PROXY STATEMENT

This Proxy Statement is furnished to you in connection with the solicitation of proxies by the Board of Directors of Meritage Corporation to be used in voting at our Annual Meeting of Stockholders on May 21, 2003. The meeting will be held at 9:00 a.m. at the DoubleTree Paradise Valley Resort, 5401 North Scottsdale Road, Scottsdale, Arizona 85250. The proxy materials relating to the annual meeting, together with our annual report (which includes audited consolidated financial statements for our fiscal year ended December 31, 2002), were mailed on or about April 21, 2003 to stockholders of record at the close of business on April 10, 2003 (the "record date").

You are entitled to revoke your proxy at any time before it is exercised by attending the annual meeting and voting in person, duly executing and delivering a proxy bearing a later date or sending written notice of revocation to our Secretary at the above address. Whether or not you plan to be present at the annual meeting, we encourage you to sign and return the enclosed proxy card or to use telephone or internet voting. Refer to your proxy card for instructions about voting by telephone, internet and mail.

THE MERITAGE BOARD OF DIRECTORS IS SOLICITING PROXIES. We will bear the entire cost of proxy solicitation, including charges and expenses of brokerage firms and others for forwarding solicitation material to beneficial owners of our outstanding common stock. We may solicit proxies through the mail, by personal interview or telephone.

The following information should be reviewed along with the audited consolidated financial statements, notes to consolidated financial statements, report of independent auditors and other information included in our 2002 Annual Report that was mailed to you along with this Proxy Statement.

VOTING SECURITIES OUTSTANDING

As of the record date, there were 12,938,634 shares of Meritage common stock outstanding. The common stock is our only outstanding class of voting securities. Each share is entitled to one vote on each proposal to be voted on at the annual meeting. Only holders of record of common stock at the close of business on the record date will be permitted to vote at the meeting, either in person or by valid proxy. Shares represented by a proxy will be voted in the manner directed by a stockholder. If no direction is made, proxies will be voted (i) for the nominees for election of directors set forth in Proposal No. 1 - Election of Directors and (ii) at the discretion of the proxy holders, on all other matters properly brought before the annual meeting.

VOTE NECESSARY FOR ACTION

Directors will be elected by a plurality of the votes cast at the Annual Meeting. This means that the four nominees that receive the largest number of FOR votes cast will be elected as Class II Directors. Most other actions require

an affirmative vote of the majority of shares present at the meeting. If you mark "withhold authority" on your proxy with respect to the election of a nominee, your vote will not count either "for" or "against" the nominee. Abstentions and broker non-votes have the effect of a no vote on matters other than director elections. A broker non-vote occurs when a nominee does not have discretionary voting power with respect to that item and has not received instructions from the beneficial owner.

3
ELECTION OF DIRECTORS
(PROPOSAL NO. 1)

Our Board of Directors has seven members. The directors are divided into two classes serving staggered two-year terms. This year our Class II Directors are up for election. The Board has nominated John R. Landon, Robert G. Sarver, Peter L. Ax and C. Timothy White who are currently serving as Class II Directors for re-election.

All nominees have consented to serve as directors. The Board of Directors has no reason to believe that any of the nominees will be unable to act as a director. However, if a nominee becomes unable to serve or if a vacancy should occur before election, the Board may either reduce its size or designate a substitute nominee. If a substitute nominee is named, the Board will vote the proxies held by it for the election of the substitute nominee. In the vote on the election of four director nominees, stockholders may:

- * vote FOR all nominees;
- * vote to WITHHOLD votes for all nominees; or
- * WITHHOLD votes as to specific nominees.

Unless you tell us by your proxy to vote differently, we will vote your properly completed proxy FOR the Board's nominees.

THE BOARD OF DIRECTORS RECOMMENDS
A VOTE "FOR" THE ELECTION OF THE ABOVE-NAMED NOMINEES
FOR ELECTION AS DIRECTORS

MEETINGS OF THE BOARD OF DIRECTORS AND ITS COMMITTEES

THE BOARD OF DIRECTORS met ten times in fiscal 2002. Each director attended all of the Board and committee meetings of which he is a member.

THE EXECUTIVE COMPENSATION COMMITTEE reviews executive compensation arrangements. In addition, the Committee reviews corporate goals and objectives relevant to the Co-CEOs' compensation and approves compensation levels based on this evaluation. The Committee also administers Meritage's Executive Management Incentive Plan.

THE AUDIT COMMITTEE recommends appointment of our independent auditors, reviews our financial statements and considers other matters in relation to the external audit of financial affairs to promote accurate and timely reporting. The Audit Committee members are independent as described by Sections 303.01(B)(2)(a) and (3) of the New York Stock Exchange listing standards.

THE NOMINATING/GOVERNANCE COMMITTEE recommends nominees for election as directors and recommends matters of corporate governance to the Board of

Directors, including plans relating to management succession.

The following summarizes the membership of the above Committees, and the number of times each met during 2002.

CORPORATE GOVERNANCE

Meritage operates within a comprehensive plan of corporate governance for the purpose of defining responsibilities and setting high standards for ethical conduct. We regularly monitor developments in the area of corporate governance. In July 2002, Congress passed the Sarbanes-Oxley Act of 2002 which establishes or provides the basis for a number of new corporate governance standards and disclosure requirements. In addition, the New York Stock Exchange ("NYSE") recently proposed changes to its corporate governance and listing standards. Many of the requirements of the Sarbanes-Oxley Act of 2002 and related SEC rulemaking initiatives had not yet become effective or applicable as of the date of this proxy statement and the NYSE's proposed rules have not yet been adopted. Nevertheless, we have been reviewing our corporate governance policies and practices and have initiated actions consistent with certain of the proposed rules. We will adopt changes, as appropriate, to comply with the Sarbanes-Oxley Act of 2002 and rule changes by the SEC and the NYSE.

INDEPENDENT DIRECTORS

The Board of Directors has determined that a majority of Meritage's Board members are independent, based on both the NYSE's current and proposed standards for independence. Our independent directors are Robert G. Sarver, Raymond Oppel, Peter L. Ax and William G. Campbell. In making this determination, the Board of Directors evaluated whether there exists any material relationships between these individuals and Meritage. The Board of Directors determined that there does not exist any material relationships between the Company and Peter L. Ax and William G. Campbell. The Board identified and evaluated certain relationships that exist between the Company and Robert G. Sarver and Raymond Oppel, but determined these relationships are not material and do not affect Messrs. Sarver's nor Oppel's independence.

* In the case of Mr. Sarver, he indirectly owns a 5% beneficial interest, through a partnership, in real property subject to a purchase contract with Meritage. Mr. Sarver's beneficial interest in this property is estimated to be approximately \$230,000. Mr. Sarver also owns approximately 4.7% of the Company's outstanding common stock and he owns less than 1% of the outstanding common stock of Zions Bankcorporation, which is the parent company of California Bank & Trust. California Bank & Trust is one of the lenders for our senior unsecured credit facility. In addition, from time to time, we charter an aircraft from a company owned by Mr. Sarver. The Board of Directors determined that these items are not material and do not affect Mr. Sarver's independence because these transactions and holdings are not significant to Mr. Sarver's net worth or financial position. Also, the Board of Directors considers Mr. Sarver's ownership of Meritage common stock beneficial because it aligns his interests with the interests of stockholders.

8

* In the case of Mr. Oppel, he owns minority limited partnership investments in four entities that are party to four option contracts, respectively, that sell housing lots to Meritage. In addition, Mr. Oppel owns a minority limited partnership interest in an entity that in 2001 entered into a contract with Hammonds Homes for the sale of housing lots. By virtue of our acquisition of Hammonds Homes in 2002, Meritage became a party to this contract. In 2001, Mr. Oppel discontinued making investments in transactions involving Meritage. The Board of Directors determined that these transactions are not material and do not affect Mr. Oppel's independence because the transactions are not significant to Mr. Oppel's net worth or financial position.

AUDIT COMMITTEE

All members of the Audit Committee meet the NYSE's current and proposed

standard for independence. All members possess the required level of financial literacy and at least one member of the Committee meets the current standard of requisite financial management expertise required by the NYSE. The SEC recently adopted a rule requiring disclosure concerning the presence of at least one "audit committee financial expert" on audit committees. The Board of Directors has made a preliminary determination that at least one of the audit committee members would qualify as an "audit committee financial expert." The Audit Committee operates pursuant to a charter, a copy of which is attached as Exhibit A to this proxy.

EXECUTIVE COMPENSATION COMMITTEE

All Executive Compensation Committee members meet both the NYSE's current and proposed standards for independence. The functions of this Committee include administering executive compensation for the Company's Co-CEO's and other executive officers, and administering management incentive compensation plans. The Executive Compensation Committee operates under a formal charter that governs its duties and standards of performance. A copy of the charter for the Executive Compensation Committee is attached as Exhibit B to this proxy.

NOMINATING/GOVERNANCE COMMITTEE

The Company has established a Nominating/Governance Committee. All members of this committee meet the NYSE's current and proposed standards for independence. The functions of the Nominating/Governance Committee include recommending to the Board of Directors nominees for election as directors of the Company and making recommendations to the Board of Directors as to matters of corporate governance. The Nominating/Governance Committee operates under a formal charter that governs its duties and standards of performance. A copy of the charter for the Nominating/Governance Committee is attached as Exhibit C to this proxy.

CORPORATE GOVERNANCE PRINCIPLES AND PRACTICES

The Company has developed a set of Corporate Governance guidelines, including specifications for director qualifications and responsibility. These guidelines dictate that non-management directors will meet in executive session at least quarterly outside the presence of directors that are employees or officers of Meritage. The non-management directors met in executive session several times during 2002 and early 2003. Peter L. Ax has been appointed the "lead independent director" and presides over meetings of the non-management directors. A copy of our Corporate Governance Principles and Practices is attached as Exhibit D to this proxy.

CODE OF ETHICS

Meritage Corporation is committed to conducting business consistent with the highest ethical and legal standards. The Board of Directors has adopted a Code of Ethics which is applicable to all employees, including our Co-CEO's and our Chief Financial Officer. The code is attached as Exhibit 14 to our Annual Report on Form 10-K.

DIRECTOR COMPENSATION

Non-employee directors received an annual retainer of \$27,000 in 2002, plus expenses related to attending Board and Committee meetings. Beginning in 2003, our Lead Independent Director will receive \$55,000 in addition to his annual retainer. Mr. Campbell received \$18,000 for his services during the portion of 2002 that he was a Meritage director. William Cleverly, who resigned as a director in 2002, received \$13,500 during the portion of 2002 that he was a Meritage director. Non-employee directors receive no additional cash compensation for attending Board or Committee meetings. In 2002, each non-employee director was granted options to acquire 2,500 shares of our common stock as additional consideration for their services. All non-employee director stock options vest in equal share increments on each of the first two anniversary dates of the date of grant and have an exercise price equal to the closing price of our common stock on the grant date.

EXECUTIVE COMPENSATION

The following table summarizes the compensation we paid in 2002, 2001 and 2000 to our co-chief executive officers and other most highly compensated executive officers who were paid in excess of \$100,000 in 2002.

OPTION GRANTS IN 2002

The following table lists stock options granted in 2002 to the officers named in the Summary Compensation Table above. The amounts shown as potential realizable values rely on arbitrarily assumed share price appreciation rates prescribed by the SEC over the five or seven-year term of the options. In assessing these values, please note that the ultimate value of the options depends on actual future share values and do not necessarily reflect management's assessment of our future stock price performance and are not intended to indicate our assessment of the value of the options.

AGGREGATED OPTION EXERCISES IN 2002
 AND 2002 YEAR-END OPTION VALUES

The following table lists the number of shares acquired and the value realized as a result of options exercised during 2002 for the listed officers. The table contains values for "in the money" options, which are those with a positive spread between the exercise price and the December 31, 2002 share price of \$33.65. The values are the difference between the year-end price per share and the exercise price per share, multiplied by the number of applicable shares in the money. These values may never be realized. The options may never be exercised, and the value, if any, will depend on the share price on the exercise date.

REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE
 ON EXECUTIVE COMPENSATION

THE FOLLOWING REPORT OF THE EXECUTIVE COMPENSATION COMMITTEE DOES NOT CONSTITUTE SOLICITING MATERIAL AND SHOULD NOT BE DEEMED FILED OR INCORPORATED BY REFERENCE INTO ANY COMPANY FILING UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, EXCEPT TO THE EXTENT THE COMPANY SPECIFICALLY INCORPORATES THIS REPORT.

It is the duty of the Executive Compensation Committee to review and determine the salaries and bonuses of the Co-CEO's, and to establish the general compensation policies for executive officers. The Committee believes that the compensation programs for each Co-CEO and the Company's other executive officers should reflect Meritage's performance and the value created for Meritage stockholders, and that compensation programs should support the goals and values of the Company. In addition, the Executive Compensation Committee administers Meritage's Executive Management Incentive Plan.

GENERAL COMPENSATION POLICY AND PHILOSOPHY. The Company's philosophy is to provide its executive officers with compensation that is based on their individual performance and the financial performance of Meritage. Compensation is generally comprised of:

- * a base salary;
- * performance bonuses designed to reward performance based on financial results; and
- * stock-based incentives designed to tie the executive's overall compensation to the interests of Meritage's stockholders by providing rewards to executives if stockholders benefit from stock price appreciation.

The Executive Compensation Committee attempts to set executive compensation at levels that are competitive within the industry. The Company's philosophy is to set salaries at the industry medium and provide for the opportunity to earn bonuses at the 75th percentile if the financial hurdles set by the Board of Directors are met. Each year we review executive compensation against publicly available information for other homebuilders. Periodically, we engage outside consultants to evaluate our compensation programs.

In 2001, the Board of Directors and stockholders approved the Meritage Corporation Incentive Plan (the "Annual Incentive Plan"). The Annual Incentive Plan provides for annual incentive awards to certain of our key executives. In determining awards to be made under the Annual Incentive Plan, the Executive Compensation Committee may approve a formula that is based on one or more objective criteria, including performance criteria and performance goals. Performance criteria must include one or more of the following: pre- or after-tax earnings, revenue growth, operating income, operating cash flow, return on net assets, return on stockholders' equity, return on assets, return on capital, share price growth, stockholder returns, gross or net profit margin,

earnings per share, price per share and market share, any of which may be measured either in absolute terms or as compared to any incremental increase, or

12

as compared to results of a peer group. It is our intent that awards made pursuant to the Annual Incentive Plan constitutes "qualified performance-based compensation" satisfying the requirement of Section 162(m) of the Internal Revenue Code (the "Code").

COMPLIANCE WITH INTERNAL REVENUE CODE SECTION 162(M). Section 162(m) of the Code limits the deductibility of executive compensation paid by publicly held corporations to \$1 million for each executive officer named in this proxy statement. The \$1 million limitation generally does not apply to compensation that is pursuant to a performance-based plan approved by stockholders. Our policy is to comply with the requirements of Section 162(m) and maintain deductibility for all executive compensation, except in circumstances where the Executive Compensation Committee concludes on an informed basis that it is in the best interest of Meritage and our stockholders to take actions with regard to the payment of executive compensation which do not qualify for tax deductibility.

CEO COMPENSATION. Meritage's two co-chief executive officers, John R. Landon and Steven J. Hilton, were compensated during 2001 pursuant to employment agreements they have with the Company. Mr. Landon's and Mr. Hilton's employment agreements provided for a base salary, stock options and bonuses based on company performance. Both agreements provided for an annual salary and annual performance bonus based on a percentage of consolidated net income, as determined by the Board of Directors. These Agreements expired in 2001.

During 2002, the Executive Compensation Committee continued to compensate Messrs. Landon and Hilton under the parameters of their employment agreements after such agreements expired. A substantial portion of each Co-CEO's compensation is in the form of a bonus program, which is tied to an annual budget. The Executive Compensation Committee believes that tying compensation to financial performance aligns the interests of executives with those of our stockholders. The performance bonus criteria for each Mr. Landon and Mr. Hilton was based on consolidated pre-tax net income and in meeting certain return on asset and equity levels. Based on the 2002 financial results and return on asset and equity goals, Messrs. Landon and Hilton each exceeded the minimum thresholds to qualify for a performance bonus. As a result, the Executive Compensation Committee approved the following compensation for Messrs. Landon and Hilton:

- * an annualized salary of \$425,000;
- * a performance bonus of \$1,935,043; and
- * a grant of 40,000 stock options vesting over five years.

The Co-CEO's also participate in various other benefit plans generally available to all Meritage employees, including medical 401(k) and life insurance plans.

During 2002, the Executive Compensation Committee commissioned a global consulting firm to conduct a study of the Company's executive compensation. As a result of this study, a new employment agreement with Steven J. Hilton, Meritage's Co-CEO, was approved. This employment agreement is described in the following section.

EMPLOYMENT AGREEMENTS

The Executive Compensation Committee recently approved a new employment agreement with Steven J. Hilton, the Company's Co-CEO.

GENERAL PROVISIONS. The new employment agreement was entered into in 2003, and expires in July 2005. The agreement provides for an annual base salary of \$500,000 and an annual performance bonus, which is comprised of two components, the "budget based" component and the "return on assets/equity" component.

BUDGET BASED COMPONENT. The budget based component is based on the achievement of certain budget targets as determined by the Executive Compensation Committee. The bonus that Mr. Hilton can potentially earn is based on a percentage of pre-tax net income. The percentage of pre-tax net income that he will receive ranges from zero, when he does not achieve at least 90% of the budget target, to 1.2%, when he achieves 100% or more of the budget target.

RETURN ON ASSETS/EQUITY COMPONENT. The return on assets/equity component provides Mr. Hilton with the opportunity to earn a bonus if Meritage's 2003 return on assets and return on equity meets or exceeds the top one-third of a group of 11 peer homebuilder companies. If Meritage's return on assets and equity meets or exceeds the top one-third of this peer group, Mr. Hilton is entitled to receive an additional bonus of 0.45% of pre-tax net income.

OTHER BENEFITS. The agreement also entitle Mr. Hilton to participate in fringe and other benefits as are regularly provided by Meritage to its senior management, such as health and long-term disability insurance and paid vacation. In addition, the agreement provides Mr. Hilton with:

- * payments, including a tax gross up, to purchase life insurance in a coverage amount equal to \$5 million;
- * payments, including a tax gross up, to purchase disability insurance providing coverage benefits of approximately \$20,000 per month;
- * a supplemental savings plan enabling deferred compensation in excess of current 401(k) limitations; and
- * supplemental retirement benefits to provide him with payments equal to 60% of his final five years base salary beginning at age 65 and continuing through his death.

NON-COMPETE AND SEVERANCE PROVISIONS. The new employment agreement contains non-compete provisions restricting Mr. Hilton from engaging in the homebuilding and home sales business (subject to certain defined exceptions), hiring Meritage's employees, and soliciting its customers and suppliers for a competing business or otherwise attempting to induce any customer or supplier to discontinue or materially modify its relationship with Meritage. The applicability and length of the non-compete provision is interrelated with the Company's severance obligations under the employment agreement, which contains the following provisions:

1. If the Company discharges Mr. Hilton for cause, no severance payment is required and the non-compete provisions are applicable for two years.
2. If the Company discharges Mr. Hilton without cause or he resigns for good reason, the Company will be obligated to pay:
 - * his base salary for two years;
 - * two times his annual performance bonus based on the average bonus for the preceding two years; and
 - * COBRA premiums for two years or the period required by law, whichever is shorter.

14

The Company's severance obligations listed in this item 2 are contingent upon Mr. Hilton agreeing to a two year non-compete period. In addition, all stock options granted to Mr. Hilton during the term of the agreement would accelerate and become vested and he would have one year to exercise those options. Mr. Hilton also has stock options that were granted prior to July 1, 2002 that include certain acceleration provisions. If the Company discharges Mr. Hilton without cause, or he resigns for good reason, he may exercise any stock options granted prior to the new employment agreement to the extent already vested or to the extent they vest within three months of termination.

3. If Mr. Hilton voluntarily resigns his employment (other than for good reason), at its election, the Company will make severance payments, and Mr. Hilton will be subject to a non-compete as follows:
 - * If the Company elects a two year non-compete period, it will pay Mr. Hilton (i) his base salary for two years, (ii) two times his annual performance bonus based on the average bonus for the preceding two years, and (iii) COBRA premiums for two years or the period required by law, whichever is shorter.
 - * If the Company elects a one year non-compete period, it will pay Mr. Hilton (i) his base salary for one year, (ii) one times his annual performance bonus based on the average bonus for the preceding two years, and (iii) COBRA premiums for two years or the period required by law, whichever is shorter.

The Company also has an employment agreement with Larry W. Seay, the chief financial officer, which provides for an initial term through December 31, 2003. Mr. Seay's agreement is designed to provide for a base salary and an annual bonus based on the achievement of specific performance objectives. Compensation is subject to continuing employment and standard employment policies. If Mr. Seay is terminated without cause or he terminates his employment due to a demotion in position, he will be entitled to receive:

- * an amount equal to 75% of his base salary;
- * 75% of his average bonus for the previous three fiscal years; and
- * acceleration of vesting of his stock options as if he held them through the end of the following fiscal year.

CHANGE OF CONTROL ARRANGEMENTS

We have senior executive severance agreements with Messrs. Hilton, Landon, Seay and Morgan. Under these severance agreements, the executive officer is entitled to a severance payment if his employment is terminated by us without cause within two years following a change of control event (or, in the case of

Messrs. Hilton, 90 days prior thereto). In addition, the executive officer is entitled to the severance payment if he terminates his employment for good reason within two years following a change in control event. The severance payment equals the sum of:

15

- * for Mr. Hilton, three times his base salary (as defined) for Mr. Landon, two times his base salary (as defined), and for Messrs. Seay and Morgan, one times their base salary (as defined);
- * for Mr. Hilton, three times his annual incentive compensation (as defined), for Mr. Landon, two times his annual incentive compensation (as defined), and for Messrs. Seay and Morgan, one times their annual incentive compensation (as defined); and
- * immediate vesting of all their stock options.

REPORT OF THE AUDIT COMMITTEE

THE FOLLOWING REPORT OF THE AUDIT COMMITTEE DOES NOT CONSTITUTE SOLICITING MATERIAL AND SHOULD NOT BE DEEMED FILED OR INCORPORATED BY REFERENCE INTO ANY COMPANY FILING UNDER THE SECURITIES ACT OF 1933 OR THE SECURITIES EXCHANGE ACT OF 1934, EXCEPT TO THE EXTENT MERITAGE SPECIFICALLY INCORPORATES THIS REPORT.

It is the duty of the Audit Committee to provide independent, objective oversight of Meritage's accounting functions and internal controls. The Audit Committee is composed of independent directors and acts under a written charter that sets forth the audit related functions the committee is to perform. The Board of Directors has adopted a written charter for the Audit Committee. The audit functions of the Audit Committee are to:

- * serve as an independent and objective party to monitor Meritage's financial reporting process and internal controls;
- * review and appraise the audit efforts of Meritage's independent accountants; and
- * provide an open avenue of communication among the independent accountants, financial and senior management, and the Board of Directors.

The Audit Committee meets with management periodically to consider the adequacy of Meritage's internal controls and the objectivity of its financial reporting. We discuss these matters with our independent auditors and with appropriate company financial personnel. We regularly meet privately with the independent auditors, who have unrestricted access to the Committee. We also recommend to the Board the appointment of the independent auditors and review periodically their performance and independence from management. We have considered the provision of additional services by our independent auditors and believe that the provision of such additional services does not adversely impact their independence.

Although the Committee reviews Meritage's financing plans and reports recommendations to the full Board for approval, management has primary responsibility for our financial statements and the overall reporting process, including the Company's internal controls. The independent auditors audit the annual consolidated financial statements prepared by management, express an opinion as to whether those consolidated financial statements fairly present the financial position, results of operations and cash flows of Meritage in conformity with accounting principles generally accepted in the United States of America and discuss with us any issues they believe should be raised with us.

This year, we reviewed Meritage's audited consolidated financial statements and met with both management and KPMG LLP, our independent auditors, to discuss those consolidated financial statements. Management has represented to us that the consolidated financial statements were prepared in accordance with accounting principles generally accepted in the United States of America. We have received from and discussed with KPMG LLP the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees). These items relate to that firm's independence from Meritage. We also discussed with KPMG LLP those matters required to be discussed by Statement on Auditing Standards No. 61 (Communication with Audit Committees). Based on these reviews and discussions, we recommended to the Board that Meritage's audited financial statements be included in its Annual Report on Form 10-K for the fiscal year ended December 31, 2002.

PERFORMANCE GRAPH

The chart below graphs our performance in the form of cumulative total return to stockholders for the past five years. Our total return is compared to that of the Standard and Poor's 500 Index, the Peer Group and the peer group reported in our last proxy statement (the "Old Peer Group"). We expanded our

peer group in 2002 to maintain consistency with the group our Board of Directors uses for purposes of calculating certain components of our Co-CEO's annual performance bonus.

The comparison assumes \$100 was invested on December 31, 1997 in Meritage common stock and in each of the other indices and assumes reinvestment of dividends.

(1) The Peer Group consists of the following companies: Beazer Homes USA, Inc., Dominion Homes, Inc. Hovnanian Enterprises, Inc., MDC Holdings, Inc., Ryland Group, Inc., Toll Brothers, Inc., Standard-Pacific Corporation, Technical Olympic USA, Inc., M/I Schottenstein Homes, Inc., WCI Communities, Inc. and William Lyon Homes.

(2) The Old Peer Group consists of the same companies with the exclusion of Dominion Homes, Technical Olympics, WCI and William Lyon Homes. The line graph itself does not include the Old Peer Group because the returns for that group cumulatively and during each of the five years represented are substantially the same as the returns for the new Peer Group.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Executive officers, directors and "beneficial owners" of more than ten percent of our common stock must file initial reports of ownership and reports of changes in ownership with the Securities and Exchange Commission under Section 16(a). Based solely on review of the copies of such forms furnished to us, or representations that no forms were required, we believe that during our preceding fiscal year all Section 16(a) filing requirements applicable to our officers, directors and greater than ten percent beneficial owners were complied with, with the exception of John R. Landon, our Co-CEO, who filed a report in April 2002, related to the sale of 200 shares in March 2002; Richard T. Morgan, a corporate officer, who filed a report in February 2003 related to the receipt of a stock award of 152 shares of Meritage common stock in December 2002; and Vicki L. Biggs, a corporate officer, who filed a report in February 2003 related to the receipt of a stock award of 76 shares of Meritage common stock in December 2002. In all cases, forms were filed within two months of the transaction date.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Since 1997, we have leased office space in Plano, Texas from Home Financial Services, a Texas partnership owned by John and Eleanor Landon. The lease expires May 15, 2005. Rents paid to the partnership were \$225,182 in 2002 and \$193,771 in 2001. Scheduled rent payments in 2003 are approximately \$235,000.

We paid legal fees to Tiffany & Bosco, P.A. of approximately \$329,900 in 2002 and \$420,000 in 2001. We paid legal fees to Greenberg Traurig, LLP of approximately \$102,500 in 2002. C. Timothy White is a partner of Greenberg Traurig, LLP and was a partner of Tiffany Bosco, P.A. prior to October 2002.

William Cleverly resigned as a managing director effective March 18, 1999 and as a director in 2002. Mr. Cleverly also serves as a consultant to us. In connection with Mr. Cleverly's resignation as a managing director in 1999, Meritage and Mr. Cleverly entered into a separation and consulting agreement. The separation was deemed a termination without cause under Mr. Cleverly's employment agreement. For three years from the effective date of the separation agreement, Mr. Cleverly agreed to consult on our new product development and other areas agreed upon by the parties. The separation agreement contained a non-compete provision that prohibited Mr. Cleverly from competing with us for three years following the effective date, subject to various exceptions. In consideration for Mr. Cleverly's agreement not to compete, he was paid a total of \$285,000 in quarterly installments of \$23,750 through March 31, 2002. In connection with the separation agreement, both Mr. Cleverly and Meritage released the other party from any liabilities or obligations either party had or may have against such party in the future, subject to certain exceptions. In 2002 we purchased 163 lots for development in Arizona from a business controlled by Cleverly. The total amount paid for the lots was approximately \$7.4 million. We purchased 77 lots at a cost of approximately \$3.5 million from this same business in 2001.

During 2002, we chartered an aircraft from a company in which Steven J. Hilton has an ownership interest. The total amount paid for the charter service in 2002 was approximately \$128,000.

In 2002 we entered into a contract with a limited partnership to acquire a parcel of land in Tucson, Arizona. The purchase price of the land is approximately \$4.6 million. One of our directors, Robert G. Sarver, has an indirect 5% beneficial interest in this parcel of land through his investment in a partnership. The company anticipates it will acquire this parcel of land in 2003. In addition, during 2002 and 2001, we chartered an aircraft from a company owned by Mr. Sarver. The total amount paid for the charter service during 2002 was \$27,604. We paid \$101,000 for this charter service in 2001.

One of our directors, Ray Oppel, has minority limited partner investments in four limited partnerships that have entered into landbanking transactions with us. Mr. Oppel's partnership ownership percentage in these entities ranges

19

from 21.5% to 34.2%. Mr. Oppel also has a 7.5% limited partnership interest in a joint venture that sells lots to Hammonds Homes, which agreement was made prior to our acquisition of Hammonds. By the end of 2001, Mr. Oppel discontinued making new investments in landbanking transactions that involved sales to Meritage. During 2002, we acquired 175 lots at a cost of approximately \$14.1 million from these partnerships. We anticipate that in 2003 we will acquire additional lots from these partnerships pursuant to the existing option contracts and agreements. However, as the amount and timing of acquisitions is subject to a number of factors, including factors within and outside the control of Meritage, the exact amount of purchases in a given period that will be made by the partnerships Mr. Oppel has invested in, cannot be reasonably estimated.

Management believes that the terms and fees negotiated for all transactions listed above are no less favorable than those that could be negotiated in arm's length transactions.

INDEPENDENT AUDITORS

KPMG LLP served as our principal independent auditors for the fiscal year ended December 31, 2002 and the firm has been appointed as our independent auditors for the fiscal year ending December 31, 2003. We expect representatives of KPMG LLP to be present at our Annual Meeting to respond to appropriate questions, and they will be given an opportunity to make a statement if they wish to.

The following table presents fees for professional audit services rendered by KPMG LLP for the audit of our annual financial statements for 2002 and 2001, and fees billed for other services rendered by KPMG LLP.

	2002	2001
	-----	-----

STOCKHOLDER PROPOSALS

The Board of Directors or Nominating/Governance Committee will consider nominations from stockholders for the class of directors whose terms expire at the year 2004 Annual Meeting. Nominations must be made in writing to our Secretary, received at least 90 days prior to the 2004 Annual Meeting, and contain sufficient background information concerning the nominee's qualifications. Our Secretary must receive any other stockholder proposals for the 2004 Annual Meeting by December 18, 2003 to be considered for inclusion in our 2004 Proxy Statement. Proposals to be presented at the 2004 Annual Meeting that are not intended for inclusion in the Proxy Statement must be submitted in accordance with our Bylaws. A nomination or other proposal will be disregarded if it does not comply with the above procedures.

20

OTHER MATTERS

The Board of Directors is not aware of any other matters to be presented at the meeting. If any other business should properly come before the meeting, the proxy holders will vote according to their best judgment.

ELECTRONIC DELIVERY OF FUTURE ANNUAL MEETING MATERIALS

We are offering our stockholders the opportunity to consent to receiving our future proxy materials and annual reports electronically by providing the appropriate information when voting via the Internet. Electronic delivery could save us a significant portion of the costs associated with printing and mailing annual meeting materials, and we hope that our stockholders find this service convenient and useful. If you consent and Meritage elects to deliver future proxy materials and/or annual reports to you electronically, then we will send you a notice (either by electronic mail or regular mail) explaining how to access these materials but will not send you paper copies of these materials unless you request them. We may also choose to send one or more items to you in paper form despite your consent to receive them electronically. Your consent will be effective until you revoke it by terminating your registration at the website WWW.INVESTORDELIVERY.COM if you hold shares at a brokerage firm or bank participating in the ADP program, or by contacting Mellon Investor Services if you hold shares in your own name.

By consenting to electronic delivery, you are stating to Meritage that you currently have access to the Internet and expect to have access in the future. If you do not have access to the Internet, or do not expect to have access in the future, please do not consent to electronic delivery because we may rely on your consent and not deliver paper copies of future annual meeting materials. In addition, if you consent to electronic delivery, you will be responsible for your usual Internet charges (e.g., online fees) in connection with the electronic delivery of the proxy materials and annual report.

The Audit Committee may request any officer or employee of the Corporation's or the Corporation's outside counsel or independent auditor to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee.

1

II. COMPOSITION

The Audit Committee shall be comprised of three or more directors. The members of the Audit Committee shall meet the independence and experience requirements of the NYSE.

The following Independence criteria (which is consistent with SEC and NYSE rules) shall apply to each Audit Committee member:

- * Employees. A director who is an employee (including non-employee executive officers) of the company or any of its affiliates may not serve on the Audit Committee until five years following the termination of his or her employment. In the event the employment relationship is with a former parent or predecessor of the Corporation, the director could serve on the audit committee after five years following the termination of the relationship between the Corporation and the former parent or predecessor.
- * Business Relationship. A director who has a material relationship with the Corporation may not serve on the Audit Committee. In making a determination regarding the independence of a director pursuant to this paragraph, the Nominating/Governance Committee should consider, among other things, the materiality of the relationship to the Corporation, to the director, and if applicable, to the organization with which the director is affiliated. "Business relationships" can include commercial, industrial, banking, consulting, legal, accounting and other relationships. A director can have this relationship directly with the company, or the director can be a partner, officer or employee or an organization that has such a relationship.
- * Cross Compensation Committee Link. A director who is employed as an executive of another Corporation where any of the Corporation's executives serves on that company's compensation committee may not serve on the Audit Committee.
- * Immediate Family. A director who is an immediate family member of an individual who falls within any of the above categories cannot serve on the Audit Committee until after five years following the termination of such employment relationship.
- * Large Stockholders. A director who holds 20% or more of the Corporation's stock (or who is a general partner, controlling shareholder or other of any such holder) cannot chair or be a voting member of the Audit Committee.

All members of the Committee shall have a working familiarity with basic finance and accounting practices, and the Chair shall be a "financial expert." Audit Committee members may enhance their familiarity with finance and accounting by participating in educational programs conducted by the Corporation or an outside consultant.

Unless a Chair is elected by the full Board, the members of the Committee may designate a Chair by majority vote of the full Committee membership.

III. MEETINGS

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee should meet at least annually with management and the independent accountants in separate executive sessions to discuss any matters that the Committee or each of these groups believe should be discussed privately. In addition, the Committee or at least its Chair should meet with the independent accountants and management quarterly to review the Company's financial statements consistent with IV.3. below.

2

IV. RESPONSIBILITIES AND DUTIES

To fulfill its responsibilities and duties the Audit Committee shall:

DOCUMENTS/REPORTS REVIEW

1. Review and update this Charter periodically, at least annually, as conditions dictate. The Audit Committee shall annually review the Committee's own performance.
2. Review the organization's annual financial statements and any reports or other financial information submitted to any governmental body, or the public, including any certification, report, opinion or review rendered by the independent accountants, and recommend whether the audited financial statements shall be included in the Corporation's Form 10-K.
3. Review the 10-Q with financial management and the independent accountants, if necessary, prior to its filing or prior to the release of earnings. The Chair of the Committee may represent the entire Committee for purposes of this review.

INDEPENDENT ACCOUNTANTS

4. Select the independent accountants, considering independence and effectiveness and approve the fees and other compensation to be paid to the independent accountants.
5. Review the performance of the independent accountants and approve any proposed discharge of the independent accountants when circumstances warrant.
6. Periodically consult with the independent accountants out of the presence of management about internal controls and the fullness and accuracy of the organization's financial statements.
7. Review the experience and qualifications of the senior members of the independent accountant team.
8. Obtain and review a report from the independent auditor at least annually regarding (a) the accountant's internal quality-control procedures, (b) any material issues raised by the most recent quality-control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities within the preceding five years respecting one or more independent audits carried out by the firm, (c) any steps taken to deal with any such issues, and (d) all relationships between the independent accountant and the Corporation. Evaluate the qualifications, performance and independence of the independent accountant, including considering whether the accountant's quality controls are adequate and the provision of non-audit services is compatible with maintaining the accountant's independence, and taking into account the opinions of management and the internal auditor. The Audit Committee shall present its conclusions to the Board and, as necessary, recommend that the Board take additional action to satisfy itself of the qualifications, performance and independence of the accountants.
9. Consider whether, in order to assure continuing auditor independence, it is appropriate to adopt a policy of rotating the lead audit partner or even the independent accounting firm itself on a regular basis.
10. Recommend to the Board policies for the Corporation's hiring of employees or former employees of the independent accountant who were engaged on the Corporation's account.

3

11. Discuss with the national office of the independent accountant issues on which they were consulted by the Corporation's audit team and matters of audit quality and consistency.
12. Meet with the independent accountant prior to the audit to discuss the planning and staffing of the audit.

FINANCIAL REPORTING PROCESSES

13. Discuss with management and the independent accountants significant financial reporting issues and judgments made in connection with the preparation of the Corporation's financial statements, including any significant changes in the Corporation's selection or application of accounting principles, any major issues as to the adequacy of the Corporation's internal controls, the development, selection and disclosure of critical accounting estimates, and analyses of the effect of alternative assumptions, estimates or GAAP methods on the Corporation's financial statements.
14. Discuss with management the Corporation's earnings press releases, including the use of "pro forma" or "adjusted" non-GAAP information, as well as financial information and earnings guidance provided to analysts and rating agencies.

15. Discuss with management and the independent accountants the effect of regulatory and accounting initiatives as well as off-balance sheet structures on the Corporation's financial statements.
16. Discuss with management the Corporation's major financial risk exposures and the steps management has taken to monitor and control such exposures, including the Corporation's risk assessment and risk management policies.

PROCESS IMPROVEMENT

17. Establish regular and separate systems of reporting to the Audit Committee by each of management and the independent accountants any significant judgments made in management's preparation of the financial statements and the view of each as to appropriateness of such judgments.
18. Following completion of the annual audit, review separately with each of management and the independent accountants any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information.
19. Review any significant disagreements among management and the independent accountants in connection with the preparation of the financial statements.
20. Review with the independent accountants and management the extent to which changes or improvements in financial or accounting practices, as approved by the Audit Committee, have been implemented. (This review should be conducted at an appropriate time subsequent to implementation of changes or improvements, as decided by the Audit Committee.)

ETHICAL AND LEGAL COMPLIANCE

21. Review and update periodically the Corporation's employee handbook and Code of Ethics and ensure that management has established a system to enforce these policies.
- 4
22. Review management's monitoring of the Corporation's compliance with the organization's conduct policies, and ensure that management has the proper review system in place to ensure that Corporation's financial statements, reports and other financial information disseminated to governmental organizations, and the public, satisfy legal requirements.
 23. Review, with the organization's counsel, legal compliance matters including corporate securities trading policies.
 24. Review, with the organization's counsel, any legal matter that could have a significant impact on the Corporation's financial statements.

MERITAGE CORPORATION

CORPORATE GOVERNANCE PRINCIPLES AND PRACTICES

DIRECTOR QUALIFICATIONS

The Board of Directors (the "Board") will have a majority of directors who meet the criteria for independence required by the New York Stock Exchange. The Nominating/Governance Committee is responsible for reviewing with the Board, on an annual basis, the requisite skills and characteristics of new Board members as well as the composition of the Board as a whole. This assessment will include members' qualification as independent, as well as consideration of age, skills, and experience in the context of the needs of the Board. Nominees for directorship will be selected by the Nominating/Governance Committee in accordance with the policies and principles in its charter. The invitation to join the Board should be extended by the Board itself, by the Chairman of the Nominating/Governance Committee and the Chairman of the Board.

The Board presently has seven members. The Board believes that a size of six to ten is an appropriate size.

The Board does not believe it should establish term limits. While term limits could help insure that there are fresh ideas and viewpoints available to the Board, they hold the disadvantage of losing the contribution of directors who have been able to develop over time increasing insight into the Corporation and its operations and, therefore, provide an increasing contribution to the Board as a whole through this "institutional knowledge." As an alternative to term limits, the Nominating/Governance Committee will review from time to time each director's continuation on the Board.

DIRECTOR RESPONSIBILITIES

The basic responsibility of the directors is to exercise their business judgment to act in what they reasonably believe to be in the best interests of the Corporation and its Stockholders. In discharging that obligation, directors should be entitled to rely on the honesty and integrity of the Corporation's senior executives and its outside advisors and auditors. The directors shall also be entitled to have the Corporation purchase directors' and officers' liability insurance on their behalf, to the benefits of indemnification to the fullest extent permitted by law and the Corporation's charter, bylaws and any indemnification agreements, and to exculpation as provided by Maryland law and the Corporation's charter.

Directors are expected to attend Board meetings and meetings of committees on which they serve, and to spend the time needed and meet as frequently as necessary to properly discharge their responsibilities. Information and data that are important to the Board's understanding of the business to be conducted at a Board or committee meeting should generally be distributed to the directors before the meeting, and directors should review these materials in advance of the meeting.

The Chairman will establish the agenda for each Board meeting. Each Board member is free to suggest the inclusion of items on the agenda. Each Board member is free to raise at any Board meeting subjects that are not on the agenda for that meeting. The Board shall advise and participate in the Corporation's long range strategic plans and such issues should be addressed at least one Board meeting each year.

The non-management directors will meet in executive session at least quarterly. The director who presides at these meetings will be chosen by the independent directors, and his/her name will be disclosed in the Corporation's annual proxy statement.

BOARD COMMITTEES

The Board will have at all times an Audit Committee, an Executive Compensation Committee and a Nominating/Governance Committee. All of the members of these committees will be independent directors under the criteria established by the New York Stock Exchange.

Committee members will be appointed by the Board upon recommendation of the Nominating/Governance Committee. The Board will not mandate rotation of the Committee members, but will consider from time to time the membership of the Committees.

Each committee will have its own written charter. The charters will set forth the authority and responsibilities of the committees as well as qualifications for committee membership, procedures for committee member appointment and removal, committee structure and operations and committee reporting to the Board. The charters will also provide that each committee will

annually evaluate its performance.

DIRECTOR ACCESS TO OFFICERS AND EMPLOYEES

Directors have full and free access to officers and employees of the Corporation. Any meetings or contacts that a director wishes to initiate may be arranged through the Chief Executive Officer or directly by the director. The directors will use their judgment to ensure that any such contact is not disruptive to the business operations of the Corporation and will, unless inappropriate, copy the Chief Executive Officer on any written communications between a director and an officer or employee of the Corporation.

DIRECTOR COMPENSATION

The form and amount of director compensation will be determined by the Executive Compensation Committee in accordance with the policies and principles set forth in its charter, and the Executive Compensation Committee will conduct an annual review of director compensation. The Executive Compensation Committee will consider that directors' independence may be jeopardized if director compensation and perquisites exceed customary levels, if the Corporation makes substantial charitable contributions to organizations with which a director is affiliated, or if the Corporation enters into consulting contracts with, or provides other indirect forms of compensation to, a director or an organization with which the director is affiliated.

DIRECTOR ORIENTATION AND CONTINUING EDUCATION

All new directors should participate in an orientation program sponsored by the Corporation. This orientation will be designed to familiarize new directors with the Corporation's strategic plans, its significant financial, accounting and risk management issues, its compliance programs, its Code of Ethics, its principal officers, its internal audit function, and its independent auditors.

CHIEF EXECUTIVE OFFICER EVALUATION AND MANAGEMENT SUCCESSION

The Executive Compensation Committee will conduct an annual review of the Chief Executive Officers' performance, as set forth in its charter. The Board will review the Executive Compensation Committee's report in order to ensure that each Chief Executive Officer is providing the best leadership for the Corporation in the long- and short-term.

The Board of Directors shall be responsible to approve a succession plan for the Chief Executive Officer(s) and the Senior Officers of the Corporation. The entire Board will work with the Nominating/Governance Committee to nominate and evaluate potential successors to the Chief Executive Officer.

2

ANNUAL PERFORMANCE EVALUATION

The Board will conduct an annual self-evaluation to determine whether it and its committees are functioning effectively. The Nominating/Governance Committee will receive comments from all directors and report annually to the Board with an assessment of the Board's performance. This will be discussed with the full Board following the end of each fiscal year. The assessment will focus on the Board's contribution to the Corporation and specifically focus on areas in which the Board or management believes that the Board could improve.
