly held after regular call and notice, if a quorum is present either in person or by proxy, and if, either before or after the meeting, each of the shareholders entitled to vote, not present in person or by proxy, signs a

written waiver of notice, or a consent to the holding of such meeting, or an approval of the minutes thereof. All such waivers, consents, or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Attendance of a person at a meeting shall constitute a waiver of notice of such meeting, except when a person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened; provided, that attendance at a meeting is not a waiver of any right to object to the consideration of matters required by law or these Bylaws to be included in the notice but not so included if such objection is expressly made at the meeting.

Section 2.9 Action Without Meeting.

Any action which may be taken at any meeting of shareholders may be taken without a meeting and without prior notice, if a consent in writing, setting forth the actions so taken, shall be signed by the holders of outstanding shares having not less than the minimum number of votes which would be necessary to authorize or take such action at a meeting at which all shares entitled to vote thereon were present and voted; provided, that except to fill a vacancy as provided in Section 3.6 of these Bylaws, Directors may not be elected by written consent except by unanimous written consent of all shares entitled to vote for the election of Directors.

Unless the consents of all shareholders entitled to vote have been solicited in writing, notice of the following actions approved by shareholders without a meeting by less than unanimous written consent shall be given to those shareholders entitled to vote who have not consented in writing at least ten (10) days before the consummation of the action authorized by such approval:

(a) approval of a contract or other transaction between the corporation and one or more of its Directors, or between the corporation and any corporation, firm or association in which one or more of its Directors has a material financial interest.

(b) approval of any indemnification to be made by the corporation of a person who was or is a party or is threatened to be made a party to any proceeding by reason of the fact that such person was or is an agent of the corporation.

(c) approval of the principal terms of a reorganization.

(d) approval of a plan of distribution of the shares, obligations or securities of any other corporation, or assets other than money, which is not in accordance with the liquidation rights of the preferred shares as specified in the Articles of Incorporation or a Certificate of Determination.

Unless the consents of all shareholders entitled to vote have been solicited in writing, prompt notice of the taking of any corporate action not listed above which is approved by shareholders without a meeting by less than unanimous written consent, shall be given to those shareholders entitled to vote who have not consented in writing.

Such notice shall be given as provided in Section 2.4 of these Bylaws.

Section 2.10 Proxies.

Every person entitled to vote shares may authorize another person or persons to act by proxy with respect to such shares. No proxy shall be valid after the expiration of eleven (11) months from the date thereof unless otherwise provided in the proxy.

ARTICLE III

DIRECTORS

Section 3.1 Powers.

Subject to the limitations stated in the Articles of Incorporation, these Bylaws, and the California Corporations Code as to actions which shall be approved by the shareholders or by the affirmative vote of a majority of the outstanding shares entitled to vote, and subject to the duties of Directors as prescribed by the California Corporations Code, all corporate powers shall be exercised by, or under the direction of, and the business and affairs of the corporation shall be managed by, the Board of Directors.

Section 3.2 Number of Directors.

The authorized number or minimum number of Directors of the corporation shall not be less than three (3) nor more than five (5), with the number initially set at three (3); provided, however, that so long as the corporation has no more than one shareholder, the number may be one, and so long as the corporation has no more than two shareholders, the number may be two. The exact number of Directors may be fixed within the limits specified in this Section 3.2 by an amendment to these Bylaws duly adopted by the shareholders or by resolution of the Board of Directors. The minimum or maximum number of Directors provided in this Section 3.2 may be changed or a definite number fixed without provision for an indefinite number, by an amendment to these Bylaws duly adopted by the affirmative vote of a majority of the outstanding shares entitled to vote.

Section 3.3 Election and Term of Office.

The Directors shall be elected at each annual meeting of shareholders, but if any such annual meeting is not held, or the Directors are not elected thereat, the Directors may be elected at any special meeting of the shareholders held for that purpose. All Directors shall hold office until the expiration of the term for which elected and until their respective successors are elected, except in the case of the death, resignation or removal of any Director. A Director need not be a shareholder.

Section 3.4 Resignation.

Any Director may resign effective upon giving written notice to the Chairman of the Board, the President, the Secretary or the Board of Directors of the corporation, unless the notice specifies a later time for the effectiveness of such resignation. If the resignation is effective at a future time, the Board of Directors may elect a successor to take office when the resignation becomes effective.

Section 3.5 Removal.

The entire Board of Directors or any individual Director may be removed from office, prior to the expiration of their or his term of office only in the manner and within the limitations provided by the California Corporations Code.

No reduction of the authorized number of Directors shall have the effect of removing any Director prior to the expiration of such Director's term of office.

Section 3.6 Vacancies.

A vacancy in the Board of Directors shall be deemed to exist (i) in case of the death, resignation or removal of any Director, (ii) if the Board of Directors by resolution declares vacant the office of a Director who has been declared of unsound mind by an order of court or convicted of a felony, (iii) if the authorized number of Directors is increased, or (iv) if the shareholders fail at any annual or special meeting of shareholders at which any Director or Directors are elected to elect the full authorized number of Directors to be voted for at that meeting.

Vacancies in the Board of Directors may be filled by a majority of the remaining Directors, or if the number of Directors then in office is less than a quorum by (i) unanimous written consent of the Directors then in office, (ii) the affirmative vote of a majority of the Directors then in office at a meeting held pursuant to notice or waivers of notice, or (iii) a sole remaining Director; however, a vacancy created by the removal of a Director by the vote or written consent of the shareholders or by court order may be filled only by the affirmative vote of a majority of the shares represented and voting at a duly held meeting at which a quorum is present (which shares voting affirmatively also constitute at least a majority or 66 2/3 percent of the required quorum), or by the unanimous written consent of all shares entitled to vote thereon. Each Director so elected shall hold office until the expiration of the term for which he was elected and until his successor is elected at an annual or a special meeting of the shareholders, or until his death, resignation or removal.

The shareholders may elect a Director or Directors at any time to fill any vacancy or vacancies not filled by the Directors. Any such election by written consent other than to fill a vacancy created by removal requires the consent of the holders of a majority of the outstanding shares entitled to vote.

Section 3.7 Organization Meeting.

Immediately after each annual meeting of shareholders, the Board of Directors shall hold a regular meeting for the purpose of organization, the election of officers and the transaction of other business. No notice of such meeting need be given.

Section 3.8 Other Regular Meetings.

The Board of Directors may provide by resolution the time and place for the holding of regular meetings of the Board; provided, however, that if the date so designated falls upon a legal

holiday, then the meeting shall be held at the same time and place on the next succeeding day which is not a legal holiday. No notice of such regular meetings of the Board need be given.

Section 3.9 Calling Meetings.

Meetings of the Board of Directors for any purpose or purposes shall be held whenever called by the Chairman of the Board, the President or the Secretary or any two Directors of the corporation.

Section 3.10 Place of Meetings.

Meetings of the Board of Directors shall be held at any place within or without the State of California which may be designated in the notice of the meeting, or, if not stated in the notice or if there is no notice, designated by resolution of the Board. In the absence of such designation, meetings of the Board of Directors shall be held at the principal executive office of the corporation.

Section 3.11 Meetings By Conference Telephone or Other Communications Equipment.

So long as permitted by statute, directors may participate in a regular or special meeting through any means of communication, including conference telephone or similar communications equipment (so long as all members participating in such meeting can hear one another), electronic screen communication or other communications equipment. Participation in a meeting pursuant to this Section 3.11 constitutes presence in person at that meeting if each participating director is provided the means to communicate with all of the other directors concurrently and (1) the meeting is held by conference telephone or video conferencing or other communication mode enabling participants to determine, through voice or image recognition, that a participant is or is not a director entitled to participate in the meeting or (2) another verification device (determined in the discretion of the chairman of the meeting) is used that each person participating in the meeting is in fact a director. Such verification method may include (at the discretion of the Chairman of the meeting) use of passwords or similar codes for gaining access to the meeting.

Section 3.12 Notice of Special Meetings.

Written notice of the time and place of special meetings of the Board of Directors shall be delivered personally to each Director, or sent to each Director by mail, telephone, including a voice messaging system or other system or technology designed to record and communicate messages, telegraph, facsimile, electronic mail or other electronic means. In case such notice is sent by mail, it shall be deposited in the United States mail at least four (4) days prior to the time of the holding of the meeting. In case such notice is delivered personally, or by telephone, including a voice messaging system or other system or technology designed to record and communicate messages, telegraph, facsimile, electronic mail or other electronic means, it shall be so delivered at least forty-eight (48) hours prior to the time of the holding of the meeting. Such notice may be given by the Secretary of the corporation or by the persons who called said meeting. Such notice need not specify the purpose of the meeting, and notice shall not be

necessary if appropriate waivers, consents and/or approvals are filed in accordance with Section 3.13 of these Bylaws.

Section 3.13 Waiver of Notice.

Notice of a meeting need not be given to any Director who signs a waiver of notice, whether before or after the meeting, or who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to such Director.

The transactions of any meeting of the Board of Directors, however called and noticed or wherever held, shall be as valid as though had at a meeting duly held after regular call and notice if a quorum is present and if, either before or after the meeting, each of the Directors not present signs a written waiver of notice, a consent to holding the meeting or an approval of the minutes thereof. All such waivers, consents and approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

Section 3.14 Action Without Meeting.

Any action required or permitted to be taken by the Board of Directors may be taken without a meeting, if all members of the Board shall individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as a unanimous vote of such Directors.

Section 3.15 Quorum.

A majority of the authorized number of Directors shall constitute a quorum for the transaction of business. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum is present shall be the act of the Board of Directors, unless the Articles of Incorporation or the California Corporations Code specifically requires a greater number. In the absence of a quorum at any meeting of the Board of Directors, a majority of the Directors present may adjourn the meeting as provided in Section 3.16 of these Bylaws. A meeting at which a quorum is initially present may continue to transact business, notwithstanding the withdrawal of enough Directors to leave less than a quorum, if any action taken is approved by at least a majority of the required quorum for such meeting.

Section 3.16 Adjournment.

Any meeting of the Board of Directors, whether or not a quorum is present, may be adjourned to another time and place by the vote of a majority of the Directors present. Notice of the time and place of the adjourned meeting need not be given to absent Directors if said time and place are fixed at the meeting adjourned.

Section 3.17 Inspection Rights.

Every Director shall have the absolute right at any time to inspect, copy and make extra copies of, in person or by agent or attorney, all books, records and documents of every kind and to inspect the physical properties of the corporation.

Section 3.18 Fees and Compensation.

Directors shall not receive any stated salary for their services as directors, but, by resolution of the Board, a fixed fee, with or without expenses of attendance, may be allowed for attendance at each meeting. Nothing herein contained shall be construed to preclude any Director from serving the corporation in any other capacity as an officer, agent, employee, or otherwise, and receiving compensation therefore.

ARTICLE IV

EXECUTIVE COMMITTEE AND OTHER COMMITTEES

Section 4.1 Executive Committee.

The Board of Directors may, by resolution adopted by a majority of the authorized number of Directors, appoint an executive committee, consisting of two or more Directors. The Board may designate one or more Directors as an alternate member of such committee, who may replace any absent member of any meeting of the committee. The executive committee, subject to any limitations imposed by the California Corporations Code, or by resolution adopted by the affirmative vote of a majority of the authorized number of Directors, or imposed by the Articles of Incorporation or by these Bylaws, shall have and may exercise all of the powers of the Board of Directors.

Section 4.2 Other Committees.

The Board of Directors may, by resolution adopted by a majority of the authorized number of Directors, designate such other committees, each consisting of two or more Directors, as it may from time to time deem advisable to perform such general or special duties as may from time to time be delegated to any such committee by the Board of Directors, subject to the limitations contained in the California Corporations Code, or imposed by the Articles of Incorporation or by these Bylaws. The Board may designate one or more Directors as alternate members of any committee, who may replace any absent member at any meeting of the committee.

Section 4.3 Minutes and Reports.

Each committee shall keep regular minutes of its proceedings, which shall be filed with the Secretary. All action by any committee shall be reported to the Board of Directors at the next meeting thereof, and, insofar as rights of third parties shall not be affected thereby, shall be subject to revision and alteration by the Board of Directors.

Section 4.4 Meetings.

Except as otherwise provided in these Bylaws or by resolution of the Board of Directors, each committee shall adopt its own rules governing the time and place of holding and the method of calling its meetings and the conduct of its proceedings and shall meet as provided by such rules, and it shall also meet at the call of any member of the committee. Unless otherwise provided by such rules or by resolution of the Board of Directors, committee meetings shall be

governed by Sections 3.11, 3.12 and 3.13 of these Bylaws. Any action required or permitted to be taken by the a committee may be taken without a meeting, if all members of the committee shall individually or collectively consent in writing to such action. Such written consent or consents shall be filed with the minutes of the proceedings of the Board. Such action by written consent shall have the same force and effect as a unanimous vote of such committee members.

Section 4.5 Term of Office of Committee Members.

The term of office of any committee member shall be as provided in the resolution of the Board of Directors designating him but shall not exceed his term as a Director. Any member of a committee may be removed at any time by resolution adopted by Directors holding a majority of the directorships, either present at a meeting of the Board or by written approval thereof.

ARTICLE V

Any officer may resign at any time by giving written notice to the corporation. Any such resignation shall take effect at the date of the receipt of such notice or at any later time specified

therein; and, unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

Section 5.5 Vacancies.

A vacancy in any office because of death, resignation, removal, disqualification or any other cause shall be filled in the manner described in these Bylaws for regular appointments to such office.

Section 5.6 Chairman of the Board.

The Chairman of the Board, if there shall be such an officer, shall, if present, preside at all meetings of the Board of Directors, and exercise and perform such other powers and duties as may be from time to time assigned to him by the Board of Directors or prescribed by these Bylaws.

Section 5.7 President.

Subject to such supervisory powers, if any, as may be given by the Board of Directors to the Chairman of the Board, if there be such an officer, the President shall be the general manager and chief executive officer of the corporation and shall, subject to the control of the Board of Directors, have general supervision, direction, and control of the business and officers of the corporation. He shall preside at all meetings of the shareholders. He shall have the general powers and duties of management usually vested in the office of president of a corporation, and shall have such other powers and duties as may be prescribed by the Board of Directors or by these Bylaws.

Section 5.8 Vice President.

In the absence or disability of the President, the Vice Presidents, if any, in order of their rank as fixed by the Board of Directors, or if not ranked, the Vice President designated by the Board of Directors, shall perform all the duties of the President, and when so acting shall have all the powers of, and be subject to, all the restrictions upon, the President. The Vice Presidents shall have such other powers and perform such other duties as from time to time may be prescribed for them respectively by the Board of Directors or these Bylaws.

Section 5.9 Secretary.

The Secretary shall keep, or cause to be kept, a book of minutes in written form of the proceedings of the Board of Directors, committees of the Board, and shareholders. Such minutes shall include all waivers of notice, consents to the holding of meetings, or approvals of the minutes of meetings executed pursuant to these Bylaws or the California Corporations Code. The Secretary shall keep, or cause to be kept at the principal executive office or at the office of the corporation's transfer agent or registrar, a record of its shareholders, giving the names and addresses of all shareholders and the number and class of shares held by each.

The Secretary shall give or cause to be given, notice of all meetings of the shareholders and of the Board of Directors required by these Bylaws or by law to be given, and shall keep the

He shall disburse all funds of the corporation as may be ordered by the Board of Directors, shall render to the President and Directors, whenever they request it, an account of all of his transactions as Treasurer and Chief Financial Officer and of the financial condition of the corporation, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or by these Bylaws.

ARTICLE VI

GENERAL MATTERS

Section 6.1 Record Date.

The Board of Directors may fix, in advance, a time in the future as the record date for the determination of shareholders entitled to notice of any meeting or to vote or entitled to receive payment of any dividend or other distribution or allotment of any rights or entitled to exercise any rights in respect of any other lawful action. Shareholders on the record date are entitled to notice and to vote or receive the dividend, distribution or allotment of rights or to exercise the rights, as the case may be, notwithstanding any transfer of any shares in the books of the corporation after the record date, except as otherwise provided by law. Said record date shall not be more than sixty (60) or less than ten (10) days prior to the date of such meeting, nor more than sixty (60) days prior to any other action.

A determination of shareholders of record entitled to notice of or to vote at a meeting of shareholders shall apply to any adjournment of the meeting unless the Board fixes a new record date for the adjourned meeting, but the Board shall fix a new record date if the meeting is adjourned for more than forty-five (45) days from the date set for the original meeting.

If no record date is fixed by the Board of Directors, the record date shall be fixed pursuant to the California Corporations Code.

Section 6.2 Inspection of Corporate Records.

The accounting books and records, and minutes of proceedings of the shareholders and the Board of Directors and committees of the Board shall be open to inspection upon written demand made upon the corporation by any shareholder or the holder of a voting trust certificate, at any reasonable time during usual business hours, for a purpose reasonably related to his interest as a shareholder, or as the holder of such voting trust certificate. The record of shareholders shall also be open to inspection by any shareholder or holder of a voting trust certificate at any time during usual business hours upon written demand on the corporation, for a purpose reasonably related to such holder's interest as a shareholder or holder of a voting trust certificate. Such inspection may be made in person or by an agent or attorney, and shall include the right to copy and to make extracts.

Section 6.3 Execution of Corporate Instruments.

The Board of Directors may, in its discretion, determine the method and designate the statutory officer or officers, or other person or persons, to execute any corporate instrument or document, or to sign the corporate name without limitation, except where otherwise provided by law, and such execution or signature shall be binding upon the corporation. Unless otherwise specifically determined by the Board of Directors, formal contracts of the corporation, promissory notes, mortgages, evidences of indebtedness, conveyances or other instruments in writing, and any assignment or endorsement thereof, executed or entered into between the corporation and any person, may be signed by any one of the Chairman of the Board, the President, any Vice President, the Secretary or the Treasurer of the corporation.

Section 6.4 Ratification by Shareholders.

The Board of Directors may, subject to applicable notice requirements, in its discretion, submit any contract or act for approval or ratification of the shareholders at any annual meeting of shareholders, or at any special meeting of shareholders called for that purpose; and any contract or act which shall be approved or ratified by the affirmative vote of a majority of the shares entitled to vote represented at a duly held meeting at which a quorum is present, or by the written consent of shareholders, shall be as valid and binding upon the corporation and upon the shareholders thereof as though approved or ratified by each and every shareholder of the corporation, unless a greater vote is required by law for such purpose.

Section 6.5 Annual Report.

For so long as the corporation has less than 100 holders of record of its shares, the mandatory requirement of an annual report is hereby expressly waived. The Board of Directors may, in its discretion, cause an annual report to be sent to the shareholders. Such reports shall contain at least a balance sheet as of the close of such fiscal year and an income statement and statement of changes in financial position for such fiscal year, and shall be accompanied by any report thereon of independent accountants, or if there is no such report, the certificate of an

authorized officer of the corporation that such statements were prepared without audit of the books and records of the corporation.

A shareholder or shareholders holding at least five percent (5%) of the outstanding shares of any class of the corporation may make a written request to the corporation for an income statement and/or a balance sheet of the corporation for the three-month, six-month or nine-month period of the current fiscal year ended more than thirty (30) days prior to the date of the request, and such statement shall be delivered or mailed to the person making the request within thirty (30) days thereafter. Such statements shall be accompanied by the report thereon, if any, of any independent accountants engaged by the corporation or the certificates of an authorized officer of the corporation that such financial statements were prepared without audit from the books and records of the corporation.

Section 6.6 Representation of Shares of Other Corporations.

The President and Vice President of this corporation are authorized to vote, represent and exercise on behalf of the corporation all rights incident to any and all shares of any other corporation or corporations standing in the name of this corporation. The authority herein granted to said officers to vote or represent on behalf of this corporation any and all shares held by this corporation and any other corporation or corporations may be exercised either by such officers in person or by any person authorized so to do by proxy or power of attorney and duly executed by said officers.

Section 6.7 Inspection of Bylaws.

The corporation shall keep in its principal executive office in this State the original or a copy of the Bylaws as amended or otherwise altered to date, which shall be open to inspection by the shareholders at all reasonable times during office hours.

ARTICLE VII

SHARES OF STOCK

Section 7.1 Form of Certificates.

Certificates for shares of stock of the corporation shall be in such form and design as the Board of Directors shall determine and shall be signed in the name of the corporation by the Chairman of the Board, or the President or Vice President and by the Treasurer or an Assistant Treasurer or the Secretary or any Assistant Secretary. Each certificate shall state the certificate number, the date of issuance, the number, class or series and the name of the record holder of the shares represented thereby, the name of the corporation, and, if the shares of the corporation are classified or if any class of shares has two or more series, there shall appear the statement required by the California Corporations Code.

Section 7.2 Transfer of Shares.

Shares of stock may be transferred in any manner permitted or provided by law. Before any transfer of stock is entered upon the books of the corporation, or any new certificate issued

therefor, the older certificate, properly endorsed, shall be surrendered and canceled, except when a certificate has been lost, stolen or destroyed.

Section 7.3 Lost Certificates.

The Board of Directors may order a new certificate for shares of stock to be issued in the place of any certificate alleged to have been lost, stolen or destroyed, but in every such case, the owner or the legal representative of the owner of the lost, stolen or destroyed certificates may be required to give the corporation a bond (or other adequate security) in such form and amount as the Board may deem sufficient to indemnify it against any claim that may be made against the corporation (including any expense or liability) on account of the alleged loss, theft or destruction of any such certificate or issuance of such new certificate.

ARTICLE VIII

INDEMNIFICATION

Section 8.1 Indemnification by Corporation.

Each person who was or is made a party or is threatened to be made a party to or is involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative ("Proceeding"), by reason of the fact that he or she, or a person of whom he or she is the legal representative, is or was a director or officer of the corporation or is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation or of a partnership, joint venture, trust or other enterprise, including service with respect to employee benefit plans, or was a director, officer, employee or agent of a corporation which was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation, whether the basis of such Proceeding is alleged action in an official capacity as a director, officer, employee or agent or in any other capacity while serving as a director, officer, employee or agent, shall be indemnified and held harmless by the corporation to the fullest extent authorized by the California General Corporation Law, against all expenses, liability and loss (including attorneys' fees, judgments, fines, ERISA excise taxes or penalties and amounts paid or to be paid in settlement) reasonably incurred or suffered by such person in connection therewith and such indemnification shall continue as to a person who has ceased to be a director, officer, employee or agent and shall inure to the benefit of his or her heirs, executors and administrators; provided, however, that, except as provided in this Article VIII of these bylaws, the corporation shall indemnify any such person seeking indemnity in connection with a Proceeding (or part thereof) initiated by such person only if such Proceeding (or part thereof) was authorized by the board of directors of the corporation. The right to indemnification conferred by this Section shall include the right to be paid by the corporation expenses incurred in defending any such Proceeding in advance of its final disposition to the fullest extent authorized by the California General Corporation Law; provided, however, that, if required by the California General Corporation Law, the payment of such expenses incurred by such person in advance of the final disposition of such Proceeding shall be made only upon delivery to the corporation of an undertaking, by or on behalf of such person, to repay all amounts so advanced if it should be determined ultimately that such person is not entitled to be indemnified under this Section or otherwise.

Section 8.2 Right of Claimant to Bring Suit.

If a claim under Section 8.1 of this Article VIII is not paid in full by the corporation within ninety (90) days after a written claim has been received by the corporation, the claimant may at any time thereafter bring suit against the corporation to recover the unpaid amount of the claim and, if successful in whole or in part, the claimant shall be entitled to be paid also the expense of prosecuting such claim. It shall be a defense to any such action (other than an action brought to enforce a claim for expenses incurred in defending any Proceeding in advance of its final disposition where the required undertaking, if any, has been tendered to the corporation) that the claimant has not met the standards of conduct which make it permissible under the California General Corporation Law for the corporation to indemnify the claimant for the amount claimed. Neither the failure of the corporation (including its board of directors, independent legal counsel, or its shareholders) to have made a determination prior to the commencement of such action that indemnification of the claimant is proper in the circumstances because he or she has met the applicable standard of conduct set forth in the California General Corporation Law, nor an actual determination by the corporation (including its board of directors, independent legal counsel, or its shareholders) that the claimant has not met such applicable standard of conduct, shall be a defense to the action or create a presumption that claimant has not met the applicable standard of conduct.

Section 8.3 Indemnification of Employees and Agents of the Corporation.

The corporation may, to the extent authorized from time to time by the Board of Directors, grant rights to indemnification, and to the advancement of expenses to any employee or agent of the corporation to the fullest extent of the provisions of this Article with respect to the indemnification of and advancement of expenses to directors and officers of the corporation.

Section 8.4 Rights Not Exclusive.

The rights conferred on any person by this Article VIII above shall not be exclusive of any other right which such person may have or hereafter acquire under any statute, provision of the Articles of Incorporation, Bylaw, agreement, vote of shareholders or disinterested directors or otherwise.

Section 8.5 Indemnity Agreements.

The Board of Directors is authorized to enter into a contract with any director, officer, employee or agent of the corporation, or any person who is or was serving at the request of the corporation as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, including employee benefit plans, or any person who was a director, officer, employee or agent of a corporation which was a predecessor corporation of the corporation or of another enterprise at the request of such predecessor corporation, providing for indemnification rights equivalent to or, if the Board of Directors so determines, greater than, those provided for in this Article VIII.

Section 8.6 Insurance.

The corporation may purchase and maintain insurance, at its expense, to protect itself and any director, officer, employee or agent of the corporation or another corporation (including a predecessor corporation), partnership, joint venture, trust or other enterprise against any such expense, liability or loss, whether or not the corporation would have the power to indemnify such person against such expense, liability or loss under the California Corporations Code.

Section 8.7 Amendment, Repeal or Modification.

Any amendment, repeal or modification of any provision of this Article VIII by the shareholders or the Directors of the corporation shall not adversely affect any right or protection of a Director or officer of the corporation existing at the time of such amendment, repeal or modification.

ARTICLE IX

AMENDMENTS

Section 9.1 Power of Shareholders.

New Bylaws may be adopted or these Bylaws may be amended or repealed by the affirmative vote of a majority of the outstanding shares entitled to vote or by the written consent thereof, except as otherwise provided by law or by the Articles of Incorporation.

Section 9.2 Power of Directors.

Subject to the right of shareholders as provided in Section 9.1 of these Bylaws, Bylaws other than a Bylaw or amendment thereof specifying or changing a fixed number of Directors, or the minimum or maximum number of a variable Board of Directors, or changing from a fixed to a variable Board of Directors or vice versa, may be adopted, amended or repealed by the approval of the Board of Directors.

**LIMITED LIABILITY COMPANY OPERATING AGREEMENT
OF
CALIFORNIA URBAN HOMES, LLC
A CALIFORNIA LIMITED LIABILITY COMPANY**

This Limited Liability Company Operating Agreement (the "Agreement") of California Urban Homes, LLC (the "Company") is made and entered into effective as of March 21, 2005 by Meritage Homes of California, Inc., a California corporation (the "Member"), as the sole member.

1. **Formation and Term.** The formation of the Company is hereby completed in accordance with the Beverly-Killea Limited Liability Company Act, as amended from time to time (the "Act"), due to the filing of the Company's Articles of Organization in the office of the Secretary of State of the State of California and the adoption of this Agreement. The rights and obligations of the Member and the terms and conditions of the Company shall be governed by the Act and this Agreement. To the extent the provisions of the Act and this Agreement are inconsistent with respect to any subject matter covered in this Agreement, this Agreement shall govern, but only to the extent permitted by law. The term of the Company shall continue until it is dissolved, its affairs are wound up and final liquidating distributions are made pursuant to this Agreement. Except as otherwise provided herein, the Company shall have perpetual existence.

2. **Name.** The name of the Company shall be California Urban Homes, LLC. The business of the Company may be conducted under that name, or upon compliance with applicable laws, any other name that the Managers deem appropriate or advisable.

3. **Purpose.** The purpose of the Company is to engage in the following activities:

(A) to acquire that certain parcel of real property commonly known as 1511 Jefferson Street in Oakland, California, together with all improvements now and hereafter located thereon and related rights and other property appurtenant thereto (collectively the "Project");

(B) to proceed with the acquisition, entitlement, development and financing of the Project, including the right to utilize proceeds from the issuance of bonds to finance improvements to the Project and to encumber the Project to enable the Company to obtain such financing;

(C) to construct improvements on the Project, including individual residential dwelling units, and to sell the Project or portions thereof or individual residential dwelling units thereon;

(D) to acquire, own, hold, sell, assign, operate, lease, mortgage, pledge, sell, transfer and otherwise deal with the Project, related insurance policies and any proceeds or further rights associated with any of the foregoing;

(E) to perform its obligations under its contractual commitments and such other obligations as may be incidental to any of the foregoing activities;

(F) to enter into agreements and other documents and instruments providing for or relating to the activities specified in clauses A through E above, and to perform its obligations under such agreements and instruments; and

(G) to exercise all powers enumerated in the Act necessary or convenient to the conduct, promotion or attainment of the business or purposes otherwise set forth herein.

4. **Registered Office; Registered Agent.** The Company's registered office shall be at 1800 Sutter Street, Suite 500, Concord, California 94520, and the name of its initial registered agent at such address shall be Lisa Maxwell. The Company's registered agent or registered office may be changed as provided in the Act.

5. **Tax Classification; Requirement of Separate Books and Records and Segregation of Assets and Liabilities.** The Member acknowledges that because the Company will have a single Member, pursuant to Treasury Regulations Section 301.7701-3, the Company shall be disregarded as an entity separate from its owner for federal income tax purposes until the effective date of any election it may make to change its classification for federal income tax purposes to that of a corporation by filing IRS Form 8832, Entity Classification Election or until the Company has more than one Member, in which case it would be treated as a partnership for federal income tax purposes (provided that the Company has not elected on Form 8832 to be treated as a corporation). In all events, however, the Company shall keep books and records separate from those of its sole Member and shall at all times segregate and account for all of its assets and liabilities separately from those of its sole Member.

6. **Title to Assets; Transactions.** The Company shall keep title to all of its assets in its own name and not in the name of its Member. The Company shall enter into and engage in all transactions in its own name and not in the name of its Member.

7. **Name and Address of Member.** The name and the business address of the sole Member is as follows: Meritage Homes of California, Inc., a California corporation, 1800 Sutter Street, Suite 500, Concord, California 94520.
