Completion of Offering of 7.00% Senior Notes due 2022

On April 10, 2012, Meritage Homes Corporation, a Maryland corporation (the “Company”), completed an offering of \$300,000,000 aggregate principal amount of 7.00% Senior Notes due 2022 (the “2022 Notes”) that are guaranteed (the “Guarantees,” and collectively with the 2022 Notes, the “Securities”) by certain of the Company’s subsidiaries (the “Guarantors”). The Securities were offered to investors in a private placement in reliance on Rule 144A and Regulation S under the Securities Act of 1933, as amended (the “Securities Act”). The Securities have not been registered under the Securities Act or any state securities laws and may not be sold except in a transaction registered under, or exempt from, the registration provisions of the Securities Act and applicable state securities laws.

The Securities were issued pursuant to an Indenture dated April 10, 2012 among the Company, the Guarantors and Wells Fargo Bank, National Association, as trustee (the “2022 Indenture”). The material terms of the 2022 Notes and the 2022 Indenture are described below.

The 2022 Notes are the general unsecured obligations of the Company. The 2022 Notes will rank senior in right to all future obligations of the Company that are, by their terms, expressly subordinated in right of payment to the 2022 Notes and pari passu in right of payment with all existing and future unsecured obligations of the Company that are not so subordinated. The 2022 Notes bear interest at 7.00% per annum, payable on April 1 and October 1 of each year, commencing on October 1, 2012. Interest on the 2022 Notes will be computed on the basis of a 360-day year of twelve 30-day months.

The Company may redeem the 2022 Notes in whole at any time or in part from time to time, on at least 30 but not more than 60 days’ prior written notice, at a redemption price equal to the greater of (i) 100% of the principal amount of the notes being redeemed, or (ii) the sum of the present value of the remaining scheduled payments on the 2022 Notes being redeemed, discounted to the date of redemption (on a semiannual basis) at a discount rate equal to the rate payable with respect to comparable treasury securities plus 0.50%. The Company would also pay accrued interest (if any) on the 2022 Notes being redeemed to the redemption date.

The terms of the 2022 Indenture, among other things, generally limit, subject to exceptions, the ability of the Company and certain of its subsidiaries to (i) incur secured indebtedness and (ii) enter into certain sale and leaseback transactions.

The 2022 Indenture provides for customary events of default which include (subject in certain cases to customary grace and cure periods), among others: nonpayment of principal or interest; breach of covenants or other agreements in the 2022 Indenture; defaults under certain other indebtedness; and certain events of bankruptcy or insolvency. Generally, if an event of default occurs and is continuing under the 2022 Indenture, the Trustee or the holders of at least 25% in aggregate principal amount of the 2022 Notes then outstanding may declare the principal of, premium, of any, and accrued interest on all the 2022 Notes immediately due and payable. In addition, in the event there is both (i) a change in control and (ii) a ratings decline by either Standard & Poor’s Ratings Services or Moody’s Investors Service, Inc., the Company will be required to commence and consummate an offer to purchase all Notes then outstanding at a price equal to 101% of their principal amount, plus accrued interest (if any) to the date of repurchase.

The foregoing description of the 2022 Notes and the 2022 Indenture is only a summary and is qualified in its entirety by reference to the full text of the 2022 Indenture, including the form of note, which is attached to this Current Report on Form 8-K as Exhibit 4.1 and is incorporated by reference herein.

In connection with the sale of the 2022 Notes, the Company and the Guarantors entered into a Registration Rights Agreement dated as of April 10, 2012 (the "Registration Rights Agreement"), with the initial purchasers of the 2022 Notes. Pursuant to the Registration Rights Agreement, the Company will use its reasonable best efforts to register with the Securities and Exchange Commission exchange notes ("Exchange Notes"), which will have substantially identical terms as the 2022 Notes (except that the Exchange Notes will not contain terms with respect to transfer restrictions), so the Company can offer to exchange freely tradable Exchange Notes for the 2022 Notes.

The foregoing description of the Registration Rights Agreement is only a summary and is qualified in its entirety by reference to the full text of the Registration Rights Agreement, which is attached to this Current Report on Form 8-K as Exhibit 10.1 and is incorporated by reference herein.

On April 10, 2012, the Company issued a press release announcing the closing of the offering of Notes described above. A copy of this press release is attached as Exhibit 99.1.

Eighth Supplemental Indenture for 6.25% Senior Notes due 2015

In connection with the expiration of the early tender period (as described in Item 8.01 below), on April 10, 2012, the Company entered into an Eighth Supplemental Indenture (the "Eighth Supplemental Indenture") to the Indenture, dated as of March 10, 2005 (the "2015 Indenture"), among the Company, the guarantors named therein and HSBC Bank USA, National Association, as successor trustee, under which the Company's 6.25% Senior Notes due 2015 (the "2015 Notes") were issued. The Eighth Supplemental Indenture amended the 2015 Indenture to eliminate substantially all of the restrictive covenants and certain events of default from the 2015 Indenture.

The foregoing description of the Eighth Supplemental Indenture is only a summary and is qualified in its entirety by the full text of the Eighth Supplemental Indenture, which is attached to this Current Report on Form 8-K as Exhibit 4.2 and is incorporated by reference herein.

Expiration of Early Tender Period in Tender Offer for 6.25% Senior Notes due 2015

On March 27, 2012, the Company announced in a press release the commencement of a cash tender offer to purchase the entire \$285,000,000 outstanding principal amount of the 2015 Notes (the "Tender Offer") and solicitation of consents from the holders of the 2015 Notes to certain amendments to the 2015 Indenture (the "Proposed Amendments"). On April 10, 2012, the Company announced in a press release the expiration of the early tender period in the Tender Offer, and the preliminary results of the Tender Offer. The Company also announced that, as a result of receiving the consents of at least two-thirds in aggregate principal amount of the outstanding 2015 Notes, the Company has received the requisite consents and tenders for its 2015 Notes in order to effect the Proposed Amendments, which are binding upon the holders of the 2015 Notes that were not tendered. Accordingly, the Company has executed and delivered the Eighth Supplemental Indenture relating to the 2015 Notes, as described in Item 1.01 above.

The Tender Offer will expire at 12:00 midnight, New York City time, on April 23, 2012, unless extended, after which the Company will announce final results of the Tender Offer. As previously disclosed on March 27, 2012, the Tender Offer is part of a series of related financing transactions that also included the private placement of 2022 Notes described in Item 1.01 of this Current Report on Form 8-K. A copy of the press release that the Company issued on April 10, 2012 is attached as Exhibit 99.2.

Notice of Redemption for 6.25% Senior Notes due 2015

On April 10, 2012, the Company delivered a notice of redemption (the "Notice") to the holders of the 2015 Notes. The Notice provides for the Company's redemption, pursuant to the terms of the indenture relating to the 2015 Notes, of all \$285,000,000 of outstanding principal amount of the 2015 Notes on May 10, 2012 (the "Redemption Date") at a redemption price equal to 101.042% of the principal amount of each outstanding note plus accrued and unpaid interest to the Redemption Date. Any and all 2015 Notes still outstanding following the expiration of the Tender Offer will be redeemed in accordance with the Notice.

The Notes may have notations, legends or endorsements required by law, rule or usage to which the Issuer is subject. Without limiting the generality of the foregoing, Notes offered and sold to Qualified Institutional Buyers in reliance on Rule 144A ("Rule 144A Notes")

shall bear the legend and include the form of assignment set forth in Exhibit B, Notes offered and sold in offshore transactions in reliance on Regulation S (“Regulation S Notes”) shall bear the legend and include the form of assignment set forth in Exhibit C, and Notes offered and sold to Institutional Accredited Investors in transactions exempt from registration under the Securities Act not made in reliance on Rule 144A or Regulation S (“Other Notes”) may be represented by a Restricted Global Note or, if such an investor may not hold an interest in the Restricted Global Note, a Physical Note, in each case, bearing the Private Placement Legend. Each Note shall be dated the date of its authentication.

The terms and provisions contained in the Notes shall constitute, and are expressly made, a part of this Indenture and, to the extent applicable, the Issuer, the Guarantors and the Trustee, by their execution and delivery of this Indenture, expressly agree to such terms and provisions and agree to be bound thereby.

The Notes may be presented for registration of transfer and exchange at the offices of the Registrar.

SECTION 2.03. Execution and Authentication.

Two Officers shall sign, or one Officer shall sign and one Officer (each of whom shall, in each case, have been duly authorized by all requisite corporate actions) shall attest to, the Notes for the Issuer by manual or facsimile signature.

If an Officer whose signature is on a Note was an Officer at the time of such execution but no longer holds that office at the time the Trustee authenticates the Note, the Note shall be valid nevertheless.

No Note shall be entitled to any benefit under this Indenture or be valid or obligatory for any purpose unless there appears on such Note a certificate of authentication substantially in the form provided for herein executed by the Trustee by manual signature, and such certificate upon any Note shall be conclusive evidence, and the only evidence, that such Note has been duly authenticated and delivered hereunder. Notwithstanding the foregoing, if any Note shall have been authenticated and delivered hereunder but never issued and sold by the Issuer, and the Issuer shall deliver such Note to the Trustee for cancellation as provided in Section 2.12, for all purposes of this Indenture such Note shall be deemed never to have been authenticated and delivered hereunder and shall never be entitled to the benefits of this Indenture.

The Trustee may appoint an authenticating agent reasonably acceptable to the Issuer to authenticate the Notes. Unless otherwise provided in the appointment, an authenticating agent may authenticate the Notes whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Issuer and Affiliates of the Issuer. Each Paying Agent is designated as an authenticating agent for purposes of this Indenture.

The Notes shall be issuable only in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof.

SECTION 2.04. Registrar and Paying Agent.

The Issuer shall maintain an office or agency (which shall be located in the City of Minneapolis, State of Minnesota) where Notes may be presented for registration of transfer or for exchange (the “Registrar”), and an office or agency where Notes may be presented for payment (the “Paying Agent”) and an office or agency where notices and demands to or upon the Issuer, if any, in respect of the Notes and this Indenture may be served. The Registrar shall keep a register of the Notes and of their transfer and exchange. The Issuer may have one or more additional Paying Agents. The term “Paying Agent” includes any additional Paying Agent. Neither the Issuer nor any Affiliate thereof may act as Paying Agent.

The Issuer shall enter into an appropriate agency agreement, which shall incorporate the provisions of the TIA, with any Agent that is not a party to this Indenture. The agreement shall implement the provisions of this Indenture that relate to such Agent. The Issuer shall notify the Trustee of the name and address of any such Agent. If the Issuer fails to maintain a Registrar or Paying Agent, or fails to give the foregoing notice, the Trustee shall act as such and shall be entitled to appropriate compensation in accordance with Section 7.07.

The Issuer initially appoints the Trustee as Registrar, Paying Agent and Agent for service of notices and demands in connection with the Notes and this Indenture.

SECTION 2.05. Paying Agent To Hold Money in Trust

Each Paying Agent shall hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of or premium or interest on the Notes (whether such money has been paid to it by the Issuer or any other obligor on the Notes or the Guarantors), and the Issuer and the Paying Agent shall notify the Trustee in writing of any default by the Issuer (or any other obligor on the Notes) in making any such payment. Money held in trust by the Paying Agent need not be segregated except as required by law and in no event shall the Paying Agent be liable for any interest on any money received by it hereunder. The Issuer at any time may require the Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed and the Trustee may at any time during the continuance of any Event of Default specified in Section 6.01 (1) or (2), upon written request to the Paying Agent, require such Paying Agent to pay forthwith all money so held by it to the Trustee and to account for any funds disbursed. Upon making such payment, the Paying Agent shall have no further liability for the money delivered to the Trustee.

SECTION 2.06. Holder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of the Holders. If the Trustee is not the

Registrar, the Issuer shall furnish to the Trustee at least five Business Days before each Interest Payment Date, and at such other times as the Trustee may request in writing, a list in such form and as of such date as the Trustee may reasonably require of the names and addresses of the Holders.

SECTION 2.07. Transfer and Exchange.

Subject to Sections 2.16 and 2.17, when Notes are presented to the Registrar with a request from the Holder of such Notes to register a transfer or to exchange them for an equal principal amount of Notes of other authorized denominations, the Registrar shall register the transfer as requested. Every Note presented or surrendered for registration of transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfer in form satisfactory to the Issuer and the Registrar, duly executed by the Holder thereof or his attorneys duly authorized in writing. To permit registrations of transfers and exchanges, the Issuer shall issue and execute and the Trustee shall authenticate new Notes (and the Guarantors shall execute the guarantee thereon) evidencing such transfer or exchange at the Registrar's request. No service charge shall be made to the Holder for any registration of transfer or exchange. The Issuer may require from the Holder payment of a sum sufficient to cover any transfer taxes or other governmental charge that may be imposed in relation to a transfer or exchange, but this provision shall not apply to any exchange pursuant to Section 2.11, 3.06, 4.12 or 8.05 (in which events the Issuer shall be responsible for the payment of such taxes). The Registrar shall not be required to exchange or register a transfer of any Note for a period of 15 days immediately preceding the sending of notice of redemption of Notes to be redeemed or of any Note selected, called or being called for redemption except the unredeemed portion of any Note being redeemed in part.

Any Holder of the Global Note shall, by acceptance of such Global Note, agree that transfers of the beneficial interests in such Global Note may be effected only through a book-entry system maintained by the Holder of such Global Note (or its agent), and that ownership of a beneficial interest in the Global Note shall be required to be reflected in a book-entry.

Each Holder of a Note agrees to indemnify the Issuer and the Trustee against any liability that may result from the transfer, exchange or assignment of such Holder's Note in violation of any provision of this Indenture and/or applicable U.S. federal or state securities law.

Except as expressly provided herein, neither the Trustee nor the Registrar shall have any duty to monitor the Issuer's compliance with or have any responsibility with respect to the Issuer's compliance with any federal or state securities laws.

SECTION 2.08. Replacement Notes.

If a mutilated Note is surrendered to the Registrar or the Trustee, or if the Holder of a Note claims that the Note has been lost, destroyed or wrongfully taken, the Issuer shall issue and the Trustee shall authenticate a replacement Note (and the Guarantors shall execute the guarantee thereon) if the Holder of such Note furnishes to the Issuer and the Trustee evidence reasonably

acceptable to them of the ownership and the destruction, loss or theft of such Note and if the requirements of Section 8-405 of the New York Uniform Commercial Code as in effect on the date of this Indenture are met. An indemnity bond shall be posted, sufficient in the judgment of both to protect the Issuer, the Guarantors, the Trustee or any Paying Agent from any loss that any of them may suffer if such Note is replaced. The Issuer may charge such Holder for the Issuer's reasonable out-of-pocket expenses in replacing such Note and the Trustee may charge the Issuer for the Trustee's expenses (including, without limitation, attorneys' fees and disbursements) in replacing such Note. Every replacement Note shall constitute a contractual obligation of the Issuer.

SECTION 2.09. Outstanding Notes.

The Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for (a) those cancelled by it, (b) those delivered to it for cancellation, (c) to the extent set forth in Sections 9.01 and 9.02, on or after the date on which the conditions set forth in Section 9.01 or 9.02 have been satisfied, those Notes theretofore authenticated and delivered by the Trustee hereunder and (d) those described in this Section 2.09 as not outstanding. Subject to Section 2.10, a Note does not cease to be outstanding because the Issuer or one of its Affiliates holds the Note.

If a Note is replaced pursuant to Section 2.08, it ceases to be outstanding unless the Trustee receives proof satisfactory to it that the replaced Note is held by a bona fide purchaser in whose hands such Note is a legal, valid and binding obligation of the Issuer.

If the Paying Agent holds, in its capacity as such, on any maturity date, money sufficient to pay all accrued interest and principal with respect to the Notes payable on that date and is not prohibited from paying such money to the Holders thereof pursuant to the terms of this Indenture, then on and after that date such Notes cease to be outstanding and interest on them ceases to accrue.

SECTION 2.10. Treasury Notes.

In determining whether the Holders of the required principal amount of Notes have concurred in any declaration of acceleration or notice of default or direction, waiver or consent or any amendment, modification or other change to this Indenture, Notes owned by the Issuer or any other Affiliate of the Issuer shall be disregarded as though they were not outstanding, except that for the purposes of determining whether the Trustee shall be protected in relying on any such direction, waiver or consent or any amendment, modification or other change to this Indenture, only Notes as to which a Responsible Officer of the Trustee has received an Officers' Certificate stating that such Notes are so owned shall be so disregarded. Notes so owned which have been pledged in good faith shall not be disregarded if the pledgee established to the satisfaction of the Trustee the pledgee's right so to act with respect to the Notes and that the pledgee is not the Issuer, a Guarantor, any other obligor on the Notes or any of their respective Affiliates.

SECTION 2.11. Temporary Notes.

Until definitive Notes are prepared and ready for delivery, the Issuer may prepare and the Trustee shall authenticate temporary Notes. Temporary Notes shall be substantially in the form of definitive Notes but may have variations that the Issuer considers appropriate for temporary Notes. Without unreasonable delay, the Issuer shall prepare and the Trustee, upon receipt of a written request, shall authenticate definitive Notes in exchange for temporary Notes. Until such exchange, temporary Notes shall be entitled to the same rights, benefits and privileges as definitive Notes.

SECTION 2.12. Cancellation.

The Issuer at any time may deliver Notes to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Notes surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Notes surrendered for registration of transfer, exchange, payment, replacement or cancellation and shall (subject to the record-retention requirements of the Exchange Act) dispose of such cancelled Notes in accordance with customary procedures. The Issuer may not reissue or resell, or issue new Notes to replace, Notes that the Issuer has redeemed or paid, or that have been delivered to the Trustee for cancellation.

SECTION 2.13. Defaulted Interest.

If the Issuer defaults on a payment of interest on the Notes, it shall pay the defaulted interest, plus (to the extent permitted by law) any interest payable on the defaulted interest, in accordance with the terms hereof, to the Persons who are Holders on a subsequent special record date, which date shall be at least five Business Days prior to the payment date. The Issuer shall fix such special record date and payment date in a manner satisfactory to the Trustee. At least 10 days before such special record date, the Issuer shall mail, or, in the case of Notes held in book-entry form, send by electronic transmission to each Holder a notice that states the special record date, the payment date and the amount of defaulted interest, and interest payable on defaulted interest, if any, to be paid. The Issuer may make payment of any defaulted interest in any other lawful manner not inconsistent with the requirements (if applicable) of any securities exchange on which the Notes may be listed and, upon such notice as may be required by such exchange, if, after written notice given by the Issuer to the Trustee of the proposed payment pursuant to this sentence, such manner of payment shall be deemed practicable by the Trustee.

SECTION 2.14. CUSIP Number.

The Issuer in issuing the Notes may use a "CUSIP" number, and if so, such CUSIP number shall be included in notices of redemption or exchange as a convenience to Holders; provided, that any such notice may state that no representation is made as to the correctness or accuracy of the CUSIP number printed in the notice or on the Notes, and that reliance may be placed only on the other identification numbers printed on the Notes. The Issuer shall promptly notify the Trustee in writing of any such CUSIP number used by the Issuer in connection with the issuance of the Notes and of any change in the CUSIP number.

SECTION 2.15. Deposit of Moneys.

Prior to 10:00 a.m., New York City time, on each Interest Payment Date and maturity date, the Issuer shall have deposited with the Paying Agent in immediately available funds money sufficient to make cash payments, if any, due on such Interest Payment Date or maturity date, as the case may be, in a timely manner which permits the Trustee to remit payment to the Holders on such Interest Payment Date or maturity date, as the case may be. The principal and interest on Global Notes shall be payable to the Depository or its nominee, as the case may be, as the sole registered owner and the sole Holder of the Global Notes represented thereby. The principal and interest on Physical Notes shall be payable, either in person or by mail, at the office of the Paying Agent. If a Holder has given wire transfer instructions to the Issuer at least ten Business Days prior to the applicable Interest Payment Date, then the Paying Agent (provided the Paying Agent has received a copy of such wire transfer instructions) shall make such payment on such Holder's Notes in accordance with such instructions.

SECTION 2.16. Book-Entry Provisions for Global Notes

(a) Rule 144A Notes initially shall be represented by one or more notes in registered, global form without interest coupons (collectively, the Restricted Global Note). Regulation S Notes initially shall be represented by one or more notes in registered, global form without interest coupons (collectively, the Regulation S Global Note," and, together with the Restricted Global Note and any other global notes representing Notes, the "Global Notes"). The Global Notes shall bear legends as set forth in Exhibit D. The Global Notes initially shall (i) be registered in the name of the Depository or the nominee of such Depository, in each case for credit to an account of an Agent Member (or, in the case of the Regulation S Global Notes, of Euroclear System and Clearstream Bank, S.A.), (ii) be delivered to the Trustee as custodian for such Depository and (iii) bear legends as set forth in Exhibit B with respect to Restricted Global Notes and Exhibit C with respect to Regulation S Global Notes.

Members of, or direct or indirect participants in, the Depository ("Agent Members") shall have no rights under this Indenture with respect to any Global Note held on their behalf by the Depository, or the Trustee as its custodian, or under the Global Notes, and the Depository may be treated by the Issuer, the Trustee and any agent of the Issuer or the Trustee as the absolute owner of the Global Note for all purposes whatsoever. Notwithstanding the foregoing, nothing herein shall prevent the Issuer, the Trustee or any agent of the Issuer or the Trustee from giving effect to any written certification, proxy or other authorization furnished by the Depository or impair, as between the Depository and its Agent Members, the operation of customary practices governing the exercise of the rights of a Holder of any Note.

(b) Transfers of Global Notes shall be limited to transfer in whole, but not in part, to the Depository, its successors or their respective nominees. Interests of beneficial owners in the Global Notes may be transferred or exchanged for Physical Notes in accordance with the rules and procedures of the Depository and the provisions of Section 2.17. In addition, a Global Note shall be exchangeable for Physical Notes if (i) the Depository (x) notifies the Issuer that it is unwilling or unable to continue as depository for such Global Note and the Issuer thereupon fails to appoint a successor depository or (y) has ceased to be a clearing agency registered under the Exchange Act or (ii) there shall have occurred and be continuing an Event of Default with respect to the Notes. In all cases, Physical Notes delivered in exchange for any Global Note or beneficial interests therein shall be registered in the names, and issued in any approved denominations, requested by or on behalf of the Depository (in accordance with its customary procedures).

(c) In connection with any transfer or exchange of a portion of the beneficial interest in any Global Note to beneficial owners pursuant to paragraph (b), the Registrar shall (if one or more Physical Notes are to be issued) reflect on its books and records the date and a decrease in the principal amount of the Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note to be transferred, and the Issuer shall execute, and the Trustee shall upon receipt of a written order from the Issuer authenticate and make available for delivery, one or more Physical Notes of like tenor and amount.

(d) In connection with the transfer of Global Notes as an entirety to beneficial owners pursuant to paragraph (b), the Global Notes shall be deemed to be surrendered to the Trustee for cancellation, and the Issuer shall execute, and the Trustee shall authenticate and deliver, to each beneficial owner identified by the Depository in writing in exchange for its beneficial interest in the Global Notes, an equal aggregate principal amount of Physical Notes of authorized denominations.

(e) Any Physical Note constituting a Restricted Note delivered in exchange for an interest in a Global Note pursuant to paragraph (b), (c) or (d) shall, except as otherwise provided by paragraphs (a)(i)(x) and (c) of Section 2.17, bear the Private Placement Legend or, in the case of the Regulation S Global Note, the legend set forth in Exhibit C, in each case, unless the Issuer determines otherwise in compliance with applicable law.

(f) On or prior to the 40th day after the later of the commencement of the Offering of the Notes represented by the Regulation S Global Note and the Issue Date of such Notes (such period through and including such 40th day, the “Restricted Period”), a beneficial interest in a Regulation S Global Note may be transferred to a Person who takes delivery in the form of an interest in the corresponding Restricted Global Note only upon receipt by the Trustee of a written certification from the transferor to the effect that such transfer is being made (i)(a) to a Person whom the transferor reasonably believes is a Qualified Institutional Buyer in a transaction meeting the requirements of Rule 144A or (b) pursuant to another exemption from the registration requirements under the Securities Act which is accompanied by an Opinion of Counsel regarding the availability of such exemption and (ii) in accordance with all applicable securities laws of any state of the United States or any other jurisdiction.

(g) Beneficial interests in the Restricted Global Note may be transferred to a Person who takes delivery in the form of an interest in the Regulation S Global Note, whether before or after the expiration of the Restricted Period, only if the transferor first delivers to the Trustee a written certificate to the effect that such transfer is being made in accordance with Rule 903 or 904 of Regulation S or Rule 144 (if available).

(h) Any beneficial interest in one of the Global Notes that is transferred to a Person who takes delivery in the form of an interest in another Global Note shall, upon transfer, cease to be an interest in such Global Note and become an interest in such other Global Note and, accordingly, shall thereafter be subject to all transfer restrictions and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(i) The Holder of any Global Note may grant proxies and otherwise authorize any Person, including Agent Members and Persons that may hold interests through Agent Members, to take any action which a Holder is entitled to take under this Indenture or the Notes.

SECTION 2.17. Special Transfer Provisions.

(a) Transfers to Non-OIB Institutional Accredited Investors and Non-U.S. Persons. The following provisions shall apply with respect to the registration of any proposed transfer of a Note constituting a Restricted Note to any Institutional Accredited Investor which is not a QIB or to any Non-U.S. Person:

(i) the Registrar shall register the transfer of any Note constituting a Restricted Note, whether or not such Note bears the Private Placement Legend, if (x) the requested transfer is after April 13, 2011 or such other date as such Note shall be freely transferable under Rule 144 as certified in an Officers' Certificate or (y) (1) in the case of a transfer to an Institutional Accredited Investor which is not a QIB (excluding Non-U.S. Persons), the proposed transferee has delivered to the Registrar a certificate substantially in the form of Exhibit E hereto or (2) in the case of a transfer to a Non-U.S. Person (including a QIB), the proposed transferor has delivered to the Registrar a certificate substantially in the form of Exhibit F hereto; provided that in the case of any transfer of a Note bearing the Private Placement Legend for a Note not bearing the Private Placement Legend, the Registrar has received an Officers' Certificate authorizing such transfer; and

(ii) if the proposed transferor is an Agent Member holding a beneficial interest in a Global Note, upon receipt by the Registrar of (x) the certificate, if any, required by paragraph (i) above and (y) instructions given in accordance with the Depository's and the Registrar's procedures,

whereupon (a) the Registrar shall reflect on its books and records the date and (if the transfer does not involve a transfer of outstanding Physical Notes) a decrease in the principal amount of a Global Note in an amount equal to the principal amount of the beneficial interest in a Global

Note to be transferred, and (b) the Registrar shall reflect on its books and records the date and an increase in the principal amount of a Global Note in an amount equal to the principal amount of the beneficial interest in the Global Note transferred or the Issuer shall execute and the Trustee shall authenticate and make available for delivery one or more Physical Notes of like tenor and amount.

(b) Transfers to QIBs. The following provisions shall apply with respect to the registration or any proposed registration of transfer of a Note constituting a Restricted Note to a QIB (excluding transfers to Non-U.S. Persons):

(i) the Registrar shall register the transfer if such transfer is being made by a proposed transferor who has checked the box provided for on such Holder's Note stating, or has otherwise advised the Issuer and the Registrar in writing, that the sale has been made in compliance with the provisions of Rule 144A to a transferee who has signed the certification provided for on such Holder's Note stating, or has otherwise advised the Issuer and the Registrar in writing, that it is purchasing the Note for its own account or an account with respect to which it exercises sole investment discretion and that it and any such account is a QIB within the meaning of Rule 144A, and is aware that the sale to it is being made in reliance on Rule 144A and acknowledges that it has received such information regarding the Issuer as it has requested pursuant to Rule 144A or has determined not to request such information and that it is aware that the transferor is relying upon its foregoing representations in order to claim the exemption from registration provided by Rule 144A; and

(ii) if the proposed transferee is an Agent Member, and the Notes to be transferred consist of Physical Notes which after transfer are to be evidenced by an interest in the Global Note, upon receipt by the Registrar of instructions given in accordance with the Depository's and the Registrar's procedures, the Registrar shall reflect on its books and records the date and an increase in the principal amount of the Global Note in an amount equal to the principal amount of the Physical Notes to be transferred, and the Trustee shall cancel the Physical Notes so transferred.

(c) Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes not bearing the Private Placement Legend, the Registrar shall deliver Notes that do not bear the Private Placement Legend. Upon the registration of transfer, exchange or replacement of Notes bearing the Private Placement Legend, the Registrar shall deliver only Notes that bear the Private Placement Legend unless (i) it has received the Officers' Certificate required by paragraph (a)(i)(y) of this Section 2.17, (ii) there is delivered to the Registrar an Opinion of Counsel reasonably satisfactory to the Issuer and the Trustee to the effect that neither such legend nor the related restrictions on transfer are required in order to maintain compliance with the provisions of the Securities Act or (iii) such Note has been sold pursuant to an effective registration statement under the Securities Act and the Registrar has received an Officers' Certificate from the Issuer to such effect.

(d) General. By its acceptance of any Note bearing the Private Placement Legend, each Holder of such Note acknowledges the restrictions on transfer of such Note set forth in this Indenture and in the Private Placement Legend and agrees that it will transfer such Note only as provided in this Indenture.

The Registrar shall retain for a period of two years copies of all letters, notices and other written communications received pursuant to Section 2.16 or this Section 2.17. The Issuer shall have the right to inspect and make copies of all such letters, notices or other written communications at any reasonable time upon the giving of reasonable notice to the Registrar.

The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

SECTION 2.18. Computation of Interest.

Interest on the Notes shall be computed on the basis of a 360-day year of twelve 30-day months.

SECTION 2.19. Acts of Holders.

(a) Any request, demand, authorization, direction, notice, consent, waiver or other action provided by this Indenture to be given or taken by Holders may be embodied in and evidenced by one or more instruments of substantially similar tenor signed by such Holders in person or by agents duly appointed in writing; and, except as herein otherwise expressly provided, such action shall become effective when such instrument or instruments are delivered to the Trustee and, where it is hereby expressly required, to the Issuer. Such instrument or instruments (and the action embodied therein and evidenced thereby) are herein sometimes referred to as the "Act" of the Holders signing such instrument or instruments. Proof of execution of any such instrument or of a writing appointing any such agent shall be sufficient for any purpose of this Indenture and conclusive in favor of the Trustee and the Issuer, if made in the manner provided in this Section 2.19.

(b) The fact and date of the execution by any Person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by a certificate of a notary public or other officer authorized by law to take acknowledgments of deeds, certifying that the individual signing such instrument or writing acknowledged to such officer the execution thereof. Where such execution is by a signer acting in a capacity other than such signer's individual capacity, such certificate or affidavit shall also constitute sufficient proof of such signer's authority. The fact and date of the execution of any such instrument or writing, or the authority of the Person executing the same, may also be proved in any other manner which the Trustee deems sufficient.

(c) The principal amount and serial numbers of Notes held by any Person, and the date of holding the same, shall be proved by the register kept by the Registrar.

(d) Any request, demand, authorization, direction, notice, consent, waiver or other Act of the Holder of any Note shall bind every future Holder of the same Note and the holder of every Note issued upon the registration of transfer thereof or in exchange therefor or in lieu thereof in respect of anything done, omitted or suffered to be done by the Trustee or the Issuer in reliance thereon, whether or not notation of such action is made upon such Note.

(e) If the Issuer shall solicit from the Holders any request, demand, authorization, direction, notice, consent, waiver or other Act, the Issuer may, at its option, by or pursuant to a Board Resolution, fix in advance a record date for the determination of Holders entitled to give such request, demand, authorization, direction, notice, consent, waiver or other Act, but the Issuer shall have no obligation to do so. If such a record date is fixed, such request, demand, authorization, direction, notice, consent, waiver or other Act may be given before or after such record date, but only the Holders of record at the close of business on such record date shall be deemed to be Holders for the purposes of determining whether Holders of the requisite proportion of outstanding Notes have authorized or agreed or consented to such request, demand, authorization, direction, notice, consent, waiver or other Act, and for that purpose the outstanding Notes shall be computed as of such record date; provided that no such authorization, agreement or consent by the Holders on such record date shall be deemed effective unless it shall become effective pursuant to the provisions of this Indenture not later than six months after the record date.

ARTICLE THREE

REDEMPTION

SECTION 3.01. Election To Redeem; Notices to Trustee

If the Issuer elects to redeem Notes pursuant to paragraph 6 of the Notes, at least 45 days prior to the Redemption Date (unless a shorter notice shall be agreed to in writing by the Trustee) but not more than 65 days before the Redemption Date, the Issuer shall notify the Trustee in writing of the Redemption Date, the principal amount of Notes to be redeemed and the redemption price, and deliver to the Trustee an Officers' Certificate stating that such redemption will comply with the conditions contained in paragraph 6 of the Notes. Notice given to the Trustee pursuant to this Section 3.01 may not be revoked after the time that notice is given to Holders pursuant to Section 3.03.

SECTION 3.02. Selection by Trustee of Notes To Be Redeemed

In the event that less than all of the Notes are to be redeemed pursuant to a redemption made pursuant to paragraph 6 of the Notes, selection of the Notes for redemption shall be made by the Trustee in compliance with the requirements of the principal national securities exchange, if any, on which the Notes are listed or, if the Notes are not then listed on a national securities exchange, prorate, by lot or by such method as may be required by the Depository's procedures; provided, however, that no Notes of a principal amount of \$2,000 or less shall be redeemed in part. If a partial redemption is made pursuant to paragraph 6 of the Notes, selection of the Notes or portions thereof for redemption shall be made by the Trustee only on a pro rata basis or on as nearly a pro rata basis as is practicable (subject to the procedures of the Depository), unless that method is otherwise prohibited or as otherwise required by the Depository's procedures. The Trustee shall promptly notify the Issuer of the Notes selected for redemption and, in the case of any Notes selected for partial redemption, the principal amount thereof to be redeemed. The Trustee may select for redemption portions of the principal of the Notes that have denominations larger than \$2,000. For all purposes of this Indenture unless the context otherwise requires, provisions of this Indenture that apply to Notes called for redemption also apply to portions of Notes called for redemption. The Issuer may acquire Notes by means other than redemption, whether pursuant to an Issuer tender offer, open market purchase or otherwise provided such acquisition does not otherwise violate the other terms of this Indenture.

SECTION 3.03. Notice of Redemption.

At least 30 days, and no more than 60 days, before a Redemption Date, the Issuer shall mail, or cause to be mailed, or, in the case of Notes held in book-entry form, send by electronic transmission a notice of redemption by first-class mail to each Holder of Notes to be redeemed at his or her last address as the same appears on the registry books maintained by the Registrar pursuant to Section 2.04.

The notice shall identify the Notes to be redeemed (including the CUSIP numbers thereof) and shall state:

- (1) the Redemption Date;
- (2) the redemption price and the amount of premium and accrued interest to be paid;
- (3) if any Note is being redeemed in part, the portion of the principal amount of such Note to be redeemed and that, after the Redemption Date and upon surrender of such Note, a new Note or Notes in principal amount equal to the unredeemed portion will be issued;
- (4) the name and address of the Paying Agent;

-
- (5) that Notes called for redemption must be surrendered to the Paying Agent to collect the redemption price;
 - (6) that unless the Issuer defaults in making the redemption payment, interest on Notes called for redemption ceases to accrue on and after the Redemption Date;
 - (7) the provision of paragraph 6 of the Notes, as the case may be, pursuant to which the Notes called for redemption are being redeemed; and
 - (8) the aggregate principal amount of Notes that are being redeemed.

At the Issuer's written request made at least five Business Days prior to the date on which notice is to be given, the Trustee shall give the notice of redemption in the Issuer's name and at the Issuer's sole expense.

SECTION 3.04. Effect of Notice of Redemption.

Once the notice of redemption described in Section 3.03 is sent, Notes called for redemption become due and payable on the Redemption Date and at the redemption price, including any premium, plus interest accrued to the Redemption Date. Upon surrender to the Paying Agent, such Notes shall be paid at the redemption price, including any premium, plus interest accrued to the Redemption Date, provided that if the Redemption Date is after a regular record date and on or prior to the Interest Payment Date, the accrued interest shall be payable to the Holder of the redeemed Notes registered on the relevant record date, and provided, further, that if a Redemption Date is a Legal Holiday, payment shall be made on the next succeeding Business Day and no interest shall accrue for the period from such Redemption Date to such succeeding Business Day.

SECTION 3.05. Deposit of Redemption Price.

On or prior to 10:00 a.m., New York City time, on each Redemption Date, the Issuer shall deposit with the Paying Agent in immediately available funds money sufficient to pay the redemption price of, including premium, if any, and accrued interest on all Notes to be redeemed on that date other than Notes or portions thereof called for redemption on that date which have been delivered by the Issuer to the Trustee for cancellation.

On and after any Redemption Date, if money sufficient to pay the redemption price of, including premium, if any, and accrued interest on Notes called for redemption shall have been made available in accordance with the preceding paragraph, the Notes called for redemption will cease to accrue interest and the only right of the Holders of such Notes will be to receive payment of the redemption price of and, subject to the first proviso in Section 3.04, accrued and unpaid interest on such Notes to the Redemption Date. If any Note surrendered for redemption shall not be so paid, interest will be paid, from the Redemption Date until such redemption payment is made, on the unpaid principal of the Note and any interest not paid on such unpaid principal, in each case, at the rate and in the manner provided in the Notes.

SECTION 3.06. Notes Redeemed in Part.

Upon surrender of a Note that is redeemed in part, the Trustee shall authenticate for the Holder thereof a new Note equal in principal amount to the unredeemed portion of the Note surrendered.

COVENANTS

SECTION 4.01. Payment of Notes.

The Issuer shall pay the principal of and interest (including all Liquidated Damages as provided in the Registration Rights Agreement) on the Notes on the dates and in the manner provided in the Notes and this Indenture. An installment of principal or interest shall be considered paid on the date it is due if the Trustee or Paying Agent holds on that date money designated for and sufficient to pay such installment.

The Issuer shall pay interest on overdue principal (including post-petition interest in a proceeding under any Bankruptcy Law), and overdue interest, to the extent lawful, at the rate specified in the Notes.

SECTION 4.02. Reports to Holders.

Whether or not required by the SEC, so long as any Notes are outstanding, the Issuer shall furnish to the Trustee and the Holders of Notes, within the time periods specified in the SEC's rules and regulations (including any grace periods or extensions permitted by the SEC):

(1) all quarterly and annual financial information that would be required to be contained in a filing with the SEC on Forms 10-Q and 10-K if the Issuer were required to file these Forms, including a "Management's Discussion and Analysis of Financial Condition and Results of Operations" and, with respect to the annual information only, a report on the annual financial statements by the Issuer's independent registered public accounting firm; and

(2) all current reports that would be required to be filed with the SEC on Form 8-K if the Issuer were required to file these reports.

In addition, whether or not required by the SEC, the Issuer shall file a copy of all of the information and reports referred to in clauses (1) and (2) above with the SEC for public availability within the time periods specified in the SEC's rules and regulations (unless the SEC will not accept the filing) and make the information available to securities analysts and prospective investors upon request. For so long as any Notes remain outstanding, the Issuer shall furnish to the Holders (with a copy to the Trustee) and to securities analysts and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Issuer's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officers' Certificates).

SECTION 4.03. Waiver of Stay, Extension or Usury Laws

Each of the Issuer and the Guarantors covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, or plead (as a defense or otherwise) or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law which would prohibit or forgive any of the Issuer and the Guarantors from paying all or any portion of the principal of, premium, if any, and/or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Indenture; and (to the extent that they may lawfully do so) each of the Issuer and the Guarantors hereby expressly waives all benefit or advantage of any such law, and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

SECTION 4.04. Compliance Certificate

(a) The Issuer shall deliver to the Trustee, within 90 days after the end of each fiscal year, an Officers' Certificate, one of the signers of which shall be the principal executive officer, principal accounting officer or principal financial officer of the Issuer, stating that a review of the activities of the Issuer and its Subsidiaries during such fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Issuer and the Guarantors have kept, observed, performed and fulfilled their obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his or her knowledge, the Issuer and the Guarantors have kept, observed, performed and fulfilled each and every covenant contained in this Indenture and are not in default in the performance or observance of any of the terms, provisions and conditions hereof (or, if a Default shall have occurred, describing all such Defaults of which he or she may have knowledge and what action they are taking or propose to take with respect thereto) and that to the best of his or her knowledge no event has occurred and remains in existence by reason of which payments on account of the principal of or interest, if any, on the Notes is prohibited or if such event has occurred, a description of the event and what action the Issuer and the Guarantors is taking or propose to take with respect thereto.

(b) The Issuer and the Guarantors shall, so long as any of the Notes are outstanding, deliver to the Trustee, forthwith upon any Officer becoming aware of any Default, an Officers' Certificate specifying such Default and what action the Issuer and the Guarantors are taking or propose to take with respect thereto.

(c) The Issuer's fiscal year currently ends on December 31. The Issuer will provide written notice to the Trustee of any change in its fiscal year.

SECTION 4.05. Taxes.

The Issuer and the Guarantors shall, and shall cause each of their Subsidiaries to, pay prior to delinquency all material taxes, assessments, and governmental levies except as contested in good faith and by appropriate proceedings.

SECTION 4.06. Restrictions on Secured Debt.

The Issuer shall not, and shall not cause or permit a Restricted Subsidiary to, create, incur, assume or guarantee any Secured Debt unless the Notes will be secured equally and ratably with (or prior to) such Secured Debt, with certain exceptions. This restriction does not prohibit the creation, incurrence, assumption or guarantee of Secured Debt which is secured by:

- (1) Liens on model homes, homes held for sale, homes that are under contract for sale, contracts for the sale of homes, land (improved or unimproved), manufacturing plants, warehouses or office buildings and fixtures and equipment located thereat, or thereon;
- (2) Liens on assets of a Person existing at the time such Person is acquired or merged with or into or consolidated with the Issuer or any such Restricted Subsidiary (and not created in anticipation or contemplation thereof);
- (3) Liens arising from conditional sales agreements or title retention agreements with respect to property acquired by the Issuer or a Restricted Subsidiary; and
- (4) Liens securing Indebtedness of a Restricted Subsidiary owed to the Issuer or to a Wholly Owned Restricted Subsidiary of the Issuer.

Additionally, such permitted Secured Debt includes any amendment, restatement, supplement, renewal, replacement, extension or refunding in whole or in part, of Secured Debt permitted at the time of the original incurrence thereof.

In addition, the Issuer and its Restricted Subsidiaries may create, incur, assume or guarantee Secured Debt, without equally or ratably securing the Notes, if immediately thereafter the sum of (1) the aggregate principal amount of all Secured Debt outstanding (excluding (i) Secured Debt permitted under clauses (1) through (4) above and (ii) any Secured Debt in relation to which the Notes have been equally and ratably secured) and (2) all Attributable Indebtedness in respect of Sale and Leaseback Transactions (excluding Attributable Indebtedness in respect of Sale and Leaseback Transactions satisfying the conditions set forth in clauses (1), (2) and (3) of Section 4.07) as of the date of determination would not exceed 20% of Consolidated Net Tangible Assets.

The provisions described above with respect to limitations on Secured Debt are not applicable to Non-Recourse Land Financing by virtue of the definition of Secured Debt, and will not restrict or limit the Issuer's or its Restricted Subsidiaries' ability to create, incur, assume or guarantee any unsecured Indebtedness, or of any Subsidiary which is not a Restricted Subsidiary to create, incur, assume or guarantee any secured or unsecured Indebtedness.

SECTION 4.07. Restrictions on Sale and Leaseback Transactions

The Issuer shall not, and shall not permit any Restricted Subsidiary to, enter into any Sale and Leaseback Transaction, unless:

- (1) written notice is promptly given to the Trustee of the Sale and Leaseback Transaction;
- (2) fair value is received by the Issuer or the relevant Restricted Subsidiary for the property sold (as determined in good faith pursuant to a resolution of the Board of Directors of the Issuer delivered to the Trustee); and
- (3) the Issuer or such Restricted Subsidiary, within 365 days after the completion of the Sale and Leaseback Transaction, applies an amount equal to the net proceeds therefrom either:
 - (a) to the redemption, repayment or retirement of Notes of any series under this Indenture (including the cancellation by the Trustee of any Notes of any series delivered by the Issuer to the Trustee) or Senior Indebtedness of the Issuer, or
 - (b) to the purchase by the Issuer or any Restricted Subsidiary of the Issuer of property substantially similar to the property sold or transferred.

In addition, the Issuer and its Restricted Subsidiaries may enter into a Sale and Leaseback Transaction if immediately thereafter the sum of (1) the aggregate principal amount of all Secured Debt outstanding (excluding Secured Debt permitted under clauses (1) through (4) of Section 4.06 or Secured Debt in relation to which the Notes have been equally and ratably secured) and (2) all Attributable Indebtedness in respect of Sale and Leaseback Transactions (excluding Attributable Indebtedness in respect of Sale and Leaseback Transactions satisfying the conditions set forth in clauses (1), (2) and (3) of this Section 4.07) as of the date of determination would not exceed 20% of Consolidated Net Tangible Assets.

SECTION 4.08. Additional Note Guarantees.

If, after the Issue Date, the Issuer or any Restricted Subsidiary shall acquire or create another Restricted Subsidiary, then the Issuer shall cause such Subsidiary to:

- (1) execute and deliver to the Trustee (a) a supplemental indenture in form and substance satisfactory to the Trustee pursuant to which such Restricted Subsidiary shall unconditionally guarantee all of the Issuer's obligations under the Notes and this Indenture and (b) a notation of guarantee in respect of its Note Guarantee; and
- (2) deliver to the Trustee one or more Opinions of Counsel that such supplemental indenture
 - (a) has been duly authorized, executed and delivered by such Restricted Subsidiary and
 - (b) constitutes a valid, legally binding and enforceable obligation of such Restricted Subsidiary in accordance with its terms.

SECTION 4.09. Maintenance of Properties; Insurance; Compliance with Law.

(a) The Issuer shall, and shall cause each of its Restricted Subsidiaries to, at all times cause all properties used or useful in the conduct of their business to be maintained and kept in good condition, repair and working order (reasonable wear and tear excepted) and supplied with all necessary equipment, and shall cause to be made all necessary repairs, renewals, replacements, necessary betterments and necessary improvements thereto.

(b) The Issuer shall maintain, and shall cause to be maintained for each of its Restricted Subsidiaries, insurance covering such risks as are usually and customarily insured against by corporations similarly situated in the markets where the Issuer and the Restricted Subsidiaries conduct homebuilding operations, in such amounts as shall be customary for corporations similarly situated and with such deductibles and by such methods as shall be customary and reasonably consistent with past practice.

(c) The Issuer shall, and shall cause each of its Subsidiaries to, comply with all statutes, laws, ordinances or government rules and regulations to which they are subject, non-compliance with which would materially adversely affect the business, earnings, properties, assets or financial condition of the Issuer and their Subsidiaries taken as a whole.

SECTION 4.10. Payments for Consent.

The Issuer shall not, and shall not cause or permit any of its Subsidiaries to, directly or indirectly, pay or cause to be paid any consideration, whether by way of interest, fee or otherwise, to any Holder of any Notes for or as an inducement to any consent, waiver or amendment of any of the terms or provisions of this Indenture or the Notes unless such consideration is offered to be paid or agreed to be paid to all Holders which so consent, waive or agree to amend in the time frame set forth in solicitation documents relating to such consent, waiver or agreement.

SECTION 4.11. Legal Existence.

Subject to Article Five, the Issuer shall do or cause to be done all things necessary to preserve and keep in full force and effect (i) its legal existence, and the corporate, partnership or other existence of each Restricted Subsidiary, in accordance with the respective organizational documents (as the same may be amended from time to time) of each Restricted Subsidiary and the rights (charter and statutory), licenses and franchises of the Issuer and its Restricted Subsidiaries; provided that the Issuer shall not be required to preserve any such right, license or franchise, or the corporate, partnership or other existence of any of its Restricted Subsidiaries if the Board of Directors of the Issuer shall determine that the preservation thereof is no longer desirable in the conduct of the business of the Issuer and its Restricted Subsidiaries, taken as a whole, and that the loss thereof is not adverse in any material respect to the Holders.

SECTION 4.12. Change of Control Offer.

Upon the occurrence of a Change of Control Triggering Event, the Issuer shall be obligated to make an Offer to Purchase (the "Change of Control Offer"), and shall purchase, on a Business Day (the "Change of Control Payment Date") not more than 60 nor less than 30 days following the occurrence of the Change of Control, all of the then outstanding Notes at a purchase price equal to 101% of the principal amount thereof, plus accrued and unpaid interest, if any, thereon to the Change of Control Payment Date. The Change of Control Offer shall remain open for at least 20 Business Days and until the close of business on the Change of Control Payment Date.

Within 30 days following the date upon which a Change of Control Triggering Event occurs (the "Change of Control Date"), the Issuer shall send, by first class mail, or, in the case of Notes held in book-entry form, send by electronic transmission a notice to each Holder, with a copy to the Trustee, which notice shall govern the terms of the Change of Control Offer. The notice to the Holders shall contain all instructions and materials necessary to enable such Holders to tender Notes pursuant to the Change of Control Offer.

Any amounts remaining after the purchase of Notes pursuant to a Change of Control Offer shall be returned by the Trustee to the Issuer.

The Issuer's obligation to make a Change of Control Offer will be satisfied if a third party makes the Change of Control Offer in the manner and at the times and otherwise in compliance with the requirements applicable to a Change of Control Offer made by the Issuer and purchases all Notes properly tendered and not withdrawn under the Change of Control Offer.

The Issuer shall comply with applicable tender rules, including the requirements of Rule 14e-1 under the Exchange Act and any other applicable laws and regulations in connection with the purchase of Notes pursuant to a Change of Control Offer. To the extent the provisions of any securities laws or regulations conflict with the provisions under this Section 4.12, the Issuer shall comply with the applicable securities laws and regulations and shall not be deemed to have breached its obligations under this Section 4.12 by virtue thereof.

SECTION 4.13. Liquidated Damages Notice.

In the event that the Issuer is required to pay Liquidated Damages to holders of Notes pursuant to the Registration Rights Agreement, the Issuer will provide written notice ("Liquidated Damages Notice") to the Trustee of its obligation to pay Liquidated Damages no later than five days prior to the proposed payment date for the Liquidated Damages, and the Liquidated Damages Notice shall set forth the amount of Liquidated Damages to be paid by the Issuer on such payment date. The Trustee shall not at any time be under any duty or responsibility to any Holder to determine the Liquidated Damages, or with respect to the nature, extent, or calculation of the amount of Liquidated Damages owed, or with respect to the method employed in such calculation of the Liquidated Damages.

ARTICLE FIVE

SUCCESSOR CORPORATION

SECTION 5.01. Limitations on Mergers, Consolidations, Etc.

The Issuer shall not, directly or indirectly, in a single transaction or a series of related transactions, (a) consolidate or merge with or into (other than a merger that satisfies the requirements of clause (1) below with a Wholly Owned Restricted Subsidiary solely for the purpose of changing the Issuer's jurisdiction of incorporation to another State of the United States), or sell, lease, transfer, convey or otherwise dispose of or assign all or substantially all of the assets of the Issuer or the Issuer and its Restricted Subsidiaries (taken as a whole) or (b) adopt a Plan of Liquidation unless, in either case:

(1) either:

(a) the Issuer will be the surviving or continuing Person; or

(b) the Person formed by or surviving such consolidation or merger or to which such sale, lease, conveyance or other disposition shall be made (or, in the case of a Plan of Liquidation, any Person to which assets are transferred) (collectively, the “Successor”) is a corporation or limited liability company organized and existing under the laws of any State of the United States of America or the District of Columbia, and the Successor expressly assumes, by supplemental indenture in form and substance satisfactory to the Trustee, all of the obligations of the Issuer under the Notes, this Indenture and the Registration Rights Agreement; provided that at any time the Successor is a limited liability company, there shall be a co-issuer of the Notes that is a corporation; and

(2) immediately after giving effect to such transaction and the assumption of the obligations as set forth in clause (1)(b) above and the incurrence of any Indebtedness to be incurred in connection therewith, no Default shall have occurred and be continuing.

Unless as provided under Section 10.04, no Guarantor may consolidate with or merge with or into another Person, whether or not affiliated with such Guarantor, unless:

(1) either:

(a) such Guarantor will be the surviving or continuing Person; or

(b) the Person formed by or surviving any such consolidation or merger assumes, by supplemental indenture in form and substance satisfactory to the Trustee, all of the obligations of such Guarantor under the Note Guarantee of such Guarantor, this Indenture and the Registration Rights Agreement; and

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing.

The Issuer shall deliver to the Trustee on or prior to the consummation of a transaction proposed pursuant to clause 1(b) of the first or second paragraph of this Section 5.01 an Officer’s Certificate and an Opinion of Counsel stating that the proposed transaction and such supplemental indenture comply with this Indenture and constitutes the legal, valid and binding obligation of the Issuer, enforceable against it in accordance with its terms.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the assets of one or more Restricted Subsidiaries, the Equity Interests of which constitute all or substantially all of the assets of the Issuer, will be deemed to be the transfer of all or substantially all of the assets of the Issuer.

Upon any consolidation, combination or merger of the Issuer or a Guarantor, or any transfer of all or substantially all of the assets of the Issuer in accordance with the foregoing, in which the Issuer or such Guarantor is not the continuing obligor under the Notes or its Note Guarantee, the surviving entity formed by such consolidation or into which the Issuer or such Guarantor is merged or to which the conveyance, lease or transfer is made will succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor under this Indenture, the Notes and the Note Guarantees with the same effect as if such surviving entity had been named therein as the Issuer or such Guarantor and, except in the case of a conveyance, transfer or lease, the Issuer or such Guarantor, as the case may be, will be released from the obligation to pay the principal of and interest on the Notes or in respect of its Note Guarantee, as the case may be, and all of the Issuer's or such Guarantor's other obligations and covenants under the Notes, this Indenture and its Note Guarantee, if applicable.

Notwithstanding the foregoing, any Restricted Subsidiary may merge into the Issuer or another Restricted Subsidiary.

SECTION 5.02. Successor Person Substituted

Upon any consolidation or merger, or any transfer of all or substantially all of the assets of the Issuer or any Restricted Subsidiary in accordance with Section 5.01, the successor corporation formed by such consolidation or into which the Issuer is merged or to which such transfer is made shall succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Restricted Subsidiary under this Indenture with the same effect as if such successor corporation had been named as the Issuer or such Restricted Subsidiary herein, and thereafter the predecessor corporation shall be relieved of all obligations and covenants under this Indenture and the Notes.

ARTICLE SIX

DEFAULTS AND REMEDIES

SECTION 6.01. Events of Default

Each of the following is an "Event of Default":

- (1) failure by the Issuer to pay interest on any of the Notes when it becomes due and payable and the continuance of any such failure for 30 days;
- (2) failure by the Issuer to pay the principal on any of the Notes when it becomes due and payable, whether at stated maturity, upon redemption, upon purchase, upon acceleration or otherwise;
- (3) failure by the Issuer to comply with Section 5.01;

(4) failure by the Issuer to comply with any other agreement or covenant in this Indenture and continuance of this failure for 30 days after notice of the failure has been given to the Issuer by the Trustee or by the Holders of at least 25% of the aggregate principal amount of the Notes then outstanding;

(5) default under any mortgage, indenture or other instrument or agreement under which there may be issued or by which there may be secured or evidenced Indebtedness (other than Non-Recourse Land Financing) of the Issuer or any Restricted Subsidiary, whether such Indebtedness now exists or is incurred after the Issue Date, which default:

(a) is caused by a failure to pay when due principal on such Indebtedness within the applicable express grace period,

(b) results in the acceleration of such Indebtedness prior to its express final maturity or

(c) results in the commencement of judicial proceedings to foreclose upon, or to exercise remedies under applicable law or applicable security documents to take ownership of, the assets securing such Indebtedness, and

in each case, the principal amount of such Indebtedness, together with any other Indebtedness with respect to which an event described in clause (a), (b) or (c) has occurred and is continuing, aggregates (i) \$15.0 million or more or (ii) such lesser amount as may be applicable to the corresponding event of default in any other capital markets Indebtedness (other than Non-Recourse Land Financing) of the Issuer or any of its Restricted Subsidiaries which is outstanding on the Issue Date;

(6) one or more judgments or orders that exceed (i) \$15.0 million or (ii) such lesser amount as may be applicable to the corresponding event of default in any other capital market Indebtedness (other than Non-Recourse Land Financing) of the Issuer or any of its Restricted Subsidiaries which is outstanding on the Issue Date, in each case, in the aggregate (net of amounts covered by insurance or bonded) for the payment of money have been entered by a court or courts of competent jurisdiction against the Issuer or any Restricted Subsidiary and such judgment or judgments have not been satisfied, stayed, annulled or rescinded within 60 days of being entered;

(7) the Issuer or any Significant Subsidiary pursuant to or within the meaning of any Bankruptcy Law:

(a) commences a voluntary case,

(b) consents to the entry of an order for relief against it in an involuntary case,

(c) consents to the appointment of a Custodian of it or for all or substantially all of its assets, or

(d) makes a general assignment for the benefit of its creditors;

(8) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:

(a) is for relief against the Issuer or any Significant Subsidiary as debtor in an involuntary case,

(b) appoints a Custodian of the Issuer or any Significant Subsidiary or a Custodian for all or substantially all of the assets of the Issuer or any Significant Subsidiary, or

(c) orders the liquidation of the Issuer or any Significant Subsidiary,

and the order or decree remains unstayed and in effect for 60 days; or

(9) any Note Guarantee of any Significant Subsidiary ceases to be in full force and effect (other than in accordance with the terms of such Note Guarantee and this Indenture) or is declared null and void and unenforceable or found to be invalid or any Guarantor denies its liability under its Note Guarantee (other than by reason of release of a Guarantor from its Note Guarantee in accordance with the terms of this Indenture and the Note Guarantee).

Subject to Sections 7.01 and 7.02, the Trustee shall not be charged with knowledge of any Default, Event of Default or Change of Control or the requirement for payment of Liquidated Damages unless written notice thereof shall have been given to a Responsible Officer at the Corporate Trust Office of the Trustee by the Issuer or any other Person.

SECTION 6.02. Acceleration.

If an Event of Default (other than an Event of Default specified in clause (7) or (8) of Section 6.01 with respect to the Issuer), shall have occurred and be continuing, the Trustee, by written notice to the Issuer, or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding by written notice to the Issuer and the Trustee, may declare all amounts owing under the Notes to be due and payable immediately. Upon such declaration of acceleration, the aggregate principal of and accrued and unpaid interest on the outstanding Notes shall immediately become due and payable; provided, however, that after such acceleration, but before a judgment or decree based on acceleration, the Holders of a majority in aggregate principal amount of such outstanding Notes may rescind and annul such acceleration if all Events of Default, other than the nonpayment of accelerated principal and interest, have been cured or waived as provided in this Indenture. If an Event of Default specified in clause (7) or (8) of Section 6.01 with respect to the Issuer occurs, all outstanding Notes shall become due and payable without any further action or notice.

SECTION 6.03. Other Remedies.

If an Event of Default occurs and is continuing, the Trustee may pursue any available remedy by proceeding at law or in equity to collect the payment of principal of, or premium, if any, and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture and may take any necessary action requested of it as Trustee to settle, compromise, adjust or otherwise conclude any proceedings to which it is a party.

The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding. A delay or omission by the Trustee or any Holder in exercising any right or remedy accruing upon an Event of Default shall not impair the right or remedy or constitute a waiver of or acquiescence in the Event of Default. No remedy is exclusive of any other remedy. All available remedies are cumulative. Any costs associated with actions taken by the Trustee under this Section 6.03 shall be reimbursed to the Trustee by the Issuer.

SECTION 6.04. Waiver of Past Defaults and Events of Default.

Subject to Sections 6.02, 6.08 and 8.02, the Holders of a majority in aggregate principal amount of the Notes then outstanding have the right to waive any existing Default or compliance with any provision of this Indenture or the Notes. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereto.

SECTION 6.05. Control by Majority.

The Holders of a majority in aggregate principal amount of the Notes then outstanding may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee by this Indenture. The Trustee, however, may refuse to follow any direction that conflicts with law or this Indenture or that the Trustee determines may be unduly prejudicial to the rights of another Holder not taking part in such direction, and the Trustee shall have the right to decline to follow any such direction if the Trustee, being advised by counsel, determines that the action so directed may not lawfully be taken or if the Trustee in good faith shall, by a Responsible Officer, determine that the proceedings so directed may involve it in personal liability; provided that the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction.

SECTION 6.06. Limitation on Suits.

No Holder will have any right to institute any proceeding with respect to this Indenture or for any remedy thereunder, unless the Trustee:

- (1) has failed to act for a period of 60 days after receiving written notice of a continuing Event of Default by such Holder and a request to act by Holders of at least 25% in aggregate principal amount of Notes outstanding;
- (2) has been offered indemnity satisfactory to it in its reasonable judgment; and
- (3) has not received from the Holders of a majority in aggregate principal amount of the outstanding Notes a direction inconsistent with such request.

However, such limitations do not apply to a suit instituted by a Holder of any Note for enforcement of payment of the principal of or interest on such Note on or after the due date therefor (after giving effect to the grace period specified in clause (1) of Section 6.01).

SECTION 6.07. No Personal Liability of Directors, Officers, Employees and Stockholders.

No director, Officer, employee, incorporator or stockholder of the Issuer will have any liability for any obligations of the Issuer under the Notes or this Indenture or of any Guarantor under its Note Guarantee or this Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes and the Note Guarantees.

SECTION 6.08. Rights of Holders To Receive Payment

Notwithstanding any other provision of this Indenture, the right of any Holder of a Note to receive payment of principal of, or premium, if any, and interest of the Note (including Liquidated Damages) on or after the respective due dates expressed in the Note, or to bring suit for the enforcement of any such payment on or after such respective dates, is absolute and unconditional and shall not be impaired or affected without the consent of the Holder.

SECTION 6.09. Collection Suit by Trustee.

If an Event of Default in payment of principal, premium or interest specified in Section 6.01(1) or (2) occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust against the Issuer or any Guarantor (or any other obligor on the Notes) for the whole amount of unpaid principal and accrued interest remaining unpaid, together with interest on overdue principal and, to the extent that payment of such interest is lawful,

interest on overdue installments of interest, in each case at the rate set forth in the Notes, and such further amounts as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

SECTION 6.10. Trustee May File Proofs of Claim.

The Trustee may file such proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.07) and the Holders allowed in any judicial proceedings relative to the Issuer or any Guarantor (or any other obligor upon the Notes), its creditors or its property and shall be entitled and empowered to collect and receive any monies or other property payable or deliverable on any such claims and to distribute the same after deduction of its charges and expenses to the extent that any such charges and expenses are not paid out of the estate in any such proceedings and any custodian in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee, and in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under this Indenture.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan or reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceedings.

SECTION 6.11. Priorities.

If the Trustee collects any money pursuant to this Article Six, it shall pay out the money in the following order:

FIRST: to the Trustee for amounts due under Section 7.07;

SECOND: to Holders for amounts due and unpaid on the Notes for principal, premium, if any, and interest (including Liquidated Damages, if any) as to each, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes; and

THIRD: to the Issuer or, to the extent the Trustee collects any amount from any Guarantor, to such Guarantor.

The Trustee may fix a record date and payment date for any payment to Holders pursuant to this Section 6.11.

SECTION 6.12. Undertaking for Costs.

In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court in its discretion may require the filing by any party litigant in the suit of an undertaking to pay the costs of the suit, and the court in its discretion may assess reasonable costs, including reasonable attorneys' fees and expenses, against any party litigant in the suit, having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section 6.12 does not apply to a suit by the Trustee, a suit by a Holder pursuant to Section 6.08 or a suit by Holders of more than 10% in principal amount of the Notes then outstanding.

SECTION 6.13. Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every case, subject to any determination in such proceeding, the Issuer, the Guarantors, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

ARTICLE SEVEN

TRUSTEE

SECTION 7.01. Duties of Trustee.

(a) If an Event of Default actually known to a Responsible Officer of the Trustee has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the same circumstances in the conduct of his or her own affairs.

(b) Except during the continuance of an Event of Default:

(1) The Trustee need perform only those duties that are specifically set forth in this Indenture and no others.

(2) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the Trustee and conforming to the requirements of this Indenture but, in the case of any such certificates or opinions which by any provision

hereof are specifically required to be furnished to the Trustee, the Trustee shall be under a duty to examine the same to determine whether or not they conform on their face to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein).

(c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act, or its own willful misconduct, except that:

(1) This paragraph does not limit the effect of paragraph (b) of this Section 7.01.

(2) The Trustee shall not be liable for any error of judgment made in good faith, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.

(3) The Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to the terms hereof.

(4) No provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its rights, powers or duties if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity satisfactory to it against such risk or liability is not reasonably assured to it.

(d) Whether or not therein expressly so provided, paragraphs (a), (b), (c) and (e) of this Section 7.01 shall govern every provision of this Indenture that in any way relates to the Trustee.

(e) The Trustee may refuse to perform any duty or exercise any right or power unless it receives indemnity satisfactory to it in its sole discretion against any loss, liability, expense or fee.

(f) The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the Issuer or any Guarantor. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by the law.

SECTION 7.02. Rights of Trustee.

Subject to Section 7.01:

- (1) The Trustee may conclusively rely on any document reasonably believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.
- (2) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate or an Opinion of Counsel, or both, which shall conform to the provisions of Section 12.05. The Trustee shall be protected and shall not be liable for any action it takes or omits to take in good faith in reliance on such certificate or opinion.
- (3) The Trustee may act through its attorneys and agents and shall not be responsible for the misconduct or negligence of any agent appointed by it with due care.
- (4) The Trustee shall not be liable for any action it takes or omits to take in good faith which it reasonably believes to be authorized or within its rights or powers; provided that the Trustee's conduct does not constitute gross negligence or willful misconduct.
- (5) The Trustee may consult with counsel of its selection, and the advice or opinion of such counsel as to matters of law shall be full and complete authorization and protection from liability in respect of any action taken, omitted or suffered by it hereunder in good faith and in accordance with the advice or opinion of such counsel.
- (6) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.
- (7) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.
- (8) The rights, privileges, protections, immunities and benefits given to the Trustee, including, without limitation, its right to be indemnified, are extended to, and shall be enforceable by, the Trustee in each of its capacities hereunder, and each agent, custodian and other Person employed to act hereunder.
- (9) The Trustee shall not be required to give any bond or surety in respect of the performance of its powers and duties hereunder.

(10) Any request or direction of the Issuer mentioned herein shall be sufficiently evidenced by a written order of the Issuer in the form of an Officers' Certificate or an Issuer Request.

(11) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders pursuant to this Indenture, unless such Holders shall have offered to the Trustee security or indemnity satisfactory to the Trustee against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

The provisions of this Section 7.02 shall survive satisfaction and discharge or the termination, for any reason, of this Indenture and the resignation and/or removal of the Trustee.

SECTION 7.03. Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Notes and may make loans to, accept deposits from, perform services for or otherwise deal with the either of the Issuer or any Guarantor, or any Affiliates thereof, with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. The Trustee, however, shall be subject to Sections 7.10 and 7.11.

SECTION 7.04. Trustee's Disclaimer.

The Trustee shall not be responsible for and makes no representation as to the validity or adequacy of this Indenture or the Notes or any Guarantee, it shall not be accountable for the Issuer's or any Guarantor's use of the proceeds from the sale of Notes or any money paid to the Issuer or any Guarantor pursuant to the terms of this Indenture and it shall not be responsible for any statement in the Notes, Guarantee or this Indenture other than its certificate of authentication.

SECTION 7.05. Notice of Defaults.

The Trustee shall, within 30 days after the occurrence of any Default with respect to the Notes, give the Holders written notice of all uncured Defaults thereunder known to it; provided, however, that, except in the case of an Event of Default in payment with respect to the Notes or a Default in complying with Section 5.01, the Trustee shall be protected in withholding such notice if and so long as it in good faith determines that the withholding of such notice is in the interest of the Holders.

SECTION 7.06. Reports by Trustee to Holders

If required by TIA § 313(a), within 60 days after January 1 of any year, commencing January 1, 2013 the Trustee shall mail to each Holder a brief report dated as of such January 1 that complies with TIA § 313(a). The Trustee also shall comply with TIA § 313(b)(2). The Trustee shall also transmit by mail all reports as required by TIA § 313(c) and TIA § 313(d).

Reports pursuant to this Section 7.06 shall be transmitted by mail:

- (1) to all Holders of Notes, as the names and addresses of such Holders appear on the Registrar's books; and
- (2) to such Holders of Notes as have, within the two years preceding such transmission, filed their names and addresses with the Trustee for that purpose.

A copy of each report at the time of its mailing to Holders shall be filed with the SEC and each stock exchange on which the Notes are listed. The Issuer shall promptly notify the Trustee in writing when the Notes are listed on any stock exchange and any delisting thereof.

SECTION 7.07. Compensation and Indemnity.

The Issuer and the Guarantors shall pay to the Trustee and Agents from time to time such compensation as shall be agreed in writing between the Trustee and the Issuer for its services hereunder (which compensation shall not be limited by any provision of law in regard to the compensation of a trustee of an express trust). The Issuer and the Guarantors shall reimburse the Trustee and Agents upon request for all reasonable disbursements, expenses and advances incurred or made by it in connection with its duties under this Indenture, including the reasonable compensation, disbursements and expenses of the Trustee's agents and counsel.

The Issuer and the Guarantors shall indemnify each of the Trustee and any predecessor Trustee and each of their officers, directors, agents and employees for, and hold each of them harmless against, any and all loss, damage, claim, liability or expense, including without limitation taxes (other than taxes based on the income of the Trustee or such Agent) and reasonable attorneys' fees and expenses incurred by each of them in connection with the acceptance or performance of its duties under this Indenture including the reasonable costs and expenses of defending itself against any claim (whether asserted by the Issuer, the Guarantors, the Holders or any other Person) or liability in connection with the exercise or performance of any of its powers or duties hereunder (including, without limitation, settlement costs). The Trustee or Agent shall notify the Issuer and the Guarantors in writing promptly of any claim asserted against the Trustee or Agent for which it may seek indemnity. However, the failure by the Trustee or Agent to so notify the Issuer and the Guarantors shall not relieve the Issuer and Guarantors of their obligations hereunder except to the extent the Issuer and the Guarantors are prejudiced thereby.

Notwithstanding the foregoing, the Issuer and the Guarantors need not reimburse the Trustee for any expense or indemnify it against any loss or liability incurred by the Trustee through its negligence or willful misconduct. To secure the payment obligations of the Issuer and the Guarantors in this Section 7.07, the Trustee shall have a lien prior to the Notes on all money or property held or collected by the Trustee except such money or property held in trust

to pay principal of and interest on particular Notes. The obligations of the Issuer and the Guarantors under this Section 7.07 to compensate and indemnify the Trustee, Agents and each predecessor Trustee and to pay or reimburse the Trustee, Agents and each predecessor Trustee for expenses, disbursements and advances shall be joint and several liabilities of the Issuer and each of the Guarantors and shall survive the resignation or removal of the Trustee and the satisfaction, discharge or other termination of this Indenture, including any termination or rejection hereof under any Bankruptcy Law.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.01(7) or (8) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

For purposes of this Section 7.07, the term "Trustee" shall include any trustee appointed pursuant to this Article Seven.

SECTION 7.08. Replacement of Trustee.

The Trustee may resign by so notifying the Issuer and the Guarantors in writing at any time. The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by notifying the Issuer and the removed Trustee in writing and may appoint a successor Trustee with the Issuer's written consent, which consent shall not be unreasonably withheld. The Issuer may remove the Trustee at its election if:

- (1) the Trustee fails to comply with Section 7.10;
- (2) the Trustee is adjudged a bankrupt or an insolvent;
- (3) a receiver or other public officer takes charge of the Trustee or its property; or
- (4) the Trustee otherwise becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Issuer shall promptly appoint a successor Trustee.

If a successor Trustee does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Issuer or the Holders of a majority in principal amount of the outstanding Notes, at the expense of the Issuer, may petition any court of competent jurisdiction for the appointment of a successor Trustee.

If the Trustee fails to comply with Section 7.10, any Holder may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Issuer. Immediately following such delivery, the retiring Trustee shall, subject to its rights under Section 7.07, transfer all property held by it as Trustee to the successor Trustee, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee under this Indenture. A successor Trustee shall mail notice of its succession to each Holder. Notwithstanding replacement of the Trustee pursuant to this Section 7.08, the Issuer obligations under Section 7.07 shall continue for the benefit of the retiring Trustee.

SECTION 7.09. Successor Trustee by Consolidation, Merger, etc

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust assets to, another entity, subject to Section 7.10, the successor entity without any further act shall be the successor Trustee; provided such entity shall be otherwise qualified and eligible under this Article Seven.

SECTION 7.10. Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirements of TIA § 310(a)(1) and (2) in every respect. The Trustee (together with its corporate parent) shall have a combined capital and surplus of at least \$50,000,000 as set forth in the most recent applicable published annual report of condition. The Trustee shall comply with TIA § 310(b), including the provision in § 310(b)(1).

SECTION 7.11. Preferential Collection of Claims Against Issuer.

The Trustee shall comply with TIA § 311(a), excluding any creditor relationship listed in TIA § 311(b). A Trustee who has resigned or been removed shall be subject to TIA § 311(a) to the extent indicated therein.

SECTION 7.12. Paying Agents.

The Issuer shall cause each Paying Agent other than the Trustee to execute and deliver to it and the Trustee an instrument in which such agent shall agree with the Trustee, subject to the provisions of this Section 7.12:

(A) that it will hold all sums held by it as agent for the payment of principal of, or premium, if any, or interest on, the Notes (whether such sums have been paid to it by the Issuer or by any obligor on the Notes) in trust for the benefit of Holders or the Trustee;

(B) that it will at any time during the continuance of any Event of Default, upon written request from the Trustee, deliver to the Trustee all sums so held in trust by it together with a full accounting thereof; and

(C) that it will give the Trustee written notice within three (3) Business Days of any failure of the Issuer (or by any obligor on the Notes) in the payment of any installment of the principal of, premium, if any, or interest on, the Notes when the same shall be due and payable.

ARTICLE EIGHT

AMENDMENTS, SUPPLEMENTS AND WAIVERS

SECTION 8.01. Without Consent of Holders.

The Issuer and the Trustee may amend, waive or supplement this Indenture, the Note Guarantees or the Notes without consent of any Holder:

(1) to provide for the assumption of the Issuer's obligations to the Holders pursuant to Section 5.01;

(2) to provide for uncertificated Notes in addition to or in place of certificated Notes;

(3) to cure any ambiguity, defect or inconsistency;

(4) to release any Guarantor from any of its obligations under its Notes Guarantee or this Indenture (to the extent permitted by this Indenture);

(5) to maintain the qualification of this Indenture under the TIA; or

(6) to make any other change that does not materially adversely affect the rights of any Holder hereunder as determined in good faith by the Board of Directors and evidenced by a Board Resolution delivered to the Trustee.

The Trustee is hereby authorized to join with the Issuer and the Guarantors in the execution of any supplemental indenture authorized or permitted by the terms of this Indenture and to make any further appropriate agreements and stipulations which may be therein contained, but the Trustee shall not be obligated to enter into any such supplemental indenture which adversely affects its own rights, duties or immunities under this Indenture.

SECTION 8.02. With Consent of Holders.

This Indenture or the Notes may be amended with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the Holders of at least a majority in aggregate principal amount of the Notes then outstanding, and any existing Default under, or compliance with any provision of, this Indenture may be waived

(other than any continuing Default in the payment of the principal or interest on the Notes) with the consent (which may include consents obtained in connection with a tender offer or exchange offer for Notes) of the Holders of a majority in aggregate principal amount of the Notes then outstanding; provided that:

(a) no such amendment may, without the consent of the Holders of two-thirds in aggregate principal amount of Notes then outstanding, amend the obligation of the Issuer under Section 4.12 or the related definitions that could adversely affect the rights of any Holder; and

(b) without the consent of each Holder affected, the Issuer and the Trustee may not:

- (1) change the maturity of any Note;
- (2) reduce the amount, extend the due date or otherwise affect the terms of any scheduled payment of interest on or principal of the Notes;
- (3) reduce any premium payable upon optional redemption of the Notes, change the date on which any Notes are subject to redemption or otherwise alter the provisions with respect to the redemption of the Notes;
- (4) make any Note payable in money or currency other than that stated in the Notes;
- (5) modify or change any provision of this Indenture or the related definitions to affect the ranking of the Notes or any Note Guarantee in a manner that adversely affects the Holders;
- (6) reduce the percentage of Holders necessary to consent to an amendment or waiver to this Indenture or the Notes;
- (7) impair the rights of Holders to receive payments of principal of or interest on the Notes;
- (8) release any Guarantor from any of its obligations under its Note Guarantee or this Indenture, except as permitted by this Indenture; or
- (9) make any change in this Section 8.02.

After an amendment, supplement or waiver under this Section 8.02 becomes effective, the Issuer shall promptly send to the Holders a notice briefly describing the amendment, supplement or waiver.

Upon the written request of the Issuer, accompanied by a Board Resolution authorizing the execution of any such supplemental indenture, and upon the receipt by the Trustee of evidence reasonably satisfactory to the Trustee of the consent of the Holders as aforesaid and upon receipt by the Trustee of the documents described in Section 8.06, the Trustee shall join with the Issuer and the Guarantors in the execution of such supplemental indenture unless such supplemental indenture affects the Trustee's own rights, duties or immunities under this Indenture, in which case the Trustee may, but shall not be obligated to, enter into such supplemental indenture.

It shall not be necessary for the consent of the Holders under this Section to approve the particular form of any proposed amendment, supplement or waiver, but it shall be sufficient if such consent approves the substance thereof.

SECTION 8.03. Compliance with Trust Indenture Act.

Every amendment or supplement to this Indenture or the Notes shall comply with the TIA as then in effect.

SECTION 8.04. Revocation and Effect of Consents.

Until an amendment, supplement, waiver or other action becomes effective, a consent to it by a Holder of a Note is a continuing consent conclusive and binding upon such Holder and every subsequent Holder of the same Note or portion thereof, and of any Note issued upon the transfer thereof or in exchange therefor or in place thereof, even if notation of the consent is not made on any such Note. Any such Holder or subsequent Holder, however, may revoke the consent as to his Note or portion of a Note, if the Trustee receives the written notice of revocation before the date the amendment, supplement, waiver or other action becomes effective.

The Issuer may, but shall not be obligated to, fix a record date for the purpose of determining the Holders entitled to consent to any amendment, supplement, or waiver. If a record date is fixed, then, notwithstanding the preceding paragraph, those Persons who were Holders at such record date (or their duly designated proxies), and only such Persons, shall be entitled to consent to such amendment, supplement, or waiver or to revoke any consent previously given, whether or not such Persons continue to be Holders after such record date. No such consent shall be valid or effective for more than 90 days after such record date unless the consent of the requisite number of Holders has been obtained.

After an amendment, supplement, waiver or other action becomes effective, it shall bind every Holder, unless it makes a change described in any of clauses (1) through (9) of Section 8.02. In that case the amendment, supplement, waiver or other action shall bind each Holder of a Note who has consented to it and every subsequent Holder of a Note or portion of a Note that evidences the same debt as the consenting Holder's Note.

SECTION 8.05. Notation on or Exchange of Notes

If an amendment, supplement, or waiver changes the terms of a Note, the Trustee (in accordance with the specific written direction of the Issuer) shall request the Holder of the Note (in accordance with the specific written direction of the Issuer) to deliver it to the Trustee. In such case, the Trustee shall place an appropriate notation on the Note about the changed terms and return it to the Holder. Alternatively, if the Issuer or the Trustee so determines, the Issuer in exchange for the Note shall issue, the Guarantors shall endorse, and the Trustee shall authenticate a new Note that reflects the changed terms. Failure to make the appropriate notation or issue a new Note shall not affect the validity and effect of such amendment, supplement or waiver.

SECTION 8.06. Trustee To Sign Amendments, etc.

The Trustee shall sign any amendment, supplement or waiver authorized pursuant to this Article Eight if the amendment, supplement or waiver does not adversely affect the rights, duties, liabilities or immunities of the Trustee. If it does, the Trustee may, but need not, sign it. In signing or refusing to sign such amendment, supplement or waiver the Trustee shall receive and, subject to Section 7.01, shall be fully protected in conclusively relying upon an Officers' Certificate and an Opinion of Counsel stating, in addition to the matters required by Section 12.04, that such amendment, supplement or waiver is authorized or permitted by this Indenture and is a legal, valid and binding obligation of the Issuer and Guarantors, enforceable against the Issuer and Guarantors in accordance with its terms (subject to customary exceptions).

ARTICLE NINE

DISCHARGE OF INDENTURE; DEFEASANCE

SECTION 9.01. Discharge of Indenture.

The Issuer may terminate its obligations and the obligations of the Guarantors under the Notes, the Guarantees and this Indenture, except the obligations referred to in the last paragraph of this Section 9.01, if

(1) all the Notes that have been authenticated and delivered (except lost, stolen or destroyed Notes which have been replaced or paid and Notes for whose payment money has been deposited in trust or segregated and held in trust by the Issuer and thereafter repaid to the Issuer or discharged from this trust) have been delivered to the Trustee for cancellation, or

(2) (a) all Notes not delivered to the Trustee for cancellation otherwise have become due and payable or have been called for redemption pursuant to paragraph 6 of the Notes, and the Issuer has irrevocably deposited or caused to be deposited with the

Trustee trust funds in trust in an amount of money sufficient to pay and discharge the entire Indebtedness (including all principal and accrued interest) on the Notes not theretofore delivered to the Trustee for cancellation,

(b) the Issuer has paid all sums payable by it under this Indenture,

(c) the Issuer has delivered irrevocable instructions to the Trustee to apply the deposited money toward the payment of the Notes at maturity or on the Redemption Date, as the case may be, and

(d) the Trustee, for the benefit of the Holders, has a valid, perfected, exclusive security interest in this trust.

In addition, the Issuer must deliver an Officers' Certificate and an Opinion of Counsel (as to legal matters) stating that all conditions precedent to satisfaction and discharge have been complied with.

After such delivery, the Trustee shall acknowledge in writing the discharge of the Issuer's and the Guarantors' obligations under the Notes, the Guarantees and this Indenture except for those surviving obligations specified below.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Issuer in Sections 7.07, 9.05 and 9.06 shall survive.

SECTION 9.02. Legal Defeasance.

The Issuer may at its option, by Board Resolution of the Board of Directors of the Issuer, be discharged from its obligations with respect to the Notes and the Guarantors discharged from their obligations under the Guarantees on the date the conditions set forth in Section 9.04 are satisfied (hereinafter, "Legal Defeasance"). For this purpose, such Legal Defeasance means that the Issuer shall be deemed to have paid and discharged the entire indebtedness represented by the Notes and to have satisfied all its other obligations under such Notes and this Indenture insofar as such Notes are concerned (and the Trustee, at the expense of the Issuer, shall, subject to Section 9.06, execute instruments in form and substance reasonably satisfactory to the Trustee and Issuer acknowledging the same), except for the following which shall survive until otherwise terminated or discharged hereunder: (A) the rights of Holders of outstanding Notes to receive solely from the trust funds described in Section 9.04 and as more fully set forth in such Section, payments in respect of the principal of, premium, if any, and interest on such Notes when such payments are due, (B) the Issuer's obligations with respect to such Notes under Sections 2.03, 2.04, 2.05, 2.06, 2.07, 2.08, 2.11 and 4.11, (C) the rights, powers, trusts, duties, and immunities of the Trustee hereunder (including claims of, or payments to, the Trustee under or pursuant to Section 7.07) and (D) this Article Nine. Subject to compliance with this Article Nine, the Issuer may exercise its option under this Section 9.02 with respect to the Notes notwithstanding the prior exercise of its option under Section 9.03 with respect to the Notes.

SECTION 9.03. Covenant Defeasance.

At the option of the Issuer, pursuant to a Board Resolution of the Board of Directors of the Issuer, (x) the Issuer and the Guarantors shall be released from their respective obligations under Sections 4.02 (except for obligations mandated by the TIA), 4.05 through 4.09, inclusive, and 4.12 and (y) Sections 6.01(5) and (6) shall no longer apply with respect to the outstanding Notes on and after the date the conditions set forth in Section 9.04 are satisfied (hereinafter, "Covenant Defeasance"). For this purpose, such Covenant Defeasance means that the Issuer and the Guarantors may omit to comply with and shall have no liability in respect of any term, condition or limitation set forth in any such specified Section or portion thereof, whether directly or indirectly by reason of any reference elsewhere herein to any such specified Section or portion thereof or by reason of any reference in any such specified Section or portion thereof to any other provision herein or in any other document, but the remainder of this Indenture and the Notes shall be unaffected thereby.

SECTION 9.04. Conditions to Defeasance or Covenant Defeasance.

The following shall be the conditions to application of Section 9.02 or Section 9.03 to the outstanding Notes:

(1) the Issuer must irrevocably deposit with the Trustee, in trust, for the benefit of the Holders, U.S. legal tender, U.S. Government Obligations or a combination thereof, in such amounts as will be sufficient (without reinvestment) in the opinion of a nationally recognized firm of independent public accountants selected by the Issuer, to pay the principal of and interest on the Notes on the stated date for payment or on the Redemption Date of the principal or installment of principal of or interest on the Notes, and the Trustee must have a valid, perfected, exclusive security interest in such trust,

(2) in the case of Legal Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that:

(a) the Issuer has received from, or there has been published by the Internal Revenue Service, a ruling, or

(b) since the date hereof, there has been a change in the applicable U.S. federal income tax law,

in either case to the effect that, and based thereon this Opinion of Counsel shall confirm that, the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of the Legal Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such Legal Defeasance had not occurred,

(3) in the case of Covenant Defeasance, the Issuer shall have delivered to the Trustee an Opinion of Counsel in the United States reasonably acceptable to the Trustee confirming that the Holders will not recognize income, gain or loss for U.S. federal income tax purposes as a result of such Covenant Defeasance and will be subject to U.S. federal income tax on the same amounts, in the same manner and at the same times as would have been the case if the Covenant Defeasance had not occurred,

(4) no Default shall have occurred and be continuing on the date of such deposit (other than a Default resulting from the borrowing of funds to be applied to such deposit and the grant of any Lien securing such borrowing),

(5) the Legal Defeasance or Covenant Defeasance shall not result in a breach or violation of, or constitute a default under this Indenture or any other material agreement or instrument to which the Issuer or any of its Subsidiaries is a party or by which the Issuer or any of its Subsidiaries is bound,

(6) the Issuer shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by it with the intent of preferring the Holders over any other of its creditors or with the intent of defeating, hindering, delaying or defrauding any other of its creditors or others, and

(7) the Issuer shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that the conditions provided for in, in the case of the Officers' Certificate, clauses (1) through (6) and, in the case of the Opinion of Counsel, clauses (1) (with respect to the validity and perfection of the security interest), (2) and/or (3) and (5) of this paragraph have been complied with.

If the funds deposited with the Trustee to effect Covenant Defeasance are insufficient to pay the principal of and interest on the Notes when due, then the Issuer's obligations and the obligations of Guarantors under this Indenture will be revived and no such defeasance will be deemed to have occurred.

SECTION 9.05. Deposited Money and U.S. Government Obligations To Be Held in Trust; Other Miscellaneous Provisions

All money and U.S. Government Obligations (including the proceeds thereof) deposited with the Trustee pursuant to Section 9.04 in respect of the outstanding Notes shall be held in trust and applied by the Trustee, in accordance with the provisions of such Notes and this Indenture, to the payment, either directly or through any Paying Agent, to the Holders of such Notes, of all sums due and to become due thereon in respect of principal, premium, if any, and accrued interest, but such money need not be segregated from other funds except to the extent required by law.

The Issuer and the Guarantors shall (on a joint and several basis) pay and indemnify the Trustee against any tax, fee or other charge imposed on or assessed against the U.S. Government Obligations deposited pursuant to Section 9.04 or the principal, premium, if any, and interest received in respect thereof other than any such tax, fee or other charge which by law is for the account of the Holders of the outstanding Notes.

Anything in this Article Nine to the contrary notwithstanding, the Trustee shall deliver or pay to the Issuer from time to time any money or U.S. Government Obligations held by it as provided in Section 9.04 which, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, are in excess of the amount thereof which would then be required to be deposited to effect an equivalent Legal Defeasance or Covenant Defeasance.

SECTION 9.06. Reinstatement.

If the Trustee or Paying Agent is unable to apply any money or U.S. Government Obligations in accordance with Section 9.01, 9.02 or 9.03 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Issuer's and each Guarantor's obligations under this Indenture, the Notes and the Guarantees shall be revived and reinstated as though no deposit had occurred pursuant to this Article Nine until such time as the Trustee or Paying Agent is permitted to apply all such money or U.S. Government Obligations in accordance with Section 9.01; provided that if the Issuer or the Guarantors have made any payment of principal of, premium, if any, or accrued interest on any Notes because of the reinstatement of their obligations, the Issuer or the Guarantors, as the case may be, shall be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held by the Trustee or Paying Agent.

SECTION 9.07. Moneys Held by Paying Agent.

In connection with the satisfaction and discharge of this Indenture, all moneys then held by any Paying Agent under the provisions of this Indenture shall, upon written demand of the Issuer, be paid to the Trustee, or if sufficient moneys have been deposited pursuant to Section 9.04, to the Issuer (or, if such moneys had been deposited by the Guarantors, to such Guarantors), and thereupon such Paying Agent shall be released from all further liability with respect to such moneys.

SECTION 9.08. Moneys Held by Trustee.

Subject to applicable law, any moneys deposited with the Trustee or any Paying Agent or then held by the Issuer or the Guarantors in trust for the payment of the principal of, or premium, if any, or interest on any Note that are not applied but remain unclaimed by the Holder of such Note for two years after the date upon which the principal of, or premium, if any, or interest on such Note shall have respectively become due and payable shall be repaid to the Issuer

(or, if appropriate, the Guarantors), or if such moneys are then held by the Issuer or the Guarantors in trust, such moneys shall be released from such trust; and the Holder of such Note entitled to receive such payment shall thereafter, as an unsecured general creditor, look only to the Issuer and the Guarantors for the payment thereof, and all liability of the Trustee or such Paying Agent with respect to such trust money shall thereupon cease; provided, that the Trustee or any such Paying Agent, before being required to make any such repayment, shall, at the expense of the Issuer and the Guarantors, either mail to each Holder affected, at the address shown in the register of the Notes maintained by the Registrar pursuant to Section 2.03, or cause to be published once a week for two successive weeks, in a newspaper published in the English language, customarily published each Business Day and of general circulation in the City of New York, New York, a notice that such money remains unclaimed and that, after a date specified therein, which shall not be less than 30 days from the date of such mailing or publication, any unclaimed balance of such moneys then remaining will be repaid to the Issuer. After payment to the Issuer or the Guarantors or the release of any money held in trust by the Issuer or any Guarantors, as the case may be, Holders entitled to the money must look only to the Issuer and the Guarantors for payment as general creditors unless applicable abandoned property law designates another Person.

ARTICLE TEN

GUARANTEE OF NOTES

SECTION 10.01. Guarantee.

Subject to the provisions of this Article Ten, each Guarantor, by execution of this Indenture, jointly and severally, unconditionally guarantees to each Holder (i) the due and punctual payment of the principal of and interest on each Note, when and as the same shall become due and payable, whether at maturity, by acceleration or otherwise, the due and punctual payment of interest on the overdue principal of and interest on the Notes, to the extent lawful, and the due and punctual payment of all other Obligations and due and punctual performance of all Obligations of the Issuer to the Holders or the Trustee all in accordance with the terms of such Note, this Indenture and the Registration Rights Agreement, and (ii) in the case of any extension of time of payment or renewal of any Notes or any of such other Obligations, that the same will be promptly paid in full when due or performed in accordance with the terms of the extension or renewal, at stated maturity, by acceleration or otherwise. Each Guarantor, by execution of this Indenture, agrees that its obligations hereunder shall be absolute and unconditional, irrespective of, and shall be unaffected by, any invalidity, irregularity or unenforceability of any such Note or this Indenture, any failure to enforce the provisions of any such Note, this Indenture or the Registration Rights Agreement, any waiver, modification or indulgence granted to the Issuer with respect thereto by the Holder of such Note, or any other circumstances which may otherwise constitute a legal or equitable discharge of a surety or such Guarantor.

Each Guarantor hereby waives diligence, presentment, demand for payment, filing of claims with a court in the event of merger or bankruptcy of the Issuer, any right to require a proceeding first against the Issuer, protest or notice with respect to any such Note or the Indebtedness evidenced thereby and all demands whatsoever, and covenants that this Guarantee will not be discharged as to any such Note except by payment in full of the principal thereof and interest thereon. Each Guarantor hereby agrees that, as between such Guarantor, on the one hand, and the Holders and the Trustee, on the other hand, (i) the maturity of the Obligations guaranteed hereby may be accelerated as provided in Article Six for the purposes of this Guarantee, notwithstanding any stay, injunction or other prohibition preventing such acceleration in respect of the Obligations guaranteed hereby, and (ii) in the event of any declaration of acceleration of such Obligations as provided in Article Six, such Obligations (whether or not due and payable) shall forthwith become due and payable by each Guarantor for the purpose of this Guarantee.

SECTION 10.02. Execution and Delivery of Guarantee.

To further evidence the Guarantee set forth in Section 10.01, each Guarantor hereby agrees that a notation of such Guarantee, substantially in the form included in Exhibit G hereto, shall be endorsed on each Note authenticated and delivered by the Trustee and such Guarantee shall be executed by either manual or facsimile signature of an Officer or an Officer of a general partner, as the case may be, of each Guarantor. The validity and enforceability of any Guarantee shall not be affected by the fact that it is not affixed to any particular Note.

Each of the Guarantors hereby agrees that its Guarantee set forth in Section 10.01 shall remain in full force and effect notwithstanding any failure to endorse on each Note a notation of such Guarantee.

If an officer of a Guarantor whose signature is on this Indenture or a Guarantee no longer holds that office at the time the Trustee authenticates the Note on which such Guarantee is endorsed or at any time thereafter, such Guarantor's Guarantee of such Note shall be valid nevertheless.

The delivery of any Note by the Trustee, after the authentication thereof hereunder, shall constitute due delivery of any Guarantee set forth in this Indenture on behalf of the Guarantor.

SECTION 10.03. Limitation of Guarantee.

The obligations of each Guarantor are limited to the maximum amount as will, after giving effect to all other contingent and fixed liabilities of such Guarantor and after giving effect to any collections from or payments made by or on behalf of any other Guarantor in respect of the obligations of such other Guarantor under its Guarantee or pursuant to its contribution obligations under this Indenture, result in the obligations of such Guarantor under its Guarantee not constituting a fraudulent conveyance or fraudulent transfer under federal or state law. Each Guarantor that makes a payment or distribution under its Guarantee shall be entitled to a contribution from each other Guarantor in a pro rata amount based on the Adjusted Net Assets of each Guarantor.

SECTION 10.04. Release of Guarantor.

A Guarantor shall be released from all of its obligations under its Guarantee if:

- (i) all of the assets of such Guarantor have been sold or otherwise disposed of in a transaction in compliance with the terms of this Indenture (including Sections 4.12 and 5.01); or
- (ii) all of the Equity Interests held by the Issuer and the Subsidiaries of such Guarantor have been sold or otherwise disposed of in a transaction in compliance with the terms of this Indenture (including Sections 4.12 and 5.01);

and in each such case, the Issuer has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to such transactions have been complied with and that such release is authorized and permitted hereunder.

The Trustee shall execute any documents reasonably requested in writing by the Issuer or a Guarantor in order to evidence the release of such Guarantor from its obligations under its Guarantee endorsed on the Notes and under this Article Ten.

SECTION 10.05. Waiver of Subrogation.

Each Guarantor hereby irrevocably waives any claim or other rights which it may now or hereafter acquire against the Issuer that arise from the existence, payment, performance or enforcement of such Guarantor's obligations under its Guarantee and this Indenture, including, without limitation, any right of subrogation, reimbursement, exoneration, indemnification, and any right to participate in any claim or remedy of any Holder of Notes against the Issuer, whether or not such claim, remedy or right arises in equity, or under contract, statute or common law, including, without limitation, the right to take or receive from the Issuer, directly or indirectly, in cash or other property or by set-off or in any other manner, payment or Note on account of such claim or other rights. If any amount shall be paid to any Guarantor in violation of the preceding sentence and the Notes shall not have been paid in full, such amount shall have been deemed to have been paid to such Guarantor for the benefit of, and held in trust for the benefit of, the Holders, and shall forthwith be paid to the Trustee for the benefit of such Holders to be credited and applied upon the Notes, whether matured or unmatured, in accordance with the terms of this Indenture. Each Guarantor acknowledges that it will receive direct and indirect benefits from the financing arrangements contemplated by this Indenture and that the waiver set forth in this Section 10.05 is knowingly made in contemplation of such benefits.

MERITAGE HOMES CORPORATION

7% SENIOR NOTE DUE 2022

1. Interest. MERITAGE HOMES CORPORATION, a Maryland corporation (the “Issuer”), promises to pay, until the principal hereof is paid or made available for payment, interest on the principal amount set forth on the face hereof at a rate of 7.00% per annum. Interest hereon will accrue from and including the most recent date to which interest has been paid or, if no interest has been paid, from and including [*insert applicable issue date*] to but excluding the date on which interest is paid. Interest shall be payable in arrears on each April 1 and October 1 commencing on [*insert first payment date*]. Interest will be computed on the basis of a 360-day year of twelve 30-day months. The Issuer shall pay interest on overdue principal and on overdue interest (to the full extent permitted by law) at a rate of 7.00% per annum.

2. Method of Payment. The Issuer will pay interest hereon (except defaulted interest) to the Persons who are registered Holders at the close of business on March 15 or September 15 next preceding the interest payment date (whether or not a Business Day). Holders must surrender Notes to a Paying Agent to collect principal payments. The Issuer will pay principal and interest in money of the United States of America that at the time of payment is legal tender for payment of public and private debts. Interest may be paid by check mailed to the Holder entitled thereto at the address indicated on the register maintained by the Registrar for the Notes.

3. Paying Agent and Registrar. Initially, Wells Fargo Bank, National Association (the “Trustee”) will act as a Paying Agent and Registrar. The Issuer may change any Paying Agent or Registrar without notice. Neither the Issuer nor any of its Affiliates may act as Paying Agent or Registrar.

4. Indenture. The Issuer issued the Notes under an Indenture dated as of April 10, 2012 (the “Indenture”) among the Issuer, the Guarantors (as defined in the Indenture) and the Trustee. This is one of an issue of Notes of the Issuer issued, or to be issued, under the Indenture. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act of 1939 (15 U.S. Code §§ 77aaa-77bbb), as amended from time to time. Holders are referred to the Indenture and such Act for a statement of such terms. Capitalized and certain other terms used herein and not otherwise defined have the meanings set forth in the Indenture.

5. [Intentionally Omitted]

6. Optional Redemption. (a) The Issuer may, at its option, redeem the Notes in whole at any time or in part from time to time, on at least 30 but not more than 60 days’ prior notice to Holders, at a redemption price equal to the greater of:

(i) 100% of the principal amount of the Notes being redeemed, or

(ii) the sum of the present values of the Remaining Scheduled Payments on the Notes being redeemed, discounted to the Redemption Date, on a semiannual basis, at the Treasury Rate plus 50 basis points (0.50%).

The Issuer shall also pay accrued interest on the Notes being redeemed to the Redemption Date. For purposes of determining the redemption price and accrued Interest, Interest will be calculated on the basis of a 360-day year consisting of twelve 30-day months.

(b) In the event of a redemption of fewer than all of the Notes, the Trustee shall select the Notes to be redeemed in compliance with the requirements of the principal national securities exchange, if any, while such Notes are listed, or if such Notes are not then listed on a national securities exchange, prorate, by lot or in such other manner as may be required by the Depository's procedures.

7. Notice of Redemption. Notice of redemption will be mailed, or, in the case of Notes held in book-entry form, sent by electronic transmission at least 30 days but not more than 60 days before the Redemption Date to each Holder of Notes to be redeemed at his registered address. On and after the Redemption Date, unless the Issuer defaults in making the redemption payment, interest ceases to accrue on Notes or portions thereof called for redemption.

8. Offers To Purchase. The Indenture provides that upon the occurrence of a Change of Control Triggering Event and subject to further limitations contained therein, the Issuer shall make an Offer to Purchase outstanding Notes in accordance with the procedures set forth in the Indenture.

9. Registration Rights. Pursuant to a Registration Rights Agreement among the Issuer, the Guarantors and the Initial Purchasers, the Issuer will be obligated to consummate an exchange offer pursuant to which the Holder of this Note shall have the right to exchange this Note for notes of a separate series issued under the Indenture (or a trust indenture substantially identical to the Indenture in accordance with the terms of the Registration Rights Agreement) which have been registered under the Securities Act, in like principal amount and having substantially identical terms as the Notes. The Holders shall be entitled to receive certain additional interest payments in the event such exchange offer is not consummated and upon certain other conditions, all pursuant to and in accordance with the terms of the Registration Rights Agreement.

10. Denominations, Transfer, Exchange. The Notes are in registered form without coupons in denominations of \$2,000 and integral multiples of \$1,000 in excess thereof. A Holder may transfer or exchange Notes in accordance with the Indenture. The Registrar may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and to pay to it any taxes and fees required by law or permitted by the Indenture. The Registrar need not register the transfer of or exchange any Notes or portion of a Note selected for redemption, or register the transfer of or exchange any Notes for a period of 15 days before a sending of notice of redemption.

11. Persons Deemed Owners. The registered Holder of this Note may be treated as the owner of this Note for all purposes.

12. Unclaimed Money. If money for the payment of principal or interest remains unclaimed for two years, the Trustee will pay the money back to the Issuer at its written request. After that, Holders entitled to the money must look to the Issuer for payment as general creditors unless an “abandoned property” law designates another Person.

13. Amendment, Supplement, Waiver, Etc. The Issuer, the Guarantors and the Trustee (if a party thereto) may, without the consent of the Holders of any outstanding Notes, amend, waive or supplement the Indenture or the Notes for certain specified purposes, including, among other things, curing ambiguities, defects or inconsistencies, maintaining the qualification of the Indenture under the Trust Indenture Act of 1939, as amended, and making any change that does not materially and adversely affect the rights of any Holder. Other amendments and modifications of the Indenture or the Notes may be made by the Issuer, the Guarantors and the Trustee with the consent of the Holders of not less than a majority of the aggregate principal amount of the outstanding Notes, subject to certain exceptions requiring the consent of the Holders of the particular Notes to be affected.

14. Successor Corporation. When a successor corporation assumes all the obligations of its predecessor under the Notes and the Indenture and the transaction complies with the terms of Article Five of the Indenture, the predecessor corporation will, except as provided in Article Five, be released from those obligations.

15. Defaults and Remedies. Events of Default are set forth in the Indenture. Subject to certain limitations in the Indenture, if an Event of Default (other than an Event of Default specified in Section 6.01(7) or (8) with respect to the Issuer) occurs and is continuing, the Trustee or the Holders of not less than 25% in aggregate principal amount of the outstanding Notes may, by written notice to the Trustee and the Issuer, and the Trustee upon the request of the Holders of not less than 25% in aggregate principal amount of the outstanding Notes shall, declare all principal of and accrued interest on all Notes to be immediately due and payable and such amounts shall become immediately due and payable. If an Event of Default specified in Section 6.01(7) or (8) occurs with respect to the Issuer, the principal amount of and interest on, all Notes shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the then outstanding Notes may direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders notice of any continuing default (except a default in payment of principal, premium, if any, or interest on the Notes or a default in the observance or performance of any of the obligations of the Issuer under Article Five of the Indenture) if it determines that withholding notice is in their best interests.

16. Trustee Dealings with Issuer. The Trustee, in its individual or any other capacity, may make loans to, accept deposits from, and perform services for the Issuer or its Affiliates, and may otherwise deal with the Issuer or its Affiliates, as if it were not Trustee.

17. Discharge. The Issuer's obligations pursuant to the Indenture will be discharged, except for obligations pursuant to certain sections thereof, subject to the terms of the Indenture, upon the payment of all the Notes or upon the irrevocable deposit with the Trustee of United States dollars or U.S. Government Obligations sufficient to pay when due principal of and interest on the Notes to maturity or redemption, as the case may be.

18. Guarantees. The Note will be entitled to the benefits of certain Guarantees made for the benefit of the Holders. Reference is hereby made to the Indenture for a statement of the respective rights, limitations of rights, duties and obligations thereunder of the Guarantors, the Trustee and the Holders.

19. Authentication. This Note shall not be valid until the Trustee signs the certificate of authentication on the other side of this Note.

20. Governing Law. This Note shall be governed by and construed in accordance with the laws of the State of New York, as applied to contracts made and performed within the State of New York. The Trustee, the Issuer, the Guarantor and the Holders agree to submit to the jurisdiction of the courts of the State of New York in any action or proceeding arising out of or relating to the Indenture or the Notes.

(2) immediately after giving effect to such transaction, no Default shall have occurred and be continuing.

For purposes of the foregoing, the transfer (by lease, assignment, sale or otherwise, in a single transaction or series of transactions) of all or substantially all of the assets of one or more Restricted Subsidiaries, the Equity Interests of which constitute all or substantially all of the assets of the Issuer, will be deemed to be the transfer of all or substantially all of the assets of the Issuer.

Upon any consolidation, combination or merger of the Issuer or a Guarantor, or any transfer of all or substantially all of the assets of the Issuer in accordance with the foregoing, in which the Issuer or such Guarantor is not the continuing obligor under the Notes or its Note Guarantee, the surviving entity formed by such consolidation or into which the Issuer or such Guarantor is merged or to which the conveyance, lease or transfer is made will succeed to, and be substituted for, and may exercise every right and power of, the Issuer or such Guarantor under this Indenture, the Notes and the Note Guarantees with the same effect as if such surviving entity had been named therein as the Issuer or such Guarantor and, except in the case of a conveyance, transfer or lease, the Issuer or such Guarantor, as the case may be, will be released from the obligation to pay the principal of and interest on the Notes or in respect of its Note Guarantee, as the case may be, and all of the Issuer's or such Guarantor's other obligations and covenants under the Notes, this Indenture and its Note Guarantee, if applicable.

Notwithstanding the foregoing, any Restricted Subsidiary may merge into the Issuer or another Restricted Subsidiary.

(e) The Indenture is hereby amended by amending Section 6.01 to read in its entirety as follows:

Each of the following is an "Event of Default":

(1) failure by the Issuer to pay interest on any of the Notes when it becomes due and payable and the continuance of any such failure for 30 days;

(2) failure by the Issuer to pay the principal on any of the Notes when it becomes due and payable, whether at stated maturity, upon redemption, upon purchase, upon acceleration or otherwise;

(3) failure by the Issuer to comply with Section 5.01; and

(4) failure by the Issuer to comply with any other agreement or covenant in this Indenture and continuance of this failure for 30 days after notice of the failure has been given to the Issuer by the Trustee or by the Holders of at least 25% of the aggregate principal amount of the Notes then outstanding.

Subject to Sections 7.01 and 7.02, the Trustee shall not be charged with knowledge of any Default, Event of Default, Change of Control or Asset Sale or the requirement for payment of Liquidated Damages unless written notice thereof shall have been given to a Responsible Officer at the Corporate Trust Office of the Trustee by the Issuer or any other Person.

2. Effectiveness. This Eighth Supplemental Indenture supplements the Indenture and shall be a part and subject to all of the terms thereof. Except as supplemented hereby, the Indenture shall continue in full force and effect.

The amendments effected by this Eighth Supplemental Indenture shall take effect on the date that each of the following conditions shall have been satisfied or waived:

(a) each of the parties hereto shall have executed and delivered this Eighth Supplemental Indenture; and

(b) the Issuer shall have received written consent to these amendments from the Holders of at least a majority in aggregate principal amount of the Notes then outstanding, except with respect to the amendments to Section 4.20 of the Indenture regarding changes of control which requires the consent of the Holders of at least two-thirds of the aggregate principal amount of Notes then outstanding;

provided, however, that the amendments set forth in Section 1 of this Eighth Supplemental Indenture shall become operative only upon and simultaneously with, and shall have no force and effect prior to, the Early Settlement Date as defined in the Tender Offer and Consent.

3. Trust Indenture Act Controls. If any provision of this Eighth Supplemental Indenture limits, qualifies or conflicts with another provision of this Eighth Supplemental Indenture or the Indenture that is required to be included by the Trust Indenture Act of 1939, as amended, as in force at the date of this Eighth Supplemental Indenture is executed, the provision required by the Trust Indenture Act shall control.

4. Construction. For all purposes of this Eighth Supplemental Indenture, except as otherwise herein expressly provided or unless the context otherwise requires: (i) the defined terms and expressions used herein shall have the same meanings as corresponding terms and expressions used in the Indenture; and (ii) the words “herein,” “hereof,” “hereby” and other words of similar import used in this Eighth Supplemental Indenture refer to this Eighth Supplemental Indenture as a whole and not to any particular Section hereof.

5. Trustee Acceptance. The Successor Trustee accepts the amendment of the Indenture effected by this Eighth Supplemental Indenture, as hereby amended, but only upon the terms and conditions set forth in the Indenture, as hereby amended, including the terms and provisions defining and limiting the liabilities and responsibilities of the Successor Trustee in the performance of its duties and obligations under the Indenture, as hereby amended. Without limiting the generality of the foregoing, the Successor Trustee has no responsibility for the correctness of the recitals of fact herein contained which shall be taken as the statements of each of the Issuer and the Additional Guarantor, respectively, and makes no representations as to the validity or enforceability against either the Issuer or the Additional Guarantor.

6. Indenture Ratified. Except as expressly amended hereby, the Indenture is in all respects ratified and confirmed and all the terms, conditions and provisions thereof shall remain in full force and effect.

7. Severance/Enforcement. Each provision of this Eighth Supplemental Indenture shall be considered separable and if for any reason any provision which is not essential to the effectuation of the basic purpose of this Eighth Supplemental Indenture or the Notes shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

8. Successors and Assigns. This Eighth Supplemental Indenture shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

9. Counterparts. This Eighth Supplemental Indenture may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original, and all of such counterparts shall together constitute one and the same instrument.

10. Governing Law. This Eighth Supplemental Indenture shall be governed by and construed in accordance with the internal laws of the State of New York without giving effect to principles of conflicts of laws.

Section 2. Exchange Offer

(a) The Issuers shall (i) file a Registration Statement (the “Exchange Offer Registration Statement”) within 120 days after the Issue Date with the Commission on an appropriate registration form with respect to a registered offer (the “Exchange Offer”) to exchange any and all of the Registrable

Notes for a like aggregate principal amount of notes (including the guarantees with respect thereto, the "Exchange Notes") that are identical in all material respects to the Notes (except that the Exchange Notes bear no restrictive legend thereon and shall not contain terms with respect to Liquidated Damages upon a Registration Default), (ii) use their respective reasonable best efforts to cause the Exchange Offer Registration Statement to be declared effective under the Securities Act within 150 days after the Issue Date and (iii) use their respective reasonable best efforts to complete the Exchange Offer within 210 days after the Issue Date. The Exchange Offer shall be deemed completed or consummated for purposes of this Agreement upon delivery by the Company to the Trustee under the Indenture of Exchange Notes in the same aggregate principal amount as the aggregate principal amount of Notes tendered (and not withdrawn) by Holders thereof pursuant to the Exchange Offer. Upon the Exchange Offer Registration Statement being declared effective by the Commission, the Company will offer the Exchange Notes in exchange for surrender of the Notes. The Company shall keep the Exchange Offer open for not less than 20 Business Days (or longer if required by applicable law to complete the Exchange Offer) after the date notice of the Exchange Offer is mailed to Holders.

Each Holder that participates in the Exchange Offer will be required to represent to the Company in writing (which may be contained in the applicable letter of transmittal) that (i) any Exchange Notes to be received by it will be acquired in the ordinary course of its business, (ii) it has no arrangement or understanding with any Person to participate in the distribution (within the meaning of the Securities Act) of the Exchange Notes in violation of the Securities Act, (iii) it is not an affiliate (as defined in Rule 405 under the Securities Act) of any Issuer or, if it is an affiliate, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable, (iv) if such Holder is not a broker-dealer, it is not engaged in, and does not intend to engage in, a distribution of Exchange Notes, (v) if such Holder is a broker-dealer that will receive Exchange Notes for its own account in exchange for Notes that were acquired as a result of market-making or other trading activities, it will deliver a prospectus in connection with any resale of such Exchange Notes and (vi) the Holder is not acting on behalf of any Persons who could not truthfully make the foregoing representations.

(b) The Company and the Initial Purchasers acknowledge that the staff of the Commission has taken the position that any broker-dealer that elects to exchange Notes that were acquired by such broker-dealer for its own account as a result of market-making or other trading activities for Exchange Notes in the Exchange Offer (a "Participating Broker-Dealer") may be deemed to be an "underwriter" within the meaning of the Securities Act and must deliver a prospectus meeting the requirements of the Securities Act in connection with any resale of such Exchange Notes (other than a resale of an unsold allotment resulting from the original offering of the Notes).

The Company and the Initial Purchasers also acknowledge that the staff of the Commission has taken the position that if the Prospectus contained in the Exchange Offer Registration Statement includes a plan of distribution containing a statement to the above effect and the means by which Participating Broker-Dealers may resell the Exchange Notes, without naming the Participating Broker-Dealers or specifying the amount of Exchange Notes owned by them, such Prospectus may be delivered by Participating Broker-Dealers to satisfy their prospectus delivery obligations under the Securities Act in connection with resales of Exchange Notes for their own accounts, so long as the Prospectus otherwise meets the requirements of the Securities Act.

In light of the foregoing, if requested by a Participating Broker-Dealer (a "Requesting Participating Broker-Dealer"), the Issuers agree to use their reasonable best efforts to keep the Exchange Offer Registration Statement continuously effective for a period of up to 180 days after the date on which the Exchange Offer Registration Statement is declared effective, or such longer period if extended pursuant to the last paragraph of Section 5 hereof (such period, the "Applicable Period"), or such earlier date as all Requesting Participating Broker-Dealers shall have notified the Company in writing that such Requesting Participating Broker-Dealers have resold all Exchange Notes acquired in the Exchange Offer. The Company shall include a plan of distribution in such Exchange Offer Registration Statement that meets the requirements set forth in the preceding paragraph.

If, prior to consummation of the Exchange Offer, any Holder holds any Notes acquired by it that have, or that are reasonably likely to be determined to have, the status of an unsold allotment in an initial distribution, or if any Holder is not entitled to participate in the Exchange Offer, the Company upon the request of any such Holder shall simultaneously with the delivery of the Exchange Notes in the Exchange Offer, issue and deliver to any such Holder, in exchange (the "Private Exchange") for such Notes held by any such Holder, a like principal amount of notes (the "Private Exchange Notes") of the Company that are identical in all material respects to the Exchange Notes, except for the placement of a restrictive legend on such Private Exchange Notes. The Private Exchange Notes shall be issued pursuant to the same indenture as the Exchange Notes and bear the same CUSIP number as the Exchange Notes.

In connection with the Exchange Offer, the Company shall:

- (1) mail or cause to be mailed to each Holder entitled to participate in the Exchange Offer a copy of the Prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;
- (2) utilize the services of a depository for the Exchange Offer with an address in the Borough of Manhattan, The City of New York;
- (3) permit Holders to withdraw tendered Notes at any time prior to the close of business, New York time, on the last Business Day on which the Exchange Offer shall remain open; and
- (4) otherwise comply in all material respects with all applicable laws, rules and regulations.

As soon as practicable after the close of the Exchange Offer and the Private Exchange, if any, the Company shall:

- (1) accept for exchange all Registrable Notes validly tendered and not validly withdrawn pursuant to the Exchange Offer and the Private Exchange, if any;
- (2) deliver or cause to be delivered to the Trustee for cancellation all Registrable Notes so accepted for exchange; and

(3) cause the Trustee to authenticate and deliver promptly to each Holder of Notes, Exchange Notes or Private Exchange Notes, as the case may be, equal in principal amount to the Notes of such Holder so accepted for exchange.

The Exchange Offer and the Private Exchange shall not be subject to any conditions, other than that (i) the Exchange Offer or Private Exchange, as the case may be, does not violate applicable law or any applicable interpretation of the staff of the Commission, (ii) no action or proceeding shall have been instituted or threatened in any court or by any governmental agency which might materially impair the ability of the Issuers to proceed with the Exchange Offer or the Private Exchange, and no material adverse development shall have occurred in any existing action or proceeding with respect to the Issuers that would impair their ability to so proceed and (iii) all governmental approvals shall have been obtained, which approvals the Issuers deem necessary for the consummation of the Exchange Offer or Private Exchange.

In the event that the Issuers are unable to consummate the Exchange Offer or the Private Exchange due to any event listed in clauses (i) through (iii) above, the Issuers shall not be deemed to have breached any covenant under this Section 2.

The Exchange Notes and the Private Exchange Notes shall be issued under (i) the Indenture or (ii) an indenture identical in all material respects to the Indenture (in either case, with such changes as are necessary to comply with any requirements of the Commission to effect or maintain the qualification thereof under the TIA) and which, in either case, has been qualified under the TIA and shall provide that the Exchange Notes shall not be subject to the transfer restrictions set forth in the Indenture. The Indenture or such other indenture shall provide that when a vote or consent of the Holders is required, the Exchange Notes, the Private Exchange Notes and the Notes shall vote and consent together on all matters as one class and that none of the Exchange Notes, the Private Exchange Notes or the Notes will have the right to vote or consent as a separate class on any matter.

(c) In the event that (i) any changes in law or the applicable interpretations of the staff of the Commission do not permit the Issuers to effect the Exchange Offer, (ii) for any reason the Exchange Offer is not consummated within 210 days of the Issue Date, (iii) any Holder notifies the Company that it is prohibited by law or the applicable interpretations of the staff of the Commission from participating in the Exchange Offer, (iv) in the case of any Holder that participates in the Exchange Offer, such Holder does not receive Exchange Notes on the date of the exchange that may be sold without restriction under state and federal securities laws (other than due solely to the status of such holder as an affiliate of any Issuer), (v) any Initial Purchaser so requests with respect to Notes that have, or that are reasonably likely to be determined to have, the status of unsold allotments in an initial distribution or (vi) any Holder of Private Exchange Notes so requests (each such event referred to in clauses (i) through (vi) of this sentence, a "Shelf Filing Event"), then the Issuers shall file a Shelf Registration Statement pursuant to Section 3 hereof.

Section 3. Shelf Registration Statement

If at any time a Shelf Filing Event shall occur, then:

(a) Shelf Registration Statement. The Issuers shall file with the Commission a Registration Statement for an offering to be made on a continuous basis pursuant to Rule 415 covering all of the Registrable Notes not exchanged in the Exchange Offer, Private Exchange Notes and Exchange Notes as to which Section 2(c)(iv) is applicable, which may be an amendment to the Exchange Offer Registration Statement (the "Initial Shelf Registration Statement"). The Issuers shall file with the Commission the Initial Shelf Registration Statement as promptly as practicable and in any event on or prior to 45 days after the Company determines or is notified that a Shelf Filing Event has occurred. The Initial Shelf Registration Statement shall be on Form S-3 or another appropriate form permitting registration of such Registrable Notes for resale by Holders in the manner or manners designated by them (including, without limitation, one or more underwritten offerings). The Issuers shall not permit any securities other than the Registrable Notes to be included in the Initial Shelf Registration Statement or in any Subsequent Shelf Registration Statement (as defined below). Notwithstanding the foregoing, in the event a Shelf Filing Event occurs as a result of the event set forth in Section 2(c)(ii), the Issuers' obligation to file an Initial Shelf Registration pursuant to this Section 3 shall cease *ab initio* if the Exchange Offer is completed within 255 days of the Issue Date, or, if such date is not a Business Day, the next day that is a Business Day.

The Issuers shall use their respective reasonable best efforts (x) to cause the Initial Shelf Registration Statement to be declared effective under the Securities Act on or prior to the 90th day after the Company determines or is notified that such a Shelf Filing Event has occurred and (y) to keep the Initial Shelf Registration Statement continuously effective under the Securities Act for the period ending on the date which is two years from the date it becomes effective (or one year if the Initial Shelf Registration Statement is filed at the request of an Initial Purchaser), subject to extension pursuant to the penultimate paragraph of Section 5 hereof (the "Effectiveness Period"), or such shorter period ending when (i) all Registrable Notes covered by the Initial Shelf Registration Statement have been sold in the manner set forth and as contemplated in the Initial Shelf Registration Statement or cease to be outstanding or (ii) a Subsequent Shelf Registration Statement covering all of the Registrable Notes covered by and not sold under the Initial Shelf Registration Statement or an earlier Subsequent Shelf Registration Statement has been declared effective under the Securities Act; provided, however, that (i) the Effectiveness Period in respect of the Initial Shelf Registration Statement shall be extended to the extent required to permit dealers to comply with the applicable prospectus delivery requirements of Rule 174 under the Securities Act and as otherwise provided herein and (ii) the Company may suspend the effectiveness of the Initial Shelf Registration Statement by written notice to the Holders solely as a result of the filing of a post-effective amendment to the Initial Shelf Registration Statement where such post-effective amendment is not yet effective and needs to be declared effective to permit holders to use the related Prospectus.

(b) Subsequent Shelf Registration Statements. If the Initial Shelf Registration Statement or any Subsequent Shelf Registration Statement ceases to be effective for any reason at any time during the Effectiveness Period (other than because of the sale of all of the securities registered thereunder), the Issuers shall use their respective reasonable best

efforts to obtain the prompt withdrawal of any order suspending the effectiveness thereof, and in any event shall as soon as practicable after such cessation amend the Initial Shelf Registration Statement or such Subsequent Shelf Registration Statement, as the case may be, in a manner to obtain the withdrawal of the order suspending the effectiveness thereof, or file an additional "shelf" Registration Statement pursuant to Rule 415 covering all of the Registrable Notes covered by and not sold under the Initial Shelf Registration Statement or such earlier Subsequent Shelf Registration Statement (each, a "Subsequent Shelf Registration Statement"). If a Subsequent Shelf Registration Statement is filed, the Issuers shall use their respective reasonable best efforts to cause the Subsequent Shelf Registration Statement to be declared effective under the Securities Act as soon as practicable after such filing and to keep such Subsequent Shelf Registration Statement continuously effective for a period equal to the number of days in the Effectiveness Period less the aggregate number of days during which the Initial Shelf Registration Statement and any Subsequent Shelf Registration Statement was previously continuously effective. As used herein, the term "Shelf Registration Statement" means the Initial Shelf Registration Statement and any Subsequent Shelf Registration Statement.

(c) Supplements and Amendments. The Issuers agree to supplement or make amendments to the Shelf Registration Statement as and when required by the rules, regulations or instructions applicable to the registration form used for such Shelf Registration Statement or by the Securities Act or rules and regulations thereunder for shelf registration, or if reasonably requested by the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement or by any underwriter of such Registrable Notes; provided, however, that the Issuers shall not be required to supplement or amend any Shelf Registration Statement upon the request of a Holder or any underwriter if such requested supplement or amendment would, in the good faith judgment of the Company (based on advice of counsel), violate the Securities Act, the Exchange Act or the rules and regulations promulgated thereunder.

Section 4. Liquidated Damages

(a) The Issuers and the Initial Purchasers agree that the Holders will suffer damages if the Issuers fail to fulfill their obligations under Section 2 or Section 3 hereof and that it would not be feasible to ascertain the extent of such damages with precision. Accordingly, the Issuers agree that if:

(i) the Exchange Offer Registration Statement is not filed with the Commission on or prior to the 120th day following the Issue Date, or, if that day is not a Business Day, then the next day that is a Business Day,

(ii) the Exchange Offer Registration Statement is not declared effective on or prior to the 150th day following the Issue Date, or, if that day is not a Business Day, then the next day that is a Business Day,

(iii) the Exchange Offer is not completed on or prior to the 210th day following the Issue Date, or, if that day is not a Business Day, then the next day that is a Business Day, or

(iv) the Shelf Registration Statement is required to be filed but is not filed or declared effective within the time periods set forth herein or is declared effective but thereafter ceases to be effective or usable prior to the expiration of the Effectiveness Period, except if the Shelf Registration Statement ceases to be effective or usable as specifically permitted by the penultimate paragraph of Section 5 hereof

(each such event referred to in clauses (i) through (iv) a "Registration Default"), liquidated damages in the form of additional cash interest ("Liquidated Damages") will accrue on the affected Notes and the affected Exchange Notes, as applicable. The rate of Liquidated Damages will be 0.25% per annum for the first 90-day period (or portion thereof) immediately following the occurrence of a Registration Default, increasing by an additional 0.25% per annum with respect to each subsequent 90-day period (or portion thereof) up to a maximum amount of additional interest of 1.00% per annum, from and including the date on which any such Registration Default shall occur to, but excluding, the earlier of (1) the date on which all Registration Defaults have been cured or (2) the second anniversary of the Issue Date.

Notwithstanding the foregoing, (1) the amount of Liquidated Damages payable shall not increase because more than one Registration Default has occurred and is pending, (2) a Holder of Notes or Exchange Notes who is not entitled to the benefits of the Shelf Registration Statement (i.e., such Holder has not elected to include information) shall not be entitled to Liquidated Damages with respect to a Registration Default that pertains to the Shelf Registration Statement and (3) no Holder of Notes constituting an unsold allotment from the original sale of the Notes by the Company to the Initial Purchasers shall be entitled to Liquidated Damages by reason of a Registration Default that pertains to an Exchange Offer.

Notwithstanding anything to the contrary set forth herein, with respect to any Registration Default, (1) upon filing of the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement), in the case of clause (i) or (iv) above, (2) upon the effectiveness of the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement), in the case of clause (ii) or (iv) above, (3) upon completion of the Exchange Offer, in the case of clause (iii) above, or (4) upon the filing of a post-effective amendment to the Registration Statement or an additional Registration Statement that causes the Exchange Offer Registration Statement (and/or, if applicable, the Shelf Registration Statement) to again be declared effective or made usable, the applicable Registration Default shall be deemed to have been cured.

(b) The Company shall notify the Trustee within one Business Day after each and every date on which an event occurs in respect of which Liquidated Damages are required to be paid (an "Event Date"). Any amounts of Liquidated Damages due pursuant to this Section 4 will be payable in addition to any other interest payable from time to time with respect to the Registrable Notes in cash semi-annually on the interest payment dates specified in the Indenture (to the holders of record as specified in the Indenture), commencing with the first such interest payment date occurring after any such Liquidated Damages commence to accrue. The amount of Liquidated Damages will be determined in a manner consistent with the calculation of interest under the Indenture.

Section 5. Registration Procedures

In connection with the filing of any Registration Statement pursuant to Section 2 or 3 hereof, the Issuers shall effect such registrations to permit the sale of the securities covered

thereby in accordance with the intended method or methods of disposition thereof, and pursuant thereto and in connection with any Registration Statement filed by the Issuers hereunder, the Issuers shall:

(a) Prepare and file with the Commission the Registration Statement or Registration Statements prescribed by Section 2 or 3 hereof, and use their reasonable best efforts to cause each such Registration Statement to become effective and remain effective as provided herein; provided, however, that, if (1) such filing is pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period relating thereto, before filing any Registration Statement or Prospectus or any amendments or supplements thereto, the Company shall furnish to and afford the Holders of the Registrable Notes covered by such Registration Statement or each such Participating Broker-Dealer, as the case may be, their counsel and the managing underwriters, if any, a reasonable opportunity to review copies of all such documents (including copies of any documents to be incorporated by reference therein and all exhibits thereto) proposed to be filed (in each case at least five Business Days prior to such filing). The Issuers shall not file any Registration Statement or Prospectus or any amendments or supplements thereto if the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement, or any such Participating Broker-Dealer, as the case may be, their counsel, or the managing underwriters, if any, shall reasonably object within five Business Days after receipt thereof.

(b) Prepare and file with the Commission such amendments and post-effective amendments to each Initial Shelf Registration Statement or Exchange Offer Registration Statement, as the case may be, as may be necessary to keep such Registration Statement continuously effective for the Effectiveness Period or the Applicable Period, as the case may be; cause the related Prospectus to be supplemented by any Prospectus supplement required by applicable law, and as so supplemented to be filed pursuant to Rule 424 (or any similar provisions then in force) promulgated under the Securities Act; and comply with the provisions of the Securities Act and the Exchange Act with respect to the disposition of all securities covered by such Registration Statement as so amended or in such Prospectus as so supplemented and with respect to the subsequent resale of any securities being sold by a Participating Broker-Dealer covered by any such Prospectus, in each case, in accordance with the intended methods of distribution set forth in such Registration Statement or Prospectus, as so amended.

(c) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period relating thereto from whom the Issuers have received written notice that it will be a Participating Broker-Dealer in the Exchange Offer, notify the selling Holders of Registrable Notes, or each such Participating Broker-Dealer, as the case may be, their counsel and the managing underwriters, if any, as promptly as possible, and, if requested by any such Person,

confirm such notice in writing, (i) when a Prospectus or any Prospectus supplement or post-effective amendment has been filed, and, with respect to a Registration Statement or any post-effective amendment, when the same has become effective under the Securities Act (including in such notice a written statement that any Holder may, upon request in writing, obtain, at the sole expense of the Company, one conformed copy of such Registration Statement or post-effective amendment including financial statements and schedules, documents incorporated or deemed to be incorporated by reference and exhibits), (ii) of the issuance by the Commission of any stop order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of any preliminary prospectus or the initiation of any proceedings for that purpose, (iii) if at any time when a Prospectus is required by the Securities Act to be delivered in connection with sales of the Registrable Notes or resales of Exchange Notes by Participating Broker-Dealers the representations and warranties of the Issuers contained in any agreement (including any underwriting agreement) contemplated by Section 5(m) hereof cease to be true and correct in all material respects, (iv) of the receipt by any of the Issuers of any notification with respect to the suspension of the qualification or exemption from qualification of a Registration Statement or any of the Registrable Notes or the Exchange Notes for offer or sale in any jurisdiction, or the initiation or threatening of any proceeding for such purpose, (v) of the happening of any event, the existence of any condition or any information becoming known to any Issuer that makes any statement made in such Registration Statement or related Prospectus or any document incorporated or deemed to be incorporated therein by reference untrue in any material respect or that requires the making of any changes in or amendments or supplements to such Registration Statement, Prospectus or documents so that, in the case of the Registration Statement, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein not misleading, and that in the case of the Prospectus, it will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and (vi) of the Company's determination that a post-effective amendment to a Registration Statement would be appropriate.

(d) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, use their reasonable best efforts to prevent the issuance of any order suspending the effectiveness of a Registration Statement or of any order preventing or suspending the use of a Prospectus or suspending the qualification (or exemption from qualification) of any of the Registrable Notes or the Exchange Notes, as the case may be, for sale in any jurisdiction, and, if any such order is issued, to use their reasonable best efforts to obtain the withdrawal of any such order at the earliest practicable moment.

(e) If (1) a Shelf Registration Statement is filed pursuant to Section 3 or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating

Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period and if requested by the managing underwriter or underwriters (if any), the Holders of a majority in aggregate principal amount of the Registrable Notes covered by such Registration Statement or any Participating Broker-Dealer, as the case may be, (i) as promptly as practicable incorporate in such Registration Statement or Prospectus a prospectus supplement or post-effective amendment such information as the managing underwriter or underwriters (if any), such Holders or any Participating Broker-Dealer, as the case may be (based upon advice of counsel), reasonably request as necessary to be included therein and (ii) make all required filings of such prospectus supplement or such post-effective amendment as soon as practicable after the Company has received notification of the matters to be incorporated in such prospectus supplement or post-effective amendment; provided, however, that the Issuers shall not be required to take any action hereunder that would, in the good faith judgment of the Company (based on advice of counsel), violate applicable laws.

(f) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, furnish to each selling Holder of Registrable Notes and a single counsel to such Holders, or each such Participating Broker-Dealer and their counsel, as the case may be, who so requests and each managing underwriter, if any, and a single counsel for such underwriters, at the sole expense of the Company, one conformed copy of the Registration Statement or Registration Statements and each post-effective amendment thereto, including financial statements and schedules, and, if requested, all documents incorporated or deemed to be incorporated therein by reference and any exhibits.

(g) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, deliver to each selling Holder of Registrable Notes and a single counsel to such Holders, or each such Participating Broker-Dealer and their counsel, as the case may be, and the underwriters, if any, and a single counsel for such underwriters, at the sole expense of the Company, as many copies of the Prospectus or Prospectuses (including each form of preliminary prospectus) and each amendment or supplement thereto and any documents incorporated by reference therein as such Persons may reasonably request; and, subject to the last paragraph of this Section 5, the Issuers hereby consent to the use of such Prospectus and each amendment or supplement thereto (provided the manner of such use complies with any limitations resulting from any applicable laws, including state securities or "Blue Sky" laws, and subject to the provisions of this Agreement) by each of the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, and the underwriters or agents, if any, and dealers (if any), in connection with the offering and sale of the Registrable Notes or the sale by Participating Broker-Dealers of the Exchange Notes covered by or pursuant to such Prospectus and any amendment or supplement thereto.

(h) Prior to any public offering of Registrable Notes or Exchange Notes or any delivery of a Prospectus contained in the Exchange Offer Registration Statement by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, use their reasonable best efforts to register or qualify, and to cooperate with the selling Holders of Registrable Notes or each such Participating Broker-Dealer, as the case may be, the managing underwriter or underwriters, if any, and their respective counsel in connection with the registration or qualification (or exemption from such registration or qualification) of such Registrable Notes or Exchange Notes, as the case may be, for offer and sale under the securities or Blue Sky laws of such jurisdictions within the United States as any selling Holder, Participating Broker-Dealer, or the managing underwriter or underwriters reasonably request in writing; provided, however, that where Exchange Notes held by Participating Broker-Dealers or Registrable Notes are offered other than through an underwritten offering, the Company agrees to cause the Company's counsel to perform Blue Sky investigations and file registrations and qualifications required to be filed pursuant to this Section 5(h), keep each such registration or qualification (or exemption therefrom) effective during the period such Registration Statement is required to be kept effective and do any and all other acts or things reasonably necessary or advisable to enable the disposition in such jurisdictions of such Exchange Notes or Registrable Notes covered by the applicable Registration Statement; provided, however, that no Issuer shall be required to (A) qualify generally to do business in any jurisdiction where it is not then so qualified, (B) take any action that would subject it to general service of process in any such jurisdiction where it is not then so subject or (C) subject itself to taxation in excess of a nominal dollar amount in any such jurisdiction where it is not then so subject.

(i) If a Shelf Registration Statement is filed pursuant to Section 3 hereof, cooperate with the selling Holders of Registrable Notes and the managing underwriter or underwriters, if any, to facilitate the timely preparation and delivery of certificates representing Registrable Notes to be sold, which certificates shall not bear any restrictive legends and shall be in a form eligible for deposit with The Depository Trust Company; and enable such Registrable Notes to be in such denominations and registered in such names as the managing underwriter or underwriters, if any, or selling Holders may reasonably request at least two Business Days prior to any sale of such Registrable Notes or Exchange Notes.

(j) Use their reasonable best efforts to cause the Registrable Notes or Exchange Notes covered by any Registration Statement to be registered with or approved by such other governmental agencies or authorities as may be reasonably necessary to enable the seller or sellers thereof or the underwriter or underwriters, if any, to consummate the disposition of such Registrable Notes or Exchange Notes, except as may be required solely as a consequence of the nature of such selling Holder's business, in which case the Company will cooperate in all reasonable respects with the filing of such Registration Statement and the granting of such approvals.

(k) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof, or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating

Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, upon the occurrence of any event contemplated by Section 5(c)(v) or 5(c)(vi) hereof, as promptly as practicable prepare and (subject to Section 5(a) and the penultimate paragraph of this Section 5) file with the Commission, at the sole expense of the Company, a supplement or post-effective amendment to the Registration Statement or a supplement to the related Prospectus or any document incorporated or deemed to be incorporated therein by reference, or file any other required document so that, as thereafter delivered to the purchasers of the Registrable Notes being sold thereunder or to the purchasers of the Exchange Notes to whom such Prospectus will be delivered by a Participating Broker-Dealer, any such Prospectus will not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(l) Prior to the effective date of the first Registration Statement relating to the Registrable Notes, (i) provide the Trustee with certificates for the Registrable Notes in a form eligible for deposit with The Depository Trust Company and (ii) provide a CUSIP number for the Registrable Notes.

(m) In connection with any underwritten offering of Registrable Notes pursuant to a Shelf Registration Statement, enter into an underwriting agreement as is customary in underwritten offerings of debt securities similar to the Notes in form reasonably satisfactory to the Issuers and take all such other actions as are reasonably requested by the managing underwriter or underwriters, if any, in order to expedite or facilitate the registration or the disposition of such Registrable Notes and, in such connection, (i) make such representations and warranties to, and covenants with, the underwriters with respect to the business of the Issuers and their subsidiaries (including any acquired business, properties or entity, if applicable) and the Registration Statement, Prospectus and documents, if any, incorporated or deemed to be incorporated by reference therein, in each case, as are customarily made by issuers to underwriters in underwritten offerings of debt securities similar to the Notes, and confirm the same in writing if and when requested in form reasonably satisfactory to the Issuers; (ii) upon the request of any underwriter, use their reasonable best efforts to obtain the written opinions of counsel to the Company and written updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters, addressed to the underwriters covering the matters customarily covered in opinions requested in underwritten offerings and such other matters as may be reasonably requested by the managing underwriter or underwriters; (iii) upon the request of any underwriter, use their reasonable best efforts to obtain "cold comfort" letters and updates thereof in form, scope and substance reasonably satisfactory to the managing underwriter or underwriters from the independent certified public accountants of the Company (and, if necessary, any other independent certified public accountants of any subsidiary of the Company or of any business acquired by the Company for which financial statements and financial data are, or are required to be, included or incorporated by reference in the Registration Statement), addressed to each of the underwriters, such letters to be in customary form and covering matters of the type customarily covered in "cold comfort" letters in connection with underwritten offerings of debt securities

similar to the Notes, and such other matters as reasonably requested by the managing underwriter or underwriters as permitted by the Statement on Auditing Standards No. 72; and (iv) if an underwriting agreement is entered into, cause the same to contain indemnification provisions and procedures no less favorable than those set forth in Section 7 hereof (or such other provisions and procedures acceptable to Holders of a majority in aggregate principal amount of Registrable Notes covered by such Registration Statement and the managing underwriter or underwriters or agents, if any) with respect to all parties to be indemnified pursuant to said Section. The above shall be done at each closing under such underwriting agreement, or as and to the extent required thereunder.

(n) If (1) a Shelf Registration Statement is filed pursuant to Section 3 hereof or (2) a Prospectus contained in the Exchange Offer Registration Statement filed pursuant to Section 2 hereof is required to be delivered under the Securities Act by any Participating Broker-Dealer who seeks to sell Exchange Notes during the Applicable Period, make available for inspection by any selling Holder of such Registrable Notes being sold or each such Participating Broker-Dealer, as the case may be, any underwriter participating in any such disposition of Registrable Notes, if any, and any attorney, accountant or other agent retained by any such selling Holder or each such Participating Broker-Dealer, as the case may be, or underwriter (collectively, the "Inspectors"), at the offices where normally kept, during reasonable business hours, all financial and other records, pertinent corporate documents and instruments of the Company and its subsidiaries (collectively, the "Records") as shall be reasonably necessary to enable them to exercise any applicable due diligence responsibilities, and cause the appropriate officers, directors and employees of the Company and its subsidiaries to supply all information reasonably requested by any such Inspector in connection with such Registration Statement and Prospectus. Each Inspector shall agree in writing that it will keep the Records confidential and not disclose any Records that the Company determines, in good faith, to be confidential and that it notifies the Inspectors in writing are confidential unless (i) the disclosure of such Records is necessary to avoid or correct a misstatement or omission in such Registration Statement or Prospectus, (ii) the release of such Records is ordered pursuant to a subpoena or other order from a court of competent jurisdiction, (iii) disclosure of such information is necessary or advisable in connection with any action, claim, suit or proceeding, directly or indirectly, involving or potentially involving such Inspector and arising out of, based upon, relating to, or involving this Agreement or the Purchase Agreement, or any transactions contemplated hereby or thereby or arising hereunder or thereunder, or (iv) the information in such Records has been made generally available to the public other than through an act of such Inspector in violation of this Section 5(n); provided, however, that, if practicable, prior notice shall be provided as soon as practicable to the Issuers of the potential disclosure of any information by such Inspector pursuant to clause (ii) of this sentence to permit the Issuers to obtain a protective order or to take other appropriate action to prevent the disclosure of such information and that such Inspector shall take such actions as are reasonably necessary to protect the confidentiality of such information (if practicable) to the extent such action is otherwise not inconsistent with, an impairment of or in derogation of the rights and interests of the Holder or any Inspector.

(o) Provide an indenture trustee for the Registrable Notes or the Exchange Notes, as the case may be, and cause the Indenture or the trust indenture provided for in Section 2(b) hereof to be qualified under the TIA not later than the effective date of the Exchange Offer or the first Registration Statement relating to the Registrable Notes; and in connection therewith, cooperate with the trustee under any such indenture and the Holders of the Registrable Notes or Exchange Notes, as applicable, to effect such changes to such indenture as may be required for such indenture to be so qualified in accordance with the terms of the TIA; and execute, and use their reasonable best efforts to cause such trustee to execute, all documents as may be required to effect such changes, and all other forms and documents required to be filed with the Commission to enable such indenture to be so qualified in a timely manner.

(p) Comply with all applicable rules and regulations of the Commission and make generally available to the Company's securityholders earnings statements satisfying the provisions of Section 11(a) of the Securities Act and Rule 158 thereunder (or any similar rule promulgated under the Securities Act) (i) commencing at the end of any fiscal quarter in which Registrable Notes or Exchange Notes are sold to underwriters in a firm commitment or best efforts underwritten offering and (ii) if not sold to underwriters in such an offering, commencing on the first day of the first fiscal quarter of the Company after the effective date of a Registration Statement.

(q) Upon the request of a Holder, upon consummation of the Exchange Offer or a Private Exchange, use their reasonable best efforts to obtain an opinion of counsel to the Issuers, in a form customary for underwritten transactions, addressed to the Trustee for the benefit of all Holders of Registrable Notes participating in the Exchange Offer or the Private Exchange, as the case may be, that the Exchange Notes or Private Exchange Notes, as the case may be, and the related indenture constitute legal, valid and binding obligations of the Issuers, enforceable against the Issuers in accordance with its respective terms, subject to customary exceptions and qualifications.

(r) If the Exchange Offer or a Private Exchange is to be consummated, upon delivery of the Registrable Notes by Holders to the Company (or to such other Person as directed by the Company) in exchange for the Exchange Notes or the Private Exchange Notes, as the case may be, mark, or cause to be marked, on such Registrable Notes that such Registrable Notes are being cancelled in exchange for the Exchange Notes or the Private Exchange Notes, as the case may be; in no event shall such Registrable Notes be marked as paid or otherwise satisfied.

(s) Cooperate with each seller of Registrable Notes covered by any Registration Statement and each underwriter, if any, participating in the disposition of such Registrable Notes and their respective counsel in connection with any filings required to be made with the Financial Industry Regulatory Authority, Inc. ("FINRA").

(t) Use their reasonable best efforts to take all other steps necessary or advisable to effect the registration of the Exchange Notes and/or Registrable Notes covered by a Registration Statement contemplated hereby.

(u) The Company represents, warrants and covenants that it (including its agents and representatives) will not prepare, make, use, authorize, approve or refer to any Free Writing Prospectus in connection with the Exchange Offer or any Shelf Registration Statement.

The Company may require each seller of Registrable Notes or Exchange Notes as to which any registration is being effected to furnish to the Issuers such information regarding such seller and the distribution of such Registrable Notes or Exchange Notes as the Company may, from time to time, reasonably request. The Issuers may exclude from such registration the Registrable Notes or Exchange Notes of any seller so long as such seller fails to furnish such information within a reasonable time after receiving such request. Each seller as to which any Shelf Registration Statement is being effected agrees to furnish promptly to the Company all information required to be disclosed in order to make any information previously furnished to the Company by such seller not materially misleading.

If any such Registration Statement refers to any Holder by name or otherwise as the holder of any securities of the Company, then such Holder shall have the right to require (i) the insertion therein of language, in form and substance reasonably satisfactory to such Holder, to the effect that the holding by such Holder of such securities is not to be construed as a recommendation by such Holder of the investment quality of the securities covered thereby and that such holding does not imply that such Holder will assist in meeting any future financial requirements of the Company, or (ii) in the event that such reference to such Holder by name or otherwise is not required by the Securities Act or any similar federal statute then in force, the deletion of the reference to such Holder in any amendment or supplement to the Registration Statement filed or prepared subsequent to the time that such reference ceases to be required.

Each Holder of Registrable Notes and each Participating Broker-Dealer agrees by acquisition of such Registrable Notes or Exchange Notes that, upon actual receipt of any notice from the Company (x) of the happening of any event of the kind described in Section 5(c)(ii), 5(c)(iv), 5(c)(v), or 5(c)(vi) hereof, or (y) that the Board of Directors of the Company (the "Board of Directors") has resolved that the Company has *abona fide* business purpose for doing so, then the Company may delay the filing or the effectiveness of the Exchange Offer Registration Statement or the Shelf Registration Statement (if not then filed or effective, as applicable) and shall not be required to maintain the effectiveness thereof or amend or supplement the Exchange Offer Registration Statement or the Shelf Registration Statement, in all cases, for a period (a "Delay Period") expiring upon the earlier to occur of (i) in the case of the immediately preceding clause (x), such Holder's or Participating Broker-Dealer's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 5(k) hereof or until it is advised in writing (the "Advice") by the Company that the use of the applicable Prospectus may be resumed, and has received copies of any amendments or supplements thereto or (ii) in the case of the immediately preceding clause (y), the date which is the earlier of (A) the date on which such business purpose ceases to interfere with the Company's obligations to file or maintain the effectiveness of any such Registration Statement pursuant to this Agreement or (B) 60 days after the Company notifies the Holders of such good faith determination. There shall not be more than 60 days of Delay Periods during any 12-month period. Each of the Effectiveness Period and the Applicable Period, if applicable, shall be extended by the number of days during any Delay Period. Any Delay Period will not alter the obligations of the Company to pay Liquidated Damages under the circumstances set forth in Section 4 hereof.

In the event of any Delay Period pursuant to clause (y) of the preceding paragraph, notice shall be given as soon as practicable after the Board of Directors makes such a determination of the need for a Delay Period and shall state, to the extent practicable, an estimate of the duration of such Delay Period and shall advise the recipient thereof of the agreement of such Holder provided in the next succeeding sentence. Each Holder, by his acceptance of any Registrable Note, agrees that during any Delay Period, each Holder will discontinue disposition of such Notes or Exchange Notes covered by such Registration Statement or Prospectus or Exchange Notes to be sold by such Holder or Participating Broker-Dealer, as the case may be.

Section 6. Registration Expenses

All fees and expenses incident to the performance of or compliance with this Agreement by the Issuers shall be borne by the Issuers, whether or not the Exchange Offer Registration Statement or the Shelf Registration Statement is filed or becomes effective or the Exchange Offer is consummated, including, without limitation, (i) all registration and filing fees (including, without limitation, (A) fees with respect to filings required to be made with FINRA in connection with an underwritten offering and (B) fees and expenses of compliance with state securities or Blue Sky laws (including, without limitation, reasonable fees and disbursements of one counsel in connection with Blue Sky qualifications of the Registrable Notes or Exchange Notes and determination of the eligibility of the Registrable Notes or Exchange Notes for investment under the laws of such jurisdictions (x) where the holders of Registrable Notes are located, in the case of an Exchange Offer, or (y) as provided in Section 5(h) hereof, in the case of Exchange Notes to be sold by a Participating Broker-Dealer during the Applicable Period)), (ii) printing expenses, including, without limitation, expenses of printing certificates for Registrable Notes or Exchange Notes in a form eligible for deposit with The Depository Trust Company and of printing prospectuses if the printing of prospectuses is requested by the managing underwriter or underwriters, if any, or by the Holders of a majority in aggregate principal amount of the Registrable Notes included in any Registration Statement or in respect of Exchange Notes to be sold by any Participating Broker-Dealer during the Applicable Period, as the case may be, (iii) messenger, telephone and delivery expenses, (iv) fees and disbursements of counsel for the Issuers and reasonable fees and disbursements of one special counsel for all of the sellers of Registrable Notes (exclusive of any counsel retained pursuant to Section 7 hereof), (v) fees and disbursements of all independent certified public accountants referred to in Section 5(m)(iii) hereof (including, without limitation, the expenses of any special audit and "cold comfort" letters required by or incident to such performance), (vi) Securities Act liability insurance, if the Issuers desire such insurance, (vii) fees and expenses of all other Persons retained by any of the Issuers, (viii) internal expenses of the Issuers (including, without limitation, all salaries and expenses of officers and employees of any of the Issuers performing legal or accounting duties), (ix) the expense of any audit, (x) the fees and expenses incurred in connection with the listing of the securities to be registered on any securities exchange, and the obtaining of a rating of the securities, in each case, if applicable, and (xi) the expenses relating to printing, word processing and distributing all Registration Statements, underwriting agreements, indentures and any other documents necessary in order to comply with this Agreement. Notwithstanding the foregoing or anything to the contrary, each Holder shall pay all underwriting discounts and commissions of any underwriters with respect to any Registrable Notes sold by or on behalf of it.

Section 7. Indemnification

(a) Each Issuer, jointly and severally, agrees to indemnify and hold harmless each Holder of Registrable Notes and each Participating Broker-Dealer selling Exchange Notes during the Applicable Period, each Person, if any, who controls any such Person within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act, the agents, employees, officers and directors of each Holder and each such Participating Broker-Dealer and the agents, employees, officers and directors of any such controlling Person (each, a "Participant") from and against any and all losses, liabilities, claims, damages and expenses whatsoever (including, but not limited to, reasonable attorneys' fees and any and all reasonable expenses whatsoever incurred in investigating, preparing or defending against any litigation, commenced or threatened, or any claim whatsoever, and any and all reasonable amounts paid in settlement of any claim or litigation) (collectively, "Losses") to which they or any of them may become subject under the Securities Act, the Exchange Act or otherwise insofar as such Losses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto), any preliminary prospectus or any Free Writing Prospectus used in violation of this Agreement or any issuer information filed or required to be filed pursuant to Rule 433(d) under the Securities Act, or caused by, arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the case of the Prospectus, in the light of the circumstances under which they were made, not misleading; provided that the foregoing indemnity shall not be available to any Participant insofar as such Losses are caused by any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with information relating to such Participant furnished to the Company in writing by or on behalf of such Participant expressly for use therein.

(b) Each Participant agrees, severally and not jointly, to indemnify and hold harmless each Issuer, each Person, if any, who controls any Issuer within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act, and each of their respective agents, employees, officers and directors and the agents, employees, officers and directors of any such controlling Person from and against any Losses to which they or any of them may become subject under the Securities Act, the Exchange Act or otherwise insofar as such Losses (or actions in respect thereof) arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in any Registration Statement (or any amendment thereto) or Prospectus (as amended or supplemented if the Company shall have furnished any amendments or supplements thereto) or any preliminary prospectus, or caused by, arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the case of the Prospectus, in the light of the circumstances under which they were made, not misleading, in each case to the extent, but only to the extent, that any such Loss arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with information relating to such Participant furnished in writing to the Company by or on behalf of such Participant expressly for use therein.

(c) Promptly after receipt by an indemnified party under subsection 7(a) or 7(b) above of notice of the commencement of any action, suit or proceeding (collectively, an "action"), such indemnified party shall, if a claim in respect thereof is to be made against the indemnifying party under such subsection, notify each party against whom indemnification is to be sought in writing of the commencement

of such action (but the failure so to notify an indemnifying party shall not relieve such indemnifying party from any liability that it may have under this Section 7 except to the extent that it has been prejudiced in any material respect by such failure or from any liability which it otherwise may have). In case any such action is brought against any indemnified party, and it notifies an indemnifying party of the commencement of such action, the indemnifying party will be entitled to participate in such action, and to the extent it may elect by written notice delivered to the indemnified party promptly after receiving the aforesaid notice from such indemnified party, to assume the defense of such action with counsel reasonably satisfactory to such indemnified party. Notwithstanding the foregoing, the indemnified party or parties shall have the right to employ its or their own counsel in any such action, but the fees and expenses of such counsel shall be at the expense of such indemnified party or parties unless (i) the employment of such counsel shall have been authorized in writing by the indemnifying parties in connection with the defense of such action, (ii) the indemnifying parties shall not have employed counsel to take charge of the defense of such action within a reasonable time after notice of commencement of the action, or (iii) the indemnified party or parties shall have reasonably concluded that there may be defenses available to it or them that are different from or additional to those available to one or all of the indemnifying parties (in which case the indemnifying parties shall not have the right to direct the defense of such action on behalf of the indemnified party or parties), in any of which events such reasonable fees and expenses of counsel shall be borne by the indemnifying parties; provided, however, that the indemnifying party will not be liable for the fees and expenses of more than one counsel (together with appropriate local counsel) designated by the indemnified party or parties at any time for all indemnified parties in connection with any one action or separate but similar or related actions arising out of the same general allegations or circumstances. An indemnifying party shall not be liable for any settlement of any claim or action effected without its written consent, which consent may not be unreasonably withheld. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement (x) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (y) does not include any statement as to or any admission of fault, culpability or a failure to act by or on behalf of any indemnified party.

(d) In order to provide for contribution in circumstances in which the indemnification provided for in this Section 7 is for any reason held to be unavailable from the indemnifying party, or is insufficient to hold harmless a party indemnified under this Section 7, each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of such aggregate Losses (i) in such proportion as is appropriate to reflect the relative benefits received by each indemnifying party, on the one hand, and each indemnified party, on the other hand, from the sale of the Notes to the Initial Purchasers or the resale of the Registrable Notes by such Holder, as applicable, or (ii) if such allocation is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to above but also the relative fault of each indemnified party, on the one hand, and each indemnifying party, on the other hand, in connection with the statements or omissions that resulted in such Losses, as well as any other relevant equitable considerations. The relative benefits received by the Issuers, on the one hand, and each Participant, on the other hand, shall be deemed to be in the same proportion as (x) the total proceeds from the sale of the Notes to the Initial Purchasers (net of discounts and commissions but before deducting expenses) received by the Issuers are to (y) the total net profit received by such Participant in connection with the sale of the Registrable Notes. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Issuers or such Participant and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission or alleged statement or omission.

(e) The parties agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation or by any other method of allocation that does not take into account the equitable considerations referred to above. Notwithstanding the provisions of this Section 7, (i) in no case shall any Participant be required to contribute any amount in excess of the amount by which the net profit received by such Participant in connection with the sale of the Registrable Notes exceeds the amount of any damages that such Participant has otherwise been required to pay by reason of any untrue or alleged untrue statement or omission or alleged omission and (ii) no Person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. For purposes of this Section 7, each Person, if any, who controls any Participant within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act and each director, officer, employee and agent of such Participant shall have the same rights to contribution as such Participant, and each Person, if any, who controls any Issuer within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act and each director, officer, employee and agent of such Issuer or Person who controls such Issuer shall have the same rights to contribution as such Issuer. Any party entitled to contribution will, promptly after receipt of notice of commencement of any action against such party in respect of which a claim for contribution may be made against another party or parties under this Section 7, notify such party or parties from whom contribution may be sought, but the omission to so notify such party or parties shall not relieve the party or parties from whom contribution may be sought from any obligation it or they may have under this Section 7 or otherwise, except to the extent that it has been prejudiced in any material respect by such failure; provided, however, that no additional notice shall be required with respect to any action for which notice has been given under this Section 7 for purposes of indemnification. Anything in this section to the contrary notwithstanding, no party shall be liable for contribution with respect to any action or claim settled without its written consent; provided, however, that such written consent was not unreasonably withheld.

Section 8. Rules 144 and 144A

The Company covenants that it will file the reports required to be filed by it under the Securities Act and the Exchange Act and the rules and regulations adopted by the Commission thereunder in a timely manner in accordance with the requirements of the Securities Act and the Exchange Act and, if at any time the Company is not required to file such reports, it will, upon the request of any Holder or beneficial owner of Registrable Notes, make available such information necessary to permit sales pursuant to Rule 144A under the Securities Act, in each case for so long as any Registrable Notes remain outstanding. The Issuers further covenant for so long as any Registrable Notes remain outstanding that they will take such further action as any Holder of Registrable Notes may reasonably request from time to time to enable such Holder to sell Registrable Notes without registration under the Securities Act within the limitation of the exemptions provided by (a) Rule 144 and Rule 144A under the Securities Act, as such Rules may be amended from time to time, or (b) any similar rule or regulation hereafter adopted by the Commission.

Section 9. Underwritten Registrations

If any of the Registrable Notes covered by any Shelf Registration Statement are to be sold in an underwritten offering, the investment banker or investment bankers and manager or managers that will manage the offering will be selected by the Holders of a majority in aggregate principal amount of such Registrable Notes included in such offering and shall be reasonably acceptable to the Company.

No Holder of Registrable Notes may participate in any underwritten registration hereunder if such Holder does not (a) agree to sell such Holder's Registrable Notes on the basis provided in any underwriting arrangements approved by the Persons entitled hereunder to approve such arrangements and (b) complete and execute all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents required under the terms of such underwriting arrangements.

Section 10. Miscellaneous

(a) No Inconsistent Agreements. The Issuers have not entered, as of the date hereof, and shall not enter, after the date of this Agreement, into any agreement with respect to any of their securities that is inconsistent with the rights granted to the Holders of Registrable Notes in this Agreement or otherwise conflicts with the provisions hereof. The rights granted to the Holders hereunder do not conflict with and are not inconsistent with, in any material respect, the rights granted to the holders of any of the Issuers' other issued and outstanding securities under any such agreements. The Issuers have not entered and will not enter into any agreement with respect to any of their securities which will grant to any Person piggy-back registration rights with respect to any Registration Statement.

(b) Adjustments Affecting Registrable Notes. The Issuers shall not, directly or indirectly, take any action with respect to the Registrable Notes as a class that would adversely affect the ability of the Holders of Registrable Notes to include such Registrable Notes in a registration undertaken pursuant to this Agreement.

(c) Amendments and Waivers. The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given except pursuant to a written agreement duly signed and delivered by (I) the Issuers and (II)(A) the Holders of not less than a majority in aggregate principal amount of the then outstanding Registrable Notes and (B) in circumstances that would adversely affect the Participating Broker-Dealers, the Participating Broker-Dealers holding not less than a majority in aggregate principal amount of the Exchange Notes held by all Participating Broker-Dealers; provided, however, that Section 7 and this Section 10(c) may not be amended, modified or supplemented except pursuant to a written agreement duly signed and delivered by each Holder and each Participating Broker-Dealer (including any Person who was a Holder or Participating Broker-Dealer of Registrable Notes or Exchange Notes, as the case may be, disposed of pursuant to any Registration Statement) adversely affected by any such amendment, modification, supplement or waiver. Notwithstanding the foregoing, a waiver or consent to depart from the provisions hereof with respect to a matter that relates exclusively to the rights of Holders of Registrable Notes whose securities are being sold pursuant to a Registration Statement and that does not directly or indirectly affect, impair, limit or compromise the rights of other Holders of Registrable Notes may be given by Holders of at least a majority in aggregate principal amount of the Registrable Notes being sold pursuant to such Registration Statement.

(d) Notices. All notices and other communications (including, without limitation, any notices or other communications to the Trustee) provided for or permitted hereunder shall be made in writing by hand-delivery, registered first-class mail, next-day air courier or telecopier:

(k) Securities Held by the Company or Its Affiliates. Whenever the consent or approval of Holders of a specified percentage of Registrable Notes is required hereunder, Registrable Notes held by the Company or any of its affiliates (as such term is defined in Rule 405 under the Securities Act) shall not be counted in determining whether such consent or approval was given by the Holders of such required percentage.

(l) Third-Party Beneficiaries. Holders and beneficial owners of Registrable Notes and Participating Broker-Dealers are intended third-party beneficiaries of this Agreement, and this Agreement may be enforced by such Persons. No other Person is intended to be, or shall be construed as, a third-party beneficiary of this Agreement.

(m) Attorneys' Fees. As between the parties to this Agreement, in any action or proceeding brought to enforce any provision of this Agreement, or where any provision hereof is validly asserted as a defense, the successful party shall be entitled to recover reasonable attorneys' fees actually incurred in addition to its costs and expenses and any other available remedy.

Meritage Homes Announces Expiration of Early Tender Period, Preliminary Results of the Tender Offer for 2015 Notes and Notice of Redemption to Holders of 2015 Notes

SCOTTSDALE, Ariz., April 10, 2012 – Meritage Homes Corporation (NYSE: MTH), a leading U.S. homebuilder, today announced the expiration of the early tender period and preliminary results for the Company’s tender offer to purchase any or all of its outstanding \$285 million 6.25% Senior Notes due 2015 (“2015 Notes”). The tender offer was made pursuant to the Company’s Offer to Purchase and Solicitation of Consents, the related consent and letter of transmittal and press release, each dated March 27, 2012, (collectively, the “Tender Offer and Consent Solicitation”), which set forth a more detailed description of the terms.

Based on information provided by the depository for the Tender Offer and Consent Solicitation, an aggregate principal amount of approximately \$259 million of 2015 Notes were validly tendered and not validly withdrawn in the Tender Offer and Consent Solicitation.

Holders of 2015 Notes who validly tendered their 2015 Notes in the Tender Offer and Consent Solicitation as of 12:00 midnight, New York City time on Monday, April 9, 2012 (the “Early Tender & Consent Date”) will receive \$1,013 per \$1,000 principal amount of 2015 Notes accepted in the Tender Offer and Consent Solicitation.

The tender offer for the 2015 notes will expire at 12:00 midnight, New York City time, on April 23, 2012 (the “Expiration Date”).

Holders of 2015 Notes who validly tender after the Early Tender & Consent Date and at or before the Expiration Date will receive \$1,003 per \$1,000 principal amount of 2015 Notes accepted in the Tender Offer and Consent Solicitation, which excludes the consent payment of \$10 per \$1,000 principal amount of 2015 Notes.

Meritage intends to retire the remaining, untendered 2015 Notes through a call for redemption, and has provided notice of such call to the holders of the 2015 Notes.

Payments for the 2015 Notes purchased in the Tender Offer and Consent Solicitation will include accrued and unpaid interest from and including the last interest payment date to, but excluding, the settlement date.

As a result of receiving the consents of at least two-thirds in aggregate principal amount of the outstanding 2015 Notes, Meritage has received the requisite consents and tenders for its 2015 Notes in order to effect all of the proposed amendments to the indenture governing such 2015 Notes (the "2015 Indenture"), which amendments are binding upon the holders of the 2015 Notes that have not been tendered in connection with the Tender Offer and Consent Solicitation. Accordingly, Meritage has executed and delivered a supplemental indenture to the 2015 Indenture.

As previously disclosed in the press releases issued on March 27, 2012, the Tender Offer and Consent Solicitation is part of a series of related financing transactions that also included a private placement of \$300 million aggregate principal amount of 7.00% Senior Notes due 2022, which was completed on April 10, 2012.
