ITEM 8.01 OTHER EVENTS

On May 6, 2008, Meritage Homes Corporation (the "Company") announced that its board of directors has adopted a policy regarding designation of preferred stock. At the upcoming annual meeting of Meritage's stockholders to be held on May 15, 2008, stockholders are being asked to approve Proposal No. 5, an amendment to Meritage's Articles of Incorporation to provide for the issuance of preferred stock as may be determined by the board of directors in its discretion. In order to address concerns regarding the use of the preferred stock, the Meritage board has adopted a policy requiring that, unless approved by a vote of the stockholders, any designation of preferred stock in connection with the adoption of a stockholder rights plan include provisions effecting the termination of that plan within one year. The policy also requires that other uses of preferred stock be limited to bona fide capital raising or business acquisition transactions.

As disclosed in the proxy statement distributed in connection with the upcoming annual meeting of stockholders, Meritage has no current plans to issue preferred stock. Rather, this proposal to approve the creation of preferred stock is designed to provide Meritage's board of directors with the flexibility to issue such preferred stock, should they, at some time in the future, determine that such measures are necessary or desirable. Stockholders and other investors are urged to read the proxy statement, which contains important information that should be read carefully before any decision is made with respect to all proposals, including the proposal to approve the creation of the preferred stock.

These filings discuss important risk factors that could contribute to differences in or otherwise affect its business, results of operations and financial condition. These risks and uncertainties could cause actual results to differ materially and adversely from those expressed in or implied by the forward-looking statements, and should be carefully reviewed and considered.
